(2) For the amendment to be adopted:

(b) the shareholders entitled to vote on the amendment shall approve the amendment as provided in subsection (5).

(3) The board of directors may condition its submission of the proposed amendment on any basis.

(4) The corporation shall notify each shareholder, whether or not entitled to vote, of the proposed shareholders' meeting in accordance with 35-1-520. The notice of meeting must also state that the purpose or one of the purposes of the meeting is to consider the proposed amendment and must contain or be accompanied by a copy or summary of the amendment.

(h) limit or deny an existing preemptive right of all or part of the share of the class; or

(i) cancel or otherwise affect rights to distributions or dividends that have accumulated but have not yet been declared on all or part of the shares of the class.

(2) If a proposed amendment would affect a series of a class of shares in one or more of the ways described in subsection (1), the shares of that series are entitled to be voted as a separate voting group on the proposed amendment.

(3) If a proposed amendment that entitles two or more series of shares to be voted as separate voting groups under this section would affect those two or more series in the same or a substantially similar way, the shareholders of all the series affected must vote together as a single voting group on the proposed amendment.

(4) A class or series of shares is entitled to the voting rights granted by this section although the articles of incorporation provide that the shares are nonvoting shares.

(a) the other corporation consents to the use in writing and submits an undertaking in a form satisfactory to the secretary of state to change its name to a name that is distinguishable in the records of the secretary of state from the name of the applying corporation; or

(b) the applicant delivers to the secretary of state a certified copy of the final judgment of a court of competent jurisdiction establishing the applicant's right to use the name applied for in the state.

(4) A corporation, limited liability company, or limited partnership may use the name, including the fictitious name, of another domestic or foreign corporation, limited liability company, or limited partnership that is used in this state if the other corporation, limited liability company, or limited partnership is incorporated or authorized to transact business in this state and the proposed user corporation, limited liability company, or limited partnership:

(2) Upon receipt of a notice of contest, the secretary of state shall ask each party to the contest to submit within 30 days an affidavit setting forth the facts, opinions, and arguments for or against the retention of the contested name in the records of the secretary of state. The secretary of state shall review the affidavits and shall make a decision or order a hearing to be held within 30 days. If a hearing is ordered, the parties shall meet with the secretary of state before the hearing and attempt to settle the contest. If a settlement is not reached, the secretary of state shall hold a hearing. At the hearing the secretary of state may consider evidence presented by the parties relating to the factual or legal issues raised by the contest. A record of the hearing is not required. (4) The secretary of state shall make a decision for one of the parties within 10 days of the hearing and may order that the contested name be changed in the records of the secretary of state and the relevant documents be amended by the secretary of state in a manner that results in a new name that is not the same as or deceptively similar to another name registered with the office of the secretary of state.

(5) A party may appeal the decision of the secretary of state to the district court within 20 days. The district court shall consider the factual and legal issues without reference to the decision of the secretary of state.

35-1-419. Number and election of directors. (1) A board of directors consists of one or more individuals, with the number specified in or fixed in accordance with the articles of incorporation or bylaws.

(2) If a board of directors has power to fix or change the number of directors, the board may increase or decrease by 30% or less the number of directors last approved by the shareholders, but only the shareholders may increase or decrease by more than 30% the number of directors last approved by the shareholders.

(3) The articles of incorporation or bylaws may establish a variable range for the size of the board of directors by fixing a minimum and maximum number of directors. If a variable range is established, the number of directors may be fixed or changed from time to time, within the minimum and maximum limits, by the shareholders or the board of directors. After shares are issued, only the shareholders may change the range for the size of the board or change from a fixed to a variable-range size board or vice versa.

(4) Directors are elected at the first annual shareholders' meeting and at each annual meeting thereafter unless their terms are staggered under 35-1-422.

(2) The terms of all other directors expire at the next annual shareholders' meeting following their election unless their terms are staggered under 35-1-422.

(3) A decrease in the number of directors does not shorten an incumbent director's term.

(4) A director elected or appointed to fill a vacancy is elected or appointed for the unexpired term of the director's predecessor in office.

(5) Despite the expiration of a director's term, the director continues to serve until the director's successor is elected and qualifies or until there is a decrease in the number of directors.

35-1-422. Staggered terms for directors. If there are nine or more directors, the articles of incorporation or bylaws may provide for staggering their terms by dividing the total number of directors into two or three groups, with each group containing as near as possible to one-half or one-third of the total. In that event, the terms of directors in the first group expire at the first annual shareholders' meeting after their election, the terms of the second group expire at the second annual shareholders' meeting after their election, and the terms of the third group, if any, expire at the third annual shareholders' meeting after their election. At each annual shareholders' meeting held thereafter, directors shall be chosen for a term of 2 years or 3 years, as the case may be, to succeed those whose terms expire.

35-1-424. Removal of directors. (1) The shareholders may remove one or more directors with or without cause unless the articles of incorporation provide that directors may be removed only for cause.

(2) If a director is elected by a voting group of shareholders, only the shareholders of that voting group may participate in the vote to remove the director.

(3) Any director or the entire board of directors may be removed only by a vote of the holders of two-thirds of the shares entitled to vote at an election of directors unless otherwise provided by the articles of incorporation or bylaws. If the shareholders have the right to cumulate their votes when electing directors and if less than the entire board is to be removed, a director may not be removed if the votes cast against the director's removal would be sufficient to elect the director if cumulatively voted at an election of the entire board of directors or, if there are classes of directors, at an election of the class of directors of which the director is a part. If the corporation has fewer than 100 shareholders, the entire board of directors may be removed only by a vote of a majority of the shares then entitled to vote.

(4) A director may be removed by the shareholders only at a meeting called for the purpose of removing the director. The meeting notice must state that the purpose, or one of the purposes, of the meeting is removal of the director.

(a) a majority of the fixed number of directors if the corporation has a fixed board size; or

(b) a majority of the number of directors prescribed or, if a number is not prescribed, the number in office immediately before the meeting begins if the corporation has a variable-range size board.

(2) The articles of incorporation or bylaws may authorize a quorum of a board of directors to consist of no fewer than one-third of the fixed or prescribed number of directors.

(3) If a quorum is present when a vote is taken, the affirmative vote of a majority of directors present is the act of the board of directors unless the articles of incorporation or bylaws require the vote of a greater number of directors.

(4) A director who is present at a meeting of the board of directors or a committee of the board of directors when corporate action is taken is considered to have assented to the action taken unless:

(ii) when used with respect to an individual other than a director, as contemplated in 35-1-457, the office in a corporation held by the officer or the employment or agency relationship undertaken by the employee or agent on behalf of the corporation.

2009 Amendment: Chapter 56 made section gender neutral. Amendment effective October 1, 2009.

35-1-454. Advance for expenses. (1) A corporation may pay for or reimburse the reasonable expenses incurred by a director who is a party to a proceeding in advance of final disposition of the proceeding if:

(a) the director furnishes the corporation a written affirmation of the director's good faith belief that the director has met the standard of conduct described in 35-1-452;

(b) the director furnishes the corporation a written undertaking, executed personally or on the director's behalf, to repay the advance if it is ultimately determined that the director did not meet the standard of conduct described in 35-1-452; and

(c) a determination is made that the facts then known to those making the determination would not preclude indemnification under 35-1-451 through 35-1-459.

(2) The undertaking required by subsection (1)(b) must be an unlimited general obligation of the director but need not be secured and may be accepted without reference to financial ability to make repayment.

(3) Determinations and authorizations of payments under this section must be made in the manner specified in 35-1-456.

History: En. Sec. 102, Ch. 368, L. 1991.

35-1-455. Court-ordered indemnification. Unless a corporation's articles of incorporation provide otherwise, a director of the corporation who is a party to a proceeding may apply for indemnification to the court conducting the proceeding or to another court of competent jurisdiction. On receipt of an application, the court, after giving any notice the court considers necessary, may order indemnification if it determines that the director:

(1) is entitled to mandatory indemnification under 35-1-453, in which case the court shall also order the corporation to pay the director's reasonable expenses incurred in obtaining court-ordered indemnification; or

(2) is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not the director met the standard of conduct set forth in 35-1-452 or was adjudged liable as described in 35-1-452(4). If the director was adjudged liable as described in 35-1-452(4), the director's indemnification is limited to reasonable expenses incurred.

History: En. Sec. 103, Ch. 368, L. 1991.

35-1-456. Determination and authorization of indemnification. (1) A corporation may not indemnify a director under 35-1-452 unless authorized in the specific case after a determination has been made that indemnification of the director is permissible in the circumstances because the director has met the standard of conduct set forth in 35-1-452.

(2) The determination must be made:

(a) by the board of directors by majority vote of a quorum consisting of directors not at the time parties to the proceeding;

(b) if a quorum cannot be obtained under subsection (2)(a), by majority vote of a committee designated by the board of directors, in which designated directors who are parties may participate, consisting solely of two or more directors not at the time parties to the proceeding;

(c) by special legal counsel:

(i) selected by the board of directors or its committee in the manner prescribed in subsection (2)(a) or (2)(b); or

(ii) if a quorum of the board of directors cannot be obtained under subsection (2)(a) and a committee cannot be designated under subsection (2)(b), selected by majority vote of the full board of directors in which selected directors who are parties may participate; or

(d) by the shareholders, but shares owned by or voted under the control of directors who are at the time parties to the proceeding may not be voted on the determination.

(3) Authorization of indemnification and evaluation as to reasonableness of expenses must be made in the same manner as the determination that indemnification is permissible, except that if the determination is made by special legal counsel, authorization of indemnification and evaluation as to reasonableness of expenses must be made by those entitled under subsection (2)(c) to select counsel.

History: En. Sec. 104, Ch. 368, L. 1991.

35-1-457. Indemnification of officers, employees, and agents. Unless a corporation's articles of incorporation provide otherwise:

(1) an officer of the corporation who is not a director is entitled to mandatory indemnification under 35-1-453 and is entitled to apply for court-ordered indemnification under 35-1-455 to the same extent as a director;

(2) the corporation may indemnify and advance expenses under 35-1-451 through 35-1-459 to an officer, employee, or agent of the corporation who is not a director to the same extent as to a director; and

(3) a corporation may also indemnify and advance expenses to an officer, employee, or agent who is not a director to the extent, consistent with public policy, that may be provided by its articles of incorporation, bylaws, general or specific action of its board of directors, or contract.

History: En. Sec. 105, Ch. 368, L. 1991.

35-1-458. Insurance. A corporation may purchase and maintain insurance on behalf of an individual who is or was a director, officer, employee, or agent of the corporation or who, while a director, officer, employee, or agent of the corporation, is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise, against liability asserted against or incurred by the individual in that capacity or arising from the individual's status as a director, officer, employee, or agent, whether or not the corporation would have power to indemnify the individual against the same liability under 35-1-452 or 35-1-453.

History: En. Sec. 106, Ch. 368, L. 1991; amd. Sec. 1266, Ch. 56, L. 2009.

2009 Amendment: Chapter 56 made section gender neutral. Amendment effective October 1, 2009.

35-1-459. Application. (1) A provision treating a corporation's indemnification of or advance for expenses to directors that is contained in its articles of incorporation, its bylaws, a resolution of its shareholders or board of directors, a contract, or other instrument is valid only if and to the extent the provision is consistent with 35-1-451 through 35-1-459. If articles of incorporation limit indemnification or advance for expenses, indemnification and advance for expenses are valid only to the extent consistent with the articles of incorporation.

(2) Sections 35-1-451 through 35-1-459 do not limit a corporation's power to pay or reimburse expenses incurred by a director in connection with the director's appearance as a witness in a proceeding at a time when the director has not been made a named defendant or respondent to the proceeding.

History: En. Sec. 107, Ch. 368, L. 1991.

35-1-460 reserved.

35-1-461. Definitions. As used in 35-1-461 through 35-1-464, the following definitions apply:

(1) "Conflicting interest" with respect to a corporation means the interest a director of the corporation has respecting a transaction effected or proposed to be effected by the corporation or by a subsidiary of the corporation or any other entity in which the corporation has a controlling interest if:

(a) regardless of whether the transaction is brought before the board of directors of the corporation for action, the director knows at the time of commitment that the director or a related person is a party to the transaction or has a beneficial financial interest in or is so closely linked to the transaction and the transaction is of such financial significance to the director or a related person that the interest would reasonably be expected to exert an influence on the director's judgment if the director were called upon to vote on the transaction; or

(b) the transaction is brought, or is of a character and significance to the corporation that it would in the normal course be brought, before the board of directors of the corporation for action and the director knows at the time of commitment that any of the following persons is either a party to the transaction or has a beneficial financial interest in or is so closely linked to the transaction and the transaction is of such financial significance to the person that the interest would reasonably be expected to exert an influence on the director's judgment if the director were called upon to vote on the transaction:

(i) an entity, other than the corporation, of which the director is a director, general partner, agent, or employee;

(ii) a person who controls one or more of the entities specified in subsection (1)(b)(i) or an entity that is controlled by, or is under common control with, one or more of the entities specified in subsection (1)(b)(i); or

(iii) an individual who is a general partner, principal, or employer of the director.

(2) "Director's conflicting interest transaction", with respect to a corporation, means a transaction effected or proposed to be effected by the corporation or by a subsidiary of the corporation or any other entity in which the corporation has a controlling interest in which transaction a director of the corporation has a conflicting interest.

(3) "Related person" means:

(a) the spouse or a parent or sibling of a spouse of the director;

(b) a child, grandchild, sibling, parent or spouse of any child, grandchild, sibling, or parent of the director;

(c) an individual having the same residence as the director;

(d) a trust or estate of which an individual specified in this subsection (3) is a substantial beneficiary; or

(e) a trust, estate, incompetent person, conservatee, or minor for whom the director is a fiduciary.

(4) "Required disclosure" means disclosure by a director, who has a conflicting interest, of:

(a) the existence and nature of the conflicting interest; and

(b) all facts known to the director respecting the subject matter of the transaction that an ordinarily prudent person would reasonably believe to be material to a judgment about whether or not to proceed with the transaction.

(5) "Time of commitment" respecting a transaction means the time when the transaction is consummated or, if made pursuant to contract, the time when the corporation or its subsidiary or the entity in which it has a controlling interest becomes contractually obligated so that its unilateral withdrawal from the transaction would entail significant loss, liability, or other damage.

History: En. Sec. 108, Ch. 368, L. 1991; amd. Sec. 1267, Ch. 56, L. 2009.

2009 Amendment: Chapter 56 made section gender neutral. Amendment effective October 1, 2009.

35-1-462. Judicial action. (1) A transaction effected or proposed to be effected by a corporation or by a subsidiary of the corporation or any other entity in which the corporation has a controlling interest that is not a director's conflicting interest transaction may not be enjoined, set aside, or give rise to an award of damages or other sanctions in a proceeding by a shareholder or by or in the right of the corporation because a director of the corporation or any person with whom the director has a personal, economic, or other association has an interest in the transaction.

(2) A director's conflicting interest transaction may not be enjoined, set aside, or give rise to an award of damages or other sanctions in a proceeding by a shareholder or by or in the right of the corporation because the director or any person with whom the director has a personal, economic, or other association has an interest in the transaction if:

(a) directors' action respecting the transaction was at any time taken in compliance with 35-1-463;

(b) shareholders' action respecting the transaction was at any time taken in compliance with 35-1-464; or

(c) the transaction, judged according to the circumstances at the time of commitment, is established to have been fair to the corporation.

History: En. Sec. 109, Ch. 368, L. 1991.

35-1-463. Directors' action. (1) Directors' action respecting a transaction is effective for purposes of 35-1-462(2)(a) if the transaction received the affirmative vote of a majority, but no fewer than two, of those qualified directors on the board of directors or on an empowered committee of the board who voted on the transaction after either required disclosure to them, to the extent the information was not known by them, or compliance with subsection (2). Action by a committee is effective only if all its members are qualified directors and its members are either all the qualified directors on the board or are appointed by the affirmative vote of a majority of the qualified directors on the board.

(2) If a director has a conflicting interest respecting a transaction but neither the director nor a related person of the director specified in 35-1-461(3) is a party to the transaction and if the director has a duty under law or professional canon or a duty of confidentiality to another person respecting information relating to the transaction such that the director may not make the disclosure described in 35-1-461(4)(b), disclosure is sufficient for purposes of subsection (1) if the director:

(a) discloses to the directors voting on the transaction the existence and nature of the conflicting interest and informs them of the character and limitations imposed by that duty before their vote on the transaction; and

(b) plays no part, directly or indirectly, in their deliberations or vote.

(3) A majority, but no fewer than two, of all the qualified directors on the board of directors or on the committee constitutes a quorum for purposes of action that complies with this section. Directors' action that otherwise complies with this section is not affected by the presence or vote of a director who is not a qualified director.

(4) For purposes of this section, "qualified director" means, with respect to a director's conflicting interest transaction, any director who does not have either a conflicting interest respecting the transaction or a familial, financial, professional, or employment relationship with a second director who does have a conflicting interest respecting the transaction, which relationship would, in the circumstances, reasonably be expected to exert an influence on the first director's judgment when voting on the transaction.

History: **En. Sec. 110, Ch. 368, L. 1991.**

35-1-464. Shareholders' action. (1) Shareholders' action respecting a transaction is effective for purposes of 35-1-462(2)(b) if a majority of the votes entitled to be cast by the holders of all qualified shares were cast in favor of the transaction after:

(a) notice to shareholders describing the director's conflicting interest transaction;

(b) provision of the information referred to in subsection (3); and

(c) required disclosure to the shareholders who voted on the transaction, to the extent the information was not known by them.

(2) A majority of the votes entitled to be cast by the holders of all qualified shares constitutes a quorum for purposes of action that complies with this section. Subject to the provisions of subsections (3) and (4), shareholders' action that otherwise complies with this section is not affected by the presence of holders of shares that are not qualified shares or the voting of those shares.

(3) For purposes of compliance with subsection (1), a director who has a conflicting interest respecting the transaction shall, before the shareholders' vote, inform the secretary or other office or agent of the corporation authorized to tabulate votes of the number of all shares and the identity of persons holding or controlling the vote of all shares that the director knows are beneficially owned by or the voting of which is controlled by the director or by a related person of the director, or both.

(4) If a shareholders' vote does not comply with subsection (1) solely because of a failure of a director to comply with subsection (3) and if the director establishes that the failure did not determine and was not intended by the director to influence the outcome of the vote, the court may, with or without further proceedings respecting 35-1-462(2)(c), take action respecting the transaction and the director and give effect, if any, to the shareholders' vote as it considers appropriate in the circumstances.

(5) For purposes of this section, "qualified shares" means any shares entitled to be voted with respect to the director's conflicting interest transaction except shares that, to the knowledge, before the vote, of the secretary or other officer or agent of the corporation authorized to tabulate votes, are beneficially owned by or the voting of which is controlled by a director who has a conflicting interest respecting the transaction or by a related person of the director, or both.

(2) Annual shareholders' meetings may be held in the state or out of the state, at the place stated in or fixed in accordance with the bylaws. If a place is not stated in or fixed in accordance with the bylaws, annual meetings must be held at the corporation's principal office.

(3) The failure to hold an annual meeting at the time stated in or fixed in accordance with a corporation's bylaws does not affect the validity of any corporate action.

(4) If the corporation has 50 or fewer shareholders and if permitted by the bylaws, shareholders may participate in an annual meeting of the shareholders through a conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other at the same time. Participation in this manner constitutes presence in person at a meeting.

History: En. Sec. 49, Ch. 368, L. 1991.

35-1-517. Special meeting. (1) A corporation shall hold a special meeting of shareholders:

(a) on the call of its board of directors or the person authorized to do so by the articles of incorporation or bylaws; or

(b) if the holders of at least 10% of all the votes entitled to be cast on any issue proposed to be considered at the proposed special meeting sign, date, and deliver to the corporation's secretary one or more written demands for the meeting that describe the purpose for which it is to be held.

(2) If the record date is not fixed or the manner of fixing the record date is not specified under 35-1-518 or 35-1-522, the record date for determining shareholders entitled to demand a special meeting is the date the first shareholder signs the demand.

(3) Special shareholders' meetings may be held in the state or out of the state, at the place stated in or fixed in accordance with the bylaws. If a place is not stated or fixed in accordance with the bylaws, special meetings must be held at the corporation's principal office.

(4) Only business within the purpose described in the meeting notice required by 35-1-520 may be conducted at a special shareholders' meeting.

(5) If the corporation has 50 or fewer shareholders and if permitted by the bylaws, shareholders may participate in a special meeting of the shareholders by means of a conference telephone or similar communication equipment through which all persons participating in the meeting can hear each other at the same time. Participation in this manner constitutes presence in person at a meeting.

History: En. Sec. 50, Ch. 368, L. 1991.

35-1-518. Court-ordered meeting. (1) The district court of the county where a corporation's principal office is located or, if its principal office is not located in this state, in Lewis and Clark County may summarily order a meeting to be held:

(a) on application of any shareholder of the corporation entitled to participate in an annual meeting if an annual meeting was not held within the earlier of 6 months after the end of the corporation's fiscal year or 15 months after its last annual meeting; or

(b) on application of a shareholder who signed a demand for a special meeting valid under 35-1-517, if:

(i) notice of the special meeting was not given within 30 days after the date the demand was delivered to the corporation's secretary; or

(ii) the special meeting was not held in accordance with the notice.

(2) The court may fix the time and place of the meeting, determine the shares entitled to participate in the meeting, specify a record date for determining shareholders entitled to notice of and to vote at the meeting, prescribe the form and content of the meeting notice, fix the quorum required for specific matters to be considered at the meeting or direct that the votes represented at the meeting constitute a quorum for action on those matters, and enter other orders necessary to accomplish the purpose or purposes of the meeting.

History: En. Sec. 51, Ch. 368, L. 1991; amd. Sec. 23, Ch. 240, L. 2007.

35-1-519. Action without meeting. (1) Action required or permitted by this chapter to be taken at a shareholders' meeting may be taken without a meeting if the action is taken by all the shareholders entitled to vote on the action. The action must be evidenced by one or more written consents describing the action taken, signed by all the shareholders entitled to vote on the action, and delivered to the corporation for inclusion in the minutes or filing with the corporate records.

(2) If not otherwise determined under 35-1-518 or 35-1-522, the record date for determining shareholders entitled to take action without a meeting is the date the first shareholder signs the consent under subsection (1).

(3) A consent signed under this section has the effect of a meeting vote and may be described as a vote in any document.

(4) If this chapter requires that notice of proposed action be given to nonvoting shareholders and the action is to be taken by unanimous consent of the voting shareholders, the corporation shall give its nonvoting shareholders written notice of the proposed action at least 10 days before the action is taken. The notice must contain or be accompanied by the same material that, under this chapter, would have been required to be sent to nonvoting shareholders in a notice of meeting at which the proposed action would have been submitted to the shareholders for action.

History: En. Sec. 52, Ch. 368, L. 1991.

35-1-520. Notice of meeting. (1) A corporation shall notify shareholders of the date, time, and place of each annual and special shareholders' meeting not less than 10 or more than 60 days before the meeting date. Unless this chapter or the articles of incorporation require otherwise, the corporation is required to give notice only to shareholders entitled to vote at the meeting.

(2) Unless this chapter or the articles of incorporation require otherwise, notice of an annual meeting need not include a description of the purpose for which the meeting is called.

(3) Notice of a special meeting must include a description of the purpose or purposes for which the meeting is called.

(4) If not otherwise fixed under 35-1-518 or 35-1-522, the record date for determining shareholders entitled to notice of and to vote at an annual or special shareholders' meeting is the day before the first notice is delivered to shareholders.

(5) Unless the bylaws require otherwise, if an annual or special shareholders' meeting is adjourned to a different date, time, or place, notice need not be given of the new date, time, or place if the new date, time, or place is announced at the meeting before adjournment. If a new record date for the adjourned meeting is or must be fixed under 35-1-522, notice of the adjourned meeting must be given under this section to persons who are shareholders as of the new record date.

History: En. Sec. 53, Ch. 368, L. 1991.

35-1-521. Waiver of notice. (1) A shareholder may waive any notice required by this chapter, the articles of incorporation, or bylaws before or after the date and time stated in the notice. The waiver must be in writing, be signed by the shareholder entitled to the notice, and be delivered to the corporation for inclusion in the minutes or filing with the corporate records.

(2) A shareholder's attendance at a meeting:

(a) waives objection to lack of notice or defective notice of the meeting unless the shareholder at the beginning of the meeting objects to holding the meeting or transacting business at the meeting; and

(b) waives objection to consideration of a particular matter at the meeting that is not within the purpose described in the meeting notice unless the shareholder objects to considering the matter when it is presented.

History: En. Sec. 54, Ch. 368, L. 1991.

35-1-522. Record date. (1) The bylaws may fix or provide the manner of fixing the record date for one or more voting groups in order to determine the shareholders entitled to notice of a shareholders' meeting, to demand a special meeting, to vote, or to take any other action. If the bylaws do not fix or provide for fixing a record date, the board of directors of the corporation may fix a future date as the record date.

(2) A record date fixed under this section may not be more than 70 days before the meeting or action requiring a determination of shareholders.

(3) A determination of shareholders entitled to notice of or to vote at a shareholders' meeting is effective for any adjournment of the meeting unless the board of directors fixes a new record date, which it must do if the meeting is adjourned to a date more than 120 days after the date fixed for the original meeting.

(4) If a court orders a meeting adjourned to a date more than 120 days after the date fixed for the original meeting, it may provide that the original record date continues in effect or it may fix a new record date.

History: En. Sec. 55, Ch. 368, L. 1991.

35-1-523. Shareholders' list for meeting. (1) After fixing a record date for a meeting, a corporation shall prepare an alphabetical list of the names of all its shareholders who are entitled to notice of a shareholders' meeting. The list must:

(a) be arranged by voting group, and within each voting group by class or series of shares; and

(b) show the address of and number of shares held by each shareholder.

(2) The shareholders' list must be available for inspection by any shareholder, beginning 2 business days after notice is given of the meeting for which the list was prepared and continuing through the meeting, at the corporation's principal office or at a place identified in the meeting notice in the city where the meeting will be held. A shareholder or a shareholder's agent or attorney is entitled on written demand to inspect and, subject to the requirements of

35-1-1107(3), to copy the list, during regular business hours and at that shareholder's expense, during the period it is available for inspection.

(3) The corporation shall make the shareholders' list available at the meeting, and any shareholder or the shareholder's agent or attorney is entitled to inspect the list at any time during the meeting or any adjournment.

(4) If the corporation refuses to allow a shareholder or the shareholder's agent or attorney to inspect the shareholders' list before or at the meeting or to copy the list as permitted by subsection (2), on application of the shareholder, the district court of the county where a corporation's principal office is located or, if the principal office is not located in this state, in Lewis and Clark County may summarily order the inspection or copying at the corporation's expense and may provide recovery to a shareholder for costs, including reasonable attorney fees, in bringing the action.

(5) Refusal or failure to prepare or make available the shareholders' list does not affect the validity of action taken at the meeting.

History: En. Sec. 56, Ch. 368, L. 1991; amd. Sec. 24, Ch. 240, L. 2007.

35-1-524. Voting entitlement of shares. (1) Except as provided in subsections (2) and (3) or unless the articles of incorporation provide otherwise, each outstanding share, regardless of class, is entitled to one vote on each matter voted on at a shareholders' meeting. Only shares are entitled to vote.

(2) Absent special circumstances, the shares of a corporation are not entitled to vote if they are owned, directly or indirectly, by a second corporation, domestic or foreign, and the first corporation owns, directly or indirectly, a majority of the shares entitled to vote for directors of the second corporation.

(3) Subsection (2) does not limit the power of a corporation to vote any shares, including its own shares, held by it in a fiduciary capacity.

(4) Redeemable shares are not entitled to vote after notice of redemption is mailed to the holders and a sum sufficient to redeem the shares has been deposited with a bank, trust company, or other financial institution under an irrevocable obligation to pay the shareholders the redemption price on surrender of the shares.

(5) Shares acquired by the corporation pursuant to 35-1-630 are not entitled to vote as long as they are owned by the corporation.

History: En. Sec. 57, Ch. 368, L. 1991.

35-1-525. Proxies. (1) A shareholder may vote the shareholder's shares in person or by proxy.

(2) (a) A shareholder may appoint a proxy to vote or otherwise act for that shareholder by:

(i) signing an appointment form, either personally or by attorney-in-fact; or

(ii) transmitting or authorizing the transmission of an appointment by telegram, cablegram, telephone, fax, e-mail, internet, or other means of electronic transmission, provided that the transmission contains sufficient information to demonstrate that the transmission was authorized by the shareholder.

(b) The secretary or other officer or agent that receives the transmission shall determine whether or not the transmission was authorized by the shareholder based on the information contained in the transmission.

(c) The signature provisions of 35-1-527 pertaining to proxies do not apply to transmissions that are determined to be authorized under the provisions of this subsection (2).

(3) An appointment of a proxy is effective when received by the secretary or other officer or agent authorized to tabulate votes. An appointment is valid for 11 months unless a longer period is expressly provided in the appointment form or transmission.

(4) Except as provided in subsection (6), an appointment of a proxy is revocable by the shareholder unless the appointment form conspicuously states that it is irrevocable and the appointment is coupled with an interest. Appointments coupled with an interest include the appointment of:

(a) a pledgee;

(b) a person who purchased or agreed to purchase the shares;

(c) a creditor of the corporation who extended it credit under terms requiring the appointment;

(d) an employee of the corporation whose employment contract requires the appointment; or

(e) a party to a voting agreement created under 35-1-533.

(5) The death or incapacity of the shareholder appointing a proxy does not affect the right of the corporation to accept the proxy's authority unless notice of the death or incapacity is received by the secretary or other officer or agent authorized to tabulate votes before the proxy exercises the proxy's authority under the appointment.

(6) An appointment made irrevocable under subsection (4) is revoked when the interest with which it is coupled is extinguished.

(7) A transferee for value of shares subject to an irrevocable appointment may revoke the appointment if the transferee did not know of its existence when the transferee acquired the shares and the existence of the irrevocable appointment was not noted conspicuously on the certificate representing the shares or on the information statement for shares without certificates.

(8) Subject to 35-1-526 and to any express limitation on the proxy's authority appearing on the face of the appointment form, a corporation is entitled to accept the proxy's vote or other action as that of the shareholder making the appointment.

(9) A shareholder may not sell the shareholder's vote or issue a proxy to vote to any person for any sum of money or anything of value except as authorized in 35-1-532 and this section.

History: En. Sec. 58, Ch. 368, L. 1991; amd. Sec. 8, Ch. 229, L. 1999.

35-1-526. Shares held by nominees. (1) A corporation may establish a procedure by which the beneficial owner of shares that are registered in the name of a nominee is recognized by the corporation as the shareholder. The extent of this recognition may be determined in the procedure.

(2) The procedure may set forth:

(a) the type of nominee to which it applies;

(b) the rights or privileges that the corporation recognizes in a beneficial owner;

(c) the manner in which the procedure is selected by the nominee;

(d) the information that must be provided when the procedure is selected;

(e) the period for which selection of the procedure is effective; and

(f) other aspects of the rights and duties created.

History: En. Sec. 59, Ch. 368, L. 1991.

35-1-527. Corporation's acceptance of votes. (1) If the name signed on a vote, consent, waiver, or proxy appointment corresponds to the name of a shareholder, the corporation if acting in good faith is entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the shareholder.

(2) If the name signed on a vote, consent, waiver, or proxy appointment does not correspond to the name of its shareholder, the corporation, if acting in good faith, is nevertheless entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the shareholder if:

(a) the shareholder is an entity and the name signed purports to be that of an officer or agent of the entity;

(b) the name signed purports to be that of an administrator, executor, guardian, or conservator representing the shareholder and, if the corporation requests, evidence of fiduciary status acceptable to the corporation has been presented with respect to the vote, consent, waiver, or proxy appointment;

(c) the name signed purports to be that of a receiver or trustee in bankruptcy of the shareholder and, if the corporation requests, evidence of this status acceptable to the corporation has been presented with respect to the vote, consent, waiver, or proxy appointment;

(d) the name signed purports to be that of a pledgee, beneficial owner, or attorney-in-fact of the shareholder and, if the corporation requests, evidence acceptable to the corporation of the signatory's authority to sign for the shareholder has been presented with respect to the vote, consent, waiver, or proxy appointment; or

(e) two or more persons are the shareholder as cotenants or fiduciaries and the name signed purports to be the name of at least one of the co-owners and the person signing appears to be acting on behalf of all the co-owners.

(3) The corporation is entitled to reject a vote, consent, waiver, or proxy appointment if the secretary or other officer or agent authorized to tabulate votes, acting in good faith, has reasonable basis for doubt about the validity of the signature on it or about the signatory's authority to sign for the shareholder.

(4) The corporation and its officer or agent who accept or reject a vote, consent, waiver, or proxy appointment in good faith and in accordance with the standards of this section are not liable in damages to the shareholder for the consequences of the acceptance or rejection.

(5) Corporate action based on the acceptance or rejection of a vote, consent, waiver, or proxy appointment under this section is valid unless a court of competent jurisdiction determines otherwise.

History: En. Sec. 60, Ch. 368, L. 1991.

35-1-528. Quorum and voting requirements for voting groups. (1) Shares entitled to vote as a separate voting group may take action on a matter at a meeting only if a quorum of those shares exists with respect to that matter. Unless the articles of incorporation or this chapter provide otherwise, a majority of the votes entitled to be cast on the matter by the voting group constitutes a quorum of that voting group for action on that matter.

(2) Once a share is represented for any purpose at a meeting, it is considered present for quorum purposes for the remainder of the meeting and for any adjournment of that meeting unless a new record date is or must be set for that adjourned meeting.

(3) If a quorum exists, action on a matter other than the election of directors by a voting group is approved if the votes cast within the voting group favoring the action exceed the votes cast opposing the action, unless the articles of incorporation or this chapter require a greater number of affirmative votes.

(4) An amendment of articles of incorporation adding, changing, or deleting a quorum or voting requirement for a voting group greater than specified in subsection (2) or (3) is governed by 35-1-530.

(5) The election of directors is governed by 35-1-531.

History: En. Sec. 61, Ch. 368, L. 1991.

35-1-529. Action by single and multiple voting groups. (1) If the articles of incorporation or this chapter provide for voting by a single voting group on a matter, action on that matter is taken when voted upon by that voting group as provided in 35-1-527.

(2) If the articles of incorporation or this chapter provide for voting by two or more voting groups on a matter, action on that matter is taken only when voted upon by each of those voting groups counted separately as provided in 35-1-528. Action may be taken by one voting group on a matter even though no action is taken by another voting group entitled to vote on the matter.

History: En. Sec. 62, Ch. 368, L. 1991.

35-1-530. Greater quorum or voting requirements. (1) The articles of incorporation may provide for a greater quorum or voting requirement for shareholders or for voting groups of shareholders than is provided for by this chapter.

(2) An amendment to the articles of incorporation that adds, changes, or deletes a greater quorum or voting requirement must meet the same quorum requirement and be adopted by the same vote and voting groups required to take action under the quorum and voting requirements then in effect or proposed to be adopted, whichever is greater.

History: En. Sec. 63, Ch. 368, L. 1991.

35-1-531. Voting for directors — cumulative voting. (1) Unless otherwise provided in the articles of incorporation, directors are elected by a plurality of the votes cast by the shares entitled to vote in the election at a meeting at which a quorum is present.

(2) Except as limited by subsection (3), at each election for directors each shareholder entitled to vote at the election has the right:

(a) to vote, in person or by proxy, the number of shares owned by the shareholder for as many persons as there are directors to be elected and for whose election the shareholder has a right to vote; or

(b) to cumulate the shareholder's votes:

(i) by giving one candidate as many votes as the number of directors to be elected multiplied by the number of shareholders' shares; or

(ii) by distributing the votes on the same principle among any number of the candidates.

(3) The right of all shareholders to cumulate their shares provided by subsection (2) may be denied by a statement to that effect included in the articles of incorporation, but only if:

(a) the statement is included in the articles of incorporation at the time the initial articles of incorporation are filed; or

(b) the statement is included in an amendment to the articles of incorporation unless the number of votes sufficient to elect one director, if voted upon a cumulative basis, was voted against the amendment.

History: En. Sec. 64, Ch. 368, L. 1991.

35-1-532. Voting trusts. (1) One or more shareholders may create a voting trust, conferring on a trustee the right to vote or otherwise act for them, by signing an agreement setting out the provisions of the trust, which may include anything consistent with its purpose, and by transferring their shares to the trustee. When a voting trust agreement is signed, the trustee shall prepare a list of the names and addresses of all owners of beneficial interests in the trust, together with the number and class of shares each transferred to the trust, and deliver copies of the list and agreement to the corporation's principal office.

(2) A voting trust becomes effective on the date the first shares subject to the trust are registered in the trustee's name. A voting trust is valid for not more than 10 years after its effective date unless extended under subsection (3).

(3) All or some of the parties to a voting trust may extend it for additional terms of not more than 10 years each by signing an extension agreement and obtaining the voting trustee's written consent to the extension. An extension is valid for 10 years from the date the first shareholder signs the extension agreement. The voting trustee shall deliver copies of the extension agreement and the list of beneficial owners to the corporation's principal office. An extension agreement binds only those parties signing it.

(4) The counterpart of the voting trust agreement and the copy of the record deposited with the corporation is subject to the same right of examination by a shareholder of a corporation, in person or by agent or attorney, as are the books and records of the corporation, and the counterpart and the copy of the record are subject to examination by any holder of record of voting trust certificates, either in person or by agent or attorney, at any reasonable time for any proper purpose.

History: En. Sec. 65, Ch. 368, L. 1991.

35-1-533. Voting agreements. (1) Two or more shareholders may provide for the manner in which they will vote their shares by signing an agreement for that purpose. A voting agreement created under this section is not subject to the provisions of 35-1-532.

(2) A voting agreement created under this section is specifically enforceable.

History: En. Sec. 66, Ch. 368, L. 1991.

35-1-534. Liability of shareholders. (1) A purchaser from a corporation of its own shares is not liable to the corporation or its creditors with respect to the shares except to pay the consideration for which the shares were authorized to be issued as provided in 35-1-623 or specified in the subscription agreement as provided in 35-1-622.

(2) Unless otherwise provided in the articles of incorporation, a shareholder of a corporation is not personally liable for the acts or debts of the corporation except that a shareholder may become personally liable by reason of that shareholder's own acts or conduct.

History: En. Sec. 39, Ch. 368, L. 1991.

35-1-535. Shareholders' preemptive rights. (1) The shareholders of a corporation do not have a preemptive right to acquire the corporation's unissued shares except to the extent provided in the articles of incorporation.

(2) A statement included in the articles of incorporation that "the corporation elects to have preemptive rights", or similar words, means that all of the following principles apply except to the extent the articles of incorporation expressly provide otherwise:

(a) The shareholders of the corporation have a preemptive right, granted on uniform terms and conditions prescribed by the board of directors to provide a fair and reasonable opportunity to exercise the right, to acquire proportional amounts of the corporation's unissued shares upon the decision of the board of directors to issue them and to acquire proportional amounts of the corporation's issued shares acquired by the corporation pursuant to 35-1-630 upon the decision of the board of directors to convey them.

(b) A shareholder may waive the shareholder's preemptive right. A waiver evidenced by a writing is irrevocable even though it is not supported by consideration.

(c) Shareholders of a corporation do not have a preemptive right to acquire proportional amounts of shares with respect to:

(i) shares issued as compensation to directors, officers, agents, or employees of the corporation, its subsidiaries, or its affiliates;

(ii) shares issued to satisfy conversion or option rights created to provide compensation to directors, officers, agents, or employees of the corporation, its subsidiaries, or its affiliates;

(iii) shares authorized in articles of incorporation that are issued within 6 months from the effective date of incorporation; or

(iv) shares sold otherwise than for money.

(d) Holders of shares of any class without general voting rights but with preferential rights to distributions or assets do not have preemptive rights with respect to shares of any class.

(e) Holders of shares of any class with general voting rights but without preferential rights to distributions or assets do not have preemptive rights with respect to shares of any class with preferential rights to distributions or assets unless the shares with preferential rights are convertible into or carry a right to subscribe for or acquire shares without preferential rights.

(f) Shares subject to preemptive rights that are not acquired by shareholders may be issued to any person for a period of 1 year after being offered to shareholders at a consideration set by the board of directors that is not lower than the consideration set for the exercise of preemptive rights. An offer at a lower consideration or after the expiration of 1 year is subject to the shareholders' preemptive rights.

(g) Shares acquired by the corporation pursuant to 35-1-630 do not have preemptive rights as long as they are owned by the corporation.

(3) For purposes of this section, "shares" includes a security convertible into or carrying a right to subscribe for or acquire shares.

35-1-541. Definitions. As used in 35-1-541 through 35-1-548, the following definitions apply:

(1) "Derivative proceeding" means a civil suit in the right of a domestic corporation or, to the extent provided in 35-1-548, in the right of a foreign corporation.

(2) "Shareholder" includes a beneficial owner whose shares are held in a voting trust or held by a nominee on the beneficial owner's behalf.

History: En. Sec. 67, Ch. 368, L. 1991.

35-1-542. Standing. A shareholder may not commence or maintain a derivative proceeding unless the shareholder:

(1) was a shareholder of the corporation at the time of the act or omission complained of or became a shareholder through transfer by operation of law from one who was a shareholder at that time; and

(2) fairly and adequately represents the interests of the corporation in enforcing the right of the corporation.

History: **En. Sec. 68, Ch. 368, L. 1991.**

35-1-543. Demand. A shareholder may not commence a derivative proceeding until:

(1) a written demand has been made upon the corporation to take suitable action; and

(2) 90 days have expired from the date the demand was made unless the shareholder has earlier been notified that the demand has been rejected by the corporation or unless irreparable injury to the corporation would result by waiting for the expiration of the 90-day period.

History: **En. Sec. 69, Ch. 368, L. 1991.**

35-1-544. Stay of proceedings. If the corporation begins an inquiry into the allegations made in the demand or complaint, the court may stay any derivative proceeding for the period the court considers appropriate.

History: **En. Sec. 70, Ch. 368, L. 1991.**

35-1-545. Dismissal. (1) A derivative proceeding must be dismissed by the court on motion by the corporation if one of the groups specified in subsection (2) or (6) has determined in good faith after conducting a reasonable inquiry upon which its conclusions are based that the maintenance of the derivative proceeding is not in the best interests of the corporation.

(2) Unless a panel is appointed pursuant to subsection (6), the determination in subsection (1) must be made by:

(a) a majority vote of independent directors present at a meeting of the board of directors if the independent directors constitute a quorum; or

(b) a majority vote of a committee consisting of two or more independent directors appointed by majority vote of independent directors present at a meeting of the board of directors, whether or not the independent directors constituted a quorum.

(3) None of the following may by itself cause a director to be considered not independent for purposes of this section:

(a) the nomination or election of the director by persons who are defendants in the derivative proceeding or against whom action is demanded;

(b) the naming of the director as a defendant in the derivative proceeding or as a person against whom action is demanded; or

(c) the approval by the director of the act being challenged in the derivative proceeding or demand if the act did not result in personal benefit to the director.

(4) If a derivative proceeding is begun after a determination has been made rejecting a demand by a shareholder, the complaint must allege with particularity facts establishing either that a majority of the board of directors did not consist of independent directors at the time the determination was made or that the requirements of subsection (1) have not been met.

(5) If a majority of the board of directors does not consist of independent directors at the time the determination is made, the corporation has the burden of proving that the requirements of subsection (1) have been met. If a majority of the board of directors consists of independent directors at the time the determination is made, the plaintiff has the burden of proving that the requirements of subsection (1) have not been met.

(6) Upon motion by the corporation, the court may appoint a panel of one or more independent persons to make a determination of whether the maintenance of the derivative proceeding is in the best interests of the corporation. If this is done, the plaintiff has the burden of proving that the requirements of subsection (1) have not been met.

History: **En. Sec. 71, Ch. 368, L. 1991.**

35-1-546. Discontinuance or settlement — notice. A derivative proceeding may not be discontinued or settled without the court's approval. If the court determines that a proposed discontinuance or settlement will substantially affect the interests of the corporation's shareholders or a class of shareholders, the court shall direct that notice be given to the shareholders affected.

History: **En. Sec. 72, Ch. 368, L. 1991.**

35-1-547. Payment of expenses. On termination of the derivative proceeding, the court may:

(1) order the corporation to pay the plaintiff's reasonable expenses, including attorney fees, incurred in the proceeding if it finds that the proceeding has resulted in a substantial benefit to the corporation;

(2) order the plaintiff to pay a defendant's reasonable expenses, including attorney fees, incurred in defending the proceeding if it finds that the proceeding was commenced or maintained without reasonable cause or for an improper purpose; or

(3) order a party to pay an opposing party's reasonable expenses, including attorney fees, incurred because of the filing of a pleading, motion, or other paper, if it finds that:

(a) the pleading, motion, or other paper was not well-grounded in fact, after reasonable inquiry; or

(b) the filing was not warranted by existing law or a good faith argument for the extension, modification, or reversal of existing law and was interposed for an improper purpose, such as to harass, to cause unnecessary delay, or to cause a needless increase in the cost of litigation.

History: En. Sec. 73, Ch. 368, L. 1991.

35-1-548. Applicability to foreign corporations. In a derivative proceeding in the right of a foreign corporation, the matters covered by 35-1-541 through 35-1-548 are governed by the laws of the jurisdiction of incorporation of the foreign corporation except for 35-1-544, 35-1-546, and 35-1-547.

History: En. Sec. 74, Ch. 368, L. 1991.

35-1-549 reserved.

35-1-550. Number of shareholders. (1) For purposes of Title 35, chapter 9, the following, identified as a shareholder in a corporation's current record of shareholders, constitutes one shareholder:

(a) three or fewer co-owners;

(c) the trustees, guardians, custodians, or other fiduciaries of a single trust, estate, or account.

(2) For purposes of Title 35, chapter 9, shareholdings registered in substantially similar names constitute one shareholder if it is reasonable to believe that the names represent the same person.

35-1-618. Authorized shares. (1) The articles of incorporation must prescribe the classes of shares and the number of shares of each class that the corporation is authorized to issue. If more than one class of shares is authorized, the articles of incorporation must prescribe a distinguishing designation for each class. Prior to the issuance of shares of a class, the preferences, limitations, and relative rights of that class must be described in the articles of incorporation. All shares of a class must have preferences, limitations, and relative rights identical to those of other shares of the same class, except to the extent otherwise permitted by 35-1-619.

(2) (a) The articles of incorporation must authorize:

(i) one or more classes of shares that together have unlimited voting rights; and

(ii) one or more classes of shares which may be the same class or classes as those with voting rights.

(b) The classes of shares listed in subsections (2)(a)(i) and (2)(a)(ii), taken together are entitled to receive the net assets of the corporation upon dissolution.

(3) The articles of incorporation may authorize one or more classes of shares that:

(a) have special, conditional, or limited voting rights or no right to vote, except to the extent prohibited by this chapter;

(b) are redeemable or convertible as specified in the articles of incorporation:

(i) at the option of the corporation, the shareholder, or another person or upon the occurrence of a designated event;

(ii) for cash, indebtedness, securities, or other property; and

(iii) in a designated amount or in an amount determined in accordance with a designated formula or by reference to extrinsic data or events;

(c) entitle the holders to distributions calculated in any manner, including dividends that may be cumulative, noncumulative, or partially cumulative; and

(d) have preference over any other class of shares with respect to distributions, including dividends and distributions upon the dissolution of the corporation.

(4) The description of the designations, preferences, limitations, and relative rights of share classes in subsection (3) is not exhaustive.

(5) When authorized by its articles of incorporation to do so, a corporation may issue bonds, debentures, or other obligations convertible into shares of any class in the amounts and on terms and conditions that may be provided by resolutions of the board of directors.

History: En. Sec. 33, Ch. 368, L. 1991.

35-1-619. Terms of class or series determined by board of directors. (1) If the articles of incorporation so provide, the board of directors may determine, in whole or part, the preferences, limitations, and relative rights, within the limits set forth in 35-1-618, of any class of shares before the issuance of any shares of that class or of one or more series within a class before the issuance of any shares of that series.

(2) Each series of a class must be given a distinguishing designation.

(3) All shares of a series must have preferences, limitations, and relative rights identical to those of other shares of the same series and, except to the extent otherwise provided in the description of the series, to those of other series of the same class.

(4) Before issuing any shares of a class or series created under this section, the corporation shall deliver to the secretary of state, for filing, articles of amendment that are effective without shareholder action and that set forth:

(a) the name of the corporation;

(b) the text of the amendment determining the terms of the class or series of shares;

(c) the date the amendment was adopted; and

(d) a statement that the amendment was duly adopted by the board of directors.

History: En. Sec. 34, Ch. 368, L. 1991.

35-1-620. Issued and outstanding shares. (1) A corporation may issue the number of shares of each class or series authorized by the articles of incorporation. Subject to 35-1-630, shares that are issued are outstanding shares until they are reacquired, redeemed, converted, or canceled.

(2) The reacquisition, redemption, or conversion of outstanding shares is subject to 35-1-712 and to the limitations of subsection (3) of this section.

(3) Whenever shares of the corporation are outstanding, one or more shares that together have unlimited voting rights and one or more shares that together are entitled to receive the net assets of the corporation upon dissolution must be outstanding.

History: En. Sec. 35, Ch. 368, L. 1991.

35-1-621. Fractional shares. (1) A corporation may:

(a) issue fractions of a share or pay in money the value of fractions of a share;

(b) arrange for disposition of fractional shares by the shareholders; and

(c) issue scrip in registered or bearer form entitling the holder to receive a full share upon surrendering enough scrip to equal a full share.

(2) Each certificate representing scrip must be conspicuously labeled "scrip" and must contain the information required by 35-1-626.

(3) The holder of a fractional share is entitled to exercise the rights of a shareholder, including the right to vote, to receive dividends, and to participate in the assets of the corporation upon liquidation. The holder of scrip is not entitled to any of these rights unless the scrip provides for them.

(4) The board of directors may authorize the issuance of scrip subject to any condition considered desirable, including the condition:

(a) that the scrip will become void if not exchanged for full shares before a specified date; and

(b) that the shares for which the scrip is exchangeable may be sold and the proceeds paid to the scripholders.

History: En. Sec. 36, Ch. 368, L. 1991.

35-1-622. Subscription for shares before incorporation. (1) A subscription for shares entered into before incorporation is irrevocable for 6 months unless the subscription agreement provides a longer or shorter period or unless all the subscribers agree to revocation.

(2) The board of directors may determine the payment terms of subscriptions for shares that were entered into before incorporation, unless the subscription agreement specifies them. A call for payment by the board of directors must be uniform, so far as practicable, as to all shares of the same class or series unless the subscription agreement specifies otherwise.

(3) Shares issued pursuant to subscriptions entered into before incorporation are fully paid and nonassessable when the corporation receives the consideration specified in the subscription agreement.

(4) If a subscriber defaults in payment of money or property under a subscription agreement entered into before incorporation, the corporation may collect the amount owed in the same manner as it would collect any other debt. Alternatively, unless the subscription agreement provides otherwise, the corporation may rescind the agreement and may sell the shares if the debt remains unpaid more than 20 days after the corporation sends written demand for payment to the subscriber.

(5) A subscription agreement entered into after incorporation is a contract between the subscriber and the corporation and is subject to the provisions of 35-1-623.

History: En. Sec. 37, Ch. 368, L. 1991.

35-1-623. Issuance of shares. (1) The powers granted in this section to the board of directors may be reserved to the shareholders by the articles of incorporation.

(2) The board of directors may authorize shares to be issued for consideration consisting of any tangible or intangible property or benefit to the corporation, including cash, promissory notes, services performed, contracts for services to be performed, or other securities of the corporation.

(3) Before the corporation issues shares, the board of directors must determine that the consideration received or to be received for shares to be issued is adequate. The determination by the board of directors is conclusive with regard to the adequacy of consideration for the issuance of shares relating to whether the shares are validly issued, fully paid, and nonassessable.

(4) When the corporation receives the consideration for which the board of directors authorized the issuance of shares, the shares issued for the consideration are fully paid and nonassessable.

(5) The corporation may place in escrow shares issued for a contract for future services or benefits or a promissory note, or the corporation may also make other arrangements to restrict the transfer of the shares and may credit distributions in respect of the shares against their purchase price until the services are performed, the note is paid, or the benefits received. If the services are not performed, the note is not paid, or the benefits are not received, the shares escrowed or restricted and the distributions credited may be canceled in whole or in part.

History: En. Sec. 38, Ch. 368, L. 1991.

35-1-624. Share dividends. (1) Unless the articles of incorporation provide otherwise, shares may be issued pro rata and without consideration to the corporation's shareholders or to the shareholders of one or more classes or series. An issuance of shares under this subsection is a share dividend.

(2) Shares of one class or series may not be issued as a share dividend in respect of shares of another class or series unless:

(a) the articles of incorporation authorize the issuance;

(b) a majority of the votes entitled to be cast by the class or series to be issued approve the issue; or

(c) there are no outstanding shares of the class or series to be issued.

(3) If the board of directors does not fix the record date for determining shareholders entitled to a share dividend, the record date is the date the board of directors authorizes the share dividend.

History: En. Sec. 40, Ch. 368, L. 1991.

35-1-625. Share options. A corporation may issue rights, options, or warrants for the purchase of shares of the corporation. The board of directors shall determine the terms upon which the rights, options, or warrants are issued, their form and content, and the consideration for which the shares are to be issued.

History: En. Sec. 41, Ch. 368, L. 1991.

35-1-626. Form and content of certificates. (1) Shares may but need not be represented by certificates. Unless this chapter or another statute expressly provide otherwise, the rights and obligations of shareholders are identical whether or not their shares are represented by certificates.

(2) At a minimum, each share certificate must state on its face:

(a) the name of the issuing corporation and that it is organized under the law of this state;

(b) the name of the person to whom issued; and

(c) the number and class of shares and the designation of the series, if any, that the certificate represents.

(3) (a) If the issuing corporation is authorized to issue different classes of shares or different series within a class the following must be summarized on the front or back of each certificate:

(i) the designations, relative rights, preferences, and limitations applicable to each class;

(ii) the variations in rights, preferences, and limitations determined for each series; and

(iii) the authority of the board of directors to determine variations for future series.

(b) Alternatively, each certificate may state conspicuously on its front or back that the corporation will furnish the shareholder this information on request in writing and without charge.

(4) Each share certificate must be signed, either manually or in facsimile, by two officers designated in the bylaws or by the board of directors and may bear the corporate seal or its facsimile.

(5) If the person who signed, either manually or in facsimile, a share certificate no longer holds office when the certificate is issued, the certificate remains valid.

History: En. Sec. 42, Ch. 368, L. 1991.

35-1-627. Shares without certificates. (1) Unless the articles of incorporation or bylaws provide otherwise, the board of directors of a corporation may authorize the issue of some or all of the shares of any or all of its classes or series without certificates. The authorization does not affect shares already represented by certificates until they are surrendered to the corporation.

(2) Within a reasonable time after the issuance or transfer of shares without certificates, the corporation shall send the shareholder a written statement of the information required on certificates by 35-1-626 and, if applicable, subsection (1) of this section.

History: En. Sec. 43, Ch. 368, L. 1991.

35-1-628. Restriction on transfer or registration of transfer of shares and other securities. (1) The articles of incorporation, the bylaws, an agreement among shareholders, or an agreement between shareholders and the corporation may impose restrictions on the transfer or registration of transfer of shares of the corporation. A restriction does not affect shares issued before the restriction was adopted unless the holders of the shares are parties to the restriction agreement or have voted in favor of the restriction.

(2) A restriction on the transfer or registration of transfer of shares is valid and enforceable against the holder or a transferee of the holder if the restriction is authorized by this section and its existence is noted conspicuously on the front or back of the certificate or is contained in the information statement required by 35-1-627. Unless noted, a restriction is not enforceable against a person without knowledge of the restriction.

(3) A restriction on the transfer or registration of transfer of shares is authorized:

(a) to maintain the corporation's status when it is dependent on the number or identity of its shareholders;

(b) to preserve exemptions under federal or state securities law;

(c) to preserve an election under the Internal Revenue Code; or

(d) for any other reasonable purpose.

(4) A restriction on the transfer or registration of transfer of shares may:

(a) obligate the shareholder first to offer the corporation or other person, separately, consecutively, or simultaneously, an opportunity to acquire the restricted shares;

(b) obligate the corporation or other person, separately, consecutively, or simultaneously, to acquire the restricted shares;

(c) require the corporation, the holders of any class of its shares, or another person to approve the transfer of the restricted shares, if the requirement is not manifestly unreasonable; or

(d) prohibit the transfer of the restricted shares to designated persons or classes of persons if the prohibition is not manifestly unreasonable.

(5) For purposes of this section, "shares" includes a security convertible into or carrying a right to subscribe for or acquire shares.

History: En. Sec. 44, Ch. 368, L. 1991.

35-1-629. Expense of issue. A corporation may pay the expenses of selling or underwriting its shares and of organizing or reorganizing the corporation from the consideration received for shares.

History: En. Sec. 45, Ch. 368, L. 1991.

35-1-630. Corporation's acquisition of its own shares. (1) Except as provided in subsection (2), a corporation may acquire its own shares, and those shares constitute authorized but unissued shares.

(2) If provided by the corporation's articles of incorporation or bylaws, shares acquired pursuant to subsection (1) constitute authorized and issued shares. A corporation may at any time, by resolution of its board of directors, cancel all or any part of the shares acquired under this subsection, in which case the shares constitute authorized but unissued shares.

(3) If the articles of incorporation prohibit the reissue of acquired shares, the number of authorized shares is reduced by the number of shares acquired, effective on amendment of the articles of incorporation.

(4) Articles of amendment may be adopted by the board of directors without shareholder action, must be delivered to the secretary of state, for filing, and must set forth:

(a) the name of the corporation;

(b) the reduction in the number of authorized shares, itemized by class and series; and

(c) the total number of authorized shares, itemized by class and series, remaining after reduction of the shares.

35-1-712. Distributions to shareholders. (1) A board of directors may authorize and the corporation may make distributions to its shareholders, subject to restriction by the articles of incorporation and the limitation in subsection (3).

(2) If the board of directors does not fix the record date for determining shareholders entitled to a distribution, other than a distribution involving a repurchase or reacquisition of shares, it is the date the board of directors authorizes the distribution.

(3) A distribution may not be made if, after giving it effect:

(a) the corporation would not be able to pay its debts as they become due in the usual course of business; or

(b) the corporation's total assets would be less than the sum of its total liabilities plus, unless the articles of incorporation permit otherwise, the amount that would be needed, if the corporation were to be dissolved at the time of the distribution, to satisfy the preferential rights upon dissolution of shareholders whose preferential rights are superior to those receiving the distribution.

(4) The board of directors may base a determination that a distribution is not prohibited under subsection (3) either on financial statements prepared on the basis of accounting practices and principles that are reasonable in the circumstances or on a fair valuation or other method that is reasonable in the circumstances.

(5) The effect of a distribution under subsection (1) is measured:

(a) in the case of distribution by purchase, redemption, or other acquisition of the corporation's shares, as of the earlier of:

(i) the date money or other property is transferred or debt incurred by the corporation; or

(ii) the date the shareholder ceases to be a shareholder with respect to the acquired shares;

(b) in the case of any other distribution of indebtedness, as of the date the indebtedness is distributed; or

(c) in all other cases, as of:

(i) the date the distribution is authorized if the payment occurs within 120 days after the date of authorization; or

(ii) the date the payment is made if it occurs more than 120 days after the date of authorization.

(6) A corporation's indebtedness to a shareholder incurred by reason of a distribution made in accordance with this section is at parity with the corporation's indebtedness to its general, unsecured creditors except to the extent subordinated by agreement.

History: En. Sec. 48, Ch. 368, L. 1991.

35-1-713. Liability for unlawful distributions. (1) Unless the director complies with the applicable standards of conduct described in 35-1-418, a director who votes for or assents to a distribution made in violation of this chapter or the articles of incorporation is personally liable to the corporation for the amount of the distribution that exceeds what could have been distributed without violating this chapter or the articles of incorporation.

(2) A director held liable for an unlawful distribution under subsection (1) is entitled to contribution:

(a) from every other director who voted for or assented to the distribution and who did not comply with the applicable standards of conduct described in 35-1-418; and

(b) from each shareholder for the amount the shareholder accepted if the shareholder knows the distribution was made in violation of this chapter or the articles of incorporation.

35-1-813. Merger. (1) One or more corporations may merge into another corporation if the board of directors of each corporation adopts and its shareholders, if required by 35-1-815, approve a plan of merger.

(2) The plan of merger must set forth:

(a) the name of each corporation planning to merge and the name of the surviving corporation into which each other corporation plans to merge;

(b) the terms and conditions of the merger; and

(c) the manner and basis of converting the shares of each corporation into shares, obligations, or other securities of the surviving corporation or any other corporation or into cash or other property in whole or part.

(3) The plan of merger may set forth:

(a) amendments to the articles of incorporation of the surviving corporation; and

(b) other provisions relating to the merger.

35-1-814. Share exchange. (1) A corporation may acquire all of the outstanding shares of one or more classes or series of another corporation if the board of directors of each corporation adopts and its shareholders, if required by 35-1-815, approve the exchange.

(2) The plan of exchange must set forth:

(a) the name of the corporation from which shares will be acquired and the name of the acquiring corporation;

(b) the terms and conditions of the exchange; and

(c) the manner and basis of exchanging the shares to be acquired for shares, obligations, or other securities of the acquiring corporation or any other corporation or for cash or other property in whole or part.

(3) The plan of exchange may set forth any other provision relating to the exchange.

(4) This section does not limit the power of a corporation to acquire all or part of the shares of one or more classes or series of another corporation through a voluntary exchange or otherwise.

History: En. Sec. 125, Ch. 368, L. 1991.

35-1-815. Action on plan. (1) Except as provided in subsection (7), after adopting a plan of merger or share exchange, the board of directors of each corporation party to the merger and the board of directors of the corporation whose shares will be acquired in the share exchange shall submit the plan of merger, except as provided in subsection (7), or share exchange for approval by its shareholders.

(2) For a plan of merger or share exchange to be approved:

(a) the board of directors shall recommend the plan of merger or share exchange to the shareholders, unless the board of directors determines that because of conflict of interest or other special circumstances it should make no recommendation and communicates the basis for its determination to the shareholders with the plan; and

(b) the shareholders entitled to vote shall approve the plan.

(3) The board of directors may condition its submission of the proposed merger or share exchange on any basis.

(4) The corporation shall notify each shareholder, whether or not entitled to vote, of the proposed shareholders' meeting in accordance with 35-1-520. The notice must also state that the purpose or one of the purposes of the meeting is to consider the plan of merger or share exchange and must contain or be accompanied by a copy or summary of the plan.

(5) Unless this chapter, the articles of incorporation, or the board of directors, acting pursuant to subsection (3), require a greater vote or a vote by voting groups, the plan of merger or share exchange to be authorized must be approved by each voting group entitled to vote separately on the plan by an affirmative vote of two-thirds, or a majority vote if authorized by subsection (10), of the votes entitled to be cast on the plan by that voting group.

(6) Separate voting by voting groups is required:

(a) on a plan of merger if the plan contains a provision that, if contained in a proposed amendment to articles of incorporation, would require action by one or more separate voting groups on the proposed amendment under 35-1-228; and

(b) on a plan of share exchange by each class or series of shares included in the exchange, with each class or series constituting a separate voting group.

(7) Action by the shareholders of the surviving corporation on a plan of merger is not required if:

(a) the articles of incorporation of the surviving corporation will not differ, except for amendments enumerated in 35-1-226, from its articles before the merger;

(b) each shareholder of the surviving corporation whose shares were outstanding immediately before the effective date of the merger will hold the same number of shares, with identical designations, preferences, limitations, and relative rights, immediately after the merger;

(c) the number of voting shares outstanding immediately after the merger plus the number of voting shares issuable as a result of the merger, either by the conversion of securities issued pursuant to the merger or the exercise of rights and warrants issued pursuant to the merger, will not exceed by more than 20% the total number of voting shares of the surviving corporation outstanding immediately before the merger; and

(d) the number of participating shares outstanding immediately after the merger plus the number of participating shares issuable as a result of the merger, either by the conversion of securities issued pursuant to the merger or the exercise of rights and warrants issued pursuant to the merger, will not exceed by more than 20% the total number of participating shares outstanding immediately before the merger.

(8) As used in subsection (7):

(a) "participating shares" means shares that entitle their shareholders to participate without limitation in distributions; and

(b) "voting shares" means shares that entitle their shareholders to vote unconditionally in elections of directors.

(9) After a merger or share exchange is authorized and at any time before articles of merger or share exchange are filed, the planned merger or share exchange may be abandoned, subject to any contractual rights, without further shareholder action in accordance with the procedure set forth in the plan of merger or share exchange or, if no procedure is set forth, in the manner determined by the board of directors.

(10) A majority of all votes entitled to be cast by each voting group is sufficient to constitute approval by the corporation if a statement to that effect is included in the articles of incorporation but only if:

(a) the statement is included in the articles of incorporation at the time the initial articles of incorporation were filed; or

(b) the statement is included in an amendment to the articles of incorporation approved by an affirmative vote of two-thirds of the votes entitled to be cast on the amendment pursuant to 35-1-227.

(1) After a plan of merger or share exchange is approved by the shareholders or adopted by the board of directors if shareholder approval is not required, the surviving or acquiring corporation shall deliver to the secretary of state, for filing, articles of merger or share exchange setting forth:

(a) the plan of merger or share exchange; and

(b) if shareholder approval was not required, a statement to that effect; or

(c) if approval of the shareholders of one or more corporations party to the merger or share exchange was required:

(i) the designation, number of outstanding shares, and number of votes entitled to be cast by each voting group entitled to vote separately on the plan as to each corporation; and

(ii) either the total number of votes cast for and against the plan by each voting group entitled to vote separately on the plan or the total number of undisputed votes cast for the plan separately by each voting group and a statement that the number cast for the plan by each voting group was sufficient for approval by that voting group.

(2) Unless a delayed effective date is specified, a merger or share exchange takes effect when the articles of merger or share exchange are filed.

History: En. Sec. 128, Ch. 368, L. 1991.

35-1-817. Effect of merger or share exchange. (1) When a merger takes effect:

(a) every other corporation party to the merger merges into the surviving corporation and the separate existence of every corporation except the surviving corporation ceases;

(b) the title to all real estate and other property owned by each corporation party to the merger is vested in the surviving corporation without reversion or impairment;

(c) the surviving corporation has all liabilities of each corporation party to the merger;

(d) a proceeding pending against any corporation party to the merger may be continued as if the merger did not occur or the surviving corporation may be substituted in the proceeding for the corporation whose existence ceased;

(e) the articles of incorporation of the surviving corporation are amended to the extent provided in the plan of merger; and

(f) the shares of each corporation party to the merger that are to be converted into shares, obligations, or other securities of the surviving or any other corporation or into cash or other property are converted and the former shareholders are entitled only to the rights provided in the articles of merger or to their rights under 35-1-826 through 35-1-839.

(2) When a share exchange takes effect, the shares of each acquired corporation are exchanged as provided in the plan and the former shareholders are entitled only to the exchange rights provided in the articles of share exchange or to their rights under 35-1-826 through 35-1-839.

History: En. Sec. 129, Ch. 368, L. 1991.

35-1-818. Merger of subsidiary. (1) A parent corporation owning at least 80% of the outstanding shares of each class of a subsidiary corporation may merge the subsidiary into itself without approval of the shareholders of the parent corporation or subsidiary.

(2) The board of directors of the parent corporation shall adopt a plan of merger that sets forth:

(a) the names of the parent corporation and subsidiary; and

(b) the manner and basis of converting the shares of the subsidiary into shares, obligations, or other securities of the parent corporation or any other corporation or into cash or other property in whole or part.

(3) The parent corporation shall mail a copy of the summary of the plan of merger to each shareholder of the subsidiary who does not waive the mailing requirement in writing.

(4) The parent corporation may not deliver articles of merger to the secretary of state for filing until at least 30 days after the date it mailed a copy of the plan of merger to each shareholder of the subsidiary who did not waive the mailing requirement.

(5) Articles of merger under this section may not contain amendments to the articles of incorporation of the parent corporation except for amendments enumerated in 35-1-226.

History: En. Sec. 127, Ch. 368, L. 1991.

35-1-819. Merger or share exchange with foreign corporation. (1) One or more foreign corporations may merge or enter into a share exchange with one or more domestic corporations if:

(a) in a merger, the merger is permitted by the law of the state or country under whose law each foreign corporation is incorporated and each foreign corporation complies with that law in effecting the merger; or

(b) in a share exchange, the corporation whose shares will be acquired is a domestic corporation, whether or not a share exchange is permitted by the law of the state or country under whose law the acquiring corporation is incorporated;

(c) the foreign corporation complies with 35-1-816 and if it is the surviving corporation of the merger or acquiring corporation of the share exchange; and

(d) each domestic corporation complies with the applicable provisions of 35-1-813 through 35-1-815 and 35-1-818 and, if it is the surviving corporation of the merger or acquiring corporation of the share exchange, with the provisions of 35-1-816.

(2) When the merger or share exchange takes effect, the surviving foreign corporation of a merger and the acquiring foreign corporation of a share exchange is considered:

(a) to have appointed the secretary of state as its agent for service of process in a proceeding to enforce any obligation or the rights of dissenting shareholders of each domestic corporation party to the merger or share exchange; and

(b) to have agreed that it will promptly pay to the dissenting shareholders of each domestic corporation party to the merger or share exchange the amount, if any, to which they are entitled under 35-1-826 through 35-1-839.

(3) This section does not limit the power of a foreign corporation to acquire all or part of the shares of one or more classes or series of a domestic corporation through a voluntary exchange or otherwise.

History: En. Sec. 130, Ch. 368, L. 1991.

35-1-820. Shareholder agreements. (1) An agreement among the shareholders of a corporation that complies with this section is effective among the shareholders and the corporation even though it is inconsistent with one or more other provisions of this chapter in that it:

(a) eliminates the board of directors or restricts the discretion or powers of the board of directors;

(b) governs the authorization or making of distributions, whether or not in proportion to ownership of shares, subject to the limitations in 35-1-712;

(c) establishes who must be directors or officers of the corporation or their terms of office or manner of selection or removal;

(d) governs, in general or in regard to specific matters, the exercise or division of voting power by or between the shareholders and directors or by or among any of them, including use of weighted voting rights or director proxies;

(e) establishes the terms and conditions of any agreement for the transfer or use of property or the provision of services between the corporation and any shareholder, director, officer, or employee of the corporation or among any of them;

(f) transfers to one or more shareholders or other persons all or part of the authority to exercise the corporate powers or to manage the business and affairs of the corporation, including the resolution of any issue about which there exists a deadlock among directors or shareholders;

(g) requires dissolution of the corporation at the request of one or more of the shareholders or upon the occurrence of a specified event or contingency; or

(h) otherwise governs the exercise of the corporate powers or the management of the business and affairs of the corporation or the relationship among the shareholders, the directors, and the corporation or among any of them and is not contrary to public policy.

(2) An agreement authorized by this section must be:

(a) set forth:

(i) in the articles of incorporation or bylaws and approved by all persons who are shareholders at the time of the agreement; or

(ii) in a written agreement that is signed by all persons who are shareholders at the time of the agreement and that is made known to the corporation;

(b) subject to amendment only by all persons who are shareholders at the time of the amendment, unless the agreement provides otherwise; and

(c) valid for 10 years, unless the agreement provides otherwise.

(3) The existence of an agreement authorized by this section must be noted conspicuously on the front or back of each certificate for outstanding shares or on the information statement required by 35-1-627(2). If at the time of the agreement the corporation has shares outstanding represented by certificates, the corporation shall recall the outstanding certificates and issue substitute certificates that comply with this subsection. The failure to note the existence of the agreement on the certificate or information statement may not affect the validity of the agreement or any action taken pursuant to it. Any purchaser of shares who, at the time of purchase, did not have knowledge of the existence of the agreement must be entitled to rescission of the purchase. A purchaser is considered to have knowledge of the existence of the agreement if its existence is noted on the certificate or information statement for the shares in compliance with this subsection and, if the shares are not represented by a certificate, the information statement is delivered to the purchaser at or prior to the time of purchase of the shares. An action to enforce the right of rescission authorized by this subsection must be commenced within the earlier of 90 days after discovery of the existence of the agreement or 2 years after the time of purchase of the shares.

(4) An agreement authorized by this section must cease to be effective when shares of the corporation are listed on a national securities exchange or regularly traded in a market maintained by one or more members of a national or affiliated securities association. If the agreement ceases to be effective for any reason, the board of directors may, if the agreement is contained or referred to in the corporation's articles of incorporation or bylaws, adopt an amendment to the articles of incorporation or bylaws, without shareholder action, to delete the agreement and any references to it.

(5) An agreement authorized by this section that limits the discretion or powers of the board of directors must relieve the directors of, and impose upon the person or persons in whom the discretion or powers are vested, liability for acts or omissions imposed by law on directors to the extent that the discretion or powers of the directors are limited by the agreement.

(6) The existence or performance of an agreement authorized by this section may not be a ground for imposing personal liability on any shareholders for the acts or debts of the corporation even if the agreement or its performance treats the corporation as if it were a partnership or results in failure to observe the corporate formalities otherwise applicable to the matters governed by the agreement.

(7) Incorporators or subscribers for shares may act as shareholders with respect to an agreement authorized by this section if shares have not been issued when the agreement is made.

(a) sell, lease, exchange, or otherwise dispose of all or substantially all of its property in the usual and regular course of business;

(b) mortgage, pledge, dedicate to the repayment of indebtedness, whether with or without recourse, or otherwise encumber any or all of its property whether or not in the usual and regular course of business; or

(c) transfer any or all of its property to another corporation all the shares of which are owned by the corporation.

(2) Unless the articles of incorporation require it, approval by the shareholders of a transaction described in subsection (1) is not required.

35-1-823. Sale of assets other than in regular course of business. (1) A corporation may sell, lease, exchange, or otherwise dispose of all or substantially all of its property, which may include good will, otherwise than in the usual and regular course of business, on the terms and conditions and for the consideration determined by the corporation's board of directors if the board of directors proposes and its shareholders approve the proposed transaction.

(2) For a transaction under this section to be authorized:

(a) the board of directors shall recommend the proposed transaction to the shareholders unless the board of directors determines that because of conflict of interest or other special circumstances it should make no recommendation and communicates the basis for its determination to the shareholders with the submission of the proposed transaction; and

(b) the shareholders entitled to vote shall approve the transaction.

(3) The board of directors may condition its submission of the proposed transaction on any basis.

(4) The corporation shall notify each shareholder, whether or not entitled to vote, of the proposed shareholders' meeting in accordance with 35-1-520. The notice must also state that the purpose or one of the purposes of the meeting is to consider the sale, lease, exchange, or other disposition of all or substantially all the property of the corporation and must contain or be accompanied by a description of the transaction.

(5) Unless the articles of incorporation, or the board of directors acting pursuant to subsection (3), require a greater vote or a vote by voting groups, the transaction to be authorized must be approved by an affirmative vote of two-thirds, or a majority if authorized by subsection (8), of the votes entitled to be cast on the transaction.

(6) After a sale, lease, exchange, or other disposition of property is authorized, the transaction may be abandoned, subject to any contractual rights, without further shareholders' action.

(7) A transaction that constitutes a distribution is governed by 35-1-712 and not by this section.

(8) A majority of votes cast by the shareholders is sufficient to constitute approval by the corporation if a statement to that effect is included in the articles of incorporation but only if:

(a) the statement is included in the articles of incorporation at the time the initial articles of incorporation were filed; or

(b) the statement is included in an amendment to the articles of incorporation approved by an affirmative vote of two-thirds of the votes entitled to be cast on the amendment pursuant to 35-1-227.

(2) "Corporation" includes the issuer of the shares held by a dissenter before the corporate action, or the surviving or acquiring corporation by merger or share exchange of that issuer.

(3) "Dissenter" means a shareholder who is entitled to dissent from corporate action under 35-1-827 and who exercises that right when and in the manner required by 35-1-829 through 35-1-837.

(4) "Fair value", with respect to a dissenter's shares, means the value of the shares immediately before the effectuation of the corporate action to which the dissenter objects, excluding any appreciation or depreciation in anticipation of the corporate action unless exclusion would be inequitable.

(5) "Interest" means interest from the effective date of the corporate action until the date of payment at the average rate currently paid by the corporation on its principal bank loans or, if the corporation has no loans, at a rate that is fair and equitable under all the circumstances.

(6) "Record shareholder" means the person in whose name shares are registered in the records of a corporation or the beneficial shareholder to the extent of the rights granted by a nominee certificate on file with a corporation.

(7) "Shareholder" means the record shareholder or the beneficial shareholder.

(a) consummation of a plan of merger to which the corporation is a party if:

(i) shareholder approval is required for the merger by 35-1-815 or the articles of incorporation and the shareholder is entitled to vote on the merger; or

(ii) the corporation is a subsidiary that is merged with its parent corporation under 35-1-818;

(b) consummation of a plan of share exchange to which the corporation is a party as the corporation whose shares will be acquired if the shareholder is entitled to vote on the plan;

(c) consummation of a sale or exchange of all or substantially all of the property of the corporation other than in the usual and regular course of business if the shareholder is entitled to vote on the sale or exchange, including a sale in dissolution but not including a sale pursuant to court order or a sale for cash pursuant to a plan by which all or substantially all of the net proceeds of the sale will be distributed to the shareholders within 1 year after the date of sale;

(d) an amendment of the articles of incorporation that materially and adversely affects rights in respect of a dissenter's shares because it:

(i) alters or abolishes a preferential right of the shares;

(ii) creates, alters, or abolishes a right in respect of redemption, including a provision with respect to a sinking fund for the redemption or repurchase of the shares;

(iii) alters or abolishes a preemptive right of the holder of the shares to acquire shares or other securities;

(iv) excludes or limits the right of the shares to be voted on any matter or to cumulate votes, other than a limitation by dilution through issuance of shares or other securities with similar voting rights; or

(v) reduces the number of shares owned by the shareholder to a fraction of a share if the fractional share created is to be acquired for cash under 35-1-621; or

(e) any corporate action taken pursuant to a shareholder vote to the extent the articles of incorporation, bylaws, or a resolution of the board of directors provides that voting or nonvoting shareholders are entitled to dissent and to obtain payment for their shares.

(2) A shareholder entitled to dissent and to obtain payment for shares under 35-1-826 through 35-1-839 may not challenge the corporate action creating the shareholder's entitlement unless the action is unlawful or fraudulent with respect to the shareholder or the corporation.

History: En. Sec. 134, Ch. 368, L. 1991; amd. Sec. 2, Ch. 249, L. 1993.

35-1-828. Dissent by nominees and beneficial owners. (1) A record shareholder may assert dissenters' rights as to fewer than all the shares registered in the shareholder's name only if the shareholder dissents with respect to all shares beneficially owned by any one person and notifies the corporation in writing of the name and address of each person on whose behalf the shareholder asserts dissenters' rights. The rights of a partial dissenter under this subsection are determined as if the shares as to which the shareholder dissents and the shareholder's other shares were registered in the names of different shareholders.

(2) A beneficial shareholder may assert dissenters' rights as to shares held on the beneficial shareholder's behalf only if the beneficial shareholder:

(a) submits to the corporation the record shareholder's written consent to the dissent not later than the time the beneficial shareholder asserts dissenters' rights; and

(b) does so with respect to all shares of which the beneficial shareholder is the beneficial shareholder or over which the beneficial shareholder has power to direct the vote.

35-1-932. Dissolution by board of directors and shareholders. (1) A corporation's board of directors may propose dissolution for submission to the shareholders.

(2) For a proposal to dissolve to be adopted:

(a) the board of directors shall recommend dissolution to the shareholders unless the board of directors determines that because of conflict of interest or other special circumstances it should make no recommendation and communicates the basis for its determination to the shareholders; and

(b) the shareholders entitled to vote shall approve the proposal to dissolve as provided in subsection (5).

(3) The board of directors may condition its submission of the proposal for dissolution on any basis.

(4) The corporation shall notify each shareholder, whether or not entitled to vote, of the proposed shareholders' meeting in accordance with 35-1-520. The notice must also state that the purpose or one of the purposes of the meeting is to consider dissolving the corporation.

(5) Unless the articles of incorporation, or the board of directors acting pursuant to subsection (3), requires a greater vote or a vote by voting groups to be adopted, the proposal to dissolve must be approved by an affirmative vote of two-thirds, or a majority if authorized by subsection (6), of all the votes entitled to be cast on that proposal.

(6) A majority of votes cast by the shareholders is sufficient to constitute approval by the corporation if a statement to that effect is included in the articles of incorporation but only if:

(a) the statement is included in the articles of incorporation at the time the initial articles of incorporation were filed; or

(b) the statement is included in an amendment to the articles of incorporation approved by an affirmative vote of two-thirds of the votes entitled to be cast on the amendment pursuant to 35-1-227.

(i) the name of the corporation;

(ii) the date dissolution was authorized;

(iii) if the dissolution was adopted by the board of directors without shareholder action, a statement to the effect that shareholder action was not required; and

(iv) if dissolution was approved by the shareholders:

(A) the number of votes entitled to be cast on the proposal to dissolve; and

(2) Revocation of dissolution must be authorized in the same manner as the dissolution was authorized unless that authorization permitted revocation by action of the board of directors alone, in which event the board of directors may revoke the dissolution without shareholder action.

(3) After the revocation of dissolution is authorized, the corporation may revoke the dissolution by delivering to the secretary of state, for filing, articles of revocation of dissolution, together with a copy of its articles of dissolution, that set forth:

(a) the name of the corporation;

(b) the effective date of the dissolution that was revoked;

(c) the date that the revocation of dissolution was authorized;

(d) if the corporation's board of directors or incorporators revoked the dissolution, a statement to that effect;

(f) if shareholder action was required to revoke the dissolution, the information required by 35-1-933(1)(a)(iv) or (1)(b).

(4) Unless a delayed effective date is specified, revocation of dissolution is effective when the articles of revocation of dissolution are filed.

(5) When the revocation of dissolution is effective, it relates back to and takes effect as of the effective date of the dissolution and the corporation resumes carrying on its business as if dissolution had never occurred.

(c) discharging or making provision for discharging its liabilities;

(d) distributing its remaining property among its shareholders according to their interests; and

(e) doing every other act necessary to wind up and liquidate its business and affairs.

(2) Dissolution of a corporation does not:

(a) transfer title to the corporation's property;

(b) prevent transfer of its shares or securities, although the authorization to dissolve may provide for closing the corporation's share transfer records;

(c) subject its directors or officers to standards of conduct different from those prescribed in part 4;

(d) change quorum or voting requirements for its board of directors or shareholders; change provisions for selection, resignation, or removal of its directors or officers, or both; or change provisions for amending its bylaws;

A proceeding by or against the corporation may be prosecuted or defended by the corporation in its corporate name. The shareholders, directors, and officers have power to take corporate or other action as appropriate to protect the remedy, right, or claim.

35-1-1107. Inspection of records by shareholders. (1) Subject to 35-1-1108(3), a shareholder of a corporation is entitled to inspect and copy, during regular business hours at the corporation's principal office, any of the records of the corporation described in 35-1-1106(5) if the shareholder gives the corporation written notice of the demand at least 5 business days before the date on which the shareholder wishes to inspect and copy.

(2) A shareholder of a corporation is entitled to inspect and copy, during regular business hours at a reasonable location specified by the corporation, any of the following records of the corporation if the shareholder meets the requirements of subsection (3) and gives the corporation written notice of the demand at least 5 business days before the date on which the shareholder wishes to inspect and copy:

(a) excerpts from minutes of any meeting of the board of directors, records of any action of a committee of the board of directors while acting in place of the board of directors on behalf of the corporation, minutes of any meeting of the shareholders, and records of action taken by the shareholders or board of directors without a meeting, to the extent not subject to inspection under subsection (1);

(b) accounting records of the corporation; and

(c) the record of shareholders.

(3) A shareholder may inspect and copy the records identified in subsection (2) only if:

(a) the demand is made in good faith and for a proper purpose;

(b) the shareholder describes with reasonable particularity the purpose and the records the shareholder desires to inspect;

(c) the records are directly connected with the shareholder's purpose; and

(d) the shareholder has been a shareholder of record for at least 6 months preceding the demand or the shareholder is a holder of record of at least 5% of all the outstanding shares of the corporation.

(4) The right of inspection granted by this section may not be abolished or limited by a corporation's articles of incorporation or bylaws.

(5) This section does not affect:

(a) the right of a shareholder to inspect records under 35-1-523 or, if the shareholder is in litigation with the corporation, to the same extent as any other litigant; or

(b) the power of a court, independently of this chapter, to compel the production of corporate records for examination.

(6) For purposes of this section, "shareholder" includes a beneficial owner whose shares are held in a voting trust or by a nominee on the shareholder's behalf.

History: En. Sec. 174, Ch. 368, L. 1991; amd. Sec. 156, Ch. 42, L. 1997.

35-1-1108. Scope of inspection right. (1) A shareholder's agent or attorney has the same inspection and copying rights as the shareholder the agent or attorney represents.

(2) The right to copy records under 35-1-1107 includes, if reasonable, the right to receive copies made by photographic, xerographic, or other means.

(3) The corporation may impose a reasonable charge, covering the costs of labor and material, for copies of documents provided to the shareholders. The charge may not exceed the estimated cost of production or reproduction of the records.

(4) The corporation may comply with a shareholder's demand to inspect the record of shareholders under 35-1-1107(2)(c) by providing the shareholder with a list of its shareholders that was compiled no earlier than the date of the shareholder's demand.

History: En. Sec. 175, Ch. 368, L. 1991.

35-1-1109. Court-ordered inspection. (1) If a corporation does not allow a shareholder who complies with 35-1-1107(1) to inspect and copy any records required by that subsection to be available for inspection, the district court of the county where the corporation's principal office is located or, if there is no principal office in this state, in Lewis and Clark County may summarily order inspection and copying of the records demanded at the corporation's expense upon application of the shareholder.

(2) If a corporation does not within a reasonable time allow a shareholder to inspect and copy any other record, the shareholder who complies with 35-1-1107(2) and (3) may apply to the district court in the county where the corporation's principal office is located or, if there is no principal office in this state, in Lewis and Clark County for an order to permit inspection and copying of the records demanded. The court shall dispose of an application under this subsection on an expedited basis.

(3) If the court orders inspection and copying of the records demanded, it shall also order the corporation to pay the shareholder's costs, including reasonable attorney fees, incurred to obtain

the order unless the corporation proves that it refused inspection in good faith because it had a reasonable basis for doubt about the right of the shareholder to inspect the records demanded.

(4) If the court orders inspection and copying of the records demanded, it may impose reasonable restrictions on the use or distribution of the records by the demanding shareholder.

History: En. Sec. 176, Ch. 368, L. 1991; amd. Sec. 33, Ch. 240, L. 2007.

(2) If a corporation issues or authorizes the issuance of shares for promissory notes or for promises to render services in the future, the corporation shall report in writing to the shareholders the number of shares authorized or issued and the consideration received by the corporation with or before the notice of the next shareholders' meeting.

(1) If for any reason it is impractical or impossible for a corporation to call or conduct a meeting of its members, delegates, or directors or to otherwise obtain their consent, in the manner prescribed by its articles, bylaws, or this chapter, then upon petition of a director, officer, delegate, member, or the attorney general, the state district court for the judicial district in which the principal office is located or, if the principal office is not located in this state, in Lewis and Clark County may order that a meeting be called or that a written ballot or other form of obtaining the vote of members, delegates, or directors be authorized, in the manner the court finds fair and equitable under the circumstances.

(2) In an order issued pursuant to this section, the court shall provide for a method of notice reasonably designed to give actual notice to all persons who would be entitled to notice of a meeting held pursuant to the articles, bylaws, and this chapter, whether or not the method results in actual notice to all persons entitled to notice or conforms to the notice requirements that would otherwise apply. In a proceeding under this section, the court may determine who the members or directors are.

(3) The order issued pursuant to this section may dispense with any requirement relating to the holding of or voting at meetings or obtaining votes, including any requirement as to quorums or as to the number or percentage of votes needed for approval, that would otherwise be imposed by the articles, bylaws, or this chapter.

(4) Whenever practical, an order issued pursuant to this section must limit the subject matter of meetings or other forms of consent authorized to approve items, including amendments to the articles or bylaws, the resolution of which will or may enable the corporation to continue managing its affairs without further resort to this section. However, an order under this section may also authorize the obtaining of votes and approvals necessary for dissolution, merger, or sale of assets.

(5) A meeting or other method of obtaining the vote of members, delegates, or directors that is conducted pursuant to an order issued under this section and that complies with all the provisions of the order is for all purposes a valid meeting or vote, and has the same force and effect as if it complied with every requirement imposed by the articles, bylaws, and this chapter.

35-2-231. Class voting by members on amendments. (1) The members of a class in a public benefit corporation are entitled to vote as a class on a proposed amendment to the bylaws if the amendment would change the rights of that class as to voting in a manner different from the manner in which the amendment would affect another class or members of another class.

(2) Members of a class in a mutual benefit corporation are entitled to vote as a class on a proposed amendment to the bylaws if the amendment would:

(a) affect the rights, privileges, preferences, restrictions, or conditions of that class as to voting, dissolution, redemption, or transfer of memberships in a manner different from the manner in which the amendment would affect another class;

(b) change the rights, privileges, preferences, restrictions, or conditions of that class as to voting, dissolution, redemption, or transfer by changing the rights, privileges, preferences, restrictions, or conditions of another class;

(c) increase or decrease the number of memberships authorized for that class;

(d) increase the number of memberships authorized for another class;

(e) cause an exchange, reclassification, or termination of all or part of the memberships of that class; or

(f) authorize a new class of memberships.

(3) The members of a class of a religious corporation are entitled to vote as a class on a proposed amendment to the bylaws only if a class vote is provided for in the articles or bylaws.

(4) If a class is to be divided into two or more classes as a result of an amendment to the bylaws, the amendment must be approved by the members of each class that would be created by the amendment.

(5) If a class vote is required to approve an amendment to the bylaws, the amendment must be approved by the members of the class by two-thirds of the votes cast by the class or a majority of the voting power of the class, whichever is less.

(6) A class of members is entitled to the voting rights granted by this section although the articles and bylaws provide that the class may not vote on the proposed amendment.

History: **En. Sec. 120, Ch. 411, L. 1991.**

35-2-232. Approval by third persons. The articles may require an amendment to the articles or bylaws to be approved in writing by a specified person or persons other than the board. Such an article provision may only be amended with the approval in writing of the person or persons.

History: **En. Sec. 121, Ch. 411, L. 1991.**

35-2-233. Amendment terminating members or redeeming or canceling memberships. (1) Any amendment to the articles or bylaws of a public benefit corporation or mutual benefit corporation that would terminate all members or any class of members or redeem or cancel all memberships or any class of memberships must meet the requirements of this chapter.

(2) Before adopting a resolution proposing an amendment described in subsection (1), the board of a mutual benefit corporation shall give notice of the general nature of the amendment to the members.

(3) After adopting a resolution proposing an amendment described in subsection (1), the notice to members proposing the amendment must include one statement of up to 500 words opposing the proposed amendment if the statement is submitted by any five members or members having 3% or more of the voting power, whichever is less, not later than 20 days after the board has voted to submit the amendment to the members for their approval. In public benefit corporations, the production and mailing costs must be paid by the corporation.

(4) Any amendment under this section must be approved by the members by two-thirds of the votes cast by each class.

(5) The provisions of 35-2-520 do not apply to any amendment that meets the requirements of this chapter.

35-2-414. Requirement for and duties of board. (1) Each corporation must have a board of directors.

(2) Except as provided in this chapter or subsection (3), all corporate powers are exercised by or under the authority of the board, and the affairs of the corporation managed under the direction of its board.

(3) The articles may authorize a person or persons to exercise some or all of the powers that would otherwise be exercised by a board. To the extent authorized, a person authorized under this subsection has the duties and responsibilities of the directors and the directors must be relieved from the duties and responsibilities to that extent.

History: En. Sec. 75, Ch. 411, L. 1991.

35-2-415. Qualifications and numbers of directors. (1) All directors must be individuals. The articles or bylaws may prescribe other qualifications for directors.

(2) A board of directors must consist of three or more individuals, with the number specified in or fixed in accordance with the articles or bylaws.

(3) The number of directors may be increased or decreased, but to not fewer than three, from time to time by amendment to or in the manner prescribed in the articles or bylaws.

History: En. Sec. 76, Ch. 411, L. 1991.

35-2-416. General standards for directors. (1) A director shall discharge the duties as a director, including the director's duties as a member of a committee:

(a) in good faith;

(b) with the care an ordinarily prudent person in a similar position would exercise under similar circumstances; and

(c) in a manner the director reasonably believes to be in the best interests of the corporation.

(2) In discharging the duties, a director is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:

(a) one or more officers or employees of the corporation whom the director reasonably believes to be reliable and competent in the matters presented;

(b) attorneys, public accountants, or other persons with regard to matters that the director reasonably believes are within the person's professional or expert competence;

(c) a committee of the board of which the director is not a member, as to matters within its jurisdiction, if the director reasonably believes the committee merits confidence; or

(d) in the case of religious corporations, religious authorities, ministers, priests, rabbis, or other persons whose position or duties in the religious organization the director believes justify reliance and confidence and whom the director believes to be reliable and competent in the matters presented.

(3) A director is not acting in good faith if the director has knowledge concerning the matter in question that makes reliance otherwise permitted by subsection (2) unwarranted.

(4) A director is not liable to the corporation, any member, or any other person for any action taken or not taken as a director if the director acted in compliance with this section.

(5) A director may not be a trustee with respect to the corporation or with respect to any property held or administered by the corporation, including but not limited to property that may be subject to restrictions imposed by the donor or transferor of the property.

(6) This chapter does not modify any limitation of liability of directors provided by Title 27.

Compiler's Comments

2009 Amendment: Chapter 56 made section gender neutral; and made minor changes in style. Amendment effective October 1, 2009.

35-2-417. Election, designation and appointment of directors. (1) If the corporation has members, all the directors except the initial directors must be elected at the first annual meeting of members and at each annual meeting thereafter unless the articles or bylaws provide some other time or method of election or provide that some of the directors are appointed by some other person or are designated.

(2) If the corporation does not have members, all the directors except the initial directors must be elected, appointed, or designated as provided in the articles or bylaws. If a method of designation or appointment is not set forth in the articles or bylaws, the directors, other than the initial directors, must be elected by the board.

History: En. Sec. 77, Ch. 411, L. 1991.

35-2-418. Director conflict of interest. (1) A conflict of interest transaction is a transaction with the corporation in which a director of the corporation has a direct or indirect interest. A conflict of interest transaction is not voidable or the basis for imposing liability on the director if the transaction was fair at the time it was entered into or is approved as provided in subsection (2) or (3).

(2) A transaction in which a director of a public benefit corporation or religious corporation has a conflict of interest may be approved:

(a) in advance by the vote of the board of directors or a committee of the board if:

(i) the material facts of the transaction and the director's interest are disclosed or known to the board or committee of the board; and

(ii) the directors approving the transaction in good faith reasonably believe that the transaction is fair to the corporation; or

(b) before or after it is consummated by obtaining approval of:

(i) the attorney general; or

(ii) a state district court in an action in which the attorney general is joined as a party.

(3) A transaction in which a director of a mutual benefit corporation has a conflict of interest may be approved if:

(a) the material facts of the transaction and the director's interest were disclosed or known to the board of directors or a committee of the board and the board or committee of the board authorized, approved, or ratified the transaction; or

(b) the material facts of the transaction and the director's interest were disclosed or known to the members and they authorized, approved, or ratified the transaction.

(4) For purposes of this section, a director of the corporation has an indirect interest in a transaction if:

(a) another entity in which the director has a material interest or in which the director is a general partner is a party to the transaction; or

(b) another entity of which the director is a director, officer, or trustee is a party to the transaction.

(5) For purposes of subsections (2) and (3), a conflict of interest transaction is authorized, approved, or ratified, if it receives the affirmative vote of a majority of the directors on the board or on the committee who have no direct or indirect interest in the transaction. However, a transaction may not be authorized, approved, or ratified under this section by a single director. If a majority of the directors on the board who have no direct or indirect interest in the transaction vote to authorize, approve, or ratify the transaction, a quorum is present for the purpose of taking action under this section. The presence of or a vote cast by a director with a direct or indirect interest in the transaction does not affect the validity of any action taken under subsection (2)(a) or (3)(a) if the transaction is otherwise approved as provided in subsection (2) or (3).

(6) For purposes of subsection (3)(b), a conflict of interest transaction is authorized, approved, or ratified by the members if it receives a majority of the votes entitled to be counted under this subsection. Votes cast by or voted under the control of a director who has a direct or indirect interest in the transaction and votes cast by or voted under the control of an entity described in subsection (4)(a) may not be counted in a vote of members to determine whether to authorize, approve, or ratify a conflict of interest transaction under subsection (3)(b). The vote of these members, however, is counted in determining whether the transaction is approved under other sections of this chapter. A majority of the voting power, whether or not present, that is entitled to be counted in a vote on the transaction under this subsection constitutes a quorum for the purpose of taking action under this section.

(7) The articles, bylaws, or a resolution of the board may impose additional requirements on conflict of interest transactions.

History: En. Sec. 92, Ch. 411, L. 1991.

35-2-419. Terms of directors generally — staggered terms. (1) The articles or bylaws must specify the terms of directors. Except for designated or appointed directors, the terms of directors may not exceed 5 years. In the absence of any term specified in the articles or bylaws, the term of each director is 1 year. Directors may be elected for successive terms.

(2) A decrease in the number of directors or term of office does not shorten an incumbent director's term.

(3) Except as provided in the articles or bylaws:

(a) the term of a director filling a vacancy in the office of a director elected by members expires at the next election of directors by members; and

(b) the term of a director filling any other vacancy expires at the end of the unexpired term that the director is filling.

(4) Despite the expiration of a director's term, the director continues to serve until the director's successor is elected, designated, or appointed and qualifies or until there is a decrease in the number of directors.

(5) The articles or bylaws may provide for staggering the terms of directors by dividing the total number of directors into groups. The terms of office of the groups need not be uniform.

History: En. Sec. 78, Ch. 411, L. 1991.

35-2-420. Resignation of directors. (1) A director may resign at any time by delivering written notice to the board of directors, its presiding officer, the president, or the secretary.

(2) A resignation is effective when the notice is effective unless the notice specifies a later effective date. If a resignation is made effective at a later date, the board may fill the pending vacancy before the effective date if the board provides that the successor does not take office until the effective date.

History: En. Sec. 79, Ch. 411, L. 1991.

35-2-421. Removal of directors elected by members or directors. (1) The members may remove one or more directors elected by them without cause.

(2) If a director is elected by a class, chapter, or other organizational unit or by region or other geographic grouping, the director may be removed only by the members of that class, chapter, unit, or grouping.

(3) Except as provided in subsection (9), a director may be removed under subsection (1) or (2) only if the number of votes cast to remove the director would be sufficient to elect the director at a meeting to elect directors.

(4) If cumulative voting is authorized, a director may not be removed:

(a) if the number of votes sufficient to elect the director under cumulative voting is voted against the director's removal; or

(b) if the director was elected by a class, chapter, unit, or grouping of members and the number of votes of that class, chapter, unit, or grouping of members sufficient to elect the director under cumulative voting is voted against the director's removal.

(5) A director elected by members may be removed by the members only at a meeting called for the purpose of removing the director. The meeting notice must state that the purpose or one of the purposes of the meeting is removal of the director.

(6) In computing whether a director is protected from removal under subsections (2) through (4), it should be assumed that the votes against removal are cast in an election for the number of directors of the class to which the director to be removed belonged on the date of that director's election.

(7) An entire board of directors may be removed under subsections (1) through (5).

(8) A director elected by the board may be removed without cause by the vote of two-thirds of the directors then in office or by a greater number as is set forth in the articles or bylaws. However, a director elected by the board to fill the vacancy of a director elected by the members may be removed without cause by the members, but not the board.

(9) If, at the beginning of a director's term on the board, the articles or bylaws provide that the director may be removed for missing a specified number of board meetings, the board may remove the director for failing to attend the specified number of meetings. The director may be removed only if a majority of the directors then in office vote for the removal.

(10) The articles or bylaws of a religious corporation may:

(a) limit the application of this section; and

(b) set forth the vote and procedures by which the board or any person may remove with or without cause a director elected by the members of the board.

History: En. Sec. 80, Ch. 411, L. 1991.

35-2-422. Removal of designated or appointed directors. (1) A designated director may be removed by an amendment to the articles or bylaws deleting or changing the designation.

(2) Except as otherwise provided in the articles or bylaws, an appointed director may be removed without cause by the person appointing the director. The person removing the director shall do so by giving written notice of the removal to the director and either the presiding officer of the board or the corporation's president or secretary. The removal of an appointed director is effective when the notice is effective unless the notice specifies a future effective date.

History: En. Sec. 81, Ch. 411, L. 1991.

35-2-423. Removal of directors by judicial proceeding. (1) The district court for the judicial district of the county where a corporation's principal office is located or, if the principal office is not located in the state, Lewis and Clark County may remove any director of the corporation from office in a proceeding commenced by the corporation, by its members holding at least 10% of the voting power of any class, or by the attorney general in the case of a public benefit corporation if the court finds that:

(a) (i) the director engaged in fraudulent or dishonest conduct or in gross abuse of authority or discretion with respect to the corporation; or

(ii) a final judgment has been entered finding that the director has violated a duty set forth in 35-2-416, 35-2-418, 35-2-435, or 35-2-436; and

(b) removal is in the best interest of the corporation.

(2) The court that removes a director may bar the director from serving on the board for a period prescribed by the court.

(3) If members or the attorney general commence a proceeding under subsection (1), the corporation must be made a party defendant.

(4) If a public benefit corporation or its members commence a proceeding under subsection (1), they shall give the attorney general written notice of the proceeding.

(5) The articles or bylaws of a religious corporation may limit or prohibit the application of this section.

History: En. Sec. 82, Ch. 411, L. 1991; amd. Sec. 39, Ch. 240, L. 2007.

35-2-424. Vacancy on board. (1) Unless the articles or bylaws provide otherwise and except as provided in subsections (2) and (3), if a vacancy occurs on a board of directors, including a vacancy resulting from an increase in the number of directors:

(a) (i) the members, if any, may fill the vacancy; or

(ii) if the vacant office was held by a director elected by a class, chapter, organizational unit or by region or other geographic grouping, only members of the class, chapter, unit, or grouping are entitled to vote to fill the vacancy if it is filled by the members;

(b) the board of directors may fill the vacancy; or

(c) if the directors remaining in office constitute fewer than a quorum of the board, they may fill the vacancy by the affirmative vote of a majority of all the directors remaining in office.

(2) Unless the articles or bylaws provide otherwise, if a vacant office was held by an appointed director, only the person who appointed the director may fill the vacancy.

(3) If a vacant office was held by a designated director, the vacancy must be filled as provided in the articles or bylaws. In the absence of an applicable article or bylaw provision, the vacancy may not be filled by the board.

(4) A vacancy that will occur at a specific later date, by reason of a resignation effective at a later date under 35-2-420(2) or otherwise, may be filled before the vacancy occurs. However, the new director may not take office until the vacancy occurs.

History: En. Sec. 83, Ch. 411, L. 1991.

35-2-425. Compensation of directors. Unless the articles or bylaws provide otherwise, the board of directors may fix the compensation of directors.

History: En. Sec. 84, Ch. 411, L. 1991.

35-2-426 reserved.

35-2-427. Regular and special meetings. (1) If the time and place of a directors' meeting is fixed by the bylaws or the board, the meeting is a regular meeting. All other meetings are special meetings.

(2) A board of directors may hold regular or special meetings in the state or out of the state.

(3) Unless the articles or bylaws provide otherwise, a board may permit any or all directors to participate in a regular or special meeting by or to conduct the meeting through the use of any means of communication by which all directors participating may simultaneously hear each other during the meeting. A director participating in a meeting by this means is considered to be present in person at the meeting.

History: En. Sec. 85, Ch. 411, L. 1991.

35-2-428. Action without meeting. (1) Unless the articles or bylaws provide otherwise, action required or permitted by this chapter to be taken at a board of directors' meeting may be taken without a meeting if the action is taken by all members of the board. The action must be evidenced by one or more written consents describing the action taken, be signed by each director, and be included in the minutes filed with the corporate records reflecting the action taken.

(2) Action taken under this section is effective when the last director signs the consent unless the consent specifies a different effective date.

(3) A consent signed under this section has the effect of a meeting vote and may be described as a vote in any document.

History: En. Sec. 86, Ch. 411, L. 1991.

35-2-429. Call and notice of meetings. (1) Unless the articles or bylaws provide otherwise or unless the provisions of subsection (3) apply, regular meetings of the board may be held without notice.

(2) Unless the articles, bylaws, or subsection (3) provide otherwise, special meetings of the board must be preceded by at least 2 days' notice to each director of the date, time, and place, but not the purpose, of the meeting.

(3) In a corporation without members, any board action to remove a director or to approve a matter that would require approval by the members if the corporation had members is not valid unless each director is given at least 7 days' written notice that the matter will be voted upon at a directors' meeting or unless notice is waived pursuant to 35-2-430.

(4) Unless the articles or bylaws provide otherwise, the presiding officer of the board, the president, or 20% of the directors then in office may call and give notice of a meeting of the board.

History: En. Sec. 87, Ch. 411, L. 1991; amd. Sec. 70, Ch. 51, L. 1999.

35-2-430. Waiver of notice. (1) A director may at any time waive a notice required by this chapter, the articles, or bylaws. Except as provided in subsection (2), the waiver must be in writing, be signed by the director entitled to the notice, and be filed with the minutes or the corporate records.

(2) A director's attendance at or participation in a meeting waives any required notice of the meeting unless the director, upon arriving at the meeting or prior to the vote on a matter not noticed in conformity with this chapter, the articles, or bylaws, objects to lack of notice and does not vote for or assent to that action.

History: En. Sec. 88, Ch. 411, L. 1991.

35-2-431. Quorum and voting. (1) Except as otherwise provided in this chapter, the articles, or bylaws, a quorum of a board of directors consists of a majority of the directors in office immediately before a meeting begins. In no event may the articles or bylaws authorize a quorum of fewer than the greater of one-third of the number of directors in office or two directors.

(2) If a quorum is present when a vote is taken, the affirmative vote of a majority of directors present is the act of the board unless this chapter, the articles, or bylaws require the vote of a greater number of directors.

History: En. Sec. 89, Ch. 411, L. 1991.

35-2-432 reserved.

35-2-433. Committees of the board. (1) Unless prohibited or limited by the articles or bylaws, a board of directors may create one or more committees of the board and appoint members of the board to serve on them. Each committee must have two or more directors who serve at the pleasure of the board.

(2) The creation of a committee and appointment of members to it must be approved by the greater of:

(a) a majority of all the directors in office when the action is taken; or

(b) the number of directors required by the articles or bylaws to take action under 35-2-431.

(3) Sections 35-2-427 through 35-2-431, which govern meetings, action without meetings, notice, waiver of notice, and quorum and voting requirements of the board, apply to committees of the board and their members.

(4) To the extent specified by the board of directors or in the articles or bylaws, each committee of the board may exercise the board's authority under 35-2-414.

(5) A committee of the board may not:

(a) authorize distributions;

(b) approve or recommend to members dissolution, merger, or the sale, pledge, or transfer of all or substantially all of the corporation's assets;

(c) elect, appoint, or remove directors or fill vacancies on the board or on any of its committees; or

(d) adopt, amend, or repeal the articles or bylaws.

(6) The creation of, delegation of authority to, or action by a committee does not by itself constitute compliance by a director with the standards of conduct described in 35-2-416.

History: En. Sec. 90, Ch. 411, L. 1991.

35-2-434 reserved.

35-2-435. Loans to or guaranties for directors and officers. (1) A corporation may not lend money to or guarantee the obligation of a director or officer of the corporation.

(2) The fact that a loan or guaranty is made in violation of this section does not affect the borrower's liability on the loan.

History: En. Sec. 93, Ch. 411, L. 1991.

35-2-436. Liability for unlawful distributions. (1) Unless a director complies with the applicable standards of conduct described in 35-2-416, a director who votes for or assents to a distribution made in violation of this chapter is personally liable to the corporation for the amount of the distribution that exceeds what could have been distributed without violating this chapter.

(2) A director held liable for an unlawful distribution under subsection (1) is entitled to contribution:

(a) from every other director who voted for or assented to the distribution and who did not comply with the applicable standards of conduct described in 35-2-416; and

(b) from each person who received an unlawful distribution for the amount of the distribution whether or not the person receiving the distribution knew it was made in violation of this chapter.

History: En. Sec. 94, Ch. 411, L. 1991.

35-2-437 and 35-2-438 reserved.

35-2-439. Required officers. (1) Unless otherwise provided in the articles or bylaws, a corporation has a president, a secretary, a treasurer, and any other officers appointed by the board.

(2) The bylaws or the board shall delegate to one of the officers responsibility for preparing minutes of the directors' and members' meetings and for authenticating records of the corporation.

(3) A person may simultaneously hold more than one office in a corporation.

History: En. Sec. 95, Ch. 411, L. 1991.

35-2-440. Duties and authority of officers. Each officer has the authority and shall perform the duties set forth in the bylaws or, to the extent consistent with the bylaws, the duties and authority prescribed in a resolution of the board or by direction of an officer authorized by the board to prescribe the duties and authority of other officers.

History: En. Sec. 96, Ch. 411, L. 1991.

35-2-441. Standards of conduct for officers. (1) An officer with discretionary authority shall discharge the duties under that authority:

(a) in good faith;

(b) with the care an ordinarily prudent person in a similar position would exercise under similar circumstances; and

(c) in a manner the officer reasonably believes to be in the best interests of the corporation and its members, if any.

(2) In discharging the duties, an officer is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:

(a) one or more officers or employees of the corporation who the officer reasonably believes to be reliable and competent in the matters presented;

(b) attorneys, public accountants, or other persons as to matters that the officer reasonably believes are within the person's professional or expert competence; or

(c) in the case of religious corporations, religious authorities, ministers, priests, rabbis, or other persons whose position or duties in the religious organization the officer believes justify reliance and confidence and who the officer believes to be reliable and competent in the matters presented.

(3) An officer is not acting in good faith if the officer has knowledge concerning the matter in question that makes reliance otherwise permitted by subsection (2) unwarranted.

(4) An officer is not liable to the corporation, any member, or any other person for an action taken or not taken as an officer if the officer acted in compliance with this section.

(5) This part does not modify any limitation of liability of officers provided by Title 27.

35-2-442. Resignation and removal of officers. (1) An officer may resign at any time by delivering notice to the corporation. A resignation is effective when the notice is effective unless the notice specifies a future effective date. If a resignation is made effective at a future date and the corporation accepts the future effective date, its board of directors may fill the pending vacancy before the effective date if the board provides that the successor does not take office until the effective date.

(2) A board may remove any officer at any time, with or without cause.

History: En. Sec. 98, Ch. 411, L. 1991.

35-2-443. Contract rights of officers. (1) The appointment of an officer does not of itself create contract rights.

(2) An officer's removal does not affect the officer's contract rights, if any, with the corporation. An officer's resignation does not affect the corporation's contract rights, if any, with the officer.

History: En. Sec. 99, Ch. 411, L. 1991.

35-2-444. Officers' authority to execute documents. A contract or other instrument in writing executed or entered into between a corporation and any other person is not invalidated as to the corporation by a lack of authority of the signing officers in the absence of actual knowledge on the part of the other person that the signing officers did not have authority to execute the contract or other instrument if it is signed by:

(1) the presiding officer of the board and the president; or

(2) one person from each of the following:

(a) the presiding officer of the board or the president; and

(b) a vice president, the secretary, treasurer, or executive director.

35-2-446. Definitions. As used in 35-2-446 through 35-2-454, the following definitions apply:

(1) "Corporation" includes any domestic or foreign predecessor entity of a corporation in a merger or other transaction in which the predecessor's existence ceased upon consummation of the transaction.

(2) (a) "Director" means an individual who is or was a director of a corporation or an individual who, while a director of a corporation, is or was serving at the corporation's request as a director, officer, partner, trustee, employee, or agent of another foreign or domestic business or nonprofit corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise. A director is considered to be serving an employee benefit plan at the corporation's request if the director's duties to the corporation also impose duties on, or otherwise involve services by, the director to the plan or the participants in or beneficiaries of the plan.

(b) Director includes, unless the context requires otherwise, the estate or personal representative of a director.

(3) "Expenses" include attorney fees.

(4) "Liability" means the obligation to pay a judgment, settlement, penalty, fine, excise tax assessed with respect to an employee benefit plan, or reasonable expenses actually incurred with respect to a proceeding.

(5) (a) "Official capacity" means:

(i) when used with respect to a director, the office of director in a corporation; or

(ii) when used with respect to an individual other than a director, as contemplated in 35-2-452, the office in a corporation held by the officer or the employment or agency relationship undertaken by the employee or agent on behalf of the corporation.

(b) Official capacity does not include service for any other foreign or domestic business or nonprofit corporation or any partnership, joint venture, trust, employee benefit plan, or other enterprise.

(6) "Party" includes an individual who was, is, or is threatened to be made a named defendant or respondent in a proceeding.

(7) "Proceeding" means any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal.

History: En. Sec. 101, Ch. 411, L. 1991.

35-2-447. Authority to indemnify. (1) Except as provided in subsection (4), an individual made a party to a proceeding because the individual is or was a director may be indemnified against liability incurred in the proceeding if the individual:

(a) engaged in good faith conduct;

(b) reasonably believed:

(i) in the case of conduct in the individual's official capacity with the corporation, that the conduct was in its best interests; and

(ii) in all other cases, that the conduct was at least not opposed to its best interests; and

(c) in the case of any criminal proceeding, had no reasonable cause to believe the conduct was unlawful.

(2) A director's conduct with respect to an employee benefit plan for a purpose the director reasonably believed to be in the interests of the participants in and beneficiaries of the plan is conduct that satisfies the requirements of subsection (1)(b)(ii).

(3) The termination of a proceeding by judgment, order, settlement, or conviction or upon a plea of nolo contendere or its equivalent is not, of itself, a determination that the director did not meet the standard of conduct described in this section.

(4) A corporation may not indemnify a director under this section:

(a) in connection with a proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation; or

(b) in connection with any other proceeding that charges improper personal benefit to the director, whether or not involving action in the director's official capacity, in which the director was adjudged liable on the basis that personal benefit was improperly received by the director.

(5) Indemnification permitted under this section in connection with a proceeding by or in the right of the corporation is limited to reasonable expenses incurred in connection with the proceeding.

35-2-449. Advance for expenses. (1) A corporation may pay for or reimburse the reasonable expenses incurred by a director who is a party to a proceeding in advance of final disposition of the proceeding if:

(a) the director furnishes the corporation with a written affirmation of the director's good faith belief that the director has met the standard of conduct described in 35-2-447;

(b) the director furnishes the corporation with a written undertaking, executed personally or on the director's behalf, to repay the advance if it is ultimately determined that the director did not meet the standard of conduct; and

(c) a determination is made that the facts then known to those making the determination would not preclude indemnification under 35-2-446 through 35-2-454.

(2) The undertaking required by subsection (1)(b) must be an unlimited general obligation of the director but need not be secured and may be accepted without reference to financial ability to make repayment.

(3) Determinations and authorizations of payments under this section must be made in the manner specified in 35-2-451.

35-2-450. Court-ordered indemnification. Unless limited by a corporation's articles of incorporation, a director of the corporation who is a party to a proceeding may apply for indemnification to the court conducting the proceeding or to another court of competent jurisdiction. On receipt of an application, the court, after giving any notice the court considers necessary, may order indemnification in the amount it considers proper if it determines that the director:

(1) is entitled to mandatory indemnification under 35-2-448, in which case the court shall also order the corporation to pay the director's reasonable expenses incurred to obtain court-ordered indemnification; or

(2) is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not the director met the standard of conduct set forth in 35-2-447(1) or was adjudged liable as described in 35-2-447(4). If the director was adjudged liable, indemnification is limited to reasonable expenses incurred.

History: En. Sec. 105, Ch. 411, L. 1991.

35-2-451. Determination and authorization of indemnification. (1) A corporation may not indemnify a director under 35-2-447 unless it is authorized in the specific case after a determination has been made that indemnification of the director is permissible in the circumstances because the director has met the standard of conduct set forth in 35-2-447.

(2) The determination must be made:

(a) by the board of directors by majority vote of a quorum consisting of directors not at the time parties to the proceeding;

(b) if a quorum cannot be obtained under subsection (2)(a), by majority vote of a committee designated by the board of directors consisting solely of two or more directors not at the time parties to the proceeding;

(c) by special legal counsel:

(i) selected by the board of directors or its committee in the manner prescribed in subsection (2)(a) or (2)(b); or

(ii) if a quorum of the board cannot be obtained under subsection (2)(a) and a committee cannot be designated under subsection (2)(b), selected by majority vote of the full board, in which selected directors who are parties may participate; or

(d) by the members of a mutual benefit corporation. However, directors who are at the time parties to the proceeding may not vote on the determination.

(3) Authorization of indemnification and evaluation as to reasonableness of expenses must be made in the same manner as the determination that indemnification is permissible, except that if the determination is made by special legal counsel, authorization of indemnification and evaluation as to reasonableness of expenses must be made by those entitled under subsection (2)(c) to select counsel.

(4) A director of a public benefit corporation may not be indemnified until 20 days after the effective date of written notice to the attorney general of the proposed indemnification.

History: En. Sec. 106, Ch. 411, L. 1991.

35-2-452. Indemnification of officers, employees, and agents. Unless limited by a corporation's articles of incorporation:

(1) an officer of the corporation who is not a director is entitled to mandatory indemnification under 35-2-448 and is entitled to apply for court-ordered indemnification under 35-2-450 to the same extent as a director;

(2) the corporation may indemnify and advance expenses under 35-2-446 through 35-2-454 to an officer, employee, or agent of the corporation who is not a director to the same extent as to a director; and

(3) a corporation may also indemnify and advance expenses to an officer, employee, or agent who is not a director to the extent, consistent with public policy, that may be provided by its articles of incorporation, bylaws, general or specific action of its board of directors, or contract.

History: En. Sec. 107, Ch. 411, L. 1991.

35-2-453. Insurance. A corporation may purchase and maintain insurance on behalf of an individual who is or was a director, officer, employee, or agent of the corporation or who, while a director, officer, employee, or agent of the corporation, is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, or agent of another foreign or domestic business or nonprofit corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise against liability asserted against or incurred by the individual in that capacity or arising from the individual's status as a director, officer, employee, or agent, whether or not the corporation would have power to indemnify the individual against the same liability under 35-2-447 or 35-2-448.

If articles of incorporation limit indemnification or advance for expenses, indemnification and advance for expenses are valid only to the extent consistent with the articles.

(2) Sections 35-2-446 through 35-2-454 do not limit a corporation's power to pay or reimburse expenses incurred by a director in connection with appearing as a witness in a proceeding at a time when the director has not been made a named defendant or respondent to the proceeding.

(4) At the annual meeting:

(a) the president and chief financial officer shall report on the activities and financial condition of the corporation; and

(b) the members shall consider and act upon other matters that are raised consistent with the notice and voting requirements of 35-2-530 and 35-2-538(2).

(5) At regular meetings, the members shall consider and act upon matters raised consistent with the notice and voting requirements of 35-2-530 and 35-2-538(2).

(6) The failure to hold an annual or regular meeting at a time stated in or fixed in accordance with a corporation's bylaws does not affect the validity of any corporate action.

(7) If the corporation has 50 or fewer members and if permitted by the bylaws, members may participate in a meeting of the members by means of a conference telephone call or similar communication equipment through which all persons participating in the meeting can hear each other at the same time. Participation in this manner constitutes presence in person at a meeting.

History: En. Sec. 58, Ch. 411, L. 1991.

35-2-527. Special meeting. (1) A corporation with members shall hold a special meeting of members:

(a) on the call of its board or of the person authorized to do so by the articles or bylaws; or

(b) except as provided in the articles or bylaws of a religious corporation, if the holders of at least 5% of the voting power of any corporation sign, date, and deliver to any corporate officer one or more written demands for the meeting that describe the purpose or purposes for which it is to be held.

(2) For purposes of determining whether the 5% requirement of subsection (1) has been met, the record date is at the close of business on the 30th day before delivery of the demand or demands for a special meeting to any corporate officer.

(3) If a notice for a special meeting demanded under subsection (1)(b) is not given pursuant to 35-2-530 within 30 days after the date the written demand is delivered to a corporate officer, regardless of the requirements of subsection (4), a person signing the demand or demands may set the time and place of the meeting and give notice pursuant to 35-2-530.

(4) Special meetings of members may be held in the state or out of the state, at the place stated in or fixed in accordance with the bylaws. If a place is not stated or fixed in accordance with the bylaws, special meetings must be held at the corporation's principal office.

(5) Only those matters that are within the purpose or purposes described in the meeting notice required by 35-2-530 may be conducted at a special meeting of members.

History: En. Sec. 59, Ch. 411, L. 1991.

35-2-528. Court-ordered meeting. (1) The district court for the judicial district of the county where a corporation's principal office is located or, if the principal office is not located in this state, in Lewis and Clark County may summarily order a meeting to be held:

(a) on application of a member or other person entitled to participate in an annual or regular meeting and, in the case of a public benefit corporation, the attorney general, if an annual meeting was not held within the earlier of 6 months after the end of the corporation's fiscal year or 15 months after its last annual meeting;

(b) on application of a member or other person entitled to participate in a regular meeting and, in the case of a public benefit corporation, the attorney general, if a regular meeting is not held within 40 days after the date it was required to be held; or

(c) on application of a member who signed a demand for a special meeting valid under 35-2-527, a person entitled to call a special meeting and, in the case of a public benefit corporation, the attorney general, if:

(i) notice of the special meeting was not given within 30 days after the date the demand was delivered to a corporate officer; or

(ii) the special meeting was not held in accordance with the notice.

(2) The court may fix the time and place of the meeting, specify a record date for determining members entitled to notice of and to vote at the meeting, prescribe the form and content of the meeting notice, fix the quorum required for specific matters to be considered at the meeting or direct that the votes represented at the meeting constitute a quorum for action on those matters, and enter other orders necessary to accomplish the purpose or purposes of the meeting.

(3) If the court orders a meeting, it may also order the corporation to pay the member's costs, including reasonable attorney fees, incurred to obtain the order.

History: En. Sec. 60, Ch. 411, L. 1991; amd. Sec. 40, Ch. 240, L. 2007.

35-2-529. Action by written consent. (1) Unless limited or prohibited by the articles or bylaws, action required or permitted by this chapter to be approved by the members may be approved without a meeting of members if the action is approved by members holding at least 80% of the voting power. The action must be evidenced by one or more written consents that describe the action taken, be signed by those members representing at least 80% of the voting power, and be delivered to the corporation for inclusion in the minutes or filing with the corporate records.

(2) If not otherwise determined under 35-2-528 or 35-2-532, the record date for determining members entitled to take action without a meeting is the date the first member signs the consent under subsection (1).

(3) A consent signed under this section has the effect of a meeting vote and may be described as a vote in any document filed with the secretary of state.

(4) Written notice of member approval pursuant to this section must be given to all members who have not signed the written consent. If written notice is required, member approval pursuant to this section is effective 10 days after written notice is given.

History: En. Sec. 61, Ch. 411, L. 1991.

35-2-530. Notice of meeting. (1) A corporation shall give notice consistent with its bylaws of meetings of members in a fair and reasonable manner.

(2) Any notice that conforms to the requirements of subsection (3) is fair and reasonable, but other means of giving notice may also be fair and reasonable when all the circumstances are considered. However, notice of matters referred to in subsection (3)(b) must be given as specified in subsection (3).

(3) Notice is fair and reasonable if:

(a) the corporation notifies its members of the place, date, and time of each annual, regular, and special meeting of members not less than 10 days before the meeting date or, if notice is mailed by certified mail, not less than 30 or more than 60 days before the meeting date;

(b) notice of an annual or regular meeting includes a description of any matter or matters that must be approved by the members under 35-2-223, 35-2-230, 35-2-418, 35-2-452, 35-2-611, 35-2-617, 35-2-720, or 35-2-721; and

(c) notice of a special meeting includes a description of the matter or matters for which the meeting is called.

(4) Unless the bylaws require otherwise, if an annual, regular, or special meeting of members is adjourned to a different date, time, or place, notice need not be given of the new date, time, or place, if the new date, time, or place is announced at the meeting before adjournment. If a new record date for the adjourned meeting is or must be fixed under 35-2-532, notice of the adjourned meeting must be given under this section to the members of record as of the new record date.

(5) When giving notice of an annual, regular, or special meeting of members, a corporation shall give notice of a matter a member intends to raise at the meeting if:

(a) requested in writing to do so by a person entitled to call a special meeting; and

(b) the request is received by the secretary or president of the corporation at least 10 days before the corporation gives notice of the meeting.

History: En. Sec. 62, Ch. 411, L. 1991.

35-2-531. Waiver of notice. (1) A member may waive a notice required by this chapter, the articles, or bylaws before or after the date and time stated in the notice. The waiver must be in writing, be signed by the member entitled to the notice, and be delivered to the corporation for inclusion in the minutes or filing with the corporate records.

(2) A member's attendance at a meeting:

(a) waives objection to lack of notice or defective notice of the meeting unless the member, at the beginning of the meeting, objects to holding the meeting or transacting business at the meeting; and

(b) waives objection to consideration of a particular matter at the meeting that is not within the purpose or purposes described in the meeting notice unless the member objects to considering the matter when it is presented.

History: En. Sec. 63, Ch. 411, L. 1991.

35-2-532. Record date — determining members entitled to notice and vote. (1) The bylaws of a corporation may fix or provide the manner of fixing a date as the record date for determining the members entitled to notice of a members' meeting. If the bylaws do not fix or provide for fixing a record date, the board may fix a future date as the record date. If a record date is not fixed, members are entitled to notice of the meeting:

(a) at the close of business on the business day preceding the day on which notice is given; or

(b) if notice is waived, at the close of business on the business day preceding the day on which the meeting is held.

(2) The bylaws of a corporation may fix or provide the manner of fixing a date as the record date for determining the members entitled to vote at a members' meeting. If the bylaws do not fix or provide for fixing a record date, the board may fix a future date as the record date. If a record date is not fixed, members on the date of the meeting who are otherwise eligible to vote are entitled to vote at the meeting.

(3) The bylaws may fix or provide the manner for determining a date as the record date for the purpose of determining the members entitled to exercise any rights in respect of any other lawful action. If the bylaws do not fix or provide for fixing a record date, the board may fix in advance the record date. If a record date is not fixed, members are entitled to exercise the rights at the close of business on the day on which the board adopts the resolution relating to it or 60 days prior to the date of other action, whichever is later.

(4) A record date fixed under this section may not be more than 70 days before the meeting or action requiring a determination of members occurs.

(5) A determination of members entitled to notice of or to vote at a membership meeting is effective for any adjournment of the meeting unless the board fixes a new date for determining the right to notice or the right to vote, which it must do if the meeting is adjourned to a date more than 70 days after the record date for determining members entitled to notice of the original meeting.

(6) If a court orders a meeting adjourned to a date more than 120 days after the date fixed for the original meeting, it may provide that the original record date for notice or voting continues in effect or it may fix a new record date for notice or voting.

History: En. Sec. 64, Ch. 411, L. 1991.

35-2-533. Action by written ballot. (1) Unless prohibited or limited by the articles or bylaws, any action that may be taken at any annual, regular, or special meeting of members may be taken without a meeting if the corporation delivers a written ballot to every member entitled to vote on the matter.

(2) A written ballot must:

(a) set forth each proposed action; and

(b) provide an opportunity to vote for or against each proposed action.

(3) Approval by written ballot pursuant to this section is valid only when:

(a) the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action; and

(b) the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

(4) All solicitations for votes by written ballot must:

(a) indicate the number of responses needed to meet the quorum requirements;

(b) state the percentage of approvals necessary to approve each matter other than election of directors; and

(c) specify the time by which a ballot must be received by the corporation in order to be counted.

(5) Except as otherwise provided in the articles or bylaws, a written ballot may not be revoked.

History: En. Sec. 65, Ch. 411, L. 1991.

35-2-534 reserved.

35-2-535. Members' list for meeting. (1) After fixing a record date for a notice of a meeting, a corporation shall prepare an alphabetical list of the names of all its members who are entitled to notice of the meeting. The list must show the address and number of votes each member is entitled to vote at the meeting. The corporation shall prepare, on a current basis through the time of the membership meeting, a list of members, if any, who are entitled to vote at the meeting but not entitled to notice of the meeting. This list must be prepared on the same basis and be part of the list of members.

(2) The list of members must be available:

(a) for inspection by any member for the purpose of communication with other members concerning the meeting, beginning 2 business days after notice is given of the meeting for which the list was prepared and continuing through the meeting; and

(b) at the corporation's principal office or at a reasonable place identified in the meeting notice in the city where the meeting will be held. A member, a member's agent, or a member's attorney is entitled, on written demand, to inspect and, subject to the limitations of 35-2-907(3) and 35-2-910, to copy the list, at a reasonable time and at the member's expense, during the period it is available for inspection.

(3) The corporation shall make the list of members available at the meeting, and any member, a member's agent, or a member's attorney is entitled to inspect the list at any time during the meeting or any adjournment.

(4) If the corporation refuses to allow a member, a member's agent, or a member's attorney to inspect the list of members before or at the meeting or to copy the list as permitted by subsection (2), the district court for the judicial district of the county where a corporation's principal office is located or, if the principal office is not located in this state, in Lewis and Clark County, on application of the member, may summarily order the inspection or copying at the corporation's expense, may postpone the meeting for which the list was prepared until the inspection or copying is complete, and may order the corporation to pay the member's costs, including reasonable attorney fees, incurred to obtain the order.

(5) Unless a written demand to inspect and copy a membership list has been made under subsection (2) prior to the membership meeting and a corporation improperly refuses to comply with the demand, refusal or failure to comply with this section does not affect the validity of action taken at the meeting.

(6) The articles or bylaws of a religious corporation may limit or abolish the rights of a member under this section to inspect and copy any corporate record.

History: En. Sec. 66, Ch. 411, L. 1991; amd. Sec. 41, Ch. 240, L. 2007.

35-2-536. Voting entitlement generally. (1) Unless the articles or bylaws provide otherwise, each member is entitled to one vote on each matter voted on by the members.

(2) Unless the articles or bylaws provide otherwise, if a membership stands of record in the names of two or more persons, their acts with respect to voting have the following effect:

(a) if only one votes, the act binds all; and

(b) if more than one votes, the vote is divided on a pro rata basis.

History: En. Sec. 67, Ch. 411, L. 1991.

35-2-537. Quorum requirements. (1) Unless this chapter, the articles, or bylaws provide for a higher or lower quorum, 10% of the votes entitled to be cast on a matter must be represented at a meeting of members to constitute a quorum on that matter.

(2) A bylaw amendment to decrease the quorum for any member action may be approved by the members or, unless prohibited by the bylaws, by the board.

(3) A bylaw amendment to increase the quorum required for any member action must be approved by the members.

(4) Unless one-third or more of the voting power is present in person or by proxy, the only matters that may be voted upon at an annual or regular meeting of members are those matters that are described in the meeting notice.

History: **En. Sec. 68, Ch. 411, L. 1991.**

35-2-538. Voting requirements. (1) Unless this chapter, the articles, or bylaws require a greater vote or voting by class, if a quorum is present, the affirmative vote of the votes represented and voting, if they are a majority of the required quorum, is the act of the members.

(2) A bylaw amendment to increase or decrease the vote required for any member action must be approved by the members.

History: **En. Sec. 69, Ch. 411, L. 1991.**

35-2-539. Proxies. (1) Unless the articles or bylaws prohibit or limit proxy voting, a member may appoint a proxy to vote or otherwise act for the member by signing an appointment form, either personally or by an attorney-in-fact.

(2) An appointment of a proxy is effective when received by the secretary or other officer or agent authorized to tabulate votes. An appointment is valid for 11 months unless a different period is expressly provided in the appointment form. However, a proxy is not valid for more than 3 years from its date of execution.

(3) An appointment of a proxy is revocable by the member.

(4) The death or incapacity of the member appointing a proxy does not affect the right of the corporation to accept the proxy's authority unless notice of the death or incapacity is received by the secretary or other officer or agent authorized to tabulate votes before the proxy exercises authority under the appointment.

(5) Appointment of a proxy is revoked by the person appointing the proxy:

(a) attending any meeting and voting in person; or

(b) signing and delivering to the secretary or other officer or agent authorized to tabulate proxy votes either a writing stating that the appointment of the proxy is revoked or a subsequent appointment form.

(6) Subject to 35-2-542 and any express limitation on the proxy's authority appearing on the face of the appointment form, a corporation is entitled to accept the proxy's vote or other action as that of the member who made the appointment.

History: **En. Sec. 70, Ch. 411, L. 1991.**

35-2-540. Cumulative voting for directors — exception. (1) If the articles or bylaws provide for cumulative voting by members, members may so vote by multiplying the number of votes the members are entitled to cast by the number of directors for whom they are entitled to vote and casting the product for a single candidate or distributing the product among two or more candidates.

(2) Cumulative voting is not authorized at a particular meeting unless:

(a) the meeting notice or statement accompanying the notice states that cumulative voting will take place; or

(b) a member gives notice during the meeting and before the vote is taken of the member's intent to cumulate votes. If one member gives this notice, all other members participating in the election are entitled to cumulate their votes without giving further notice.

(3) A director elected by cumulative voting may be removed by the members without cause if the requirements of 35-2-421 are met unless the votes cast against removal or not consenting in writing to removal would be sufficient to elect the director if voted cumulatively at an election at which the same total number of votes were cast or, if the action is taken by written ballot, all memberships entitled to vote were voted, and if the entire number of directors authorized at the time of the director's most recent election were then being elected.

(4) Members may not cumulatively vote if the directors and members are identical.

History: **En. Sec. 71, Ch. 411, L. 1991.**

35-2-541. Other methods of electing directors. A corporation may provide in its articles or bylaws for election of directors by members or delegates:

(1) on the basis of chapter or other organizational unit;

(2) by region or other geographic unit;
(3) by preferential voting; or
(4) by any other reasonable method.

History: En. Sec. 72, Ch. 411, L. 1991.

35-2-542. Corporation's acceptance of votes. (1) If the name signed on a vote, consent, waiver, or proxy appointment corresponds to the name of a member, the corporation, if acting in good faith, is entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the member.

(2) If the name signed on a vote, consent, waiver, or proxy appointment does not correspond to the record name of a member, the corporation, if acting in good faith, is nevertheless entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the member if:

(a) the member is an entity and the name signed purports to be that of an attorney-in-fact of the member and, if the corporation requests, evidence acceptable to the corporation of the signatory's authority to sign for the member has been presented with respect to the vote, consent, waiver, or proxy appointment;

(b) the name signed purports to be that of an attorney-in-fact of the member and, if the corporation requests, evidence acceptable to the corporation of the signatory's authority to sign for the member has been presented with respect to the vote, consent, waiver, or proxy appointment;

(c) two or more persons hold the membership as cotenants or fiduciaries and:

(i) the name signed purports to be the name of at least one of the coholders; and

(ii) the person signing appears to be acting on behalf of all the coholders; or

(d) in the case of a mutual benefit corporation:

(i) the name signed purports to be that of an administrator, executor, guardian, or conservator representing the member and, if the corporation requests, evidence of fiduciary status acceptable to the corporation has been presented with respect to the vote, consent, waiver, or proxy appointment; or

(ii) the name signed purports to be that of a receiver or trustee in bankruptcy of the member and, if the corporation requests, evidence of this status acceptable to the corporation has been presented with respect to the vote, consent, waiver, or proxy appointment.

(3) The corporation is entitled to reject a vote, consent, waiver, or proxy appointment if the secretary or other officer or agent authorized to tabulate votes, acting in good faith, has reasonable basis for doubt about the validity of the signature on it or about the signatory's authority to sign for the member.

(4) The corporation and its officer or agent who accepts or rejects a vote, consent, waiver, or proxy appointment in good faith and in accordance with the standards of this section are not liable in damages to the member for the consequences of the acceptance or rejection.

(5) Corporate action based on the acceptance or rejection of a vote, consent, waiver, or proxy appointment under this section is valid unless a court of competent jurisdiction determines otherwise.

History: En. Sec. 73, Ch. 411, L. 1991.

35-2-543. Voting agreements. (1) Two or more members may provide for the manner in which they will vote by signing an agreement for that purpose. Voting agreements may be valid for a period of up to 10 years. For public benefit corporations, voting agreements must have a reasonable purpose consistent with the corporation's public or charitable purposes.

(2) A voting agreement created under this section is specifically enforceable.

(b) the terms and conditions of the planned merger;

(c) the manner and basis, if any, of converting the memberships of each public benefit or religious corporation into memberships of the surviving corporation; and

(b) other provisions relating to the planned merger.

35-2-609. Limitations on mergers by public benefit or religious corporations. (1) Except as provided in subsection (4) or without the prior approval of the district court for the judicial district in which the corporation's principal office is located or, if the principal office is not located in this state, in Lewis and Clark County, in a proceeding of which the attorney general has been given written notice, a public benefit corporation or religious corporation may merge only with:

(a) a public benefit corporation or religious corporation;

(b) a foreign corporation that would qualify under this chapter as a public benefit corporation or religious corporation;

The plan is approved by a class of members by two-thirds of the votes cast by the class or a majority of the voting power of the class, whichever is less.

35-2-1306. Payment of expenses. On termination of the derivative proceeding, the court may order:

35-4-311. Death or disqualification of a shareholder. (1) Upon the death of a shareholder of a professional corporation or if a shareholder of a professional corporation becomes a disqualified person or if shares of a professional corporation are transferred by operation of law or court decree to a disqualified person, the shares may be transferred to a qualified person and if not so transferred must be purchased or redeemed by the corporation to the extent that the corporation has funds legally available for the purchase.

(2) If the share price is not fixed by the articles of incorporation or bylaws of the corporation or by private agreement, the corporation must within 6 months after the death or 30 days after the disqualification or transfer to a disqualified person make a written offer to pay for the shares at a specified price considered by the corporation to be the fair value as of the date of death, disqualification, or transfer. The offer must be given to the personal representative of the estate of a deceased shareholder or to the disqualified shareholder or transferee and must be accompanied by both a balance sheet of the corporation as of the latest available date and not more than 12 months prior to the offer and a profit and loss statement of the corporation for the 12-month period ending on the date of the balance sheet.

(3) If the fair value of the shares is agreed upon within 30 days after the date of the written offer, payment must be made within 60 days after the date of the offer or within another period that the parties fix by agreement and upon surrender of the certificate or certificates representing the shares. Upon payment the transferor ceases to have any interest in the shares.

(4) If the fair value is not agreed upon within 30 days after the date of the written offer, the corporation shall within the next 30 days file a petition in the district court of the county in this state where the principal office of the corporation is located or, if the principal office is not located in this state, in Lewis and Clark County, requesting that the fair value of the shares be found and determined. If the corporation fails or refuses to institute the proceeding, the disqualified person may do so. The disqualified person must be made a party to a proceeding brought by the corporation, and a copy of the petition must be served on the disqualified person if a resident of this state and must be served by certified mail if a nonresident. Service on nonresidents must also be made by publication as provided by law. The jurisdiction of the court is plenary and exclusive. The disqualified person is entitled to judgment against the corporation for the fair value of the person's shares as of the date of death, disqualification, or transfer and upon payment of the judgment shall surrender to the corporation the certificates representing the shares. The court may order that judgment be paid in installments determined by the court and may appoint one or more persons as appraisers to receive evidence and recommend a decision on the question of fair value.

(5) The judgment must include interest from the date of death, disqualification, or transfer, at a rate the court finds equitable under the circumstances.

(6) The costs and expenses of a proceeding must be determined by the court and either assessed against the corporation or assessed as the court considers equitable if the court finds that an agreed share value was not reached because the disqualified person was arbitrary or vexatious or did not act in good faith. Expenses include reasonable compensation for and expenses of the appraisers, but do not include fees and expenses of counsel for and experts employed by any party, except that if the court determines that the fair value of shares materially exceeds the amount the corporation offered or if no offer was made, the court may award to the disqualified person reasonable compensation for any expert employed by the disqualified person.

(7) If a purchase, redemption, or transfer of shares is not completed within 10 months after the death of the deceased shareholder or 5 months after the disqualification or transfer, the corporation shall cancel the shares on its books and the disqualified person has no further interest as a shareholder other than the right under this section to payment for the shares.

(8) Shares acquired by a corporation upon payment of their agreed value or payment of a judgment decreeing their fair value may be held and disposed of as in the case of other treasury shares.

(9) This section does not apply to shares of a disqualified person if the period of disqualification is less than 5 months.

(10) Any provision regarding purchase, redemption, or transfer of shares of a professional corporation contained in the articles of incorporation, the bylaws, or any private agreement is specifically enforceable in the courts of this state.

(11) This section does not prevent or relieve a professional corporation from paying pension benefits or other deferred compensation for services rendered to or on behalf of a former shareholder as otherwise permitted by law.

A personal representative, guardian, conservator, or receiver of the estate of a shareholder of a professional corporation who holds all of the outstanding shares of the corporation may amend the articles of incorporation by signing a written consent to amendment. The articles of amendment must be executed in duplicate by the personal representative, guardian, conservator, or receiver and by the secretary or assistant secretary of the corporation, verified by one of the persons signing the articles, and must set forth:

(1) the name of the corporation;

35-7-104. Addresses in filings. Whenever a provision of this chapter other than 35-7-111(1)(d) requires that a filing state an address, the filing must state:

(1) an actual street address or rural route box number in this state; and

(2) a mailing address in this state, if different from the address under subsection (1).

History: En. Sec. 4, Ch. 240, L. 2007.

35-7-105. Appointment of registered agent. (1) A registered agent filing must state:

(a) the name of the represented entity's commercial registered agent; or

(b) if the entity does not have a commercial registered agent, the name and address of the entity's noncommercial registered agent.

(2) The appointment of a registered agent pursuant to subsection (1)(a) or (1)(b) is an affirmation by the represented entity that the agent has consented to serve as a registered agent.

(3) The secretary of state shall notify the registered agent as soon as practicable of filings that contain the name of the registered agent. The list must:

History: En. Sec. 5, Ch. 240, L. 2007.

35-7-106. Listing of commercial registered agent. (1) An individual or a domestic or foreign entity may become listed as a commercial registered agent by filing with the secretary of state a commercial registered agent listing statement signed by or on behalf of the person that states:

(a) the name of the individual or the name, type, and jurisdiction of organization of the entity;

(b) that the person is in the business of serving as a commercial registered agent in this state; and

(c) the address of a place of business of the person in this state to which service of process and other notice and documents being served on or sent to entities represented by it may be delivered.

(2) If the name of a person filing a commercial registered agent listing statement is not distinguishable on the records of the secretary of state from the name of another commercial registered agent listed under this section, the person shall adopt a fictitious name that is distinguishable and use that name in its statement and when it does business in this state as a commercial registered agent.

(3) A commercial registered agent listing statement takes effect on filing.

(4) The secretary of state shall note the filing of the commercial registered agent listing statement in the index of filings maintained by the secretary of state for each entity represented by the registered agent at the time of the filing. The statement has the effect of deleting the address of the registered agent from the registered agent filing of each of those entities.

History: En. Sec. 6, Ch. 240, L. 2007.

35-7-107. Termination of listing of commercial registered agent. (1) A commercial registered agent may terminate its listing as a commercial registered agent by filing with the secretary of state a commercial registered agent termination statement signed by or on behalf of the agent that states:

(a) the name of the agent as currently listed under 35-7-106; and

(b) that the agent is no longer in the business of serving as a commercial registered agent in this state.

(2) A commercial registered agent termination statement takes effect on the 31st day after the day on which it is filed.

(3) The commercial registered agent shall promptly furnish each entity represented by it with notice in a record of the filing of the commercial registered agent termination statement.

(4) When a commercial registered agent termination statement takes effect, the registered agent ceases to be an agent for service of process on each entity formerly represented by it. Until an entity formerly represented by a terminated commercial registered agent appoints a new registered agent, service of process may be made on the entity as provided in 35-7-113. Termination of the listing of a commercial registered agent under this section does not affect any contractual rights a represented entity may have against the agent or that the agent may have against the entity.

History: En. Sec. 7, Ch. 240, L. 2007.

35-7-108. Change of registered agent by entity. (1) A represented entity may change the information currently on file under 35-7-105(1) by filing with the secretary of state a statement of change signed on behalf of the entity that states:

(a) the name of the entity; and

(b) the information that is to be in effect as a result of the filing of the statement of change.

(2) The interest holders or governors of a domestic entity need not approve the filing of:

(a) a statement of change under this section; or

(b) a similar filing changing the registered agent or registered office of the entity in any other jurisdiction.

(3) The appointment of a registered agent pursuant to subsection (1) is an affirmation by the represented entity that the agent has consented to serve as a registered agent.

(4) A statement of change filed under this section takes effect on filing.

(5) As an alternative to using the procedures in this section, a represented entity may change the information currently on file under 35-7-105(1) by amending its most recent registered agent filing in the manner provided by the laws of this state other than this chapter for amending that filing.

History: En. Sec. 8, Ch. 240, L. 2007.

35-7-109. Change of name or address by noncommercial registered agent. (1) If a noncommercial registered agent changes its name or its address as currently in effect with respect to a represented entity pursuant to 35-7-105(1), the agent shall file with the secretary of state, with respect to each entity represented by the agent, a statement of change signed by or on behalf of the agent that states:

(a) the name of the entity;

(b) the name and address of the agent as currently in effect with respect to the entity;

(c) if the name of the agent has changed, its new name; and

(d) if the address of the agent has changed, the new address.

(2) A statement of change filed under this section takes effect on filing.

(3) A noncommercial registered agent shall promptly furnish the represented entity with notice in a record of the filing of a statement of change and the changes made by the filing.

History: En. Sec. 9, Ch. 240, L. 2007.

35-7-110. Change of name, address, or type of organization by commercial registered agent. (1) If a commercial registered agent changes its name as a result of a merger, conversion, exchange, sale, reorganization, or amendment, its address as currently listed under 35-7-106(1), or its type or jurisdiction of organization, the agent shall file with the secretary of state a statement of change signed by or on behalf of the agent that states:

(a) the name of the agent as currently listed under 35-7-106(1);

(b) if the name of the agent has changed, its new name;

(c) if the address of the agent has changed, the new address; and

(d) if the type or jurisdiction of organization of the agent has changed, the new type or jurisdiction of organization.

(2) The filing of a statement of change under subsection (1) is effective to change the information regarding the commercial registered agent with respect to each entity represented by the agent.

(3) A statement of change filed under this section takes effect on filing.

(4) A commercial registered agent shall promptly furnish each entity represented by it with notice in a record of the filing of a statement of change relating to the name or address of the agent and the changes made by the filing.

(5) If a commercial registered agent changes its address without filing a statement of change as required by this section, the secretary of state may cancel the listing of the agent under 35-7-106. A cancellation under this subsection has the same effect as a termination under 35-7-107. Promptly after canceling the listing of an agent, the secretary of state shall serve notice in a record in the manner provided in 35-7-113(2) or (3) on:

(a) each entity represented by the agent, stating that the agent has ceased to be an agent for service of process on the entity and that, until the entity appoints a new registered agent, service of process may be made on the entity as provided in 35-7-113; and

(b) the agent, stating that the listing of the agent has been canceled under this section.

(6) The secretary of state shall note the filing of the commercial registered agent change statement in the index of filings maintained by the secretary of state for each entity represented by the registered agent at the time of filing.

History: En. Sec. 10, Ch. 240, L. 2007.

35-7-111. Resignation of registered agent. (1) A registered agent may resign at any time with respect to a represented entity by filing with the secretary of state a statement of resignation signed by or on behalf of the agent that states:

(a) the name of the entity;

(b) the name of the agent;

(c) that the agent resigns from serving as agent for service of process for the entity; and

(d) the name and address of the person to which the agent will send the notice required by subsection (3).

(2) A statement of resignation takes effect on the earlier of the 31st day after the day on which it is filed or the appointment of a new registered agent for the represented entity.

(3) The registered agent shall promptly furnish the represented entity notice in a record of the date on which a statement of resignation was filed.

(4) When a statement of resignation takes effect, the registered agent ceases to have responsibility for any matter tendered to it as agent for the represented entity. A resignation under this section does not affect any contractual rights the entity has against the agent or that the agent has against the entity.

(5) A registered agent may resign with respect to a represented entity whether or not the entity is in good standing.

History: **En. Sec. 11, Ch. 240, L. 2007.**

35-7-112. Appointment of agent by nonfiling or nonqualified foreign entity. (1) A domestic entity that is not a filing entity or a nonqualified foreign entity may file with the secretary of state a statement appointing an agent for service of process signed on behalf of the entity that states:

(a) the name, type, and jurisdiction of organization of the entity; and

(b) the information required by 35-7-105(1).

(2) A statement appointing an agent for service of process takes effect on filing.

(3) The appointment of a registered agent under this section does not qualify a nonqualified foreign entity to do business in this state and is not sufficient alone to create personal jurisdiction over the nonqualified foreign entity in this state.

(4) A statement appointing an agent for service of process may not be rejected for filing because the name of the entity filing the statement is not distinguishable on the records of the secretary of state from the name of another entity appearing in those records. The filing of a statement appointing an agent for service of process does not make the name of the entity filing the statement unavailable for use by another entity.

(5) An entity that has filed a statement appointing an agent for service of process may cancel the statement by filing a statement of cancellation, which takes effect upon filing, and must state the name of the entity and that the entity is canceling its appointment of an agent for service of process in this state. A statement appointing an agent for service of process that has not been canceled earlier is effective for a period of 5 years after the date of filing.

(6) A statement appointing an agent for service of process for a nonqualified foreign entity terminates automatically on the date the entity becomes a qualified foreign entity.

History: **En. Sec. 12, Ch. 240, L. 2007.**

35-7-113. Service of process on entities. (1) A registered agent is an agent of the represented entity authorized to receive service of any process, notice, or demand required or permitted by law to be served on the entity.

(2) If an entity that previously filed a registered agent filing with the secretary of state no longer has a registered agent or if its registered agent cannot with reasonable diligence be served, the entity may be served in accordance with any applicable judicial rules and procedures.

(3) Service of process, notice, or demand on a registered agent must be in the form of a written document.

(4) Service of process, notice, or demand may be perfected by any other means prescribed by law other than this chapter.

History: **En. Sec. 13, Ch. 240, L. 2007.**

35-7-114. Duties of registered agent. The only duties under this chapter of a registered agent that has complied with this chapter are:

(1) to forward to the represented entity at the address most recently supplied to the agent by the entity any process, notice, or demand that is served on the agent;

(2) to provide the notices required by this chapter to the entity at the address most recently supplied to the agent by the entity;

(3) if the agent is a noncommercial registered agent, to keep current the information required by 35-7-105(1) in the most recent registered agent filing for the entity; and

(4) if the agent is a commercial registered agent, to keep current the information listed for it under 35-7-106(1).

History: **En. Sec. 14, Ch. 240, L. 2007.**

35-7-115. Jurisdiction. The appointment or maintenance in this state of a registered agent does not by itself create the basis for personal jurisdiction over the represented entity in this state.

History: **En. Sec. 15, Ch. 240, L. 2007.**

35-7-116. Consistency of application. In applying and construing this chapter, consideration must be given to the need to promote consistency of the law with respect to its subject matter among states that enact it.

History: **En. Sec. 16, Ch. 240, L. 2007.**

35-7-117. Relation to Electronic Signatures in Global and National Commerce Act. This chapter modifies, limits, and supersedes the federal Electronic Signatures in Global and National Commerce Act, 15 U.S.C. 7001, et seq., but does not modify, limit, or supersede section 101(c) of that act, 15 U.S.C. 7001(c), or authorize delivery of any of the notices described in section 103(b) of that act, 15 U.S.C. 7003(b).

History: **En. Sec. 17, Ch. 240, L. 2007.**

(b) retain the signed document in the secretary of state's files; and

(c) send a certification letter to the person who filed the document or to the person's representative.

(2) If the secretary of state is unable to make the determination required for filing by subsection (1) at the time any documents are delivered for filing, the documents are considered to have been filed at the time of delivery if the secretary of state subsequently determines that the documents as delivered conform to the filing provisions of 35-8-201 through 35-8-211.

35-8-301. Agency power of members and managers. (1) Except as provided in subsection (2), a member is an agent of the limited liability company for the purpose of its business or affairs and the act of a member, including but not limited to the execution of any instrument in the name of the limited liability company for apparently carrying on in the usual way the business or affairs of the limited liability company binds the limited liability company, unless the member so acting has, in fact, no authority to act for the limited liability company in the particular matter and the person with whom the member is dealing has knowledge of the fact that the member has no such authority.

(2) If the articles of organization provide that management of the limited liability company is vested in a manager or managers:

(a) a member, acting solely in the capacity as a member, may not be an agent of the limited liability company; and

(b) a manager is an agent of the limited liability company for the purpose of its business or affairs and the act of a manager, including but not limited to the execution of any instrument in the name of the limited liability company for apparently carrying on in the usual way the business or affairs of the limited liability company binds the limited liability company, unless the manager so acting has, in fact, no authority to act for the limited liability company in the particular matter and the person with whom the manager is dealing has knowledge of the fact that the manager has no such authority.

(3) An act of a manager or a member that is not apparently for carrying on in the usual way the business of the limited liability company does not bind the limited liability company, unless authorized in accordance with the articles of organization or the operating agreement, at the time of the transaction or at any other time.

(4) An act of a manager or member in contravention of a restriction on authority may not bind the limited liability company to persons having knowledge of the restriction.

(2) The failure of a limited liability company to observe the usual company formalities or requirements relating to the exercise of its company powers or management of its business is not a ground for imposing personal liability on the members or managers of the limited liability company.

(3) All or specified members of a limited liability company are liable in their capacity as members for all or specified debts, obligations, or liabilities of the company if:

(1) a member, regardless of the nature of the member's contribution, may not demand or receive any distribution from a limited liability company in any form other than cash; and

(2) a member may not be compelled to accept from a limited liability company a distribution of any asset in kind to the extent that the percentage of the asset distributed to the members exceeds a percentage of that asset that is equal to the percentage in which the member shares in distributions from the limited liability company.

History: En. Sec. 34, Ch. 120, L. 1993.

35-8-604. Distributions. (1) A distribution may not be made if, after giving effect to the distribution:

(a) the limited liability company would not be able to pay its debts as they become due in the usual course of business; or

(b) the limited liability company's total assets would be less than the sum of its total liabilities plus, unless the articles of organization or the operating agreement provides otherwise, the amount that would be needed, if the limited liability company were to be dissolved at the time of the distribution, to satisfy the preferential rights of other members upon dissolution that are superior to the rights of the member receiving the distribution.

(2) The limited liability company may base a determination that a distribution is not prohibited under subsection (1) on either:

(a) financial statements prepared on the basis of accounting practices and principles that are reasonable under the circumstances; or

(b) a fair valuation or other method that is reasonable under the circumstances.

(3) Except as provided in subsection (5), the effect of a distribution under subsection (1) is measured as of:

(5) For purposes of this section:

(a) if terms of indebtedness provide that payment of principal and interest is to be made only if and to the extent that payment of a distribution to members could then be made under this section, indebtedness of a limited liability company, including indebtedness issued as a distribution, is not a liability for purposes of determinations made under subsection (2); and

(b) if the indebtedness is issued as a distribution, each payment of principal or interest on the indebtedness is treated as a distribution, the effect of which is measured on the date the payment is actually made.

History: En. Sec. 35, Ch. 120, L. 1993.

35-8-605. Liability upon wrongful distribution. (1) A member or manager who votes for or assents to a distribution in violation of the articles of organization, the operating agreement, or 35-8-604 is personally liable to the limited liability company, but not to other persons, for the amount of the distribution that exceeds what could have been distributed without violating 35-8-604 or the articles of organization or the operating agreement if it is established that the member or manager did not perform the member's or manager's duties in compliance with 35-8-310.

(2) A member of a manager-managed company who knew a distribution was made in violation of 35-8-604, the articles of organization, or the operating agreement is personally liable to the company, but only to the extent that the distribution received by that member exceeded the amount that could have properly been paid to that member under 35-8-604.

(a) other members and managers who voted for or assented to the distribution in violation of subsection (1) and may compel contribution from them; and

(b) members who received a distribution in violation of subsection (2) and may compel a contribution from the members in the amount received in violation of subsection (2).

(4) A proceeding under this section is barred unless it is commenced within 2 years after the date of the distribution.

35-8-606. Right to distribution. Subject to 35-8-905, when a member becomes entitled to receive a distribution, the member has the status of and is entitled to all remedies available to a creditor of the limited liability company with respect to the distribution.

History: En. Sec. 37, Ch. 120, L. 1993.

Part 7
Ownership and Transfer of Property

Part Cross-References

Property rights of partner, Title 35, ch. 10, part 5.

35-8-701. Ownership of limited liability company property. (1) Property transferred to or otherwise acquired by a limited liability company becomes property of the limited liability company. A member has no interest in specific limited liability company property.

(2) Property may be acquired, held, and conveyed in the name of the limited liability company. Any estate in real property may be acquired in the name of the limited liability company, and title to any estate acquired must vest in the limited liability company rather than in the members individually.

History: En. Sec. 38, Ch. 120, L. 1993.

35-8-702. Transfer of real property. (1) Except as provided in subsection (5), title to property of the limited liability company that is held in the name of the limited liability company may be transferred by an instrument of transfer executed by any member in the name of the limited liability company.

(2) Title to property of the limited liability company that is held in the name of one or more members or managers may be transferred by an instrument of transfer executed by the persons in whose name title is held if there is an indication in the instrument transferring title to the property to them of:

(a) their capacity as members or managers of a limited liability company; or

(b) the existence of a limited liability company, even if the name of the limited liability company is not indicated.

(3) Property transferred under subsection (1) or (2) may be recovered by the limited liability company if it proves that the act of the person executing the instrument of transfer did not bind the limited liability company under 35-8-301 unless the property has been transferred by the initial transferee or a person claiming through the initial transferee to a subsequent transferee who gives value without having notice that the person who executed the instrument of initial transfer lacked authority to bind the limited liability company.

(4) Title to property of the limited liability company may be transferred free of any claims of the limited liability company or its members by the persons in whose name title is held to a transferee who gives value without having notice that it is property of a limited liability

company if title is held in the name of one or more persons other than the limited liability company and there is no indication in the instrument transferring title to the property to them of:

(a) their capacity as members or managers of a limited liability company; or

(b) the existence of a limited liability company.

(5) If the articles of organization provide that management of the limited liability company is vested in a manager or managers:

(a) title to property of the limited liability company that is held in the name of the limited liability company may be transferred by an instrument of transfer executed by any manager in the name of the limited liability company; and

(b) a member, acting solely in the capacity of a member, may not transfer title as provided in subsection (5)(a).

History: En. Sec. 39, Ch. 120, L. 1993.

35-8-703. Nature of distributional interest. (1) A member is not a co-owner of, and does not have a transferable interest in, property of a limited liability company.

(2) A member's distributional interest in a limited liability company is personal property and, subject to the provisions of 35-8-707, may be transferred in whole or in part.

(3) An operating agreement may provide that a member's distributional interest may be evidenced by a certificate of the interest issued by the limited liability company and, subject to the provisions of 35-8-707, may also provide for the transfer of any interest represented by the certificate.

History: En. Sec. 40, Ch. 120, L. 1993; amd. Sec. 26, Ch. 302, L. 1999.

35-8-704. Repealed. Sec. 56, Ch. 302, L. 1999.

History: En. Sec. 41, Ch. 120, L. 1993.

35-8-705. Rights of judgment creditor. (1) On application to a court of competent jurisdiction by any judgment creditor of a member, the court may charge the distributional interest of the member with payment of the unsatisfied amount of judgment, with interest. To the extent charged, the judgment creditor has only the rights of an assignee of the distributional interest. This chapter does not deprive a member of the benefit of any exemption laws applicable to a distributional interest.

(2) The court may appoint a receiver of the share of the distributions due or to become due to a judgment debtor and make all other orders, directions, accounts, and inquiries that the judgment debtor may have made or that the circumstances require to give effect to the charging order.

(3) A charging order constitutes a lien on the judgment debtor's distributional interest. The court may order a foreclosure of a lien on a distributional interest subject to the charging order at any time. A purchaser of the distributional interest at a foreclosure sale has the rights of a transferee.

(4) At any time before foreclosure, a distributional interest that is charged may be redeemed:

(a) by the judgment debtor;

(b) by one or more of the other members with property other than the company's; or

(c) with the company's property if permitted by the operating agreement.

(5) This section provides the exclusive remedy by which a judgment creditor of a member or a transferee may satisfy a judgment out of the judgment debtor's distributional interest in a limited liability company.

History: En. Sec. 42, Ch. 120, L. 1993; amd. Sec. 28, Ch. 302, L. 1999.

35-8-706. Repealed. Sec. 56, Ch. 302, L. 1999.

History: En. Sec. 43, Ch. 120, L. 1993.

35-8-707. Transfer of distributional interest — rights of transferee. (1) A transfer of a member's distributional interest does not entitle the transferee to become a member or to exercise any rights of a member. A transfer entitles the transferee to receive, to the extent transferred, only the distributions to which the transferor would be entitled.

(2) A transferee of a distributional interest may become a member of a limited liability company if and to the extent that the transferor gives the transferee the right in accordance with authority described in writing in the operating agreement or if all other members consent.

(3) A transferee who has become a member, to the extent transferred, has the rights and powers, and is subject to the restrictions and liabilities, of a member under the operating agreement of a limited liability company and the provisions of this chapter. A transferee who becomes a member also is liable for the transferor member's obligations to make contributions under 35-8-502 and for obligations under 35-8-605 to return unlawful distributions, but the transferee is not obligated for the transferor member's liabilities unknown to the transferee at the time that the transferee becomes a member.

(4) Whether or not a transferee of a distributional interest becomes a member under subsection (2), the transferor is not released from liability to the limited liability company under the operating agreement or the provisions of this chapter.

(5) A transferee who does not become a member is not entitled to participate in the management or conduct of the limited liability company's business, may not require access to information concerning the company's transactions, and may not inspect or copy any of the company's records.

(6) A transferee who does not become a member is entitled to:

(a) receive, in accordance with the transfer, distributions to which the transferor would otherwise be entitled;

(b) receive, upon dissolution and winding up of the limited liability company's business:

(i) in accordance with the transfer, the net amount otherwise distributable to the transferor; and

(ii) a statement of account only from the date of the latest statement of account agreed to by all the members; and

(c) seek under 35-8-902(2) a judicial determination that it is equitable to dissolve and wind up the company's business.

(7) A limited liability company does not have to give effect to a transfer until it has notice of the transfer.

35-8-803. Events causing member's dissociation. A member is dissociated from a limited liability company upon the occurrence of any of the following events:

(1) the company's having notice of the member's express will to withdraw upon the date of notice or on a later date if specified by the member;

(2) an event agreed to in the operating agreement as causing the member's dissociation;

(3) upon transfer of all of a member's distributional interest, other than a transfer for security purposes or pursuant to a court order charging the member's distributional interest that has not been foreclosed;

(4) the member's expulsion pursuant to the operating agreement;

(5) the member's expulsion by unanimous vote of the other members if:

(a) it is unlawful to carry on the company's business with the member;

(b) there has been a transfer of substantially all of the member's distributional interest, other than a transfer for security purposes or pursuant to a court order charging the member's distributional interest, which has not been foreclosed;

(c) within 90 days after the company notifies a corporate member that it will be expelled because it has filed a certificate of dissolution or the equivalent, its charter has been revoked, or its right to conduct business has been suspended by the jurisdiction of its incorporation, the member fails to obtain a revocation of the certificate of dissolution or a reinstatement of its charter or its right to conduct business; or

(d) a partnership or a limited liability company that is a member has been dissolved, and its business is being wound up;

(6) on application by the company or another member, the member's expulsion by judicial determination because the member:

(a) engaged in wrongful conduct that adversely and materially affected the company's business;

(b) willfully or persistently committed a material breach of the operating agreement or of a duty owed to the company or the other members under 35-8-310; or

(c) engaged in conduct relating to the company's business that makes it not reasonably practicable to carry on the business with the member;

(7) the member's:

(a) becoming a debtor in bankruptcy;

(b) executing an assignment for the benefit of creditors;

(c) seeking, consenting to, or acquiescing in the appointment of a trustee, receiver, or liquidator of all or substantially all of the member's property; or

(d) failing, within 90 days after the appointment, to have vacated or stayed the appointment of a trustee, receiver, or liquidator of the member or of all or substantially all of the member's property obtained without the member's consent or acquiescence or failing within 90 days after the expiration of stay to have the appointment vacated;

(8) in the case of a member who is an individual:

(a) the member's death;

(b) the appointment of a guardian or general conservator for the member; or

(c) a judicial determination that the member has otherwise become incapable of performing the member's duties under the operating agreement;

(9) in the case of a member that is a trust or is acting as a member by virtue of being a trustee of a trust, distribution of the trust's entire rights to receive distributions from the company, except that this subsection does not apply to the substitution of a successor trustee;

(10) in the case of a member that is an estate or is acting as a member by virtue of being a personal representative of an estate, distribution of the estate's entire rights to receive distributions from the company, but not merely the substitution of a successor personal representative; or

(11) termination of the existence of a member if the member is not an individual, estate, or trust other than a business trust.

History: En. Sec. 30, Ch. 302, L. 1999.

35-8-804. Member's power to dissociate — wrongful dissociation. (1) Unless otherwise provided in the operating agreement, a member has the power to dissociate from a limited liability company at any time, rightfully or wrongfully, pursuant to 35-8-803(1).

(2) If the operating agreement has not eliminated a member's power to dissociate, the member's dissociation from a limited liability company is wrongful only if:

(a) it is in breach of an express provision of the agreement; or

(b) before the expiration of the specified term of a term company:

(i) the member withdraws by express will;

(ii) the member is expelled by judicial determination under 35-8-803(6);

(iii) the member is dissociated by becoming a debtor in bankruptcy; or

(iv) in the case of a member that is not an individual, trust, other than a business trust, or estate, the member is expelled or otherwise dissociated because it willfully dissolved or terminated its existence.

(3) A member that wrongfully dissociates from a limited liability company is liable to the company and to the other members for damages caused by the dissociation. The liability is in addition to any other obligation of the member to the company or to the other members.

(4) If a limited liability company does not dissolve and wind up its business as a result of a member's wrongful dissociation under subsection (2), damages sustained by the company for the wrongful dissociation must be offset against distributions otherwise due the member after the dissociation.

History: **En. Sec. 31, Ch. 302, L. 1999.**

35-8-805. Effect of member's dissociation. (1) Upon a member's dissociation:

(a) in an at-will company, the company shall cause the dissociated member's distributional interest to be purchased as provided under 35-8-808 and 35-8-809; and

(b) in a term company:

(i) if the company dissolves and winds up its business on or before the expiration of its specified term, part 9 of this chapter applies to determine the dissociated member's rights to distributions; and

(ii) if the company does not dissolve and wind up its business on or before the expiration of its specified term, the company shall ensure that the dissociated member's distributional interest is purchased under 35-8-808 and 35-8-809 on the date that was specified for the expiration of the term at the time of the member's dissociation.

(2) Upon a member's dissociation from a limited liability company:

(a) the member's right to participate in the management and conduct of the company's business terminates, except as otherwise provided in 35-8-903, and the member ceases to be a member and must be treated the same as a transferee of a member;

(b) the member's duty of loyalty under 35-8-310(2)(c) terminates; and

(c) the member's duty of loyalty under 35-8-310(2)(a) and (2)(b) and duty of care under 35-8-310(3) continue only with regard to matters arising and events occurring before the member's dissociation, unless the member participates in winding up the company's business pursuant to 35-8-903.

History: **En. Sec. 32, Ch. 302, L. 1999.**

35-8-806 and 35-8-807 reserved.

35-8-808. Company purchase of distributional interest. (1) A limited liability company shall purchase a distributional interest of a:

(a) member of an at-will company for its fair value determined as of the date of the member's dissociation if the member's dissociation does not result in a dissolution and winding up of the company's business under 35-8-901; or

(b) member of a term company for its fair value determined as of the date of the expiration of the specified term that existed on the date of the member's dissociation if the expiration of the specified term does not result in a dissolution and winding up of the company's business under 35-8-903.

(2) A limited liability company shall deliver a purchase offer to the dissociated member whose distributional interest is entitled to be purchased not later than 30 days after the date determined under subsection (1). The purchase offer must be accompanied by:

(a) a statement of the company's assets and liabilities as of the date determined under subsection (1);

(b) the latest available balance sheet and income statement, if any; and

(c) an explanation of how the estimated amount of the payment was calculated.

(3) If the price and other terms of a purchase of a distributional interest are fixed or are to be determined by the operating agreement, the price and terms so fixed or determined govern the purchase unless the purchaser defaults. If a default occurs, the dissociated member is entitled to commence a proceeding to have the company dissolved under 35-8-902(1)(d).

(4) If an agreement to purchase the distributional interest is not made within 120 days after the date determined under subsection (1), the dissociated member, within another 120 days, may commence a proceeding against the limited liability company to enforce the purchase. The company, at its expense, shall notify in writing all of the remaining members and any other person that the court directs of the commencement of the proceeding. The jurisdiction of the court in which a proceeding is commenced under this subsection is plenary and exclusive.

(5) The court shall determine the fair value of the distributional interest in accordance with the standards set forth in 35-8-809, together with the terms for the purchase. Upon making

these determinations, the court shall order the limited liability company to purchase or cause the purchase of the interest.

(6) Damages for wrongful dissociation under 35-8-804(2) and all other amounts owing, whether or not currently due, from the dissociated member to a limited liability company, must be offset against the purchase price.

History: En. Sec. 33, Ch. 302, L. 1999.

35-8-809. Court action to determine fair value of distributional interest. (1) In an action brought to determine the fair value of a distributional interest in a limited liability company, the court shall:

(a) determine the fair value of the interest, considering among other relevant evidence the going concern value of the company, any agreement among some or all of the members fixing the price or specifying a formula for determining value of distributional interests for any other purpose, the recommendations of any appraiser appointed by the court, and any legal constraints on the company's ability to purchase the interest;

(b) specify the terms of the purchase, including, if appropriate, terms for installment payments, subordination of the purchase obligation to the rights of the company's other creditors, security for a deferred purchase price, and a covenant not to compete or other restriction on a dissociated member; and

(c) require the dissociated member to deliver an assignment of the interest to the purchaser upon receipt of the purchase price or the first installment of the purchase price.

(2) After the dissociated member delivers the assignment, the dissociated member has no further claim against the company, its members, officers, or managers, if any, other than a claim to any unpaid balance of the purchase price or a claim under any agreement with the company or the remaining members that is not terminated by the court.

(3) If the purchase is not completed in accordance with the court's specified terms, the company is to be dissolved upon application under 35-8-902(1)(d). If a limited liability company is so dissolved, the dissociated member has the same rights and priorities in the company's assets as if the sale of the distributional interest had not been ordered.

(4) If the court finds that a party to the proceeding acted arbitrarily, vexatiously, or not in good faith, it may award one or more other parties reasonable expenses, including attorney fees and the expenses of appraisers or other experts, incurred in the proceeding. The finding may be based on the company's failure to make an offer to pay or to comply with 35-8-808(2).

(5) Interest must be paid on the amount awarded from the date determined under 35-8-808(1) to the date of payment.

History: En. Sec. 34, Ch. 302, L. 1999.

35-8-810 reserved.

35-8-811. Dissociated member's power to bind limited liability company. For 2 years after a member dissociates without the dissociation resulting in a dissolution and winding up of a limited liability company's business, the company, including a surviving company under part 12 of this chapter, is bound by an act of the dissociated member that would have bound the company under 35-8-301 before dissociation only if at the time of entering into the transaction the other party:

(1) reasonably believed that the dissociated member was then a member;

(2) did not have notice of the member's dissociation; and

(3) is not considered to have had notice under 35-8-812.

History: En. Sec. 35, Ch. 302, L. 1999.

35-8-812. Statement of dissociation. (1) A dissociated member or a limited liability company shall file in the office of the secretary of state a statement of dissociation, stating the name of the company and that the member is dissociated from the company.

(2) For the purposes of 35-8-301 and 35-8-811, a person not a member is considered to have notice of the dissociation 90 days after the statement of dissociation is filed.

History: En. Sec. 36, Ch. 302, L. 1999.

35-8-901. Dissolution. (1) A limited liability company is dissolved and its affairs must be wound up when one of the following occurs:

(a) at the time or upon the occurrence of events specified in writing in the articles of organization or operating agreement;

(b) consent of the number or percentage of members specified in the operating agreement;

(c) an event that makes it unlawful for all or substantially all of the business of the company to be continued, but any cure of illegality within 90 days after notice to the company of the event is effective retroactively to the date of the event for purposes of this section;

(d) the expiration of the term specified in the articles of organization; or

(e) entry of a decree of judicial dissolution under 35-8-902.

(2) Subject to subsection (3), a limited liability company continues after dissolution only for the purpose of winding up its business.

(3) At any time after the dissolution of a limited liability company and before the winding up of its business is completed, the members, including a dissociated member whose dissociation caused the dissolution, may unanimously waive the right to have the company's business wound up and the company terminated. In that case:

(a) the limited liability company resumes carrying on its business as if dissolution had never occurred, and any liability incurred by the company or a member after the dissolution and before the waiver is determined as if the dissolution had never occurred; and

(b) the rights of a third party accruing under the provisions of 35-8-904(1) or arising out of conduct by the third party in reliance on the dissolution before the third party knew or received a notification of the waiver are not adversely affected.

History: En. Sec. 46, Ch. 120, L. 1993; amd. Sec. 37, Ch. 302, L. 1999.

35-8-902. Judicial dissolution. (1) On application by or for a member or a dissociated member, a district court may order dissolution of a limited liability company, or other appropriate relief, when:

(a) the economic purpose of the company is likely to be unreasonably frustrated;

(b) another member has engaged in conduct relating to the company's business that makes it not reasonably practicable to carry on the company's business with that member remaining as a member;

(c) it is not otherwise reasonably practicable to carry on the company's business in conformity with the articles of organization and the operating agreement;

(d) the company failed to purchase the petitioner's distributional interest as required by 35-8-805; or

(e) the members or managers in control of the company have acted, are acting, or will act in a manner that is illegal, oppressive, fraudulent, or unfairly prejudicial to the petitioner.

(2) On application by a transferee of a member's interest, a district court may determine that it is equitable to wind up the company's business:

(a) after the expiration of the specified term, if the company was for a specified term at the time that the applicant became a transferee by member dissociation, transfer, or entry of a charging order that gave rise to the transfer; or

(b) at any time, if the company was at will at the time that the applicant became a transferee by member dissociation, transfer, or entry of a charging order that gave rise to the transfer.

History: En. Sec. 47, Ch. 120, L. 1993; amd. Sec. 38, Ch. 302, L. 1999.

35-8-903. Winding up. (1) Except as otherwise provided in the articles of organization or the operating agreement, the business or affairs of the limited liability company may be wound up:

(a) by the members or managers who have authority under 35-8-304 to manage the limited liability company prior to dissolution; or

(b) if one or more of the members or managers have engaged in wrongful conduct or upon other cause shown, by the district court on application of any member or any member's legal representative or assignee.

(2) The persons winding up the business or affairs of the limited liability company may, in the name of and for and on behalf of the limited liability company:

(a) prosecute and defend suits;

(b) settle and close the business of the limited liability company;

(c) dispose of and transfer the property of the limited liability company;

(d) discharge the liabilities of the limited liability company; and

(e) distribute to the members any remaining assets of the limited liability company.

History: En. Sec. 48, Ch. 120, L. 1993.

35-8-904. Agency power and liability of members or managers after dissolution. (1) Except as provided in subsections (3) through (5), after an event causing dissolution of the limited liability company, a member may bind the limited liability company:

(a) by an act appropriate for winding up the limited liability company's affairs or completing transactions unfinished at dissolution; and

(b) by any transaction that would have bound the limited liability company, if it had not been dissolved, if the other party to the transaction does not have notice of the dissolution.

(2) The filing of the articles of termination is presumed to constitute notice of dissolution for purposes of subsection (1)(b).

(3) An act of a member that would not otherwise be binding on the limited liability company under subsection (1) is binding if it is authorized by the limited liability company.

(4) An act of a member that would be binding under subsection (1) or would be otherwise authorized and that is in contravention of a restriction on authority may not bind the limited liability company to persons having knowledge of the restriction.

(5) If the articles of organization vest management of the limited liability company in managers, a manager may exercise the authority of a member under subsection (1) and a member may not exercise the authority if the member is acting solely in the capacity of a member.

(6) A member or manager who, with knowledge of the dissolution, subjects a limited liability company to liability by an act that is not appropriate for the winding up of the company's business is liable to the company for any damage caused by the act.

History: En. Sec. 49, Ch. 120, L. 1993; amd. Sec. 39, Ch. 302, L. 1999.

35-8-905. Distribution of assets. Upon the winding up of a limited liability company, the assets must be distributed as follows:

(1) to creditors, including members and managers who are creditors, to the extent otherwise permitted by law, in satisfaction of liabilities of the limited liability company, whether by payment or the making of reasonable provision for payment, other than liabilities to members for distributions under 35-8-605;

(2) unless otherwise provided in the articles of organization or an operating agreement, to members and former members in satisfaction of liabilities for distributions under 35-8-605; and

(3) unless otherwise provided in writing in the articles of organization or a written operating agreement, to members first for the return of their contributions and second respecting their limited liability company interests, in the proportions in which the members share in distributions.

History: En. Sec. 50, Ch. 120, L. 1993; amd. Sec. 40, Ch. 302, L. 1999.

35-8-906. Articles of termination. (1) At any time after dissolution and winding up, a limited liability company may terminate its existence by filing with the secretary of state articles of termination stating:

(a) the name of the limited liability company;

(b) the reason for filing the articles of termination;

(c) the effective date of the articles of termination, which must be a date certain, if they are not to be effective upon the filing;

(d) the name of the agent or agents authorized to receive service of process after dissolution or termination of the limited liability company;

(e) the name of the person or persons authorized to wind up the business and authorized to execute documents on behalf of the limited liability company;

(f) the date of the dissolution; and

(g) that the company's business has been wound up and the legal existence of the company has been terminated.

(2) The existence of a limited liability company is terminated upon the filing of the articles of termination or upon a later effective date, if specified in the articles of termination.

35-8-908. Known claims against dissolved or terminated limited liability companies. (1) A dissolved or terminated limited liability company may dispose of the known claims against it by following the procedure described in this section.

(2) The dissolved or terminated limited liability company shall notify its known claimants in writing of the dissolution or termination at any time after the effective date of the dissolution or termination. The written notice must:

(a) describe information that must be included in a claim;

(b) provide a mailing address where a claim may be sent;

(c) state the deadline, which may not be less than 120 days from the later of the effective date of the written notice or the filing of the articles of termination pursuant to 35-8-906, by which the dissolved or terminated limited liability company must receive the claim; and

(d) state that the claim will be barred if not received by the deadline.

(3) A claim against the dissolved or terminated limited liability company is barred:

(a) if a claimant who was given written notice under subsection (2) does not deliver the claim to the dissolved or terminated limited liability company by the deadline; or

(b) if a claimant whose claim was rejected by the dissolved or terminated limited liability company does not commence a proceeding to enforce the claim within 90 days from the effective date of the rejection notice.

(1) Subject to 35-8-908 and subsections (2) through (5) of this section, the dissolution or termination of a limited liability company, including dissolution by the expiration of its term, does not take away or impair any remedy available to or against the limited liability company or its members or managers for any claim or right, whether or not the claim or right existed or accrued prior to dissolution or termination. A proceeding by or against the limited liability company may be prosecuted or defended by the limited liability company in its name. The members and managers have power to take action as appropriate to protect the remedy, right, or claim.

(2) A dissolved or terminated limited liability company may publish notice of its dissolution or termination and request that persons having claims against it present the claims in accordance with the notice.

(3) The notice must:

(a) be published at least once in a newspaper of general circulation in the county in which the dissolved or terminated limited liability company's principal office is located or, if there is none in this state, then in the county in which its designated office is or was last located;

(b) describe the information required to be contained in a claim and provide a mailing address to which the claim is to be sent; and

(c) state that a claim against the limited liability company is barred unless a proceeding to enforce the claim is commenced within 5 years after publication of the notice.

(4) If a dissolved or terminated limited liability company publishes a notice in accordance with subsection (3), the claim of each of the following claimants is barred unless the claimant

commences a proceeding to enforce the claim against the dissolved or terminated company within 5 years after the publication date of the notice:

(a) a claimant who did not receive written notice under 35-8-908;

(b) a claimant whose claim was timely sent to the dissolved or terminated company but not acted on; and

(c) a claimant whose claim is contingent on or based on an event occurring after the effective date of dissolution or termination.

(5) A claim not barred under this section may be enforced:

(a) against the dissolved or terminated limited liability company, to the extent of its undistributed assets; or

(b) if the assets have been distributed in liquidation, against a member of the dissolved or terminated company to the extent of the member's proportionate share of the claim or the company's assets distributed to the member in liquidation, whichever is less, but a member's total liability for all claims under this section may not exceed the total amount of assets distributed to the member.

(3) When reinstatement is effective, it relates back to and takes effect as of the effective date of the administrative dissolution, and the company may resume its business as if the administrative dissolution had not occurred.

History: En. Sec. 45, Ch. 302, L. 1999; amd. Sec. 16, Ch. 75, L. 2003.

35-8-913. Appeal from denial of reinstatement. (1) If the secretary of state denies a limited liability company's application for reinstatement following administrative dissolution, the secretary of state shall serve the company with a record that explains the reason or reasons for the denial.

(2) The company may appeal the denial of reinstatement to a district court within 30 days after service of the notice of denial. The company shall appeal by petitioning the court to set aside the dissolution and attaching to the petition copies of the secretary of state's certificate of dissolution, the company's application for reinstatement, and the secretary of state's notice of denial.

(k) transacting business in interstate commerce.

(3) The list of activities in subsection (2) is not exhaustive.

The secretary of state shall provide written notice to the contracting parties regarding the requirement that a foreign limited liability company obtain a certificate of authority. The foreign limited liability company must be allowed 30 days from the date of the notice to obtain the certificate of authority, and an existing contract may not be voided prior to the expiration of the 30 days. (4) A foreign limited liability company is liable for a civil penalty of $5 for each day, but not to exceed a total of $1,000 for each year, that it transacts business in this state without a certificate of authority. The attorney general may collect all penalties due under this subsection and deposit them to the general fund.

(5) Notwithstanding the provisions of subsections (1) and (2) and except as provided in subsection (6), the failure of a foreign limited liability company to obtain a certificate of authority does not impair the validity of its acts or prevent it from defending any proceeding in this state.

(6) A contract between the state of Montana, an agency of the state, or a political subdivision of the state and a foreign limited liability company that has failed to obtain a certificate of authority, as required under 35-8-1001, is voidable by the state, the contracting state agency, or the contracting political subdivision.

(2) A foreign limited liability company with a valid certificate of authority has the same rights and privileges as a domestic company of similar character and, except as otherwise provided by this part, is subject to the same duties, restrictions, penalties, and liabilities imposed on a domestic limited liability company of similar character.

(3) This part does not authorize the state to regulate the organization or internal affairs of a foreign limited liability company authorized to transact business in the state.

History: En. Sec. 62, Ch. 120, L. 1993.

35-8-1009. Name. A certificate of authority may not be issued to a foreign limited liability company unless the name of the company satisfies the requirements of 35-8-103. (d) a mailing address to which the secretary of state may mail a copy of any process served on the secretary of state under subsection (3);

(f) that all taxes imposed on the foreign limited liability company by Title 15 have been paid, supported by a certificate by the department of revenue to be attached to the application to the effect that the department is satisfied from the available evidence that all taxes imposed have been paid. The issuance of the certificate does not relieve the corporation from liability for any taxes, penalties, or interest due the state of Montana.

(g) additional information as may be necessary or appropriate to enable the secretary of state to determine and assess any unpaid fees or taxes payable by the foreign limited liability company.

(3) After the withdrawal of the foreign limited liability company is effective, service of process on the secretary of state under this section is service on the foreign limited liability company. Upon receipt of process, the secretary of state shall mail a copy of the process to the foreign limited liability company at the mailing address set forth under subsection (2).

35-8-1012. Procedure for and effect of revocation. (1) If the secretary of state determines that one or more grounds exist under 35-8-1011 for revocation of a certificate of authority, the secretary of state shall serve the foreign limited liability company with written notice of the secretary of state's determination.

(2) If the foreign limited liability company does not correct each ground for revocation or demonstrate to the reasonable satisfaction of the secretary of state that each ground determined by the secretary of state does not exist within 60 days after service of the notice is mailed, the secretary of state may revoke the foreign limited liability company's certificate of authority by signing a certificate of revocation that states the ground or grounds for revocation and the effective date of the revocation. The secretary of state shall file the original of the certificate and mail a copy to the foreign limited liability company.

(3) The authority of a foreign limited liability company to transact business in this state ceases on the date shown on the certificate revoking its certificate of authority.

(4) The secretary of state's revocation of a foreign limited liability company's certificate of authority appoints the secretary of state as the foreign limited liability company's agent for service of process in any proceeding based on a cause of action that arose during the time the foreign limited liability company was authorized to transact business in this state. Service of process on the secretary of state under this subsection is service on the foreign limited liability company. Upon receipt of process, the secretary of state shall mail a copy of the process to the secretary of the foreign limited liability company at its principal office shown in its most recent annual report or in any subsequent communication received from the foreign limited liability company, stating the current mailing address of its principal office or, if no report or communication is on file, in its application for a certificate of authority.

(5) Revocation of a foreign limited liability company's certificate of authority does not terminate the authority of the registered agent of the foreign limited liability company.

History: En. Sec. 66, Ch. 120, L. 1993.

35-8-1013. Appeal from revocation. (1) A foreign limited liability company may appeal the secretary of state's revocation of its certificate of authority to the district court within 30 days after service of the certificate of revocation is mailed. The foreign limited liability company may appeal by petitioning the court to set aside the revocation and by attaching to the petition copies of its certificate of authority and the secretary of state's certificate of revocation.

(2) The court may summarily order the secretary of state to reinstate the certificate of authority or may take any other action the court considers appropriate.

names of all foreign professional limited liability companies that have given cause for revocation, together with the pertinent facts, and shall concurrently mail to each foreign professional limited liability company through its registered agent a notice that the certification has been made. A certificate of authority of a foreign professional limited liability company may not be revoked unless there have been both 60 days' notice of intent to revoke and a failure to correct the noncompliance during the 60 days.

35-9-203. Share transfer after first refusal by corporation. (1) A person desiring to transfer shares of a statutory close corporation subject to the transfer prohibition of 35-9-202 shall first offer them to the corporation by obtaining an offer to purchase the shares for cash from a third person who is eligible to purchase the shares under subsection (2). The offer by the third person must be in writing and state the offeror's name and address, the number and class or series of shares offered, the offering price per share, and the other terms of the offer.

(2) A third person is eligible to purchase the shares if:

(a) the third person is eligible to become a qualified shareholder under any federal or state tax statute the corporation has adopted and agrees in writing not to terminate that qualification without the approval of the remaining shareholders; and

(b) the purchase of the shares will not impose a personal holding company tax or similar federal or state penalty tax on the corporation.

(3) The person desiring to transfer shares shall deliver the offer to the corporation and by doing so offers to sell the shares to the corporation on the terms of the offer. Within 20 days after the corporation receives the offer, the corporation shall call a special shareholders' meeting, to be held not more than 40 days after the call, to decide whether the corporation should purchase all but not less than all of the offered shares. The offer must be approved by the affirmative vote of the holders of a majority of votes entitled to be cast at the meeting, excluding votes in respect of the shares covered by the offer.

(4) The corporation shall deliver to the offering shareholder written notice of acceptance within 75 days after receiving the offer or the offer is rejected. If the corporation makes a counteroffer, the shareholder shall deliver to the corporation written notice of acceptance within 15 days after receiving the counteroffer or the counteroffer is rejected. If the corporation accepts the original offer or the shareholder accepts the corporation's counteroffer, the shareholder shall deliver to the corporation duly endorsed certificates for the shares, or instruct the corporation in writing to transfer the shares if uncertificated, within 20 days after the effective date of the notice of acceptance. The corporation may specifically enforce the shareholder's delivery or instruction obligation under this subsection.

(5) A corporation accepting an offer to purchase shares under this section may allocate some or all of the shares to one or more of its shareholders or to other persons if all the shareholders voting in favor of the purchase approve the allocation. However, if the corporation has more than one class or series of shares, the remaining holders of the class or series of shares being purchased are entitled to a first option to purchase the shares not purchased by the corporation in proportion to their shareholdings or in some other proportion agreed to by all the shareholders participating in the purchase.

(6) If an offer to purchase shares under this section is rejected, the offering shareholder, for a period of 120 days after the corporation received the offer, is entitled to transfer to the third-person offeror all but not less than all of the offered shares in accordance with the terms of the offer to the corporation.

35-9-204. Attempted share transfer in breach of prohibition. (1) An attempt to transfer shares in a statutory close corporation in violation of a prohibition against transfer binding on the transferee is ineffective.

(2) An attempt to transfer shares in a statutory close corporation in violation of a prohibition against transfer that is not binding on the transferee, either because the notice required by 35-9-201 was not given or because the prohibition is held unenforceable by a court, gives the corporation an option to purchase the shares from the transferee for the same price and on the same terms that the transferee purchased them. To exercise its option, the corporation shall give the transferee written notice within 30 days after the shares are presented for registration in the transferee's name. The corporation may specifically enforce the transferee's sale obligation upon exercise of its purchase option.

(1) Sections 35-9-206 through 35-9-208 and this section apply to a statutory close corporation only if so provided in its articles of incorporation. If these sections apply, the executor or administrator of the estate of a deceased shareholder may require the corporation to purchase or cause to be purchased all but not less than all of the decedent's shares or to be dissolved.

(2) The provisions of 35-9-206 through 35-9-208 may be modified only if the modification is set forth or referred to in the articles of incorporation.

(3) An amendment to the articles of incorporation to provide for application of 35-9-206 through 35-9-208 or to modify or delete the provisions of these sections must be approved by the holders of at least two-thirds of the votes of each class or series of shares of the statutory close corporation, voting as separate voting groups, whether or not otherwise entitled to vote on amendments. If the corporation has no shareholders when the amendment is proposed, it must be approved by at least two-thirds of the subscribers for shares, if any, or if none, by all of the incorporators.

(4) A shareholder who votes against an amendment to modify or delete the provisions of 35-9-206 through 35-9-208 is entitled to dissenters' rights under 35-1-826 through 35-1-839 if the amendment upon adoption terminates or substantially alters the shareholder's existing rights under these sections to have the shareholder's shares purchased.

(5) A shareholder may waive the shareholder's and the shareholder's estate's rights under 35-9-206 through 35-9-208 by a signed writing.

(6) Sections 35-9-206 through 35-9-208 do not prohibit any other agreement providing for the purchase of shares upon a shareholder's death, nor do they prevent a shareholder from enforcing any remedy that the shareholder has independently of 35-9-206 through 35-9-208.

(2) Within 20 days after the effective date of the notice, the corporation shall call a special shareholders' meeting, to be held not more than 40 days after the call, to decide whether the corporation should offer to purchase the shares. A purchase offer must be approved by the affirmative vote of the holders of a majority of votes entitled to be cast at the meeting, excluding votes in respect of the shares covered by the notice.

(3) The corporation shall deliver a purchase offer to the person requesting it within 75 days after the effective date of the request notice. A purchase offer must be accompanied by the corporation's balance sheet as of the end of a fiscal year ending not more than 16 months before the effective date of the request notice, an income statement for that year, a statement of changes in shareholders' equity for that year, and the latest available interim financial statements, if any. The person must accept the purchase offer in writing within 15 days after receiving it or the offer is rejected.

(5) If price and other terms of a compulsory purchase of shares are fixed or are to be determined by the articles of incorporation, bylaws, or a written agreement, the price and terms so fixed or determined govern the compulsory purchase unless the purchaser defaults, in which event the buyer is entitled to commence a proceeding for dissolution under 35-9-207.

(2) An agreement authorized by this section is effective even though:

(a) it eliminates a board of directors;

(b) it restricts the discretion or powers of the board or authorizes director proxies or weighted voting rights;

(c) its effect is to treat the corporation as a partnership; or

(d) it creates a relationship among the shareholders or between the shareholders and the corporation that would otherwise be appropriate only among partners.

(3) If the corporation has a board of directors, an agreement authorized by this section restricting the discretion or powers of the board relieves directors of liability imposed by law and imposes that liability on each person in whom the board's discretion or power is vested to the extent that the discretion or powers of the board of directors are governed by the agreement.

(4) A provision eliminating a board of directors in an agreement authorized by this section is not effective unless the articles of incorporation contain a statement to that effect as required by 35-9-302.

(5) A provision entitling one or more shareholders to dissolve the corporation under 35-9-404 is effective only if a statement of this right is contained in the articles of incorporation.

(6) To amend an agreement authorized by this section, all the shareholders shall approve the amendment in writing unless the agreement provides otherwise.

(7) Subscribers for shares may act as shareholders with respect to an agreement authorized by this section if shares are not issued when the agreement was made.

(8) This section does not prohibit any other agreement between or among shareholders in a statutory close corporation.

(b) the directors or those in control of the corporation are deadlocked in the management of the corporation's affairs, the shareholders are unable to break the deadlock, and the corporation is suffering or will suffer irreparable injury or the business and affairs of the corporation can no longer be conducted to the advantage of the shareholders generally because of the deadlock; or

(c) there exists one or more grounds for judicial dissolution of the corporation under 35-1-938.

(2) A shareholder shall commence a proceeding under subsection (1) in the district court of the county where the corporation's principal office is located or, if there is no principal office in this state, in Lewis and Clark County. The jurisdiction of the court in which the proceeding is commenced is plenary and exclusive.

(4) If a shareholder has dissenters' rights under this chapter or 35-1-826 through 35-1-839 with respect to proposed corporate actions, the shareholder shall commence a proceeding under this section before the shareholder is required to give notice of the intent to demand payment under 35-1-826 through 35-1-839 or the proceeding is barred.

(5) Except as provided in subsections (3) and (4), a shareholder's right to commence a proceeding under this section and the remedies available under 35-9-502 through 35-9-504 are in addition to any other right or remedy the shareholder may have.

(1) If the court finds that the ordinary relief described in 35-9-502(1) is or would be inadequate or inappropriate, it may order the corporation dissolved under 35-9-504 unless the corporation or one or more of its shareholders purchases all the shares of the shareholder for their fair value and on terms determined under subsection (2).

(2) If the court orders a share purchase, it shall:

(a) determine the fair value of the shares, considering among other relevant evidence:

(ii) any agreement among some or all of the shareholders fixing the price or specifying a formula for determining share value for any purpose;

(iii) the recommendations of appraisers, if any, appointed by the court; and

(b) specify the terms of the purchase, including if appropriate:

(i) terms for installment payments;

(ii) subordination of the purchase obligation to the rights of the corporation's other creditors;

(iii) security for a deferred purchase price; and

(iv) a covenant not to compete or other restriction on the seller;

(e) provide that if the purchase is not completed in accordance with the specified terms, the corporation is to be dissolved under 35-9-504.

(3) After the purchase order is entered, any party may petition the court to modify the terms of the purchase and the court may do so if it finds that changes in the financial or legal ability of the corporation or other purchaser to complete the purchase justify a modification.

(4) If the corporation is dissolved because the share purchase was not completed in accordance with the court's order, the selling shareholder has the same rights and priorities in the corporation's assets as if the sale had not been ordered.

The execution of any document required to be filed with the secretary of state under this chapter constitutes an affirmation under penalties of false swearing by each person executing the document that the facts stated are true.

(4) A person authorized by this chapter to file a statement may amend or cancel the statement by filing an amendment or cancellation that names the partnership, identifies the statement, and states the substance of the amendment or cancellation.

(5) A person who files a statement pursuant to this section shall promptly send a copy of the statement to every nonfiling partner and any other person named as a partner in the statement. Failure to send a copy of a statement to a partner or other person does not limit the effectiveness of the statement as to a person not a partner.

(6) The secretary of state shall establish by rule fees for filing statements, issuing certificates, copying statements, priority handling, transmitting or filing facsimile copies, and providing computer-generated information. The fees must be reasonably related to the costs of processing the statements and providing the services. The secretary of state shall maintain records sufficient to support the fees established under this section. The secretary of state may adopt rules necessary to perform any duty required of the secretary of state by this chapter.

History: En. Sec. 6, Ch. 238, L. 1993.

35-10-112. Facsimile filing — requirements — liability. (1) The secretary of state shall treat a facsimile copy of a document that is required or permitted to be filed under this chapter and the signatures on the facsimile copy in the same manner as an original for purposes of this chapter. If all other requirements are met, the date of filing relates back to the date of receipt of the facsimile copy.

(2) A person who files a false document by facsimile copy is liable to an aggrieved party for three times the amount of damages resulting from the filing of the false document.

History: En. Sec. 7, Ch. 238, L. 1993; amd. Sec. 8, Ch. 290, L. 1997.

35-10-113. Filing with secretary of state. (1) A signed statement filed pursuant to this chapter must be delivered to the secretary of state. If the secretary of state determines that the statement conforms to the filing provisions of this chapter and all required filing fees have been paid, the secretary of state shall:

(a) endorse on the signed statement the word "filed" and the date and time of acceptance for filing;

(b) retain the signed statement in the secretary of state's files; and

(c) send a certification letter to the person who filed the statement or the person's representative.

(2) The secretary of state may by rule prescribe and furnish forms or computer formats for any statement to be filed with the secretary of state under this chapter. If the secretary of state requires it, the use of any forms or formats is mandatory.

(3) All partnerships filing statements pursuant to this chapter shall first register the business name as an assumed business name pursuant to Title 30, chapter 13, part 2.

35-10-116. Law governing internal affairs. Except as provided in 35-10-710, the law of the state in which a partnership has its chief executive office governs the partnership's internal affairs.

35-10-202. Creation of partnership. (1) Except as provided in subsection (2), the association of two or more persons to carry on as co-owners a business for profit creates a partnership, whether or not the persons intend to create a partnership.

(2) An association created under a statute other than this chapter, a predecessor law, or a comparable law of another jurisdiction is not a partnership.

(3) In determining whether a partnership is created, the following rules apply:

(a) Joint tenancy, tenancy in common, tenancy by the entireties, joint property, common property, or part ownership does not by itself establish a partnership even if the co-owners share profits made by the use of the property.

(b) The sharing of gross returns does not by itself establish a partnership even if the persons sharing them have a joint or common right or interest in property from which the returns are derived.

(c) A person who receives a share of the profits of a business is presumed to be a partner in the business, unless the profits were received in payment:

(i) of a debt by installments or otherwise;

(ii) for services as an independent contractor or of wages or other compensation to an employee;

(iii) of rent;

(iv) of an annuity or other retirement or health benefit to a beneficiary, representative, or designee of a deceased or retired partner;

(v) of interest or of another charge on a loan, even if the amount of payment varies with the profits of the business, including a direct or indirect present or future ownership of the collateral or rights to income, proceeds, or increase in value derived from the collateral; or

(vi) for the sale of the goodwill of a business or other property by installments or otherwise.

(4) Except as provided by 35-10-308, persons who are not partners as to each other are not partners as to other persons.

(5) A partnership created under this chapter is a general partnership, and the partners are general partners of the partnership.

35-10-301. Partner as agent of partnership. Subject to the effect of a statement of partnership authority pursuant to 35-10-310:

(1) each partner is an agent of the partnership for the purpose of its business. An act of a partner, including the execution of an instrument in the partnership name, for apparently carrying on in the ordinary course of the partnership business or business of the kind carried on by the partnership binds the partnership unless the partner has no authority to act for the partnership in the particular matter and the person with whom the partner is dealing knows or has received a notification that the partner lacks authority.

(2) an act of a partner that is not apparently for carrying on in the ordinary course of the partnership business or business of the kind carried on by the partnership binds the partnership only if the act was authorized by the other partners.

(a) partnership property held in the name of the partnership may be transferred by an instrument of transfer executed by a partner in the partnership name;

(b) partnership property held in the name of one or more partners with an indication in the instrument transferring the property to them of their capacity as partners or of the existence of a partnership, but without an indication of the name of the partnership, may be transferred by an instrument of transfer executed by the persons in whose name the property is held; and

(c) a partnership may recover property transferred under this subsection if it proves that execution of the instrument of transfer did not bind the partnership under 35-10-301 unless the property was transferred by the initial transferee or a person claiming through the initial transferee to a subsequent transferee who gave value without having notice that the person who executed the instrument of initial transfer lacked authority to bind the partnership.

(2) Partnership property held in the name of one or more persons other than the partnership without an indication in the instrument transferring the property to them of their capacity as partners or of the existence of a partnership may be transferred free of any claims of the partnership or the partners by the persons in whose name the property is held to a transferee who gives value without having notice that it is partnership property.

(3) If a person holds all of the partners' interests in the partnership, all of the partnership property vests in that person. The person may execute a document in the name of the partnership to evidence vesting of the property in that person and may file or record the document.

(1) A partnership is liable for loss or injury caused to a person, or for a penalty incurred, as a result of a wrongful act or omission or other actionable conduct of a partner acting in the ordinary course of business of the partnership or with the authority of the partnership.

(2) If, in the course of its business, a partnership receives money or property of a person not a partner and that money or property is misapplied by a partner while it is in the custody of the partnership, the partnership is liable for the loss.

(2) Except as provided in subsections (3) and (4), a partner of a limited liability partnership is not liable, directly or indirectly, including by way of indemnification, contribution, assessment, or otherwise, for:

(a) any debts, obligations, or liabilities of or chargeable to the limited liability partnership or another partner of the limited liability partnership, whether arising in tort, contract, or otherwise; or

(b) the acts or omissions of any other partner or agents, contractors, or employees of the limited liability partnership if the debts, obligations, or liabilities arise or are incurred while the limited liability partnership is registered under 35-10-701.

(3) Subsection (2) does not affect the liability of a partner in a limited liability partnership for the partner's own negligence, wrongful act, or misconduct, including without limitation an act under 35-10-628(2), or that of any person under the partner's direct supervision and control.

(4) Subsection (2) does not affect or impair the ability of a partner of a limited liability partnership to act as a guarantor or surety for, provide collateral for, or otherwise agree to be primarily or contingently liable for the debts, obligations, or liabilities of a limited liability partnership.

(5) Subsection (2) does not affect the liability of a limited liability partnership for partnership debts, obligations, or liabilities to the extent of partnership assets.

(6) Unless the partner is personally liable under this section, a partner in a limited liability partnership is not a proper party to a proceeding by or against a limited liability partnership to recover any debts, obligations, or liabilities of or chargeable to the limited liability partnership.

35-10-308. Purported partner. (1) If a person, by words or conduct, purports to be a partner or consents to being represented by another as a partner in a partnership or with one or more persons who are not partners, the purported partner is liable to a person to whom the representation is made:

(a) if that person, relying on the representation, enters into a transaction with the actual or purported partnership; and

(b) the purported partner would have been personally liable for obligations of the partnership under 35-10-307 or 35-10-629 if the purported partner had been a partner.

(2) Subject to subsection (1), if the representation, either by the purported partner or by a person with the purported partner's consent, is made in a public manner, the purported partner is liable to a person who relies upon the purported partnership even if the purported partner is not aware of being held out as a partner to the claimant. If partnership liability results, the purported partner is liable as if the purported partner were a partner. If no partnership liability

results, the purported partner is liable jointly and severally with any other person consenting to the representation.

(3) Subject to subsection (1), if a person is represented to be a partner in an existing partnership or with one or more persons who are not partners, the purported partner is an agent of persons consenting to the representation to bind them to the same extent and in the same manner as if the purported partner were a partner with respect to persons who enter into transactions in reliance upon the representation. If all of the partners of the existing partnership consent to the representation, a partnership act or obligation results. Subject to subsection (1), if fewer than all of the partners of the existing partnership consent to the representation, the person acting and the partners consenting to the representation are jointly and severally liable as if the person had actually been a partner.

(4) A person is not a partner in a partnership merely because the person is named by another in a statement of partnership authority.

(5) A person does not continue to be a partner merely because of a failure to file a statement of dissociation or to amend a statement of partnership authority to indicate the partner's dissociation from the partnership.

35-10-310. Statement of partnership authority. (1) A partnership may file a statement of partnership authority, which:

(a) must include:

(i) the name of the partnership;

(ii) the street address of its chief executive office and of one office in this state, if there is one;

(iii) the names and mailing addresses of all of the partners or of an agent appointed and maintained by the partnership for the purpose of subsection (2); and

(iv) the names of the partners authorized to execute an instrument transferring real property held in the name of the partnership; and

(b) may state the authority or limitations on the authority of some or all of the partners to enter into other transactions on behalf of the partnership and any other matter.

(2) If a statement of partnership authority names an agent, the agent shall maintain a list of the names and mailing addresses of all the partners and make it available to any person on request for good cause shown.

(3) If a filed statement of partnership authority is executed pursuant to 35-10-111(5) and states the name of the partnership but does not contain all of the other information required by subsection (1), the statement nevertheless operates with respect to a person not a partner as provided in subsections (4) and (5).

(4) Except as provided in subsection (7), a filed statement of partnership authority supplements the authority of a partner to enter into transactions on behalf of the partnership as follows:

(a) Except for transfers of real property, a grant of authority contained in a filed statement of partnership authority is conclusive in favor of a person who gives value without knowledge to the contrary so long as and to the extent that a limitation on that authority is not contained in another filed statement. A filed cancellation of a limitation on authority revives the previous grant of authority.

(b) A grant of authority to transfer real property held in the name of the partnership contained in a certified copy of a filed statement of partnership authority recorded in the office for recording transfers of that real property is conclusive in favor of a person who gives value without knowledge to the contrary so long as and to the extent that a certified copy of a filed statement containing a limitation on that authority is not then of record in the office for recording transfers of that real property. The recording in the office for recording transfers of that real property of a certified copy of a filed cancellation of a limitation on authority revives the previous grant of authority.

(5) A person not a partner is considered to know of a limitation on the authority of a partner to transfer real property held in the name of the partnership if a certified copy of the filed statement containing the limitation on authority is of record in the office for recording transfers of that real property.

(6) Except as provided in 35-10-622 and 35-10-627 and subsection (5) of this section, a person not a partner is not considered to know of a limitation on the authority of a partner merely because the limitation is contained in a filed statement.

(7) Unless canceled earlier, a filed statement of partnership authority is canceled by operation of law 5 years after the date on which the statement or the most recent amendment was filed with the secretary of state.

History: En. Sec. 17, Ch. 238, L. 1993.

35-10-311. Statement of denial. A partner or other person named as a partner in a filed statement of partnership authority or in a list maintained by an agent pursuant to 35-10-310(2) may file a statement of denial stating the name of the partnership and the fact that is being denied, which may include denial of a person's authority or status as a partner. A statement of denial is a limitation on authority to the extent provided in 35-10-310(4) and (5).

History: En. Sec. 18, Ch. 238, L. 1993.

35-10-312. Action by and against partnership and partners. (1) A partnership may sue and be sued in the name of the partnership.

(2) An action may be brought against the partnership and any or all of the partners who are personally liable for obligations of the partnership under 35-10-307 or 35-10-629 in the same action or in separate actions.

(3) A judgment against a partnership is not by itself a judgment against a partner. A judgment against a partnership may not be satisfied from a partner's assets unless there is also a judgment against the partner.

(4) A judgment creditor of a partner may not levy execution against the assets of the partner to satisfy a judgment based on a claim against the partnership unless:

(a) the partner is personally liable for the liability of the partnership under 35-10-307 or 35-10-629; and

(b) one of the following conditions is satisfied:

(i) a judgment based on the same claim has been obtained against the partnership and a writ of execution on the judgment has been returned unsatisfied in whole or in part;

(ii) (A) an involuntary case under Title 11 of the United States Code has been commenced against the partnership and has not been dismissed within 60 days after commencement or the partnership has commenced a voluntary case under Title 11 of the United States Code and the case has not been dismissed; and

(B) Title 11 of the United States Code permits a judgment creditor of a partner to levy execution against the assets of the partner to satisfy a judgment based on a claim against the partnership;

(iii) the partner has agreed that the creditor need not exhaust partnership assets;

(iv) a court grants permission to the judgment creditor to levy execution against the assets of a partner based on a finding that partnership assets subject to execution within this state are clearly insufficient to satisfy the judgment, that exhaustion of partnership assets is excessively burdensome, or that the grant of permission is an appropriate exercise of the court's equitable powers; or

(v) liability is imposed on the partner by law or contract independent of the existence of the partnership.

(5) This section applies to any partnership liability or obligation resulting from a representation by a partner or purported partner under 35-10-308(1), (2), or (3).

Part Cross-References

35-10-401. Partner's rights and duties. (1) A partnership shall establish an account for each partner. The partnership shall credit the account with an amount equal to the money plus the value of any other property, net of the amount of any liabilities, that the partner contributes to the partnership and the partner's share of the partnership profits. The partnership shall charge the account with an amount equal to the money plus the value of any other property, net of the amount of any liabilities, distributed by the partnership to the partner and the partner's share of the partnership losses. However, the partner is personally liable for the charges only as provided in 35-10-307 and 35-10-629.

(2) A partnership shall credit each partner's account with an equal share of the partnership profits. A partnership shall charge each partner with a share of the partnership losses, whether capital or operating, in proportion to the partner's share of the profits. However, a partner is personally liable for the charges as provided in 35-10-307 and 35-10-629.

(3) A partnership shall indemnify each partner for payments reasonably made and liabilities reasonably incurred by the partner in the ordinary and proper conduct of the business of the partnership or for the preservation of its business or property. However, a partner is not personally liable for the indemnification obligation of the partnership, except to the extent that the partner would be personally liable under 35-10-307 or 35-10-629 for the liabilities incurred by the indemnified partner.

(4) A partnership shall repay a partner who, in aid of the partnership, makes a payment or advance beyond the amount of capital the partner agreed to contribute.

(5) A payment made by a partner that gives rise to a partnership obligation under subsection (3) or (4) constitutes a loan to the partnership. Interest accrues from the date of the payment or advance.

(6) Each partner has equal rights in the management and conduct of the partnership business.

(7) A partner may use or possess partnership property only on behalf of the partnership.

(8) A partner is not entitled to remuneration for services performed for the partnership, except for reasonable compensation for services rendered in winding up the business of the partnership.

(9) A person may become a partner only with the consent of all the partners.

(10) A difference arising as to a matter in the ordinary course of business of a partnership may be decided by a majority of the partners. An act outside the ordinary course of business of a partnership and an amendment to the partnership agreement may be undertaken only with the consent of all the partners.

(11) This section does not affect the obligations of a partnership to other persons under 35-10-301.

(2) A partnership shall provide partners and their agents and attorneys access to its books and records. It shall provide former partners and their agents and attorneys access to books and records pertaining to the period during which they were partners. The right of access provides the opportunity to inspect and copy books and records during ordinary business hours. A partnership may impose a reasonable charge, covering the costs of labor and material, for copies of documents furnished.

35-10-403. Duty of partners to render information. 35-10-405. General standards of partner's conduct. (1) The only fiduciary duties a partner owes to the partnership and the other partners are the duty of loyalty and the duty of care set forth in this section.

(2) A partner's duty of loyalty to the partnership and the other partners is limited to the following:

(a) to account to the partnership and hold as trustee for it any property, profit, or benefit derived:

(i) by the partner in the conduct and winding up of the partnership business;

(ii) from a use or appropriation by the partner of partnership property; or

(iii) from a use or appropriation of an opportunity without the consent of the other partners;

(b) to refrain from dealing with the partnership in the conduct or winding up of the partnership business as or on behalf of a party having an interest adverse to the partnership without the consent of the other partners; and

(c) to refrain from competing with the partnership in the conduct of partnership business before the dissolution of the partnership without the consent of the other partners.

(3) A partner's duty of loyalty may not be eliminated by agreement, but the partners by agreement may identify specific types or categories of activities that do not violate the duty of loyalty, if not manifestly unreasonable.

(4) A partner's duty of care to the partnership and the other partners in the conduct and winding up of the partnership business is limited to refraining from engaging in grossly negligent or reckless conduct, intentional misconduct, or a knowing violation of law.

(5) A partner shall discharge the duties to the partnership and the other partners under this chapter or under the partnership agreement and exercise any rights consistent with the obligation of good faith and fair dealing. The obligation of good faith and fair dealing may not be eliminated by agreement, but the partners by agreement may determine the standards by which the performance of the obligation is to be measured if the standards are not manifestly unreasonable.

(6) A partner does not violate a duty or obligation under this chapter or under the partnership agreement merely because the partner's conduct furthers the partner's own interest. A partner may lend money to and transact other business with the partnership. The rights and obligations of a partner who lends money to or transacts business with the partnership are the same as those of a person who is not a partner, subject to other applicable law.

(7) This section applies to a person winding up the partnership business as the personal or legal representative of the last surviving partner as if the person were a partner.

(2) If the partners or those of them who habitually acted in the business during the term or undertaking continue the business without any settlement or liquidation of the partnership, they are presumed to have agreed that the business will not be wound up.

(2) A partner may maintain an action against the partnership or another partner for legal or equitable relief, including an accounting as to partnership business, to enforce:

(a) a right under the partnership agreement;

(b) a right under this chapter, including the partner's:

(i) rights under 35-10-401 through 35-10-403 and 35-10-405;

(ii) right on dissociation to have the partner's interest in the partnership purchased pursuant to 35-10-619 or enforce any other right under 35-10-616 through 35-10-623; or

35-10-505. Partner's transferable interest subject to charging order. (1) On application by a judgment creditor of a partner or partner's transferee, a court having jurisdiction may charge the transferable interest of the debtor partner or transferee to satisfy the judgment. The court may appoint a receiver of the debtor's share of the distributions due or to become due to the debtor in respect of the partnership and make all other orders, directions, accounts, and inquiries the debtor might have made or which the circumstances of the case may require.

(2) A charging order constitutes a lien on the judgment debtor's transferable interest in the partnership. The court may order a foreclosure of the interest subject to the charging order at any time and upon conditions it considers appropriate. The purchaser at the foreclosure sale has the rights of a transferee.

(3) At any time before foreclosure, an interest charged may be redeemed:

(a) by the judgment debtor;

(b) with property other than partnership property, by one or more of the other partners; or

(c) with partnership property, by one or more of the other partners with the consent of all the partners whose interests are not so charged.

(4) This chapter does not deprive a partner of a right under the exemption laws with respect to the partner's interest in the partnership.

(5) This section provides the exclusive remedy by which a judgment creditor of a partner or partner's transferee may satisfy a judgment out of the judgment debtor's transferable interest in the partnership.

35-10-506. Partner's application to discharge attachment — undertaking. (1) If a writ of attachment is levied upon the interest in a partnership of one or more of the partners, the other partners who are not defendants in the action or any of them may, at any time before final judgment, apply to the judge who granted the writ or to the court, upon an affidavit showing the facts, for an order to discharge the attachment as to that interest.

(2) Upon an application, the applicant shall give an undertaking, with at least two sufficient sureties, to the effect that they will pay to the sheriff, on demand, the amount of any judgment that may be recovered against the partner who is defendant in the action or that may be recovered against that partner in any other action in which the other partners are not defendants and in which a writ of attachment or an execution may come into the sheriff's hands at any time before the writ of attachment that was levied is vacated and annulled, not exceeding the sum specified in the undertaking, which may not be less than the value of the interest of the defendant in the partnership as fixed by the court or judge. If, in the opinion of the court or judge, the value is uncertain, the sum must be an amount that the court or judge determines. For the purpose of fixing the sum or to determine the sufficiency of its sureties, the court or judge may receive affidavits or oral testimony or may direct a reference.

35-10-510. Transfer of partner's transferable interest. (1) A transfer, in whole or in part, of a partner's transferable interest in the partnership:

(a) is permissible;

(b) does not by itself cause a dissolution and winding up of the partnership business; and

(c) does not, as against the other partners or the partnership, entitle the transferee, during the continuance of the partnership, to participate in the management or conduct of the partnership business, to require access to information concerning or an account of partnership transactions, or to inspect or copy the partnership books or records.

(2) A transferee of a partner's transferable interest in the partnership has a right:

(a) to receive, in accordance with the transfer, distributions to which the transferor would otherwise be entitled;

(b) to receive the net amount otherwise distributable to the transferor upon the dissolution and winding up of the partnership business; and

(c) to seek under 35-10-624(6) a judicial determination that it is equitable to wind up the partnership business.

(3) In a dissolution and winding up, a transferee is entitled to receive an accounting only from the date of the last account agreed to by all of the partners.

(4) Upon transfer, the transferor retains the rights and duties of a partner other than the interest in distributions transferred.

(5) Until receipt of notice of a transfer, a partnership has no duty to give effect to the transferee's rights under this section.

(2) The legal representative of the last surviving partner may wind up a partnership's business.

(3) A person winding up a partnership's business may preserve the partnership business or property as a going concern for a reasonable time; prosecute and defend actions and proceedings, whether civil, criminal, or administrative; settle and close the partnership's business; dispose of and transfer the partnership's property; discharge the partnership's liabilities; distribute the assets of the partnership pursuant to 35-10-629; settle disputes by mediation or arbitration; and perform other necessary acts.

35-10-616. Events causing partner's dissociation. A partner is dissociated from a partnership upon:

(1) receipt by the partnership of notice of the partner's express will to withdraw as a partner or upon any later date specified in the notice;

(2) an event agreed to in the partnership agreement as causing the partner's dissociation;

(3) the partner's expulsion pursuant to the partnership agreement;

(4) the partner's expulsion by the unanimous vote of the other partners if:

(a) it is unlawful to carry on the partnership business with that partner;

(b) there has been a transfer of all or substantially all of that partner's transferable interest in the partnership, other than a transfer for security purposes or a court order charging the partner's interest that has not been foreclosed;

(c) within 90 days after the partnership notifies a corporate partner that it will be expelled because it has filed a certificate of dissolution or the equivalent, its charter has been revoked, or its right to conduct business has been suspended by the jurisdiction of its incorporation, there is no revocation of the certificate of dissolution or no reinstatement of its charter or its right to conduct business; or

(d) a partnership that is a partner has been dissolved and its business is being wound up;

(5) the partner's expulsion by judicial decree, made on application by the partnership or another partner, because:

(a) the partner engaged in wrongful conduct that adversely and materially affected the partnership business;

(b) the partner willfully or persistently committed a material breach of the partnership agreement or of a duty owed to the partnership or the other partners under 35-10-405; or

(c) the partner engaged in conduct relating to the partnership business that made it not reasonably practicable to carry on the business in partnership with that partner;

(6) the partner:

(a) becoming a debtor in bankruptcy;

(b) executing an assignment for the benefit of creditors;

(c) seeking, consenting to, or acquiescing in the appointment of a trustee, receiver, or liquidator of that partner or of all or substantially all of that partner's property; or

(d) failing within 90 days after the appointment to have vacated or stayed the appointment of a trustee, receiver, or liquidator of the partner or of all or substantially all of the partner's property obtained without the partner's consent or acquiescence or failing within 90 days after the expiration of a stay to have the appointment vacated;

(7) in the case of a partner who is an individual:

(a) the partner's death;

(b) the appointment of a guardian or general conservator for the partner; or

(c) a judicial determination that the partner has otherwise become incapable of performing the partner's duties under the partnership agreement;

(8) in the case of a partner that is a trust or is acting as a partner by virtue of being a trustee of a trust, distribution of the trust's entire transferable interest in the partnership, but not merely by reason of the substitution of a successor trustee;

(9) in the case of a partner that is an estate or is acting as a partner by virtue of being a personal representative of an estate, distribution of the estate's entire transferable interest in the partnership, but not merely by reason of the substitution of a successor personal representative; or

(10) termination of a partner who is not an individual, partnership, corporation, trust, or estate.

35-10-617. Partner's wrongful dissociation. (1) A partner's dissociation is wrongful only if:

(a) it is in breach of an express provision of the partnership agreement; or

(b) in the case of a partnership for a definite term or particular undertaking, before the expiration of the term or the completion of the undertaking:

(i) the partner withdraws by express will, unless the withdrawal follows the dissociation of another partner and results in a right to dissolve the partnership under 35-10-624(2)(a);

(ii) the partner is expelled by judicial decree under 35-10-616(5); or

(iii) a partner, who is not an individual, a trust other than a business trust, or an estate, is expelled or otherwise dissociated because the entity willfully dissolved or terminated.

(2) A partner who wrongfully dissociates is liable to the partnership and to the other partners for damages caused by the dissociation. That liability is in addition to any other liability of the partner to the partnership or to the other partners.

History: En. Sec. 37, Ch. 238, L. 1993.

35-10-618. Effect of partner's dissociation. (1) If a partner's dissociation results in a dissolution and winding up of the partnership business, 35-10-602, 35-10-609, and 35-10-624 through 35-10-629 apply; otherwise 35-10-619 through 35-10-623 apply.

(2) Upon a partner's dissociation:

(a) the partner's right to participate in the management and conduct of the partnership business terminates, except as provided in 35-10-609;

(b) the partner's duty of loyalty under 35-10-405(2)(c) terminates; and

(c) the partner's duty of loyalty under 35-10-405(2)(a) and (2)(b) and duty of care under 35-10-405(4) continue only with regard to matters arising or events occurring before the dissociation.

History: En. Sec. 38, Ch. 238, L. 1993.

35-10-619. Purchase of dissociated partner's interest. (1) If a partner is dissociated from a partnership without resulting in a dissolution and winding up of the partnership business under 35-10-624, the partnership shall cause the dissociated partner's interest in the partnership to be purchased for a buyout price determined pursuant to subsection (2).

(2) (a) The buyout price of a dissociated partner's interest is the amount that would have been distributable to the dissociating partner under 35-10-629(2) if on the date of dissociation the assets of the partnership were sold at a price equal to the greater of:

(i) the liquidation value; or

(ii) the value based on a sale of the entire business as a going concern without the dissociated partner and the partnership were wound up as of that date.

(b) In either case, the selling price of the partnership assets must be determined on the basis of the amount that would be paid by a willing buyer to a willing seller, neither being under any compulsion to buy or sell, and with knowledge of all relevant facts. Interest must be paid from the date of dissociation to the date of payment.

(3) Damages for wrongful dissociation under 35-10-617(2) and all other amounts owing, whether or not presently due, from the dissociated partner to the partnership must be offset against the buyout price. Interest must be paid from the date the amount owed becomes due to the date of payment.

(4) A partnership shall indemnify a dissociated partner against all partnership liabilities incurred before the dissociation, except liabilities then unknown to the partnership, and against

all partnership liabilities incurred after the dissociation, except liabilities incurred by an act of the dissociated partner under 35-10-620. For purposes of this subsection, a liability not known to a partner other than the dissociated partner is not known to the partnership.

(5) If no agreement for the purchase of a dissociated partner's interest is reached within 120 days after a written demand for payment, the partnership shall pay or cause to be paid in cash to the dissociated partner the amount the partnership estimates to be the buyout price and accrued interest, reduced by any offsets and accrued interest under subsection (3).

(6) If a deferred payment is authorized under subsection (8), the partnership may tender a written offer to pay the amount it estimates to be the buyout price and accrued interest, reduced by any offsets under subsection (3), stating the time of payment, the amount and type of security for payment, and the other terms and conditions of the obligation.

(7) The payment or tender required by subsection (5) or (6) must be accompanied by the following:

(a) a statement of partnership assets and liabilities as of the date of dissociation;

(b) the latest available partnership balance sheet and income statement, if any;

(c) an explanation of how the estimated amount of the payment was calculated; and

(d) written notice that the payment is in full satisfaction of the obligation to purchase unless, within 120 days after the written notice, the dissociated partner commences an action to determine the buyout price, any offsets under subsection (3), or other terms of the obligation to purchase.

(8) A partner who wrongfully dissociates before the expiration of a definite term or the completion of a particular undertaking is not entitled to payment of any portion of the buyout price until the expiration of the term or completion of the undertaking unless the partner establishes to the satisfaction of the court that earlier payment will not cause undue hardship to the business of the partnership. A deferred payment must be adequately secured and bear interest.

(9) A dissociated partner may maintain an action against the partnership, pursuant to 35-10-409(2)(b)(ii), to determine the buyout price of that partner's interest, any offsets under subsection (3), or other terms of the obligation to purchase. The action must be commenced within 120 days after the partnership has tendered payment or an offer to pay or within 1 year after written demand for payment if no payment or offer to pay is tendered. The court shall determine the buyout price of the dissociated partner's interest, any offset due under subsection (3), and accrued interest, and enter judgment for any additional payment or refund. If deferred payment is authorized under subsection (8), the court shall also determine the security for payment and other terms of the obligation to purchase. The court may assess reasonable attorney fees and the fees and expenses of appraisers or other experts for a party to the action, in amounts the court finds equitable, against a party that the court finds acted arbitrarily, vexatiously, or not in good faith. The finding may be based on the partnership's failure to tender payment or an offer to pay or to comply with the requirements of subsection (7).

35-10-620. Dissociated partner's power to bind partnership — liability to partnership. (1) For 2 years after a partner dissociates without resulting in a dissolution and winding up of the partnership business, the partnership, including a surviving partnership under 35-10-635 through 35-10-637 and 35-10-641 through 35-10-644, is bound by an act of the dissociated partner that would have bound the partnership under 35-10-301 before dissociation if the other party to the transaction:

(a) reasonably believed when entering the transaction that the dissociated partner was a partner at that time;

(b) did not have notice of the partner's dissociation; and

(c) is not considered to have had knowledge under 35-10-310(5) or notice under 35-10-622.

(2) A dissociated partner is liable to the partnership for any loss caused to the partnership arising from an obligation incurred by the dissociated partner after dissociation and for which the partnership is liable under subsection (1).

History: En. Sec. 40, Ch. 238, L. 1993.

35-10-621. Dissociated partner's liability to other persons. (1) A partner's dissociation does not of itself discharge the partner's liability for a partnership obligation incurred before dissociation. A dissociated partner is not liable for a partnership obligation incurred after dissociation except as provided in subsection (2).

(2) A partner who dissociates without resulting in a dissolution and winding up of the partnership business is personally liable as a partner to the other party as the result of a partnership obligation incurred in connection with a transaction entered into by the partnership or a surviving partnership under 35-10-635 through 35-10-637 and 35-10-641 through 35-10-644 within 2 years after the partner's dissociation only if the other party to the transaction:

(a) reasonably believed when entering the transaction that the dissociated partner was a partner at that time;

(b) did not have notice of the partner's dissociation;

(c) is not considered to have had knowledge under 35-10-310(5) or notice under 35-10-622; and

(d) the obligation is one for which the partner would be personally liable under 35-10-307 or 35-10-629 if the partner had not dissociated.

(3) By agreement with the partnership creditor and the partners continuing the business, a dissociated partner may be released from liability for a partnership obligation.

(4) A dissociated partner is released from liability for a partnership obligation if a partnership creditor, with notice of the partner's dissociation but without the partner's consent, agrees to a material alteration in the nature or time of payment of a partnership obligation.

History: En. Sec. 41, Ch. 238, L. 1993; amd. Sec. 13, Ch. 449, L. 1995.

35-10-622. Statement of dissociation — filing. (1) A dissociated partner or the partnership may file a statement of dissociation stating the name of the partnership and that the partner is dissociated from the partnership.

(2) If a statement of dissociation is filed, the statement must be filed with the same entity with which the original partnership agreement was filed.

(3) A statement of dissociation is a limitation on the authority of a dissociated partner for the purposes of 35-10-310(4) and (5).

(4) For the purposes of 35-10-301, 35-10-620, and 35-10-621(2), a person who is not a partner is considered to have notice of the dissociation 90 days after the statement of dissociation is filed.

History: En. Sec. 42, Ch. 238, L. 1993; amd. Sec. 13, Ch. 71, L. 2005.

35-10-623. Continued use of partnership name. Continued use of a partnership name or a dissociated partner's name as part of the partnership by the partners continuing the business does not of itself make the dissociated partner liable for an obligation of the partners or the partnership continuing the business.

History: En. Sec. 43, Ch. 238, L. 1993.

35-10-624. Events causing dissolution and winding up of partnership business. Except as provided in 35-10-625, a partnership is dissolved and its business must be wound up only upon:

(1) receipt by a partnership at will of notice from a partner, other than a partner who is dissociated under 35-10-616(2) through (10), of that partner's express will to withdraw as a partner or upon any later date specified in the notice;

(2) in a partnership for a definite term or particular undertaking:

(a) within 90 days after a partner's wrongful dissociation under 35-10-617 or a partner's dissociation by death or otherwise under 35-10-616(6) through (10), receipt by the partnership of notice from another partner of that partner's express will to withdraw as a partner;

(b) the express will of all the partners; or

(c) the expiration of the term or the completion of the undertaking unless all the partners agree to continue the business, in which case the partnership agreement is considered amended retroactively to provide that the expiration or completion does not result in the dissolution and winding up of the partnership business;

(3) an event agreed to in the partnership agreement resulting in the winding up of the partnership business unless all the partners agree to continue the business, in which case the partnership agreement is considered amended retroactively to provide that the event does not result in the dissolution and winding up of the partnership business;

(4) an event that makes it unlawful for all or substantially all of the business of the partnership to be continued, but a cure of illegality within 90 days after notice to the partnership of the event is effective retroactively to the date of the event for purposes of this section;

(5) a judicial decree, issued upon application by a partner, that:

(a) the economic purpose of the partnership is likely to be unreasonably frustrated;

(b) another partner has engaged in conduct relating to the partnership business that makes it not reasonably practicable to carry on the business in partnership with that partner; or

(c) it is not otherwise reasonably practicable to carry on the partnership business in conformity with the partnership agreement; or

(6) a judicial decree, issued upon application by a transferee of a partner's transferable interest, that it is equitable to wind up the partnership business:

(a) if the partnership was for a definite term or particular undertaking at the time of the transfer or entry of the charging order that gave rise to the transfer, after the expiration of the term or completion of the undertaking; or

(b) if the partnership was a partnership at will at the time of the transfer or entry of the charging order that gave rise to the transfer, at any time.

History: En. Sec. 44, Ch. 238, L. 1993.

35-10-625. Dissolution deferred ninety days. (1) Except as provided in subsection (2), a partnership of more than two persons is not dissolved until 90 days after receipt by the partnership of notice from a partner under 35-10-624(1) or (2)(a), and its business may be continued until that date as if no notice were received. Before that date, the partner who gave the notice may waive the right to have the partnership business wound up. If there is no waiver before that date, the partnership is dissolved and its business must be wound up.

(2) A partnership may be dissolved at any time during the 90-day period and its business wound up, by the express will of at least half of the other partners.

(3) After receipt by the partnership of notice from a partner under 35-10-624(1) or (2)(a), the partner who gave the notice:

(a) has no rights in the management and conduct of the partnership business if it is continued under subsection (1) but may participate in winding up the business under 35-10-609 if the partnership is dissolved on or before the expiration of the 90-day period pursuant to subsection (1) or (2);

(b) is liable for obligations incurred during the period only to the extent a dissociated partner would be liable under 35-10-620(2) or 35-10-621(2) but is not liable for contributions for and must be indemnified by the other partners against any partnership liability incurred by another partner to the extent the liability is not appropriate for winding up the partnership business; and

(c) must be credited with the partner's share of any profit earned during the period and may be charged with the partner's share of any loss incurred during the period but only to the extent of profits credited for the period.

History: En. Sec. 45, Ch. 238, L. 1993.

35-10-626. Partner's power to bind partnership after dissolution. Subject to 35-10-627, a partnership is bound by a partner's act after dissolution that:

(1) is appropriate for winding up the partnership business; or

(2) would have bound the partnership under 35-10-301 before dissolution if the other party to the transaction did not have notice of the dissolution.

History: En. Sec. 48, Ch. 238, L. 1993.

35-10-627. Statement of dissolution. (1) After dissolution, a partner who has not wrongfully dissociated may file a statement of dissolution stating the name of the partnership and that the partnership has dissolved and is winding up its business.

(2) If a statement of dissolution is filed, the statement must be filed with the same entity with which the original partnership agreement was filed.

(3) A statement of dissolution cancels a filed statement of partnership authority for the purposes of 35-10-310(4) and is a limitation on authority for the purposes of 35-10-310(5).

(4) For the purposes of 35-10-301 and 35-10-626, a person who is not a partner is considered to have notice of the dissolution and the limitation on the partners' authority as a result of the statement of dissolution 90 days after it is filed.

(5) After filing and, if appropriate, recording a statement of dissolution, the dissolved partnership may file and, if appropriate, record a statement of partnership authority that will operate with respect to a person who is not a partner as provided in 35-10-310(4) and (5) in any transaction, whether or not the transaction is appropriate for winding up the partnership business.

(2) A partner who, with knowledge of the winding up, incurs a partnership liability under 35-10-626(2) by an act that is not appropriate for winding up the partnership business is liable to the partnership for any loss caused to the partnership arising from the liability.

History: **En. Sec. 50, Ch. 238, L. 1993; amd. Sec. 14, Ch. 449, L. 1995.**

35-10-629. Settlement of accounts among partners. (1) In winding up a partnership's business, the assets of the partnership must be applied to discharge its obligations to creditors, including partners who are creditors. Any surplus must be applied to pay in cash the net amount distributable to partners in accordance with their right to distributions pursuant to subsection (2).

(2) Each partner is entitled to a settlement of all partnership accounts upon winding up the partnership business. In settling accounts among the partners, the profits and losses that result from the liquidation of the partnership assets must be credited and charged to the partners' accounts. The partnership shall make a distribution to a partner in an amount equal to that partner's positive account balance. A partner shall contribute to the partnership an amount equal to that partner's negative balance but only to the extent that the negative balance is attributable to debts, obligations, or liabilities for which the partner is personally liable under 35-10-307.

(3) To the extent not taken into account in settling the accounts among partners pursuant to subsection (2), each partner shall contribute, in the proportion in which the partner shares partnership losses and to the extent the partner is personally liable under 35-10-307, the amount necessary to satisfy partnership obligations. If a partner fails or is not obligated to contribute, the other partners shall contribute, in the proportions in which the partners share partnership losses, the additional amount necessary to satisfy the partnership obligations. A partner or a partner's legal representative may recover from the other partners any contributions the partner makes to the extent the amount contributed exceeds that partner's share of the partnership obligations but only to the extent the contributions are made because of obligations for which the other partners are personally liable under 35-10-307.

(4) The estate of a deceased partner is liable for the partner's obligation to contribute to the partnership under subsections (2) and (3).

If the other party to a transaction with the limited partnership reasonably believes when entering the transaction that the limited partner is a general partner, the partner is liable for an obligation incurred by the limited partnership within 90 days after the conversion takes effect but only to the extent that the limited partner would have been personally liable for the partnership under 35-10-307 or 35-10-629 immediately prior to the conversion. The partner's liability for all other obligations of the limited partnership incurred after the conversion takes effect is that of a limited partner as provided in Title 35, chapter 12.

35-12-1102. Assignment of partnership interest. Except as otherwise provided in the partnership agreement, a partnership interest is assignable in whole or in part. An assignment of a partnership interest does not dissolve a limited partnership or entitle the assignee to become a partner or to exercise any of the rights of a partner. An assignment only entitles the assignee to receive, to the extent assigned, any distributions to which the assignor would be entitled. Except as otherwise provided in the partnership agreement, a partner ceases to be a partner upon assignment of all the partner's partnership interest.

35-17-301. Who may be members. (1) Under the terms and conditions prescribed in its bylaws, an association may admit as members or issue stock only to persons engaged in the production of the agricultural products to be handled by or through the association, including the lessees and tenants of land used for the production of the products and any lessors and landlords who receive as rent part of the crop raised on the leased premises.

(2) If a member of a nonstock association is other than a natural person, that member may be represented by any individual, associate, officer, or member authorized in writing.

(3) One association organized under this chapter may become a member or stockholder of any other association or associations organized under this chapter.

History: En. Sec. 7, Ch. 233, L. 1921; re-en. Sec. 6434, R.C.M. 1921; re-en. Sec. 6434, R.C.M. 1935; R.C.M. 1947, 14-407; amd. Sec. 5, Ch. 130, L. 1999.

35-17-302. Stock — issuance — limitations on ownership and transfer — repurchase by association. (1) When a member of an association established without capital stock has paid the member's membership fee in full, the member must receive a certificate of membership.

(2) (a) An association organized with capital stock may issue the amount of stock stated in its articles. The stock may be divided into two or more classes with the designations, preferences, limitations, and relative rights as stated in the articles, except that stock without par value may not be issued.

(b) The articles may require that members own one or more shares of membership stock. The membership stock may be issued or transferred only to a person eligible to become a member and only when that person satisfies the other requisites for membership. Unless restricted by the articles, stock other than membership stock may be issued or transferred to any person.

(3) An association may not issue stock to a member until it has been fully paid for. The promissory notes of the members may be accepted by the association as full or partial payment. The association shall hold the stock as security for the payment of the note, but retention as security does not affect the members' right to vote.

(4) An association, in its bylaws, may limit the amount of common stock that one member may own.

(5) (a) Unless the articles provide otherwise, an association may acquire, recall, exchange, redeem, and reissue its own stock. Provisions in the articles and on the stock certificate may reserve to the association a prior right to acquire any stock offered for sale or the right to recall the stock of any stockholder, or both rights.

(b) The consideration paid by the association for recalled stock must be its par value and accrued unpaid dividends. However, if the book value of the stock is less than the par value, the consideration must be the book value.

(c) An association may set off obligations of a stockholder to the association.

(d) If the remaining assets of an association would be less than the aggregate amount payable to creditors and persons holding stock with preferential rights upon liquidation, the association may not acquire, recall, exchange, or redeem any stock for consideration other than stock or certificates of equity interest of equal or subordinate rank.

(6) (a) If stock is acquired, recalled, exchanged, or redeemed by an association, the stock is restored to the status of authorized but unissued stock.

(b) Stockholders do not have a preemptive right to purchase additional stock.

35-17-311. Directors — election — compensation — interest in contracts — vacancies. (1) The affairs of the association must be managed by a board of not less than five directors elected by the members or stockholders from their own number. The bylaws may provide that the territory in which the association has members must be divided into districts and that the directors must be elected according to the districts. In that case, the bylaws must specify the number of directors to be elected by each district, the manner and method of reapportioning the directors, and the manner and method of redistricting the territory covered by the association. The bylaws may provide that primary elections must be held in each district to elect the directors apportioned to the districts, and the result of all primary elections must be ratified by the next regular meeting of the association.

(2) An association may provide a fair remuneration for the time actually spent by its officers and directors in its service.

(3) A director during the term of office may not be a party to a contract for profit with the association differing in any way from the business relations accorded regular members or holders of common stock of the association or to any other kind of contract differing from terms generally current in that district.

(4) When a vacancy on the board of directors occurs, other than by expiration of a term, the remaining members of the board by a majority vote shall fill the vacancy unless the bylaws provide for an election of directors by district. In that case, the board of directors shall immediately call a special meeting of the members or stockholders in that district to fill the vacancy.

They shall also elect a secretary and treasurer who need not be directors, and they may combine the two latter offices and designate the combined office as secretary-treasurer. The treasurer may be a bank or any depositary, in which case it may not be considered an officer but instead a function of the board of directors, and the secretary shall perform the usual accounting duties of the treasurer, except that the funds must be deposited only as authorized by the board of directors.

(2) (a) If the bylaws provide, the directors may also elect from their number a presiding officer and one or more vice presiding officers, in which case the president and vice presidents need not be directors or stockholders.

The director or officer against whom charges have been brought must be informed in writing of the charges previous to the meeting and must have an opportunity at the meeting to be heard in person or by counsel and to present witnesses, and the person or persons bringing the charges against the director or officer must have the same opportunity.

(2) If the bylaws provide for election of directors by districts with primary elections in each district, then the petition for removal of a director must be signed by 12% of the members residing in the district from which the director was elected. Part 5
Merger, Consolidation, and Sale of Assets

35-17-501. Merger or consolidation authorized. It is lawful for two or more cooperative associations formed, before or after July 1, 1977, under the laws of the state of Montana to merge or consolidate with each other. One or more such associations may merge or consolidate with one or more associations incorporated under the laws of another state relating to organization of cooperative associations by complying with the provisions of this chapter or with the applicable laws of the state where the surviving or new association has its principal place of business.

History: **En. 14-431 by Sec. 5, Ch. 298, L. 1977; R.C.M. 1947, 14-431(1).**

35-17-502. Plan of merger or consolidation. Before an association may merge or consolidate with any other association, a written plan of merger or consolidation shall be prepared by the board of directors of one or both associations, by a committee appointed for that purpose by the board of directors of one or both associations, or by a committee composed of at least 10% of the stockholders of one of the associations concerned. Such plan shall set forth all the terms of the merger or consolidation and the proposed effect thereof on each of the stockholders of the associations concerned. In the case of consolidation, the plan shall also contain a copy of the proposed articles for the new association to be formed.

History: **En. 14-431 by Sec. 5, Ch. 298, L. 1977; R.C.M. 1947, 14-431(2).**

35-17-503. Meeting to consider plan — notice. (1) Notice of the proposed plan and, in the case of consolidation, of the proposed new articles shall be mailed to each stockholder of the associations to be affected thereby.

(2) The notice shall advise the stockholders of each association of the time and place that each association will meet, at which time the proposal shall be considered and voted upon by each association. The meetings may be held not less than 30 or more than 60 days after the mailing of notice. The plan shall be considered adopted if a quorum is present and two-thirds of those voting vote in its favor.

History: **En. 14-431 by Sec. 5, Ch. 298, L. 1977; R.C.M. 1947, 14-431(3), (4).**

35-17-504. Filing of documents of merger or consolidation — effective date. (1) Within 30 days after the merger or consolidation plan has been adopted, documents of merger or consolidation setting forth the plan and the manner of adoption thereof shall be signed by the president or vice-president and by the secretary or assistant secretary of each association merging or consolidating and filed with the clerk and recorder of the county in which the principal office of the new or surviving association is located, if the office is in Montana, and with the Montana secretary of state.

(2) If the new or surviving association has its principal office in Montana, the merger or consolidation becomes effective as of the date of filing with the Montana secretary of state. If its

principal office is outside the state of Montana, the merger or consolidation becomes effective upon full compliance with the laws of the state in which its principal office is located.

History: En. 14-431 by Sec. 5, Ch. 298, L. 1977; R.C.M. 1947, 14-431(5); amd. Sec. 158, Ch. 575, L. 1981; amd. Sec. 39, Ch. 174, L. 1983.

35-17-505. Effect of merger or consolidation — rights and obligations — rights of creditors not impaired. (1) On the effective date, the associations that are parties to a plan adopted pursuant to this part become a single association. In the case of a merger, the surviving association is that association designated in the plan. The articles and bylaws of the surviving association are amended to the extent provided in the documents setting forth the plan of merger. In the case of a consolidation, the new association is the association provided for in the plan. The separate existence of all associations that are parties to the plan, except the surviving or new association, then ceases.

(2) The surviving or new association possesses all the rights and all the property of each of the individual associations and is responsible for all their obligations. Title to any property is vested in the surviving or new association with no reversion or impairment of title caused by the merger or consolidation.

(3) The right of any creditor may not be impaired by the merger or consolidation without the creditor's consent.

35-18-319 through 35-18-324 reserved.

35-18-325. Duties of trustees and officers. (1) A trustee or officer shall discharge the duties of the office, including the trustee's or officer's duties as a member of any committee:

(a) in good faith;

(b) with the care that an ordinarily prudent person in a similar position would exercise under similar circumstances; and

(c) in a manner that the trustee or officer reasonably believes to be in the best interest of the cooperative.

(2) In discharging duties, a trustee or officer is entitled to rely on factual information, opinions, reports, or statements, including but not limited to financial statements and other financial information, if prepared and presented by:

(a) one or more officers or employees of the cooperative whom the trustee or officer reasonably believes to be reliable and competent in the subject matter presented;

(b) attorneys, public accountants, engineers, or other persons with regard to subject matters that the trustee or officer reasonably believes are within the person's professional or expert competence; or

(c) a committee of the board of trustees or officers of which the trustee or officer is not a member if the trustee or officer reasonably believes that the committee merits confidence.

(3) A trustee or officer is not acting in good faith if the trustee or officer has knowledge concerning the matter in question that makes reliance otherwise permitted by subsection (2) unwarranted.

(4) A trustee or officer is not liable for any action taken as a trustee or officer or for any failure to take any action if the trustee or officer performs the duties of the office in compliance with this section.

History: En. Sec. 1, Ch. 173, L. 2001.

35-18-326. Trustee or officer conflict of interest. (1) A conflict of interest transaction is a transaction with the cooperative in which a trustee of the cooperative has a direct or indirect interest. A conflict of interest transaction is not voidable and may not be the basis for imposing liability on the trustee or officer if the transaction was fair at the time the transaction was entered into.

(2) If a trustee or officer has a conflict of interest relating to a transaction, the trustee or officer:

(a) shall disclose to the trustees or members voting on the transaction the existence and nature of the conflict of interest and all facts known to the trustee with respect to the subject matter of the transaction that an ordinarily prudent person would reasonably believe to be material to a judgment about whether or not to proceed with the transaction; and

(b) may not participate, directly or indirectly, in the vote on the transaction.

(3) For the purposes of this section, a trustee or officer of a cooperative has an indirect interest in a transaction if:

(a) another entity in which the trustee or officer has a material interest or in which the trustee or officer is a general partner is a party to the transaction; or

(b) another entity, other than a cooperative or corporation of which the cooperative is a member or shareholder, of which the trustee or officer is a director, officer, or trustee is a party to the transaction.

(4) (a) Except as provided in subsection (4)(b), a conflict of interest transaction is authorized, approved, or ratified if the transaction receives the affirmative vote of a majority of the trustees or officers on the board or committee who do not have a direct or indirect interest in the transaction.

(b) A transaction may not be authorized, approved, or ratified by a single trustee or officer.

(c) If a majority of the trustees or officers on the board or committee who do not have a direct or indirect conflict of interest in the transaction vote to authorize, approve, or ratify the transaction, a quorum is present for the purpose of taking action on the transaction.

(d) The presence of or vote cast by a trustee with a direct or indirect interest in the transaction does not affect the validity of any action taken under this section if the transaction is authorized, approved, or ratified as provided in this section.

(5) The articles or bylaws of the cooperative may impose additional requirements on conflict of interest transactions.

History: **En. Sec. 2, Ch. 173, L. 2001.**

35-18-327. Definitions. As used in 35-18-327 through 35-18-333, the following definitions apply:

(1) "Liability" means the obligation to pay a judgment, settlement, penalty, or fine, including an excise tax assessed with respect to an employee benefit plan, or to pay reasonable expenses incurred with respect to a proceeding.

(2) (a) "Official capacity" means the office of trustee or officer in a cooperative.

(b) The term does not include service for any other domestic cooperative or any partnership, joint venture, trust, or other enterprise.

(3) "Party" includes an individual who was, is, or is threatened to be made a named defendant or respondent in a proceeding.

(4) "Proceeding" means any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal.

(5) (a) "Trustee or officer" means an individual who is or was a trustee or officer of a cooperative or an individual who, while a trustee or officer of a cooperative, is or was serving at the cooperative's request as a director, officer, partner, trustee, employee, or agent of another domestic cooperative, partnership, joint venture, trust, or other enterprise.

(b) The term includes, unless the context requires otherwise, the estate or personal representative of a trustee or officer.

History: **En. Sec. 3, Ch. 173, L. 2001.**

35-18-328. Authority to indemnify. (1) Except as provided in subsection (4), an individual who is made a party to a proceeding because the individual is or was a trustee or officer may be indemnified against liability incurred in the proceeding if:

(a) the individual conducted business in good faith;

(b) the individual reasonably believed:

(i) in the case of conduct in the individual's official capacity with the cooperative, that the individual's conduct was in the cooperative's best interests; and

(ii) in all other cases, that the individual's conduct was at least not opposed to the cooperative's best interests; and

(c) in the case of any criminal proceeding, the individual had no reasonable cause to believe that the conduct was unlawful.

(2) The termination of a proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent is not, of itself, a determination that the trustee or officer did not meet the standard of conduct described in this section.

(3) A cooperative may not indemnify a trustee or officer under this section:

(a) in connection with a proceeding by or in the right of the cooperative in which the trustee or officer was adjudged liable to the cooperative; or

(b) in connection with any other proceeding charging improper personal benefit to the trustee or officer, whether or not involving action in the trustee's or officer's official capacity, in which the trustee or officer was adjudged liable on the basis that personal benefit was improperly received by the trustee or officer.

(4) Indemnification permitted under this section in connection with a proceeding by or in the right of the cooperative is limited to reasonable expenses incurred in connection with the proceeding.

History: En. Sec. 4, Ch. 173, L. 2001.

35-18-329. Mandatory indemnification. Unless limited by its articles of incorporation, a cooperative shall indemnify a trustee or officer who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the trustee or officer was a party because the trustee or officer is or was a trustee or officer of the cooperative against reasonable expenses incurred by the trustee or officer in connection with the proceeding.

History: En. Sec. 5, Ch. 173, L. 2001.

35-18-330. Court-ordered indemnification. Unless a cooperative's articles of incorporation provide otherwise, a trustee or officer of the cooperative who is a party to a proceeding may apply for indemnification to the court conducting the proceeding or to another court of competent jurisdiction. On receipt of an application, the court, after giving any notice that the court considers necessary, may order indemnification if it determines that the trustee or officer:

(1) is entitled to mandatory indemnification under 35-18-329, in which case the court shall also order the cooperative to pay the trustee's reasonable expenses incurred in obtaining court-ordered indemnification; or

(2) is fairly and reasonably entitled to indemnification in view of all the relevant circumstances. If the trustee or officer was adjudged liable as described in 35-18-328(3), the trustee's or officer's indemnification is limited to reasonable expenses incurred.

History: En. Sec. 6, Ch. 173, L. 2001.

35-18-331. Determination and authorization of indemnification. (1) A cooperative may not indemnify a trustee or officer under 35-18-328 unless authorized in the specific case after a determination has been made that indemnification of the trustee or officer is permissible in the circumstances because the trustee or officer has met the standard of conduct set forth in 35-18-328.

(2) The determination must be made:

(a) by the board of directors by majority vote of a quorum consisting of directors not at the time parties to the proceeding;

(b) if a quorum cannot be obtained under subsection (2)(a), by majority vote of a committee designated by the board of directors, in which designated directors who are parties may participate;

(c) by special legal counsel:

(i) selected by the board of directors or its committee in the manner prescribed in subsection (2)(a) or (2)(b); or

(ii) if a quorum of the board of directors cannot be obtained under subsection (2)(a) and a committee cannot be designated under subsection (2)(b), selected by majority vote of the full board of directors in which selected directors who are parties may participate; or

(d) by the shareholders, but shares owned by or voted under the control of directors who are at the time parties to the proceeding may not be voted on the determination.

(3) Authorization of indemnification and evaluation as to reasonableness of expenses must be made in the same manner as the determination that indemnification is permissible, except that if the determination is made by special legal counsel, authorization of indemnification and evaluation as to reasonableness of expenses must be made by those entitled under subsection (2)(c) to select counsel.

History: En. Sec. 7, Ch. 173, L. 2001.

35-18-332. Insurance. A cooperative may purchase and maintain insurance on behalf of an individual who is or was a director, trustee, officer, employee, or agent of the cooperative or who, while a director, trustee, officer, employee, or agent of the cooperative, is or was serving at the request of the cooperative as a director, trustee, officer, partner, employee, or agent of another domestic cooperative, partnership, joint venture, trust, or other enterprise, against liability asserted against or incurred by the individual in that capacity or arising from an individual's status as a director, trustee, officer, employee, or agent, whether or not the cooperative would have power to indemnify the individual against the same liability under 35-18-328 or 35-18-329.

History: En. Sec. 8, Ch. 173, L. 2001.

35-18-333. Application. (1) A provision treating a cooperative's indemnification of trustees or officers that is contained in its articles of incorporation, its bylaws, a resolution of its shareholders or board of directors, a contract, or other instrument is valid only if and to the extent that the provision is consistent with 35-18-327 through 35-18-333. If articles of incorporation limit indemnification, indemnification is valid only to the extent that it is consistent with the articles of incorporation.

(2) Sections 35-18-327 through 35-18-333 do not limit a cooperative's power to pay or reimburse expenses incurred by a trustee or officer in connection with the trustee's or officer's appearance as a witness in a proceeding at a time when the trustee or officer has not been made a named defendant or respondent to the proceeding.

History: En. Sec. 9, Ch. 173, L. 2001.

(a) the name of the cooperative;

(b) the address of its principal office;

(c) the names and addresses of the incorporators;

(d) the names and addresses of the persons who constitute its first board of trustees; and

(e) any provisions not inconsistent with this chapter considered necessary or advisable for the conduct of its business and affairs.

(2) In addition to provisions required in subsection (1), the articles of incorporation may also contain:

(a) provisions, not inconsistent with law, eliminating or limiting liability as provided in this chapter;

(b) provisions for classifications of members in a buying cooperative; and

(c) provisions for issuance of nonvoting stock.

(3) A buying cooperative's articles of incorporation must be submitted to the secretary of state for filing, as provided in 35-19-315.

(4) It is not necessary to include in the articles of incorporation of a buying cooperative the purpose for which it is organized or any of the corporate powers vested in a buying cooperative under this chapter.

History: En. Sec. 10, Ch. 575, L. 1999.

35-19-302. Amendment of articles of incorporation. A buying cooperative may amend its articles of incorporation by complying with the following requirements:

(1) The proposed amendment must first be:

(a) approved by the board of trustees and then be submitted to a vote of the members at any annual or special meeting of the membership; or

(b) submitted by a petition bearing not less than 20% of the members' signatures, in accordance with the same procedures as those provided for member initiatives provided in 35-19-306.

(2) The notice of the meeting on the proposed amendment must be included in the proposed amendment. The proposed amendment, with the changes that the members choose to make to the amendment, is considered to be approved on the affirmative vote of not less than two-thirds of those members voting on the amendment at the meeting.

(3) Upon an approval of the amendment by the members, the articles of amendment must be executed on behalf of the buying cooperative by its president or vice president and its corporate seal must be affixed to the articles of amendment and attested by its secretary. The articles of amendment must include in the caption that the articles of amendment are executed pursuant to this chapter and must state:

(a) the name of the buying cooperative;

(b) the address of its principal office;

(c) the date of the filing of its articles of incorporation in the office of the secretary of state; and

(d) the amendment to its articles of incorporation.

(4) The president or vice president executing the articles of amendment shall also make and attach to the articles of amendment an affidavit stating that the provisions of this section were met.

(5) The articles of amendment and the affidavit must be submitted to the secretary of state for filing, as provided in 35-19-315.

35-19-303. Change of principal office without amendment. A buying cooperative may, without amending its articles of incorporation, upon authorization of its board of trustees, change the location of its principal office. The buying cooperative shall file a certificate of change of principal office executed by its president or vice president, under its seal attested by its secretary, with the secretary of state's office. The buying cooperative shall also file a certificate of change of principal office in each county office in which the buying cooperative's articles of incorporation or any prior certificate of change of principal office of the buying cooperative has been filed. The buying cooperative shall pay the change in location of principal office fee prescribed in 35-19-315. The buying cooperative shall also, within 30 days after the filing of the certificate of change of principal office in any county office, file certified copies of its articles of incorporation and all article of incorporation amendments if not already on file in the county office.

History: En. Sec. 12, Ch. 575, L. 1999.

35-19-304. Bylaws. The original bylaws of a buying cooperative must be adopted by its board of trustees. After adoption by the board of trustees, the bylaws may be adopted, amended, or repealed by its members or, except as authorized in a bylaw, by its board of trustees. A bylaw may not prevent the members from reassuring sole power to amend bylaws or prevent members from otherwise adopting, amending, or repealing bylaws. The bylaws must include the rights and duties of members and trustees and may contain other provisions for the regulation and management of the affairs of the cooperative not inconsistent with this chapter or with the articles of incorporation.

History: En. Sec. 13, Ch. 575, L. 1999.

35-19-305. Meetings of members. (1) An annual meeting of the members must be held at a time that must be provided in the bylaws.

(2) Special meetings of the members may be called by the board of trustees, by any three trustees, by not less than 20% of the members, or by the president.

(3) Meetings of members must be held at a place designated in the bylaws. In the absence of a provision in the bylaws that designates a meeting place, all meetings must be held at a place determined by the board of trustees.

(4) Except as otherwise provided, written or printed notice stating the time and place of each meeting of members and, in the case of a special meeting, the purpose or purposes for which the meeting is called must be given to each member, either personally or by mail, not less than 10 or more than 25 days before the date of the meeting.

(5) Five percent of all members present in person or 50 members present in person, whichever is fewer, constitute a quorum for the transaction of business at all meetings of the members, but the bylaws may prescribe the presence of a greater percentage or number of the members for a quorum. If less than a quorum is present at a meeting, a majority of those present in person may adjourn the meeting from time to time without further notice.

(6) Each member is entitled to one vote on each matter submitted to a vote at a meeting. Voting must be in person but, if the bylaws allow, voting may also be by proxy or by mail, or both, or if the bylaws allow, by the method provided in 35-19-309. If the bylaws provide for voting by proxy or by mail, the bylaws must also prescribe the conditions under which proxy or mail voting or both are to be exercised. In any event, a person may not vote as a proxy for more than three members at a meeting of the members.

History: En. Sec. 16, Ch. 575, L. 1999.

35-19-306. Initiative by members — approval of trustees not required. (1) Notwithstanding any other provision of this chapter, there must be submitted to the members of a buying cooperative any proposition embodied in a petition signed by not less than 20% of its members, together with any document submitted with the petition to give the effect to the proposition, either at a special meeting of the members held within 45 days after the presentation of the petition or, if the date of the next annual meeting of members falls within 90 days after the presentation or if the petition specifically requests, at the annual meeting.

(2) The approval of the board of trustees is not required for any proposition or document submitted to the members pursuant to this section and approved by them, but any proposition or document is subject to all other applicable provisions of this chapter. The affidavit or affidavits required to be filed with this proposition or document pursuant to applicable provisions of this chapter must be modified to be in compliance with the provisions of this section.

History: En. Sec. 17, Ch. 575, L. 1999.

35-19-307. Board of trustees — number — qualifications — removal — compensation — joint memberships. (1) The business and affairs of a buying cooperative must be managed by or under the direction of a board of not less than five trustees, each of whom must be a member of the buying cooperative. The bylaws must prescribe the number of trustees and their qualifications, other than those provided for in this chapter, and the manner of holding meetings of the board of trustees and of the election of successors to trustees who resign, die, or are otherwise incapable of acting. The bylaws may also provide for the removal of trustees from office and for the election of their successors.

(2) Without approval of the membership, trustees:

(a) may not receive any salaries for their services as trustees, except trustees may receive the same insurance coverage provided to buying cooperative employees; and

(b) except in emergencies, may not be employed by the buying cooperative in a capacity involving compensation.

(3) The bylaws may provide that the board of trustees may establish a fixed sum, including expenses of attendance, if any, to be allowed for:

(a) attendance at each meeting of the board of trustees or any committee of the board of trustees; or

(b) representing the buying cooperative at a meeting or on business whenever representation has been approved by the board.

(4) If two or more persons hold a joint membership in a buying cooperative, one person, but not more than one person, from a joint membership may be elected a trustee.

(5) The policies of the buying cooperative may provide that benefits provided to employees may be extended to trustees.

History: En. Sec. 18, Ch. 575, L. 1999.

35-19-308. Trustees — term — quorum — powers. (1) The trustees of a buying cooperative named in articles of incorporation shall hold office until the next following annual meeting of the members or until their successors have been elected and qualified. At each annual meeting or, in case of failure to hold the annual meeting as specified in the bylaws, at a special meeting called for that purpose, the members shall elect trustees who may serve for 1-, 2-, or 3-year terms. Each trustee shall hold office for the term for which that trustee is elected or until the trustee's successor has been elected and qualified.

(2) A majority of the board of trustees constitutes a quorum.

(3) The board of trustees may exercise all of the powers of a buying cooperative, except those powers that are conferred upon the members by this chapter or by its articles of incorporation or bylaws.

History: En. Sec. 19, Ch. 575, L. 1999.

35-19-309. Voting districts. (1) Notwithstanding any other provisions of this chapter, the bylaws may provide that the territory or geographic area in which a buying cooperative operates to serve its members, or a class or classes of members, must be divided into two or more voting districts and that in respect to each voting district:

(a) the members or the members of a membership class or classes residing in the voting district shall elect a designated number of trustees;

(b) the members or the members of a membership class or classes residing in the voting district shall elect a designated number of delegates; or

(c) the members or the members of a membership class or classes shall elect both trustees and delegates.

(2) This section does not restrict or prohibit a buying cooperative from using a combination of voting districts based on members or classes of members with a territory or geographical area or voting districts at large based on members or classes of members using one or more kinds of services or products provided by the buying cooperative.

(3) The bylaws must prescribe the manner in which the voting districts and the members or membership classes of those voting districts and the delegates and trustees, if any, elected from those voting districts shall function and the powers of the delegates, which may include the power to elect trustees and adopt, amend, or repeal the bylaws of a buying cooperative as provided in this chapter.

(4) A member at a voting district meeting and a delegate at a meeting may not vote by proxy or by mail.

History: En. Sec. 20, Ch. 575, L. 1999.

35-19-310. Officers. The officers of a buying cooperative consist of a president, vice president, secretary, and treasurer who are elected annually by and from the board of trustees. A person may not continue to hold any of the above offices after that person has ceased to be a trustee. The offices of secretary and of treasurer may be held by the same person. The board of trustees may also elect or appoint other buying cooperative officers, agents, or employees that it considers necessary or advisable and shall prescribe the powers and duties of those other officers, agents, or employees. An officer may be removed from office and a successor elected in the manner prescribed in the bylaws.

History: En. Sec. 21, Ch. 575, L. 1999.

35-19-311. Refunds to members — retention of unclaimed refunds. (1) Revenue of a buying cooperative for any fiscal year must, unless otherwise determined by a vote of the members, be distributed by the buying cooperative to its members as patronage refunds, prorated in accordance with the patronage of the buying cooperative by the respective members paid for during the fiscal year, whenever the revenue exceeds the amount necessary to:

(a) defray expenses of the buying cooperative and of the operation and maintenance of its facilities during the fiscal year;

(b) pay interest and principal obligations of the buying cooperative coming due in the fiscal year;

(c) finance or provide a reserve for the financing of the construction or acquisition by the buying cooperative of additional facilities to the extent determined by the board of trustees;

(e) provide a reserve for the payment of indebtedness of the buying cooperative maturing more than 1 year after the date of the incurrence of the indebtedness in an amount not less than the total of the interest and principal payments required to be made during the next fiscal year.

(2) This section may not be construed to prohibit the payment by a buying cooperative of all or any part of its indebtedness prior to the date when the payment becomes due.

(3) A buying cooperative shall, upon the action of the board of trustees, retain redeemed patronage refunds that are allocated to its members and that remain unclaimed for a period of 5 years after the end of the year in which the refunds are given. Unclaimed redeemed patronage refunds retained by the buying cooperative must be used for educational purposes.

History: En. Sec. 23, Ch. 575, L. 1999.

35-19-312. Disposition or encumbrance of property. (1) Except as provided in subsection (2), or other than as arises relating to the issuance of stock or for any sale, mortgage, lease, transfer, or other disposition or encumbrance of property to any entity owned or controlled by the buying cooperative or in which the buying cooperative holds a majority interest or for any disposition or encumbrance arising from or in connection with the issuance of shares of stock, if any is authorized, a buying cooperative may not sell, mortgage, lease, or otherwise dispose of or encumber all or any substantial portion of its property unless the sale, mortgage, lease, or other disposition or encumbrance is authorized at a duly held meeting of members of the buying cooperative by an affirmative vote of not less than two-thirds of all the members of the buying cooperative and unless the notice of the proposed sale, mortgage, lease, or other disposition or encumbrance is contained in the notice of the meeting.

(2) The board of trustees of a buying cooperative, without authorization by the members of the buying cooperative, has the full power and authority to authorize the execution and delivery of a mortgage or mortgages or a deed or deeds of trust upon or the pledging or encumbrancing of any or all of the property, assets, rights, privileges, licenses, franchises, and permits of the buying cooperative, whether acquired or to be acquired and wherever situated, as well as the revenue and income from the property, assets, rights, privileges, licenses, franchises, and permits of the buying cooperative, all upon the terms and conditions that the board of trustees determines, to secure any indebtedness of the buying cooperative or any entity owned or controlled by the buying cooperative or in which the buying cooperative owns a majority interest to the United States or any instrumentality or agency of the United States or to any other financing sources within the United States.

(3) Before a meeting is held to vote on authorization of disposition of buying cooperative property as provided in subsection (1), the board of trustees shall:

(a) have the property appraised by three appraisers chosen by the board and not associated with the buying cooperative or a proposed buyer of buying cooperative property;

(b) notify all buying cooperative members, at least 90 days in advance, of a meeting to vote on disposition of buying cooperative property. Detailed proposals for disposition of the property must accompany the notice; and

(c) at least 30 days before the meeting, mail to all members any alternative proposal made by buying cooperative members if it has been submitted to the board and signed by 50 or more members.

(4) The vote on property disposition may take place at an annual meeting if the board notifies the members as provided in this section.

History: En. Sec. 24, Ch. 575, L. 1999.

35-19-313. Dissolution of buying cooperative that has not commenced business. (1) The board of trustees shall first recommend that the buying cooperative be dissolved voluntarily, and after that, the proposition that the buying cooperative be dissolved must be submitted to the members of the buying cooperative at any annual or special meeting. The notice of the annual or special meeting must include the proposition. The proposed voluntary dissolution is considered approved upon the affirmative vote of not less than two-thirds of all of the members of the buying cooperative.

The certificate and affidavit must be submitted to the secretary of state for filing as provided in this chapter.

(3) Upon the filing of the certificate provided for in subsection (2) and an affidavit with the secretary of state, the buying cooperative shall cease to carry on its business except to the extent necessary for winding up the business of the buying cooperative, but its corporate existence must continue until articles of dissolution have been filed by the secretary of state.

(4) After the filing of the certificate and affidavit with the secretary of state, the board of trustees shall immediately mail a notice of the winding up proceedings to each known creditor and claimant and publish the notice once a week for 2 successive weeks in a newspaper of general circulation in the county in which the principal office of the buying cooperative is located.

(5) The board of trustees has the full power to wind up and settle the affairs of the buying cooperative and shall proceed to collect the debts owing to the buying cooperative, convey and dispose of its property and assets, pay, satisfy, and discharge its debts, obligations, and liabilities, and do all other things required to liquidate its business and affairs, and after paying or adequately providing for the payment of all its debts, obligations, and liabilities, the board of trustees shall distribute the remainder of its property and assets among its members in proportion to the aggregate patronage of each buying cooperative member:

(a) during the period preceding the date of the filing of the certificate that encompasses the longest period of time in effect prior to the buying cooperative dissolution for determination of members who are entitled to the patronage refunds for the capital redemption period; or

(b) if the buying cooperative was not in existence for the period provided for in subsection (5)(a), then during the period of its existence.

(6) When all debts, obligations, and liabilities of the buying cooperative have been paid and discharged or adequate provision has been made in return for all debts, obligations, and liabilities and all of the remaining property and assets of the buying cooperative are distributed to the members pursuant to the provisions of this section, the board of trustees shall authorize the execution of articles of dissolution that must be executed on behalf of the buying cooperative by its president or vice president and its corporate seal must be affixed to the articles of dissolution and attested by its secretary. 35-19-315. Incorporation, amendment, and dissolution filings. (1) Articles of incorporation, amendment, or dissolution, when executed and accompanied by an affidavit that may be required by applicable provisions of this chapter, must be presented to the secretary of state for filing. If the secretary of state finds that the articles presented conform to the requirements of this chapter, the secretary of state shall upon the payment of the fees provided for in 35-18-502, file the articles, and upon the filing, the incorporation, amendment, or dissolution is legally effective.

(2) The secretary of state, immediately upon the filing of any articles pursuant to this chapter, shall transmit a certified copy of the filing to the county clerk of the county in which the principal office of each buying cooperative or corporation affected by the incorporation, amendment, or dissolution is located. The clerk of any county, upon receipt of the certified copy, shall file and index the certified copy in the records of the clerk's office. (1) Before exercising or having any of the powers, duties, rights, titles, authorities, or franchises appertaining to the trust or to trusteeship, each person chosen to be a trustee of the fund shall give to the cemetery association for which the trust is maintained a bond in a sum equaling at least 1 ⅓ times the value of the property on hand at the time of giving the bond, with good and sufficient sureties, who shall justify in the aggregate in at least double the amount of the bond. The bond must be conditioned for the due and faithful performance of the trustee's trust until July 1 of the next even-numbered year after the year in which the bond is given and until the trustee gives a new bond.

For the safekeeping and payment and delivery of all money, bonds, and securities, the treasurer and the treasurer's sureties are liable upon the treasurer's official bond.

(d) regulate or prohibit the erection of monuments, markers, effigies, and structures within any portion of the mausoleum-columbarium grounds;

(h) make and enforce rules for all other purposes considered necessary by the mausoleum-columbarium authority for the proper conduct of the business of the mausoleum or columbarium, for the transfer of any plot or the right of interment, and for the protection and safeguarding of the premises and the principles, plans, and ideals on which the mausoleum or columbarium is conducted.

(5) Rules adopted pursuant to this section must be subject to inspection in the office of the mausoleum-columbarium authority.

History: En. Sec. 5, Ch. 283, L. 1999.

35-21-806 through 35-21-809 reserved.

35-21-810. Disposition of remains — liability. (1) The right to control the disposition of the remains of a deceased person, unless other directions have been given by the decedent, is as provided in 37-19-904.

(2) The liability for the reasonable cost of interment devolves jointly and severally upon all kin of the decedent listed in 37-19-904 in the same degree of kindred and upon the estate of the decedent.

(3) A person signing an authorization for the interment of any remains warrants the truthfulness of any fact set forth in the authorization, the identity of the person whose remains are sought to be interred, and the person's authority to order the interment. The person signing the authorization is personally liable for all damage occasioned by or resulting from breach of the warranty.

(4) The mausoleum-columbarium authority may inter any remains upon the receipt of a written authorization of a person representing to be a person who has acquired the right to control the disposition of the remains. Compiler's Comments

2009 Amendment: Chapter 208 in (1) at end after "decedent" substituted "is as provided in 37-19-904" for "vests in, and the duty of interment and the liability for the reasonable cost of interment of the remains devolves upon, the following in the order named:

(a) a spouse;
(b) a majority of adult children;
(c) a parent;
(d) a close relative of the decedent; or
(e) in the absence of a person listed in subsections (3)(a) through (3)(d), a personal representative, a public administrator, the deceased through a preneed authorization, or others as designated by the board of funeral service by rule"; in (2) after "listed in" substituted "37-19-904" for "subsection (1)". Amendment effective October 1, 2009.

35-21-811. Limitations on actions — exemptions from liability. An action may not lie against any mausoleum-columbarium authority relating to the remains of a person that have been left in its possession for a period of 2 years unless a written contract has been entered into with the mausoleum-columbarium authority for care of the remains or unless permanent interment has been made. This section may not be construed as an extension of the existing statute prescribing the period within which an action based upon a tort must be commenced. A licensed mortician or funeral director is not liable in damages for any cremated human remains after the remains have been deposited with a mausoleum-columbarium authority in Montana.

History: En. Sec. 7, Ch. 283, L. 1999.

35-21-812. Removal of remains — when removal excepted. (1) The remains of a deceased person may be removed from a plot in a mausoleum or columbarium with the consent of the mausoleum-columbarium authority and the written consent of one of the following in the order named:

(a) a spouse;
(b) a majority of adult children;
(c) a parent;
(d) the surviving brothers or sisters of the decedent;
(e) a close relative of the decedent; or
(f) in the absence of a person listed in subsections (1)(a) through (1)(e), a personal representative, a public administrator, the decedent through a preneed authorization, or others designated by the board of funeral service by rule.

(2) If the required consent cannot be obtained, permission by the district court in the county where the mausoleum or columbarium is situated is sufficient if the permission does not violate the terms of a written contract or rules of the mausoleum-columbarium authority.

(3) Notice of application to the court for the permission provided for in subsection (2) must be given at least 15 days prior to a hearing on the application to the mausoleum-columbarium

authority and to persons listed in subsections (1)(a) through (1)(e) not consenting and to other persons on whom service of notice may be required by the court.

History: En. Sec. 8, Ch. 283, L. 1999.

35-21-813 through 35-21-819 reserved.

35-21-820. Map or plat — filing — tax exemption. (1) Each mausoleum-columbarium authority, from time to time as its property may be required for interment purposes, shall prepare a map or plat that delineates the sections, halls, rooms, corridors, elevations, outdoor mausoleums, urn gardens, and other divisions with descriptive names or numbers.

(2) The mausoleum-columbarium authority shall file the map or plat in the office of the clerk and recorder of the county in which all or a portion of the property is situated. The mausoleum-columbarium authority shall also file for record in the county clerk's office a written declaration of dedication of the property delineated on the map or plat dedicating the property exclusively to interment purposes.

(3) Upon the filing of the map or plat and the filing of the declaration for record, the dedication is complete for all purposes. After filing, the property and all mausoleums and columbariums constructed on and burial plots located in the property must be held, occupied, and used exclusively for interment purposes and are exempt from all state, county, and municipal taxes to the same extent as cemetery property intended to be used for the burial of the human dead by ground interment.

(4) Any part or subdivision of the property mapped and plotted may, by order of the directors, be resurveyed and altered in shape and size and an amended map or plat filed, so long as the change does not disturb the interred remains of any deceased person.

History: En. Sec. 9, Ch. 283, L. 1999.

35-21-821. Effect of dedication. (1) The filed map or plat and the recorded declaration are constructive notice to all persons of the dedication of the property to interment purposes.

(2) After property is dedicated to interment purposes, neither the dedication nor the title of a plot owner may be affected by the dissolution of the mausoleum-columbarium authority, by nonuse on its part, by alienation of the property, by any encumbrances, by sale under execution, or otherwise, except as provided in this part.

(3) Dedication to interment purposes pursuant to this section is not invalid as violating any laws against perpetuities or the suspension of the power of alienation of title to or use of property but is expressly permitted and must be considered to be in respect for the dead, a provision for the interment of human remains, and a duty to and for the benefit of the general public.

(4) After dedication and as long as the property remains dedicated to interment purposes, a railroad, street, road, alley, pipeline, pole line, or other public thoroughfare utility may not be laid out through, over, or across any part of the property without the consent of the mausoleum-columbarium authority owning and operating the property or of not less than two-thirds of the owners of interment plots within the property.

History: En. Sec. 10, Ch. 283, L. 1999.

35-21-822. Removal of dedication by court. (1) Property dedicated to interment purposes must be held and used exclusively for interment purposes, unless and until the dedication is removed from all or any part of the property by an order and decree of the district court in the county in which the property is situated in a proceeding brought by the mausoleum-columbarium authority for that purpose and upon notice of hearing and proof satisfactory to the court:

(a) that interments were not made in or that all interments have been removed from that portion of the property from which dedication is sought to be removed; and

(b) that the portion of the property from which dedication is sought to be removed is not being used for interment of human remains.

(2) The notice of hearing must be given by publication once a week for at least 3 consecutive weeks in a newspaper of general circulation in the county where the mausoleum or columbarium is located and by posting copies of the notice in three conspicuous places on that portion of the property from which the dedication is to be removed.

(3) The notice must:

(a) describe the portion of the mausoleum or columbarium property sought to be removed from dedication;

(b) state that all remains have been removed or that interments have not been made in the portion of the mausoleum or columbarium property sought to be removed from dedication; and

(c) specify the time and place of the hearing.

History: En. Sec. 11, Ch. 283, L. 1999.

35-21-823 and 35-21-824 reserved.

35-21-825. Sale of interment plots. (1) After filing the map or plat and recording the declaration of dedication, a mausoleum-columbarium authority may sell and convey interment plots, subject to the rules then in effect or adopted by the mausoleum-columbarium authority and subject to other limitations, conditions, and restrictions that may be inserted in or made a part of the declaration of dedication by reference or included in the instrument of conveyance of an interment plot.

(2) All conveyances made by a mausoleum-columbarium authority must be signed by an officer or officers as are authorized by the mausoleum-columbarium authority.

(3) All plots, the use of which has been conveyed by deed or certificate of ownership as a separate plot, are indivisible except with the consent of the mausoleum-columbarium authority or as provided by law.

History: En. Sec. 12, Ch. 283, L. 1999.

35-21-826. Resale of plots for profit — commissions — penalties. (1) It is unlawful for any person, firm, or corporation to sell or offer to sell a mausoleum-columbarium plot upon the promise, representation, or inducement of resale at a financial profit.

(2) It is unlawful for a mausoleum-columbarium authority to pay or offer to pay to any person, firm, or corporation, directly or indirectly, a commission, bonus, rebate, or other thing of value for the sale of a plot or services. This subsection does not apply to a person regularly employed by the mausoleum-columbarium authority or to any bona fide agent of the mausoleum-columbarium authority previously appointed for that purpose.

(3) A person who violates a provision of this section or who pays or causes to be paid or offers to pay to any other person, firm, or corporation, directly or indirectly, except as provided in subsection (2), any commission, bonus, rebate, or other thing of value in consideration of recommending or causing a dead human body to be disposed of in any mausoleum or columbarium is guilty of a misdemeanor, and each violation constitutes a separate offense.

History: En. Sec. 13, Ch. 283, L. 1999.

35-21-827. Property interests in plot — estate tax. (1) All plots conveyed to individuals are presumed to be the sole and separate property of the owner named in the instrument of conveyance.

(2) The spouse of an owner of a plot containing more than one interment space has a vested right to be interred in the plot, and a person becoming the spouse of the plot owner has a vested right to be interred in the plot if an interment space not subject to the vested right of interment for previous spouses is unoccupied at the time that the person becomes the spouse of the owner.

(3) A conveyance or other action of the owner without the written consent or joinder of the spouse of the owner may not divest the spouse of a vested right of interment, except that a final decree of dissolution of marriage between the owner and the spouse terminates the vested right of interment unless otherwise provided in the decree.

(4) If an interment is not made in a plot that has been transferred by deed or certificate of ownership to an individual owner or if all remains previously interred in the plot are lawfully removed, the plot descends upon the death of the owner to the owner's heirs-at-law, subject to the rights of interment of the decedent and the owner's surviving spouse unless the owner has disposed of the plot either in a will by a specific devise or by a written declaration filed and recorded in the office of the mausoleum-columbarium authority.

(5) Mausoleum or columbarium property passing to an individual by reason of the death of the owner is exempt from all estate taxes.

History: En. Sec. 14, Ch. 283, L. 1999; amd. Sec. 13, Ch. 9, Sp. L. May 2000.

35-21-828. Family plots. (1) Whenever the remains of the record owner or of a member of the owner's family or of a relative of a member of the owner's family have been interred in a plot transferred by deed or certificate of ownership to an individual owner and the owner has died without making disposition of the plot either in a will by a specific devise or by a written declaration filed and recorded in the office of the mausoleum-columbarium authority, the plot becomes inalienable and must be held as the family plot of the owner.

(2) In a family plot, one crypt or one niche or interment space in the family plot may be used for the owner's interment and one for the owner's surviving spouse, if any, who by law has a vested right of interment in it. Of those crypts, niches, or spaces remaining, if any, the parents and children of the deceased owner in order of death may be interred without the consent of any person claiming an interest in the plot.

(3) If a parent or child is not surviving, the right of interment goes in the order of death first to the spouse of any child of the record owner and second in the order of death to the next heirs-at-law of the owner or the spouse of any heir-at-law.

(4) A surviving spouse, parent, child, or heir having a right of interment in a family plot may waive the right in favor of any other relative or spouse of a relative of the deceased owner, and upon the waiver, the remains of the person in whose favor the waiver is made may be interred in the plot.

History: En. Sec. 15, Ch. 283, L. 1999.

35-21-829 and 35-21-830 reserved.

35-21-831. Termination of right of interment — limitation on right. (1) A vested right of interment is terminated upon interment elsewhere of the person with the vested right.

(2) A vested right of interment does not give to any person the right to have the person's remains interred in any interment space in which the remains of any deceased person having a prior vested right of interment have been interred or the right to have the remains of more than one deceased person interred in a single interment space in violation of the rules of the mausoleum-columbarium authority controlling the operation of the mausoleum or columbarium in which the interment space is located.

History: En. Sec. 16, Ch. 283, L. 1999.

35-21-832. Conveyance to mausoleum-columbarium authority by plot owner. A mausoleum-columbarium authority may take and hold any plot conveyed or devised to it by the plot owner so that it will be inalienable, and interments must be restricted to the persons designated in the conveyance or devise.

History: En. Sec. 17, Ch. 283, L. 1999.

35-21-833. Joint tenants. (1) In a conveyance to two or more persons as joint tenants, each joint tenant has a vested right of interment in the plot conveyed.

(2) Upon the death of a joint tenant, the title to the plot held in joint tenancy immediately vests in the survivors, subject to the vested right of interment of the remains of the deceased joint tenant.

(3) An affidavit by any person having knowledge of the facts setting forth the fact of the death of one joint tenant and establishing the identity of the surviving joint tenants named in the deed to any plot, when filed with the mausoleum-columbarium authority operating the mausoleum-columbarium in which the plot is located, is a complete authorization to the mausoleum-columbarium authority to permit the use of the unoccupied portion of the plot in accordance with the directions of the surviving joint tenants or their successors in interest.

History: En. Sec. 18, Ch. 283, L. 1999.

35-21-834. Co-owners — mausoleum-columbarium authority liability. (1) When there are several owners of a plot or of rights of interment in the plot, the owners may designate one or more persons to represent the plot and file written notice of the designation with the mausoleum-columbarium authority.

(2) In the absence of a notice provided for in subsection (1) or a written objection to an interment, the mausoleum-columbarium authority is not liable to any owner for interring or permitting an interment in the plot upon the request or direction of any co-owner of the plot.

History: En. Sec. 19, Ch. 283, L. 1999.

35-21-835 through 35-21-839 reserved.

35-21-840. Records. (1) A record must be kept of the ownership of all plots in the mausoleum and columbarium that have been conveyed by the mausoleum-columbarium authority and of all transfers of plots. The transfer of any plot or any right of interment is not complete or effective until recorded on the books of the mausoleum-columbarium authority.

(2) The mausoleum-columbarium authority in charge of any mausoleum or columbarium in which interments are made shall keep a record of all remains, including cremated remains, interred on the premises under its charge, in each case stating the name of each deceased person, date of interment, and name and address of the funeral director.

(3) The records required under this section must be open to inspection during the customary office hours of the mausoleum-columbarium authority.

History: En. Sec. 20, Ch. 283, L. 1999.

35-21-841 through 35-21-844 reserved.

35-21-845. Endowment care fund — investment of funds — use of income — permissible investment securities. (1) A mausoleum-columbarium authority may place its mausoleum or columbarium under endowment care and establish, maintain, and operate an irreducible endowment care fund.

(2) Endowment care and special care funds may be commingled for investment, and the income from the funds must be divided between the endowment care and special care funds in the proportion that each fund contributed to the principal sum invested. The funds may be held in the name of the mausoleum-columbarium authority or its directors or in the name of the trustees appointed by the mausoleum-columbarium authority.

(3) The principal of all funds for endowment care must forever remain irreducible and inviolable and must be maintained separate and distinct from all other funds.

(4) The principal of all funds for endowment care must be invested, from time to time reinvested, and kept invested, and the income earned must be used solely for the general care, maintenance, and embellishment of the mausoleum or columbarium, or both, and the grounds on which they are situated and must be applied in a manner that the mausoleum-columbarium authority may from time to time determine to be for the best interests of the mausoleum-columbarium.

(5) The endowment care funds must be invested, reinvested, and kept invested in securities that are legal investments for public employees' retirement funds under the laws of the state of Montana.

History: En. Sec. 21, Ch. 283, L. 1999.

35-21-846. Plans for general care and endowment care. (1) The mausoleum-columbarium authority may from time to time adopt plans for the general care, maintenance, and embellishment of its mausoleum-columbarium and charge and collect from all subsequent purchasers of plots reasonable sums as, in the judgment of the mausoleum-columbarium authority, will aggregate a fund, the reasonable income from which will provide reasonable care, maintenance, and embellishment.

(2) Upon payment of the purchase price and the amount fixed as a proportionate contribution for endowment care, there may be included in the deed of conveyance or in a separate instrument an agreement to care, in accordance with the plan adopted, for the mausoleum or columbarium and its appurtenances to the proportionate extent that the income received by the mausoleum-columbarium authority from the contribution will permit.

(3) Upon the application of the owner of any plot and upon the payment by the owner of the amount fixed as a reasonable and proportionate contribution for endowment care, a mausoleum-columbarium authority may enter into an agreement with the owner for the care of the owner's plot and its appurtenances.

History: En. Sec. 22, Ch. 283, L. 1999.

35-21-847. Fund trustees — compensation — annual financial report. (1) The mausoleum-columbarium authority may appoint a board of trustees, of not less than five members, for its endowment care fund. The members of the board of trustees shall hold office subject to the discretion of the mausoleum-columbarium authority.

(2) The directors of a mausoleum-columbarium authority may be constituted as the trustees of its endowment care fund. When the fund is in the care of the directors as a board of trustees, the secretary of the mausoleum-columbarium authority shall act as secretary of the board of trustees and keep a true record of all of its proceedings. The investments of the endowment care fund may be held in the name of the mausoleum-columbarium authority.

(3) In lieu of the appointment of a board of trustees of its endowment care fund, a mausoleum-columbarium authority may appoint as sole trustee of its endowment care fund any bank or trust company qualified to engage in the trust business in the state of Montana, and the bank or trust company is authorized to receive and accept the fund and all accretions to the fund, including any accumulated endowment care fund in existence at the time of the bank's or trust company's appointment.

(4) A sum in excess of 5% of the income derived from the fund in any year may not be paid as compensation to the board of trustees for its services as trustee, provided that if 5% of the income divided by the number of trustees is less than $100, each trustee is entitled to receive a minimum of $100 a year for serving as a trustee.

(5) The mausoleum-columbarium authority or the persons in whose names the endowment care funds are held shall, annually and within 90 days after the end of the calendar or fiscal year of the mausoleum-columbarium authority, make and file with the district court in the county in which the mausoleum-columbarium is located a true and correct written report, verified on oath by an officer of the mausoleum-columbarium authority or by the oath of one or more of the trustees, showing the actual financial condition of the endowment care fund.

History: En. Sec. 23, Ch. 283, L. 1999.

35-21-848. Endowment care fund gifts and contributions. (1) (a) A mausoleum-columbarium authority that has established an endowment care fund may take, receive, and hold as a part of or incident to the fund any property, real, personal, or mixed, bequeathed, devised, granted, given, or otherwise contributed to it for its endowment care fund.

(b) A mausoleum-columbarium authority that has established endowment care may also take and hold any property bequeathed, granted, or given to it in trust to apply the principal or proceeds or income to any of the following purposes:

(i) improvement or embellishment of all or any part of the mausoleum or columbarium or any plot in it;

(ii) planting or cultivation of trees, shrubs, or plants in or around any part of the grounds on which the mausoleum-columbarium is situated;

(iii) special care or ornamenting of any part of any plot, section, corridor, or other portion of the mausoleum-columbarium;

(iv) any purpose or use not inconsistent with the purpose for which the mausoleum-columbarium was established or is maintained.

(2) The endowment care fund and all payments or contributions to it are expressly permitted as and for charitable and eleemosynary purposes. Endowment care is a provision for the discharge of a duty from the persons contributing to the persons interred and to be interred in the mausoleum-columbarium and a provision for the benefit and protection of the public by preserving and keeping mausoleum-columbariums from becoming unkept and places of reproach and desolation in the communities in which they are situated.

(3) A payment, gift, grant, bequest, or other contribution for general endowment care is not invalid by reason of any indefiniteness or uncertainty of the persons designated as beneficiaries in the instruments creating the trust, and the fund or any contribution to it is not invalid as violating any law against perpetuities or the suspension of the power of alienation of title to property.

History: En. Sec. 24, Ch. 283, L. 1999.

35-21-849. Signs required for nonendowment and endowment care — penalties. (1) A nonendowment care mausoleum-columbarium is one that does not deposit in an endowment care fund.

(2) Each mausoleum-columbarium authority operating an endowment care mausoleum or columbarium shall post in a conspicuous place in its office or offices where sales are conducted and in a conspicuous place at or near the entrance of the mausoleum or columbarium or its

administration building and readily accessible to the public a legible sign with the following phrase: "This is an endowment care property".

(3) Each mausoleum-columbarium authority operating a nonendowment care mausoleum or columbarium shall post in a conspicuous place in its office or offices where sales are conducted and in a conspicuous place at or near the entrance of the mausoleum or columbarium or its administration building and readily accessible to the public a legible sign with the following phrase: "This is not an endowment care property". This phrase likewise must be printed or stamped at the beginning of all contracts, certificates of ownership, or deeds.

(4) Any corporation or its agents or representatives who violate any of the provisions of this section or make any false statement appearing on a sign, contract, agreement, receipt, statement, literature, or other publication are guilty of a misdemeanor.

History: En. Sec. 25, Ch. 283, L. 1999.

35-21-850. Annual report of endowment care mausoleum-columbarium. (1) Each mausoleum-columbarium authority operating an endowment care mausoleum or columbarium shall file in its principal office a written report that must be available to any plot owner and that must contain, as of the close of its last fiscal year:

(a) the amount of principal of the endowment care fund; and

(b) the total amount invested in bonds, securities, or other investments authorized by law and the total amount of cash on hand not invested, which must actually show the financial condition of the trust.

(2) All of the information appearing on the report filed in the mausoleum-columbarium authority office must be revised annually and verified by the president and secretary or two officers authorized by the mausoleum-columbarium authority.

History: En. Sec. 26, Ch. 283, L. 1999.

35-21-851. Director, officer, or trustee loans — penalties. (1) A director or officer of the mausoleum-columbarium authority or trustee of the endowment care or special care fund may not borrow any endowment care or special care funds of the corporation, directly or indirectly.

(2) A director, officer, or trustee authorizing or consenting to a loan and the person who receives a loan in violation of this section are severally guilty of a misdemeanor.

(4) (a) Upon release from federal active duty service, the reservist shall send a copy of the reservist's discharge documents to the appropriate professional licensing board or to the department.

(b) The board or department shall evaluate the discharge documents, consider the military position held by the reservist and the duties performed by the reservist during the active duty, and compare the position and duties to the licensing requirements for the profession. The board or department shall also consider the reservist's length of time on federal active duty.

(c) Based on the considerations pursuant to subsection (4)(b) and subject to subsection (5):

(4) A licensee may reactivate an expired license within 2 years after the renewal date by following the process in subsection (5) and complying with all certification and education requirements that have accrued since the license was last granted or renewed as prescribed by board or department rule.

(5) To reactivate a lapsed license or an expired license, in addition to the respective requirements in subsections (3) and (4), a licensee shall:

(8) Unless otherwise provided by statute or rule, an occupational or professional license that is not renewed within 2 years of the most recent renewal date automatically terminates. The terminated license may not be reactivated, and a new original license must be obtained.

It is the public policy of the legislature of the state of Montana to encourage and contribute to the rehabilitation of criminal offenders and to assist them in the assumption of the responsibilities of citizenship. The legislature finds that the public is best protected when offenders are given the opportunity to secure employment or to engage in a meaningful occupation, while licensure must be conferred with prudence to protect the interests of the public. The legislature finds that the process of licensure will be strengthened by instituting an effective mechanism for obtaining accurate public information regarding a license applicant's criminal background.

37-1-202. Intent and policy. It is the intent of the legislature and the declared policy of the state that occupational licensure be granted or revoked as a police power of the state in its protection of the public health, safety, and welfare.

History: En. 66-4002 by Sec. 2, Ch. 490, L. 1975; R.C.M. 1947, 66-4002.

37-1-203. Conviction not a sole basis for denial. Criminal convictions shall not operate as an automatic bar to being licensed to enter any occupation in the state of Montana. No licensing authority shall refuse to license a person solely on the basis of a previous criminal conviction; provided, however, where a license applicant has been convicted of a criminal offense and such criminal offense relates to the public health, welfare, and safety as it applies to the occupation for which the license is sought, the licensing agency may, after investigation, find that the applicant so convicted has not been sufficiently rehabilitated as to warrant the public trust and deny the issuance of a license.

History: En. 66-4003 by Sec. 3, Ch. 490, L. 1975; R.C.M. 1947, 66-4003.

37-1-204. Statement of reasons for denial. When a licensing agency prohibits an applicant from being licensed wholly or partially on the basis of a criminal conviction, the agency shall state explicitly in writing the reasons for the decision.

History: En. 66-4004 by Sec. 4, Ch. 490, L. 1975; R.C.M. 1947, 66-4004.

37-1-205. Licensure on completion of supervision. Completion of probation or parole supervision without any subsequent criminal conviction is evidence of rehabilitation. However, the facts surrounding the situation that led to the probation or parole supervision may be considered as they relate to the occupation for which a license is sought, and this chapter may not be construed to prohibit licensure of a person while the person is under state supervision if the licensing agency finds insufficient evidence to preclude licensure.

Part 3
Uniform Professional Licensing and Regulation Procedures

37-1-301. Purpose. The purpose of this part is to establish uniform guidelines for the licensing and regulation of professions and occupations under the jurisdiction of professional and occupational licensing boards governed by this part.

History: En. Sec. 1, Ch. 429, L. 1995.

37-1-302. Definitions. As used in this part, the following definitions apply:

(1) "Board" means a licensing board created under Title 2, chapter 15, that regulates a profession or occupation and that is administratively attached to the department as provided in 2-15-121.

(2) "Complaint" means a written allegation filed with a board that, if true, warrants an injunction, disciplinary action against a licensee, or denial of an application submitted by a license applicant.

(3) "Department" means the department of labor and industry.

(4) "Inspection" means the periodic examination of premises, equipment, or procedures or of a practitioner by the department to determine whether the practitioner's profession or occupation is being conducted in a manner consistent with the public health, safety, and welfare.

(5) "Investigation" means the inquiry, analysis, audit, or other pursuit of information by the department, with respect to a written complaint or other information before a board, that is carried out for the purpose of determining:

(a) whether a person has violated a provision of law justifying discipline against the person;

(b) the status of compliance with a stipulation or order of the board;

(c) whether a license should be granted, denied, or conditionally issued; or

(d) whether a board should seek an injunction.

(6) "License" means permission granted under a chapter of this title to engage in or practice at a specific level in a profession or occupation, regardless of the specific term used for the permission, including permit, certificate, recognition, or registration.

(7) "Profession" or "occupation" means a profession or occupation regulated by a board.

History: En. Sec. 2, Ch. 429, L. 1995; amd. Sec. 110, Ch. 483, L. 2001; amd. Sec. 14, Ch. 467, L. 2005; amd. Sec. 9, Ch. 502, L. 2007.

37-1-303. Scope. This part governs the licensure, the practice and unauthorized practice, and the discipline of professions and occupations governed by this title unless otherwise provided by statutes relating to a specific board and the profession or occupation it regulates. The provisions of this chapter must be construed to supplement the statutes relating to a specific board and the profession it regulates. The method for initiating and judging a disciplinary proceeding, specified in 37-1-307(1)(d), must be used by a board in all disciplinary proceedings involving licensed professionals.

History: En. Sec. 3, Ch. 429, L. 1995; amd. Sec. 40, Ch. 44, L. 2007.

37-1-304. Licensure of out-of-state applicants — reciprocity. (1) A board may issue a license to practice without examination to a person licensed in another state if the board determines that:

(a) the other state's license standards at the time of application to this state are substantially equivalent to or greater than the standards in this state; and

(b) there is no reason to deny the license under the laws of this state governing the profession or occupation.

(2) The license may not be issued until the board receives verification from the state or states in which the person is licensed that the person is currently licensed and is not subject to pending charges or final disciplinary action for unprofessional conduct or impairment.

(3) This section does not prevent a board from entering into a reciprocity agreement with the licensing authority of another state or jurisdiction. The agreement may not permit out-of-state licensees to obtain a license by reciprocity within this state if the license applicant has not met standards that are substantially equivalent to or greater than the standards required in this state as determined by the board on a case-by-case basis.

History: En. Sec. 4, Ch. 429, L. 1995; amd. Sec. 1, Ch. 210, L. 1997.

37-1-305. Temporary practice permits. (1) A board may issue a temporary practice permit to a person licensed in another state that has licensing standards substantially equivalent to those of this state if the board determines that there is no reason to deny the license under the laws of this state governing the profession or occupation. The person may practice under the permit until a license is granted or until a notice of proposal to deny a license is issued. The permit may not be issued until the board receives verification from the state or states in which the person is licensed that the person is currently licensed and is not subject to pending charges or final disciplinary action for unprofessional conduct or impairment.

(2) A board may issue a temporary practice permit to a person seeking licensure in this state who has met all licensure requirements other than passage of the licensing examination. Except as provided in 37-68-311 and 37-69-306, a permit is valid until the person either fails the first license examination for which the person is eligible following issuance of the permit or passes the examination and is granted a license.

History: En. Sec. 5, Ch. 429, L. 1995; amd. Sec. 1, Ch. 203, L. 1999.

37-1-306. Continuing education. A board or, for programs without a board, the department may require licensees to participate in flexible, cost-efficient, effective, and geographically accessible continuing education.

History: En. Sec. 6, Ch. 429, L. 1995; amd. Sec. 15, Ch. 467, L. 2005.

37-1-307. Board authority. (1) A board may:

(a) hold hearings as provided in this part;

(b) issue subpoenas requiring the attendance of witnesses or the production of documents and administer oaths in connection with investigations and disciplinary proceedings under this part. Subpoenas must be relevant to the complaint and must be signed by a member of the board. Subpoenas may be enforced as provided in 2-4-104.

(c) authorize depositions and other discovery procedures under the Montana Rules of Civil Procedure in connection with an investigation, hearing, or proceeding held under this part;

(d) establish a screening panel to determine whether there is reasonable cause to believe that a licensee has violated a particular statute, rule, or standard justifying disciplinary proceedings. A screening panel shall specify in writing the particular statute, rule, or standard that the panel believes may have been violated. The screening panel shall also state in writing the reasonable grounds that support the panel's finding that a violation may have occurred. The assigned board members may not subsequently participate in a hearing of the case. The final decision on the case must be made by a majority of the board members who did not serve on the screening panel for the case.

(e) grant or deny a license and, upon a finding of unprofessional conduct by an applicant or license holder, impose a sanction provided by this chapter.

(2) Each board is designated as a criminal justice agency within the meaning of 44-5-103 for the purpose of obtaining confidential criminal justice information, as defined in 44-5-103, regarding the board's licensees and license applicants and regarding possible unlicensed practice, but the board may not record or retain any confidential criminal justice information without complying with the provisions of the Montana Criminal Justice Information Act of 1979, Title 44, chapter 5.

(3) A board may contact and request information from the department of justice, which is designated as a criminal justice agency within the meaning of 44-5-103, for the purpose of obtaining criminal history record information regarding the board's licensees and license applicants and regarding possible unlicensed practice.

(4) (a) A board that is statutorily authorized to obtain a criminal background check as a prerequisite to the issuance of a license shall require the applicant to submit fingerprints for the purpose of fingerprint checks by the Montana department of justice and the federal bureau of investigation.

(b) The applicant shall sign a release of information to the board and is responsible to the department of justice for the payment of all fees associated with the criminal background check.

(c) Upon completion of the criminal background check, the department of justice shall forward all criminal history record information, as defined in 44-5-103, in any jurisdiction to the board as authorized in 44-5-303.

(d) At the conclusion of any background check required by this section, the board must receive the criminal background check report but may not receive the fingerprint card of the applicant. Upon receipt of the criminal background check report, the department of justice shall promptly destroy the fingerprint card of the applicant.

[(5) Each board shall require a license applicant to provide the applicant's social security number as a part of the application. Each board shall keep the social security number from this source confidential, except that a board may provide the number to the department of public health and human services for use in administering Title IV-D of the Social Security Act.] *(Bracketed language terminates on occurrence of contingency—sec. 1, Ch. 27, L. 1999.)*

Contingent Termination — Request for Federal Exemptions: Section 1, Ch. 27, L. 1999, revised sec. 104, Ch. 552, L. 1997, to contain the following contingent termination provisions and order that the department of public health and human services seek federal exemptions: "(1) [Sections 9, 11, 22 through 24, and 95] [37-1-307, 40-1-107, 40-4-105, 40-5-922, 40-5-924, and 61-5-107] and the bracketed language in [sections 1 through 3, 10, 25, 45, and 89] [40-4-204, 40-5-226, 40-5-901, 40-5-906, 40-5-907, 40-5-923, and 40-6-116] terminate on the date of the suspension if the federal government suspends federal payments to this state for this state's child support enforcement program and for this state's program relating to temporary assistance to needy families because of this state's failure to enact law as required by the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

(2) [Sections 9, 11, 22 through 24, and 95] [37-1-307, 40-1-107, 40-4-105, 40-5-922, 40-5-924, and 61-5-107] and the bracketed language in [sections 1 through 3, 10, 25, 45, and 89] [40-4-204, 40-5-226, 40-5-901, 40-5-906, 40-5-907, 40-5-923, and 40-6-116] terminate on the date that a final decision is rendered in federal court invalidating the child support provisions of the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

(3) If the director of the department of public health and human services certifies to the governor and the secretary of state in writing that one of the following provisions is no longer required by federal law because of repeal of or amendment to federal statutes that require that provision, the provision terminates on the date the certification takes effect:

(a) [section 9] [40-5-922];

(b) [section 11] [40-5-924];

(c) [sections 22 through 24] [37-1-307, 40-1-107, and 40-4-105];

(d) [section 95] [61-5-107];

(e) the bracketed provisions in [sections 1 through 3, 10, 25, 45, and 89] [40-4-204, 40-5-226, 40-5-901, 40-5-906, 40-5-907, 40-5-923, and 40-6-116].

(4) If the bracketed language in [sections 1 through 3, 10, 25, 45, and 89] [40-4-204, 40-5-226, 40-5-901, 40-5-906, 40-5-907, 40-5-923, and 40-6-116] terminates, the code commissioner is instructed to renumber subsections, adjust internal references, and correct grammar and arrangement." Amendment effective February 18, 1999.

37-1-308. Unprofessional conduct — complaint — investigation — immunity — exceptions. (1) Except as provided in subsections (4) and (5), a person, government, or private entity may submit a written complaint to the department charging a licensee or license applicant with a violation of this part and specifying the grounds for the complaint.

(2) If the department receives a written complaint or otherwise obtains information that a licensee or license applicant may have committed a violation of this part, the department may, with the concurrence of a member of the screening panel established in 37-1-307, investigate to determine whether there is reasonable cause to believe that the licensee or license applicant has committed the violation.

(3) A person or private entity, but not a government entity, filing a complaint under this section in good faith is immune from suit in a civil action related to the filing or contents of the complaint.

(4) A person under legal custody of a county detention center or incarcerated under legal custody of the department of corrections may not file a complaint under subsection (1) against a licensed or certified provider of health care or rehabilitative services for services that were provided to the person while detained or confined in a county detention center or incarcerated under legal custody of the department of corrections unless the complaint is first reviewed by a correctional health care review team provided for in 37-1-331.

(5) A board member may file a complaint with the board on which the member serves or otherwise act in concert with a complainant in developing, authoring, or initiating a complaint to be filed with the board if the board member determines that there are reasonable grounds to believe that a particular statute, rule, or standard has been violated.

History: **En. Sec. 8, Ch. 429, L. 1995; amd. Sec. 4, Ch. 475, L. 1997; amd. Sec. 1, Ch. 375, L. 1999; amd. Sec. 9, Ch. 492, L. 2001.**

37-1-309. Notice — request for hearing. (1) If a reasonable cause determination is made pursuant to 37-1-307 that a violation of this part has occurred, a notice must be prepared by department legal staff and served on the alleged violator. The notice may be served by certified mail to the current address on file with the board or by other means authorized by the Montana Rules of Civil Procedure. The notice may not allege a violation of a particular statute, rule, or standard unless the board or the board's screening panel, if one has been established, has made a written determination that there are reasonable grounds to believe that the particular statute, rule, or standard has been violated.

(2) A licensee or license applicant shall give the board the licensee's or applicant's current address and any change of address within 30 days of the change.

(3) The notice must state that the licensee or license applicant may request a hearing to contest the charge or charges. A request for a hearing must be in writing and received in the offices of the department within 20 days after the licensee's receipt of the notice. Failure to request a hearing constitutes a default on the charge or charges, and the board may enter a decision on the basis of the facts available to it.

History: **En. Sec. 9, Ch. 429, L. 1995; amd. Sec. 10, Ch. 492, L. 2001.**

37-1-310. Hearing — adjudicative procedures. The procedures in Title 2, chapter 4, governing adjudicative proceedings before agencies; the Montana Rules of Civil Procedure; and the Montana Rules of Evidence govern a hearing under this part. A board has all the powers and duties granted by Title 2, chapter 4.

History: **En. Sec. 10, Ch. 429, L. 1995.**

37-1-311. Findings of fact — order — report. (1) If the board decides by a preponderance of the evidence, following a hearing or on default, that a violation of this part occurred, the department shall prepare and serve the board's findings of fact and an order as provided in Title 2, chapter 4. If the licensee or license applicant is found not to have violated this part, the department shall prepare and serve the board's findings of fact and an order of dismissal of the charges.

(2) (a) The department shall within a reasonable amount of time report to the public the issuance of a summary suspension, a notice under 37-1-309, an accepted stipulation, a hearing examiner's proposed decision, and a final order.

(b) In addition to any other means of notice, the department shall post the required information on a publicly available website.

(c) This subsection (2) may not be construed to require a meeting to be open or records to be disseminated when the demands of individual privacy clearly exceed the merits of public disclosure.

History: **En. Sec. 11, Ch. 429, L. 1995; amd. Sec. 4, Ch. 225, L. 2007.**

37-1-312. Sanctions — stay — costs — stipulations. (1) Upon a decision that a licensee or license applicant has violated this part or is unable to practice with reasonable skill and safety due to a physical or mental condition or upon stipulation of the parties as provided in subsection (3), the board may issue an order providing for one or any combination of the following sanctions:

(a) revocation of the license;

(b) suspension of the license for a fixed or indefinite term;

(c) restriction or limitation of the practice;

(d) satisfactory completion of a specific program of remedial education or treatment;

(e) monitoring of the practice by a supervisor approved by the disciplining authority;

(f) censure or reprimand, either public or private;

(g) compliance with conditions of probation for a designated period of time;

(h) payment of a fine not to exceed $1,000 for each violation. Fines must be deposited in the state general fund.

(i) denial of a license application;

(j) refund of costs and fees billed to and collected from a consumer.

(2) A sanction may be totally or partly stayed by the board. To determine which sanctions are appropriate, the board shall first consider the sanctions that are necessary to protect or compensate the public. Only after the determination has been made may the board consider and include in the order any requirements designed to rehabilitate the licensee or license applicant.

(3) The licensee or license applicant may enter into a stipulated agreement resolving potential or pending charges that includes one or more of the sanctions in this section. The stipulation is an informal disposition for the purposes of 2-4-603.

(4) A licensee shall surrender a suspended or revoked license to the board within 24 hours after receiving notification of the suspension or revocation by mailing it or delivering it personally to the board.

History: **En. Sec. 12, Ch. 429, L. 1995.**

37-1-313. Appeal. A person who is disciplined or denied a license may appeal the decision to the district court as provided in Title 2, chapter 4.

History: **En. Sec. 13, Ch. 429, L. 1995.**

37-1-314. Reinstatement. A licensee whose license has been suspended or revoked under this part may petition the board for reinstatement after an interval set by the board in the order. The board may hold a hearing on the petition and may deny the petition or order reinstatement and impose terms and conditions as provided in 37-1-312. The board may require the successful completion of an examination as a condition of reinstatement and may treat a licensee whose license has been revoked or suspended as a new applicant for purposes of establishing the requisite qualifications of licensure.

History: **En. Sec. 14, Ch. 429, L. 1995.**

37-1-315. Enforcement of fine. (1) If payment of a fine is included in an order and timely payment is not made as directed in the order, the board may enforce the order for payment in the district court of the first judicial district.

(2) In a proceeding for enforcement of an order of payment of a fine, the order is conclusive proof of the validity of the order of payment and the terms of payment.

History: **En. Sec. 15, Ch. 429, L. 1995.**

37-1-316. Unprofessional conduct. The following is unprofessional conduct for a licensee or license applicant governed by this part:

(1) conviction, including conviction following a plea of nolo contendere, of a crime relating to or committed during the course of the person's practice or involving violence, use or sale of drugs, fraud, deceit, or theft, whether or not an appeal is pending;

(2) permitting, aiding, abetting, or conspiring with a person to violate or circumvent a law relating to licensure or certification;

(3) fraud, misrepresentation, deception, or concealment of a material fact in applying for or assisting in securing a license or license renewal or in taking an examination required for licensure;

(4) signing or issuing, in the licensee's professional capacity, a document or statement that the licensee knows or reasonably ought to know contains a false or misleading statement;

(5) a misleading, deceptive, false, or fraudulent advertisement or other representation in the conduct of the profession or occupation;

(6) offering, giving, or promising anything of value or benefit to a federal, state, or local government employee or official for the purpose of influencing the employee or official to circumvent a federal, state, or local law, rule, or ordinance governing the licensee's profession or occupation;

(7) denial, suspension, revocation, probation, fine, or other license restriction or discipline against a licensee by a state, province, territory, or Indian tribal government or the federal government if the action is not on appeal, under judicial review, or has been satisfied;

(8) failure to comply with a term, condition, or limitation of a license by final order of a board;

(9) revealing confidential information obtained as the result of a professional relationship without the prior consent of the recipient of services, except as authorized or required by law;

(10) use of alcohol, a habit-forming drug, or a controlled substance as defined in Title 50, chapter 32, to the extent that the use impairs the user physically or mentally in the performance of licensed professional duties;

(11) having a physical or mental disability that renders the licensee or license applicant unable to practice the profession or occupation with reasonable skill and safety;

(12) engaging in conduct in the course of one's practice while suffering from a contagious or infectious disease involving serious risk to public health or without taking adequate precautions, including but not limited to informed consent, protective gear, or cessation of practice;

(13) misappropriating property or funds from a client or workplace or failing to comply with a board rule regarding the accounting and distribution of a client's property or funds;

(14) interference with an investigation or disciplinary proceeding by willful misrepresentation of facts, by the use of threats or harassment against or inducement to a client or witness to prevent them from providing evidence in a disciplinary proceeding or other legal action, or by use of threats or harassment against or inducement to a person to prevent or attempt to prevent a disciplinary proceeding or other legal action from being filed, prosecuted, or completed;

(15) assisting in the unlicensed practice of a profession or occupation or allowing another person or organization to practice or offer to practice by use of the licensee's license;

(16) failing to report the institution of or final action on a malpractice action, including a final decision on appeal, against the licensee or of an action against the licensee by a:

(a) peer review committee;

(b) professional association; or

(c) local, state, federal, territorial, provincial, or Indian tribal government;

(17) failure of a health care provider, as defined in 27-6-103, to comply with a policy or practice implementing 28-10-103(3)(a);

(18) conduct that does not meet the generally accepted standards of practice. A certified copy of a malpractice judgment against the licensee or license applicant or of a tort judgment in an action involving an act or omission occurring during the scope and course of the practice is conclusive evidence of but is not needed to prove conduct that does not meet generally accepted standards.

2009 Amendments — Composite Section: Chapter 109 at end of introductory clause substituted "part" for "chapter"; deleted former (10) that read: "addiction to or dependency on a habit-forming drug or controlled substance as defined in Title 50, chapter 32, as a result of illegal use of the drug or controlled substance"; in (10) at beginning after "use of" inserted "alcohol" and at end after "mentally" inserted "in the performance of licensed professional duties"; and made minor changes in style. Amendment effective October 1, 2009.

Chapter 158 inserted (17) to provide that failure of a health care provider to require that independent professional service providers are appropriately insured constitutes unprofessional conduct; and made minor changes in style. Amendment effective April 3, 2009.

37-1-317. Practice without license — investigation of complaint — injunction — penalties. (1) The department shall investigate complaints or other information received concerning practice by an unlicensed person of a profession or occupation for which a license is required by this title.

(2) (a) Unless otherwise provided by statute, a board may file an action to enjoin a person from practicing, without a license, a profession or occupation for which a license is required by this title. In addition to the penalty provided for in 37-1-318, a person violating an injunction issued pursuant to this section may be held in contempt of court.

(b) A person subject to an injunction for practicing without a license may also be subject to criminal prosecution. In a complaint for an injunction or in an affidavit, information, or indictment alleging that a person has engaged in unlicensed practice, it is sufficient to charge that the person engaged in the unlicensed practice of a licensed profession or occupation on a certain day in a certain county without averring further or more particular facts concerning the violation.

(3) Unless otherwise provided by statute, a person practicing a licensed profession or occupation in this state without complying with the licensing provisions of this title is guilty of a misdemeanor punishable by a fine of not less than $250 or more than $1,000, imprisonment in the county jail for not less than 90 days or more than 1 year, or both. Each violation of the provisions of this chapter constitutes a separate offense.

(4) The department may issue a citation to and collect a fine, as provided in 37-68-316 and 37-69-310, from a person at a job site who is performing plumbing or electrical work and who fails to display a license or proof of licensure at the request of an employee of the department who bears responsibility for compliance with licensure requirements.

History: En. Sec. 17, Ch. 429, L. 1995; amd. Sec. 3, Ch. 230, L. 1999; amd. Sec. 1, Ch. 402, L. 1999.

37-1-318. Violation of injunction — penalty. A person who violates an injunction issued under 37-1-317 shall pay a civil penalty, as determined by the court, of not more than $5,000. Fifty percent of the penalty must be deposited in the general fund of the county in which the injunction is issued, and 50% must be deposited in the state general fund.

History: En. Sec. 18, Ch. 429, L. 1995.

37-1-319. Rules. A board may adopt rules:

(1) under the guidelines of 37-1-306, regarding continuing education and establishing the number of hours required each year, the methods of obtaining education, education topics, and carrying over hours to subsequent years;

(2) regarding practice limitations for temporary practice permits issued under 37-1-305 and designed to ensure adequate supervision of the practice until all qualifications for licensure are met and a license is granted;

(3) regarding qualifications for inactive license status that may require compliance with stated continuing education requirements and may limit the number of years a person may remain on inactive status without having to reestablish qualifications for licensure;

(4) regarding maintenance and safeguarding of client funds or property possessed by a licensee and requiring the funds or property to be maintained separately from the licensee's funds and property; and

37-1-321 through 37-1-330 reserved.

37-1-331. Correctional health care review team. (1) There is a correctional health care review team process in the department. The purpose of a review team is to review complaints filed by an inmate against a licensed or certified provider of health care or rehabilitative services for services that were provided to the person while the person was detained or confined in a county detention center or incarcerated under legal custody of the department of corrections. The inmate may file a complaint directly with the correctional health care review team for review or, if a board receives a complaint that has not been reviewed, the board shall forward the complaint to the review team. If the review team has reason to believe that there has been a violation of this part arising out of health care or rehabilitative services provided to a person detained or confined in a county detention center, the review team shall report the possible violation to the department for appropriate action under 37-1-308.

(2) Each health care licensing board shall solicit and submit to the department a list of licensed or certified health care or rehabilitative service professionals who have correctional health care experience and who are interested in participating on a team. A current board member may not participate on a review team. The department shall solicit from the administrators of the county detention centers and from the department of corrections names of licensed or certified health care or rehabilitative service providers who have correctional health care or rehabilitative services experience and are interested in participating on a review team. Each member of a review team must have at least 2 years of experience in providing health care or rehabilitative services in a correctional facility or program.

(3) Each correctional health care review team is composed of three members who shall represent health care and rehabilitative service providers who have provided health care or rehabilitative services to incarcerated persons. Two members of the review team must be providers of the same discipline and scope of practice as the provider against whom a complaint was filed, and the third member may be a provider of any other health care or rehabilitative services discipline. The members must be willing to serve without compensation. If available, a correctional health care professional employed by the department of corrections and appointed by the director of the department of corrections may participate on the review team, except when the provider against whom the complaint was filed was employed by the department of corrections.

(4) The members of a review team are appointed by the department from the listing of health care and rehabilitative service providers with correctional experience who have been submitted by each respective board, a county detention center administrator, or the department of corrections as provided in subsection (2). A review team shall meet at least twice a year. Any travel, lodging, meal, or miscellaneous costs incurred by a review team may be recovered through a memorandum of understanding with the agencies who provide medical services to inmates or may be assessed to the licensing or certifying boards of health care and rehabilitative service providers.

(5) The review team shall review each complaint with regard to the health care or rehabilitative services provider's scope of practice. A decision on whether or not to forward the complaint must be made by the majority of the review team. The review team shall submit a written response regarding the decision to the inmate, the county detention center administrator or the department of corrections, and the health care or rehabilitative services provider. If the decision is to not forward the complaint for action under 37-1-308, a record of the complaint may not be forwarded to any licensing or certifying board, but must be retained by the department.

History: En. Sec. 2, Ch. 375, L. 1999.

(1) "Complaint" means a written allegation filed with the department that, if true, warrants an injunction, disciplinary action against a licensee, or denial of an application submitted by a license applicant.

(2) "Department" means the department of labor and industry provided for in 2-15-1701.

(3) "Investigation" means the inquiry, analysis, audit, or other pursuit of information by the department, with respect to a complaint or other information before the department, that is carried out for the purpose of determining:

(a) whether a person has violated a provision of law justifying discipline against the person;

(b) the status of compliance with a stipulation or order of the department;

(c) whether a license should be granted, denied, or conditionally issued; or

(d) whether the department should seek an injunction.

(4) "License" means permission in the form of a license, permit, endorsement, certificate, recognition, or registration granted by the state of Montana to engage in a business activity or practice at a specific level in a profession or occupation governed by:

37-1-402. Unprofessional conduct — complaint — investigation — immunity. (1) A person, government, or private entity may submit a written complaint to the department charging a licensee or license applicant with a violation of this part and specifying the grounds for the complaint.

(2) If the department receives a written complaint or otherwise obtains information that a licensee or license applicant may have violated a requirement of this part, the department may investigate to determine whether there is reasonable cause to believe that the licensee or license applicant has committed the violation.

(3) A person or private entity, but not a government entity, filing a complaint under this section in good faith is immune from suit in a civil action related to the filing or contents of the complaint.

History: En. Sec. 2, Ch. 481, L. 1997.

37-1-403. Notice — request for hearing. (1) If the department determines that reasonable cause exists supporting the allegation made in a complaint, the department legal staff shall prepare a notice and serve the alleged violator. The notice may be served by certified mail to the current address on file with the department or by other means authorized by the Montana Rules of Civil Procedure.

(2) A licensee or license applicant shall give the department the licensee's or applicant's current address and any change of address within 30 days of the change.

(3) The notice must state that the licensee or license applicant may request a hearing to contest the charge or charges. A request for a hearing must be in writing and must be received in the offices of the department within 20 days after the licensee's receipt of the notice. Failure to request a hearing constitutes a default on the charge or charges, and the department may enter a decision on the basis of the facts available to it.

History: En. Sec. 3, Ch. 481, L. 1997.

37-1-404. Hearing — adjudicative procedures. The department has all the powers and duties granted by Title 2, chapter 4.

History: En. Sec. 4, Ch. 481, L. 1997.

37-1-405. Findings of fact — order — report. (1) If the department finds by a preponderance of the evidence, following a hearing or on default, that a violation of this part has occurred, the department shall prepare and serve findings of fact, conclusions of law, and an order as provided in Title 2, chapter 4. If the licensee or license applicant is found not to have violated this part, the department shall prepare and serve an order of dismissal of the charges.

(2) (a) The department shall within a reasonable amount of time report to the public the issuance of a summary suspension, a notice under 37-1-403, an accepted stipulation, a hearing examiner's proposed decision, and a final order.

(b) In addition to any other means of notice, the department shall post the required information on a publicly available website.

(c) This subsection (2) may not be construed to require a meeting to be open or records to be disseminated when the demands of individual privacy clearly exceed the merits of public disclosure.

History: **En. Sec. 5, Ch. 481, L. 1997; amd. Sec. 5, Ch. 225, L. 2007.**

37-1-406. Sanctions — stay — costs — stipulations. (1) Upon a decision that a licensee or license applicant has violated this part or is unable to practice with reasonable skill and safety due to a physical or mental condition or upon stipulation of the parties as provided in subsection (4), the department may issue an order providing for one or any combination of the following sanctions:

(a) revocation of the license;
(b) suspension of the license for a fixed or indefinite term;
(c) restriction or limitation of the practice;
(d) satisfactory completion of a specific program of remedial education or treatment;
(e) monitoring of the practice by a supervisor approved by the disciplining authority;
(f) censure or reprimand, either public or private;
(g) compliance with conditions of probation for a designated period of time;
(h) payment of a fine not to exceed $1,000 for each violation;
(i) denial of a license application;
(j) refund of costs and fees billed to and collected from a consumer.

(2) Any fine collected by the department as a result of disciplinary actions must be deposited in the state general fund.

(3) A sanction may be totally or partly stayed by the department. To determine which sanctions are appropriate, the department shall first consider the sanctions that are necessary to protect or compensate the public. Only after the determination has been made may the department consider and include in the order any requirements designed to rehabilitate the licensee or license applicant.

(4) The licensee or license applicant may enter into a stipulated agreement resolving potential or pending charges that includes one or more of the sanctions in this section. The stipulation is an informal disposition for the purposes of 2-4-603.

(5) A licensee shall surrender a suspended or revoked license to the department within 24 hours after receiving notification of the suspension or revocation by mailing the license or delivering it personally to the department.

History: **En. Sec. 6, Ch. 481, L. 1997.**

37-1-407. Appeal. A person who is disciplined or denied a license may appeal the decision to the district court as provided in Title 2, chapter 4.

History: **En. Sec. 7, Ch. 481, L. 1997.**

37-1-408. Reinstatement. A licensee whose license has been suspended or revoked under this part may petition the department for reinstatement after an interval set by the department in the order. The department may hold a hearing on the petition and may deny the petition or order reinstatement and impose terms and conditions as provided in 37-1-312. The department may require the successful completion of an examination as a condition of reinstatement and may treat a licensee whose license has been revoked or suspended as a new applicant for purposes of establishing the requisite qualifications of licensure.

History: **En. Sec. 8, Ch. 481, L. 1997.**

37-1-409. Enforcement of fine. (1) If payment of a fine is included in an order and timely payment is not made as directed in the order, the department may enforce the order for payment in the district court of the first judicial district.

(2) In a proceeding for enforcement of an order of payment of a fine, the order is conclusive proof of the validity of the order of payment and the terms of payment.

History: **En. Sec. 9, Ch. 481, L. 1997.**

37-1-410. Unprofessional conduct. The following is unprofessional conduct for a licensee or license applicant in a profession or occupation governed by this part:

(1) being convicted, including a conviction following a plea of nolo contendere and regardless of a pending appeal, of a crime relating to or committed during the course of practicing the person's profession or occupation or involving violence, the use or sale of drugs, fraud, deceit, or theft;

(2) permitting, aiding, abetting, or conspiring with a person to violate or circumvent a law relating to licensure or certification;

(3) committing fraud, misrepresentation, deception, or concealment of a material fact in applying for or assisting in securing a license or license renewal or in taking an examination required for licensure;

(4) signing or issuing, in the licensee's professional capacity, a document or statement that the licensee knows or reasonably ought to know contains a false or misleading statement;

(5) making a misleading, deceptive, false, or fraudulent advertisement or other representation in the conduct of the profession or occupation;

(6) offering, giving, or promising anything of value or benefit to a federal, state, or local government employee or official for the purpose of influencing the employee or official to circumvent a federal, state, or local law, rule, or ordinance governing the licensee's profession or occupation;

(7) receiving a denial, suspension, revocation, probation, fine, or other license restriction or discipline against a licensee by a state, province, territory, or Indian tribal government or the federal government if the action is not on appeal or under judicial review or has been satisfied;

(8) failing to comply with a term, condition, or limitation of a license by final order of the department;

(9) having a physical or mental disability that renders the licensee or license applicant unable to practice the profession or occupation with reasonable skill and safety;

(10) misappropriating property or funds from a client or workplace or failing to comply with the department's rule regarding the accounting and distribution of a client's property or funds;

(11) interfering with an investigation or disciplinary proceeding by willful misrepresentation of facts, failure to respond to department inquiries regarding a complaint against the licensee or license applicant, or the use of threats or harassment against or inducement to a client or witness to prevent them from providing evidence in a disciplinary proceeding or other legal action or use of threats or harassment against or inducement to a person to prevent or attempt to prevent a disciplinary proceeding or other legal action from being filed, prosecuted, or completed;

(12) assisting in the unlicensed practice of a profession or occupation or allowing another person or organization to practice or offer to practice the profession or occupation by use of the licensee's license;

(13) using alcohol, an illegal drug, or a dangerous drug, as defined in Title 50, chapter 32, to the extent that the use impairs the user physically or mentally in the performance of licensed professional duties; or

(14) exhibiting conduct that does not meet generally accepted standards of practice. A certified copy of a judgment against the licensee or license applicant or of a tort judgment in an action involving an act or omission occurring within the scope of practice and the course of the practice is considered conclusive evidence of but is not needed to prove conduct that does not meet generally accepted standards.

History: **En. Sec. 10, Ch. 481, L. 1997; amd. Sec. 11, Ch. 502, L. 2007; amd. Sec. 13, Ch. 109, L. 2009.**

Compiler's Comments

2009 Amendment: Chapter 109 at end of introductory clause substituted "part" for "chapter"; deleted former introductory clause of (2) and (2)(a) that read: "For the purposes of Title 37, chapters 72 and 73, and Title 50, chapters 74 and 76, the following additional practices are considered unprofessional conduct:

(a) addiction to or dependency on alcohol, an illegal drug, or a dangerous drug, as defined in Title 50, chapter 32"; in (13) at end after "mentally" inserted "in the performance of licensed professional duties"; in (14) at beginning inserted "exhibiting"; and made minor changes in style. Amendment effective October 1, 2009.

Code Commissioner Correction: In former (2) the phrase "additional practices are considered unprofessional conduct", which was originally stricken, was restored during the engrossing process. Because this phrase is rendered meaningless in the context of the amendments made by sec. 13, Ch. 109, L. 2009, the Code Commissioner has not codified the phrase.

37-1-411. Practice without license — investigation of complaint — injunction — penalties. (1) The department may investigate a complaint or other information received concerning practice by an unlicensed person of a profession or occupation governed by this part.

(2) The department may file an action to enjoin a person from practicing, without a license, a profession or occupation governed by this part.

History: En. Sec. 11, Ch. 481, L. 1997; amd. Sec. 5, Ch. 230, L. 1999.

37-1-412. Violation of injunction — penalty. (1) A person who has been enjoined and who violates an injunction issued pursuant to a proceeding under this part may be held in contempt of court and shall pay a civil penalty, as determined by the court, of not more that $5,000. Fifty percent of the penalty must be deposited in the general fund of the county in which the injunction is issued, and 50% must be deposited in the state general fund.

(2) A person subject to an injunction for practicing without a license may also be subject to criminal prosecution. In a complaint for an injunction or in an affidavit, information, or indictment alleging that a person has engaged in unlicensed practice, it is sufficient to charge that the person engaged in the unlicensed practice of a licensed profession or occupation on a certain day in a certain county without averring further or more particular facts concerning the violation.

(3) Unless otherwise provided by statute, a person practicing a licensed profession or occupation in this state without complying with the licensing provisions of this title is guilty of a misdemeanor punishable by a fine of not less than $250 or more than $1,000, imprisonment in the county jail for not less than 90 days or more than 1 year, or both. Each violation of the provisions of this chapter constitutes a separate offense.

History: En. Sec. 12, Ch. 481, L. 1997; amd. Sec. 6, Ch. 230, L. 1999.

37-1-413. Department authority. For each licensing program regulated by the department under this part, the department is designated as a criminal justice agency within the meaning of 44-5-103 for the purpose of obtaining confidential criminal justice information regarding licensees and license applicants and regarding possible unlicensed practice.

History: En. Sec. 4, Ch. 230, L. 1999.

37-3-314. Deposit of money received. Money received under this chapter by the department shall be deposited in the state special revenue fund for the use of the board, subject to 37-1-101(6). In the case of a deficiency, the reserves in this account in the state special revenue fund may be used, on approval by the department of administration and the governor.

History: En. Sec. 34, Ch. 338, L. 1969; amd. Sec. 111, Ch. 350, L. 1974; R.C.M. 1947, 66-1043; amd. Sec. 1, Ch. 277, L. 1983.

37-3-315. Qualifications for licensure — specialized license — suspension — practice authorized. (1) A person may not be granted a specialized license to practice medicine in this state unless the person:

(a) is of good moral character, as determined by the board;

(b) is a graduate of an approved medical school or college of osteopathic medicine;

(c) is licensed and engaged in the active practice of medicine or osteopathic medicine in another state or foreign country, whose licensing standards are acceptable to the board;

(d) has never been subject to license discipline in any form;

(e) demonstrates evidence of research and publication:

(i) in a peer-reviewed medical journal in the English language;

(ii) in the 2 years preceding receipt of the application; and

(iii) that demonstrate the applicant's competency in the field of medicine in which the specialized license is requested;

(f) has been accepted for privileges in a hospital pending licensure by the board;

(g) has demonstrated to the satisfaction of the board the applicant's knowledge, skills, and abilities by providing evidence of at least one of the following criteria:

(i) at least 3 years' postgraduate clinical training in a formal education program;

(ii) board certification in a specialty recognized or certified by the American board of medical specialties;

(iii) board certification in a specialty recognized or certified by the American osteopathic association; or

(iv) passing, in the 75th percentile or higher, a board-approved state or national examination in medicine, such as the United States medical licensing examination, the comprehensive osteopathic medical licensing examination, the special purpose examination, the comprehensive osteopathic medical variable-purpose examination, an examination given by the educational commission for foreign medical graduates, or the licensing examination of another state or territory of the United States or Canada;

(h) has submitted a completed application file, which has been reviewed by the board, and has made a personal appearance before the board; and

(i) is able to communicate, in the opinion of the board, in the English language. Passing an examination given by the educational commission for foreign medical graduates or the test of English as a foreign language constitutes prima facie evidence of ability to communicate in the English language.

(2) The specialized license is suspended and subject to revocation after a hearing pursuant to the Montana Administrative Procedure Act upon one of the following:

(a) restriction, termination, or other cessation of the licensee's hospital privileges; or

(b) proof of one of the conditions or offenses identified in 37-3-323.

(3) The holder of a specialized license is limited to the practice of medicine specifically approved by the board after consideration of the applicant's training, skill, and experience. All restrictions, specifications, conditions, and limitations imposed by the board must be stated on the specialized license.

37-3-316 through 37-3-320 reserved.

37-3-321. Refusal of license. If the board determines that an applicant for a license to practice medicine does not possess the qualifications or character required by this chapter or that the applicant has committed unprofessional conduct, it shall refrain from authorizing the department to issue a license. The department shall mail to the applicant, at the applicant's last address of record with the department, written notification of the board's decision, together with notice of a time and place of a hearing before the board. If the applicant without cause fails to appear at the hearing or if after the hearing the board determines that the applicant is not entitled to a license, the board shall refuse to grant the license.

37-3-323. Suspension of license — investigation. (1) The department may investigate whenever the department learns of a reason to suspect that a license applicant or a person having a license to practice medicine in this state:

(a) is mentally or physically unable to safely engage in the practice of medicine, has procured a license to practice medicine by fraud or misrepresentation or through mistake, has been declared incompetent by a court of competent jurisdiction and has not later been lawfully declared competent, or has a condition that impairs the person's intellect or judgment to the extent that the condition incapacitates the person for the safe performance of professional duties;

(b) has been guilty of unprofessional conduct;

(c) has practiced medicine with a suspended or revoked license;

(d) has had a license to practice medicine suspended or revoked by any licensing authority for reasons other than nonpayment of fees; or

(e) while under probation has violated the terms of probation.

(2) The investigation must be for the purpose of determining the probability of the existence of these conditions or the commission of these offenses and may, upon order of the board, include requiring the person to submit to a physical examination or a mental examination, or both, by a physician or physicians selected by the board if it appears to be in the best interests of the public that this evaluation be secured. The board may examine and scrutinize the hospital records and reports of a licensee or license applicant as part of the examination, and copies must be released to the board on written request.

(3) If a person holding a license to practice medicine under this chapter is by a final order or adjudication of a court of competent jurisdiction adjudged to be mentally incompetent, to be addicted to the use of addictive substances, or to have been committed pursuant to 53-21-127, the person's license may be suspended by the board. The suspension continues until the licensee is found or adjudged by the court to be restored to reason or cured or until the person is discharged as restored to reason or cured and the person's professional competence has been proved to the satisfaction of the board.

37-3-325. Violations — penalties. (1) A person practicing medicine in this state without complying with parts 1 through 3 of this chapter or an association or corporation, except a professional service corporation under Title 35, chapter 4, practicing medicine in this state or a person, association, or corporation violating parts 1 through 3 of this chapter or an officer or director of an association or corporation violating parts 1 through 3 of this chapter is guilty of a misdemeanor and on conviction shall be fined not less than $250 or more than $1,000 or be imprisoned in the county jail for not less than 90 days or more than 1 year, or both. Each daily failure to comply with or each daily violation of parts 1 through 3 of this chapter constitutes a separate offense.

(2) A person presenting or attempting to file as the person's own the diploma, license, certificate, or credentials of another or who gives false or forged evidence to the board, a member of the board, or the department in connection with an application for a license to practice medicine or who practices medicine under a false or assumed name or who falsely impersonates another licensee is guilty of a felony and on conviction shall be imprisoned in the state penitentiary for a term of not less than 1 year or more than 10 years.

37-3-326. Injunctive relief — manner of charging violation. Notwithstanding any other provision in this chapter, the board may maintain an action to enjoin a person from engaging in the practice of medicine until a license to practice medicine is procured. A person who has been enjoined and who violates the injunction is punishable for contempt of court. The injunction does not relieve the person practicing medicine without a license from a criminal prosecution. The remedy by injunction is in addition to remedies provided for the criminal prosecution of the offender. In charging a person in a complaint for injunction or in an affidavit, information, or indictment with a violation of this law by practicing medicine without a license, it is sufficient to charge that the person did, on a certain day and in a certain county, engage in the practice of medicine not having a license to do so, without averring further or more particular facts concerning the violation.

37-3-341. Legislative findings. The Montana legislature previously found, in 37-3-101, that the practice of medicine in Montana is a privilege, not a natural right, and that the regulation of the practice of medicine is necessary to ensure the health, happiness, safety, and welfare of the people of Montana. The legislature now finds that because of technological advances and changing patterns of medical practice, medicine is increasingly being practiced by electronic means across state lines. Although access to technological advances is in the public interest, the legislature also finds that regulation of the practice of medicine across state lines is necessary to protect the public against the unprofessional, improper, unauthorized, and unqualified practice of medicine. Accordingly, the legislature finds that physicians outside the boundaries of Montana who by electronic or other technological means practice medicine for compensation on patients inside Montana are seeking the benefit and protection of the laws of Montana and are subject to the licensure and regulatory requirements provided in 37-3-341 through 37-3-345 and 37-3-347 through 37-3-349.

History: En. Sec. 1, Ch. 371, L. 1999; amd. Sec. 27, Ch. 467, L. 2005.

37-3-342. Definition — scope of practice allowed by telemedicine license. (1) As used in 37-3-301, 37-3-341 through 37-3-345, and 37-3-347 through 37-3-349, "telemedicine" means the practice of medicine, as defined in 37-3-102, by a physician located outside the state who performs an evaluative or therapeutic act relating to the treatment or correction of a patient's physical or mental condition, ailment, disease, injury, or infirmity and who transmits that evaluative or therapeutic act into Montana through any means, method, device, or instrumentality under the following conditions:

(a) The information or opinion is provided directly to a patient in Montana for compensation or with the expectation of compensation.

(b) The physician does not limit the physician's services to an occasional case.

(c) The physician has an established or regularly used connection with the state, including but not limited to:

(i) an office or another place for the reception of a transmission from the physician;

(ii) a contractual relationship with a person or entity in Montana related to the physician's practice of medicine; or

(iii) privileges in a Montana hospital or another Montana health care facility, as defined in 50-5-101.

(2) As used in 37-3-301, 37-3-341 through 37-3-345, and 37-3-347 through 37-3-349, telemedicine does not mean:

(a) an act or practice that is exempt from licensure under 37-3-103;

(b) an informal consultation, made without compensation or expectation of compensation, between an out-of-state physician and a physician or other health care provider located in Montana;

(c) the transfer of patient records, independent of any other medical service and without compensation;

(d) communication about a Montana patient with the patient's physician or other health care provider who practices in Montana, in lieu of direct communication with the Montana patient or the patient's legal representative; or

(e) a communication from a physician located outside Montana to a patient in Montana in consultation with a physician or other health care provider licensed to practice medicine in Montana.

History: En. Sec. 2, Ch. 371, L. 1999; amd. Sec. 28, Ch. 467, L. 2005; amd. Sec. 20, Ch. 109, L. 2009.

Compiler's Comments

2009 Amendment: Chapter 109 in (1)(a) after "provided" inserted "directly to a patient in Montana"; deleted former (2)(e) that read: "(e) diagnosis of a medical condition by a physician located outside the state, based upon an x-ray, cardiogram, pap smear, or other specimen sent for evaluation to the physician outside the state by a health care provider in Montana"; in (2)(e) near middle substituted "consultation" for "collaboration"; and made minor changes in style. Amendment effective October 1, 2009.

37-3-343. Practice of telemedicine prohibited without license — scope of practice limitations — violations and penalty. (1) A physician may not practice telemedicine in this state without a telemedicine license issued pursuant to 37-3-301, 37-3-341 through 37-3-345, and 37-3-347 through 37-3-349.

(2) A telemedicine license authorizes an out-of-state physician to practice telemedicine only with respect to the specialty in which the physician is board-certified or meets the current requirements to take the examination to become board-certified and on which the physician bases the physician's application for a telemedicine license pursuant to 37-3-345(2).

(3) A telemedicine license authorizes an out-of-state physician to practice only telemedicine. A telemedicine license does not authorize the physician to engage in the practice of medicine while physically present within the state.

(4) A physician who practices telemedicine in this state without a telemedicine license issued pursuant to 37-3-301, 37-3-341 through 37-3-345, and 37-3-347 through 37-3-349, in violation of the terms or conditions of that license, in violation of the scope of practice allowed by the license, or without a physician's license issued pursuant to 37-3-301, is guilty of a misdemeanor and on conviction shall be sentenced as provided in 37-3-325.

History: En. Sec. 3, Ch. 371, L. 1999; amd. Sec. 17, Ch. 126, L. 2005; amd. Sec. 29, Ch. 467, L. 2005.

37-3-344. Application for telemedicine license. (1) A person desiring a telemedicine license shall apply to the department and verify the application by oath, in a form prescribed by the board.

(2) The application must be accompanied by:

(a) a license fee prescribed by board rule; and

(b) documents required by the board that establish that the applicant possesses the qualifications prescribed by 37-3-341 through 37-3-345 and 37-3-347 through 37-3-349 and the rules of the board. The burden of proof is on the applicant, but the department may make an independent investigation to determine whether the applicant possesses the requisite qualifications.

(3) The application must include a clear statement that the applicant consents to the jurisdiction of the state as specified in 37-3-349.

(4) The applicant shall provide to the board authorizations necessary for the release of records and other information required by the board.

History: En. Sec. 4, Ch. 371, L. 1999; amd. Sec. 18, Ch. 126, L. 2005; amd. Sec. 30, Ch. 467, L. 2005.

37-3-345. Qualifications for telemedicine license — basis for denial. The board may not grant a telemedicine license to a physician unless the physician has established under oath that the physician:

(1) has a full, active, unrestricted certificate or license to practice medicine or osteopathic medicine in another state or territory of the United States or the District of Columbia;

(2) is board-certified or meets the current requirements to take the examination to become board-certified in a medical specialty pursuant to the standards of, and approved by, the American board of medical specialties or the American osteopathic association bureau of osteopathic specialists;

(3) has no history of disciplinary action or limitation of any kind imposed by a state or federal agency in a jurisdiction where the physician is or has ever been licensed to practice medicine;

(4) is not the subject of a pending investigation by a state medical board or another state or federal agency;

(5) has no history of conviction of a crime related to the physician's practice of medicine;

(6) has submitted proof of current malpractice or professional negligence insurance coverage in the amount to be set by the rules of the board;

(7) has not paid, or had paid on the physician's behalf, on more than three claims of professional malpractice or negligence within the 5 years preceding the physician's application for a telemedicine license;

(8) has identified an agent for service of process in Montana who is registered with the secretary of state and the board and who may be a physician licensed to practice medicine in this state;

(9) has paid an application fee in an amount set by the rules of the board; and

(10) has submitted as a part of the application form a sworn statement attesting that the physician has read, understands, and agrees to abide by Title 37, chapters 1 and 3, and the administrative rules governing the practice of medicine in Montana.

History: En. Sec. 5, Ch. 371, L. 1999; amd. Sec. 11, Ch. 224, L. 2003; amd. Sec. 19, Ch. 126, L. 2005.

History: En. Sec. 6, Ch. 371, L. 1999; amd. Sec. 8, Ch. 271, L. 2003.

37-3-347. Reasons for denial of license — alternative route to licensed practice. (1) The board may deny an application for a telemedicine license if the applicant:

(a) fails to demonstrate that the applicant possesses the qualifications for a license required by 37-3-341 through 37-3-345 and 37-3-347 through 37-3-349 and the rules of the board;

(b) fails to pay a required fee;

(c) does not possess the qualifications or character required by this chapter; or

(d) has committed unprofessional conduct.

(2) A physician who does not meet the qualifications for a telemedicine license provided in 37-3-345 may apply for a physician's license in order to practice medicine in Montana.

History: En. Sec. 7, Ch. 371, L. 1999; amd. Sec. 21, Ch. 126, L. 2005; amd. Sec. 31, Ch. 467, L. 2005.

37-3-348. Discipline of physician with telemedicine license. A physician granted a telemedicine license may be subject to investigation and discipline on the grounds that the physician has:

(1) committed unprofessional conduct, as described in 37-1-316 or in a board rule; or

(2) failed to:

(a) maintain the qualifications provided in 37-3-345 or in a board rule;

(b) maintain complete, legible patient records in written or readily retrievable electronic form;

(c) make complete, legible patient records available to the board during an investigation or disciplinary proceeding concerning the physician's practice of telemedicine; or

(1) the courts of Montana for the purpose of civil actions, including but not limited to tort, contract, and equitable actions, related to the physician's practice of telemedicine;

(2) the courts of Montana for the purpose of criminal actions related to the physician's practice of telemedicine;

Part 1
General

37-4-101. Definitions — practice of dentistry. (1) Unless the context requires otherwise, in this chapter, the following definitions apply:

(a) "Board" means the board of dentistry provided for in 2-15-1732.

(b) "Conscious sedation" means a minimally depressed level of consciousness in which the patient breathes normally without assistance, retains protective reflexes, and responds to physical stimulation or verbal command in a manner appropriate to the patient's cognitive level. Conscious sedation is not a form of general anesthesia, and brief interludes of unconsciousness during conscious sedation do not bring conscious sedation within the scope of general anesthesia.

(c) "Department" means the department of labor and industry provided for in Title 2, chapter 15, part 17.

(d) "General anesthesia" means a state of unconsciousness intentionally produced by anesthetic agents, with absence of pain sensation over the entire body and a greater or lesser degree of muscular relaxation. The drugs producing this state can be administered by inhalation, intravenously, intramuscularly, or via the gastrointestinal tract. General anesthesia is divided into:

(i) full general anesthesia, which means a level of consciousness in which the patient is without intact protective reflexes, is unable to maintain an airway, and is incapable of rational response to query or command; and

(ii) light general anesthesia, which means a level of consciousness in which the patient breathes normally without assistance and retains protective reflexes throughout most of the procedure.

(e) (i) "General anesthetic" means any recognized anesthetic agent, sedative, hypnotic, tranquilizer, or narcotic used in sufficient prescribed dosages for the purpose of inducing general anesthesia.

(ii) The term does not include a nitrous oxide and oxygen mixture or any other anesthetic administered to produce conscious sedation.

(2) Except for the provisions of 37-4-104, a person is practicing dentistry under this chapter if the person:

(a) performs, attempts, advertises to perform, causes to be performed by the patient or any other person, or instructs in the performance of dental operations, oral surgery, or dental service of any kind gratuitously or for a salary, fee, money, or other remuneration paid or to be paid, directly or indirectly, to the person, any other person, or any agency;

(b) is a manager, proprietor, operator, or conductor of a place where dental operations, oral surgery, or dental services are performed, unless the person is the personal representative of the estate of a deceased dentist or the personal representative of a disabled dentist, as provided in 37-4-104;

(c) directly or indirectly, by any means or method, furnishes, supplies, constructs, reproduces, or repairs a prosthetic denture, bridge, appliance, or other structure to be worn in the human mouth;

(d) places the appliance or structure in the human mouth or attempts to adjust it;

(e) advertises to the public, by any method, to furnish, supply, construct, reproduce, or repair a prosthetic denture, bridge, appliance, or other structure to be worn in the human mouth;

(f) diagnoses, professes to diagnose, prescribes for, professes to prescribe for, treats, or professes to treat disease, pain, deformity, deficiency, injury, or physical condition of human teeth, jaws, or adjacent structures;

(g) extracts or attempts to extract human teeth or corrects, attempts, or professes to correct malpositions of teeth or of the jaw;

(h) gives or professes to give interpretations or readings of dental roentgenograms;

(i) administers an anesthetic of any nature, subject to the limitations provided in 37-4-511, in connection with a dental operation;

(j) uses the words "dentist", "dental surgeon", or "oral surgeon", the letters "D.D.S." or "D.M.D.", or any other words, letters, title, or descriptive matter that in any way represents the person as being able to diagnose, treat, prescribe, or operate for any disease, pain, deformity, deficiency, injury, or physical condition of human teeth, jaws, or adjacent structures;

(k) states, advertises, or permits to be stated or advertised, by sign, card, circular, handbill, newspaper, radio, or otherwise, that the person can perform or will attempt to perform dental operations or render a diagnosis in connection with dental operations; or

(l) engages in any of the practices included in the curricula of recognized dental colleges.

(5) This chapter does not require the licensure of or prohibit the personal representative of the estate of a deceased dentist or the personal representative of a disabled dentist from contracting with a dentist to manage the dental practice at an establishment where dental operations, oral surgery, or dental services are provided if the personal representative in either case complies with the provisions of 37-4-104.

(a) university clinics for the purpose of providing dental care to registered students;

Out-of-State Mail Service Pharmacies

37-7-701. Legislative declaration. The legislature recognizes that with the proliferation of alternate methods of health care delivery, there has arisen among third-party payors and insurance companies the desire to control the cost and use of pharmacy services through a variety of mechanisms, including the use of mail service pharmacies located outside this state. As a result, the legislature finds and declares that to continue to protect the consumer-patients of this state, all out-of-state mail service pharmacies that provide services to this state's residents must be registered with the board, shall disclose specific information about their services, shall meet the same standards for utilization of technicians as an in-state pharmacy, and shall provide pharmacy services at a high level of competence.

History: **En. Sec. 2, Ch. 664, L. 1991; amd. Sec. 2, Ch. 300, L. 1993; amd. Sec. 2, Ch. 274, L. 1995.**

37-7-702. Out-of-state mail service pharmacy defined. "Out-of-state mail service pharmacy" means a pharmacy located outside this state that:

(1) ships, mails, or delivers by any lawful means a dispensed legend drug to a resident in this state pursuant to a legally issued prescription;

(2) provides to a resident of this state information on drugs or devices that may include but is not limited to advice relating to therapeutic values, potential hazards, and uses; or

(3) counsels pharmacy patients residing in this state concerning adverse and therapeutic effects of drugs.

History: **En. Sec. 3, Ch. 664, L. 1991.**

37-7-703. Registration requirements. Each out-of-state mail service pharmacy must be registered with the board of pharmacy. In order to be registered with the board to do business in this state and for the renewal of its registration, an out-of-state mail service pharmacy:

(1) (a) shall submit a certificate from the appropriate licensing authority with which it is currently licensed and in good standing in the state in which its dispensing facilities are located; and

(b) shall comply with all applicable laws, regulations, and standards of that state and the United States and, if requested by the board, provide evidence that it has complied;

(2) shall register with the board and provide information on ownership and location, including the names and titles of the corporate officers, of the out-of-state mail service pharmacy and the identity of a pharmacist licensed in the state in which the pharmacy is located who is in charge of dispensing prescriptions for shipment to Montana from the out-of-state mail service pharmacy;

(3) shall submit a utilization plan for the employment of pharmacy technicians if allowed by the state where the mail service pharmacy is located. If the state in which the pharmacy is located does not establish a ratio of technicians to pharmacists for determining the number of pharmacy technicians or otherwise define the role of the pharmacist in compounding or dispensing drugs at the pharmacy, then the out-of-state mail service pharmacy may not allow a pharmacist to supervise more than one supportive person at any one time in the compounding or dispensing of prescription drugs, unless approved by the board as provided in 37-7-307 through 37-7-309.

(4) shall submit to the board proof of the pharmacist's good standing with the licensing authority in the state where the pharmacist is employed and the pharmacist's written

commitment to comply with the utilization plan, if any, for each pharmacist identified under subsection (2) and shall provide to the board the same toll-free telephone service referenced in 37-7-706 in order to comply with all information requests by the board; and

(5) shall pay an initial registration fee and a periodic renewal fee in an amount to be determined by the board and at a time established by the department by rule.

37-7-704. Inspections. If the licensing or regulatory agency of the state in which an out-of-state mail service pharmacy is domiciled fails or refuses to inspect the out-of-state mail service pharmacy after receiving a request for an inspection from the board of this state, the board may cancel the out-of-state pharmacy's right to do business in this state unless the out-of-state pharmacy agrees to an onsite inspection by the board of this state.

History: En. Sec. 5, Ch. 664, L. 1991.

37-7-705. Product selection of prescribed drugs — notification. (1) An out-of-state mail service pharmacy may not substitute a prescription drug unless the substitution is made in compliance with the laws of this state and the rules and regulations of the board.

(2) An out-of-state mail service pharmacy may not dispense a substitute drug product to a resident of this state without notifying the patient of the substitution either by telephone or in writing.

History: En. Sec. 6, Ch. 664, L. 1991.

37-7-706. Patient communication — telephone service. Every out-of-state mail service pharmacy shall provide a toll-free telephone service, available at least 6 days a week and for 40 hours a week, to facilitate communication as may be required under this part, between patients in this state and a pharmacist who has access to the patients' records at the out-of-state mail service pharmacy. The toll-free telephone number must be affixed to all drug product containers dispensed to patients in this state.

The department may employ legal counsel to prosecute these actions. In these actions and on notice and hearing, an order or judgment may be entered awarding a temporary restraining order or final injunction as considered proper by the judge of the district court in the county where the violation occurred.

All licensed hearing aid dispensers shall identify their permanent place of business in all advertising public notices and in all consumer correspondence, both written and verbal. (3) All licensed hearing aid dispensers shall notify the board of any change of address within 30 days of the change. A trainee shall notify the board of any change of address within 10 days of the change.

(4) (a) When licensed hearing aid dispensers and trainees work at the same permanent place of business, the licensed hearing aid dispenser shall designate one licensed dispenser as the person in charge. There must be one licensed dispenser in charge at a permanent place of business.

37-16-405. Trainee license. (1) An applicant who fulfills the requirements of 37-16-402 and who has not previously applied to take a practical examination may apply to the board for a trainee license.

(2) On receiving an application under subsection (1), accompanied by a fee fixed by the board and verification that the applicant has passed the written portion of the examination with a passing score as determined by board rule, the board shall issue a trainee license that entitles the applicant to engage in a training period during which the applicant shall work under the direct supervision of the sponsoring licensed hearing aid dispenser. During this time the applicant may do the testing necessary for proper selection and fitting of hearing aids and related devices and make necessary impressions. However, the delivery and final fitting of the hearing aid and related devices must be made by the trainee and the supervisor.

(3) A trainee license may not be issued unless the board has on file an unrevoked statement from a qualified licensed hearing aid dispenser accepting responsibility for the trainee. Every licensed hearing aid dispenser supervising a trainee license holder shall submit a report every 90 days of the trainee's activities and training assignments, on forms furnished by the board. The supervisor is responsible for all hearing aid fittings of the trainee. A supervisor may terminate any responsibilities to the trainee by mailing a written notice by certified mail to the board and the trainee.

(4) A person licensed as an audiologist under the provisions of Title 37, chapter 15, or a person practicing pursuant to 37-1-305 is exempt from the training period but is required to pass the examinations prescribed in this chapter.

(5) The trainee license terminates 1 year after issuance or after the trainee passes the practical examination, whichever occurs first.

(6) Upon completion of 1,000 hours of supervised training, the trainee is eligible to take the practical examination.

(7) A trainee who does not complete 1,000 hours of supervised training before the trainee license terminates may be issued a second trainee license upon making application and paying the appropriate fee. The hours of training obtained under the first trainee license must be carried forward.

(8) A trainee who fails the practical examination may continue to practice under direct supervision until the trainee license terminates. A second trainee license may not be issued. Termination of the trainee license and cessation of the authority to practice do not preclude a person from retaking the practical examination upon payment of the appropriate fees.

(9) Upon passing the practical examination, a trainee may submit an application for a hearing aid dispenser license with the appropriate fee and a hearing aid dispenser license must be issued.

(10) A licensed hearing aid dispenser who sponsors a trainee is directly responsible and accountable under the disciplinary authority of the board for the conduct of the trainee as if the conduct were the licensee's own.

(11) For the purposes of this section, "direct supervision" means the direct and regular observation and instruction of a trainee by a licensed hearing aid dispenser who is available at the same location for prompt consultation and treatment.

(5) The board may grant a temporary license to a mortuary until the initial inspection is completed.

(6) A mortuary license may be transferred from one facility to another only when the proprietor of a licensed facility terminates services at the licensed facility and commences services at a new facility. The new facility must be inspected and must meet standards for operating mortuaries.

(7) A mortuary may be inspected by members of the board or their representatives during business hours.

Part 7
Licensing of Crematoriums, Crematory Operators, and Crematory Technicians

37-19-701. Purpose. The legislature finds that because the practice of crematory operation affects the lives of the people of this state and because some Montanans may exercise their right to choose cremation for themselves or a loved one, it is the purpose of this part to:

(1) provide standards for the licensing and regulation of crematoriums in order to protect the public health, safety, and welfare; and

(2) ensure the qualified and professional practice of crematory operation.

History: En. Sec. 1, Ch. 38, L. 1993.

37-19-702. Licenses required — display of licenses — renewal — penalty for late renewal. (1) A person doing business in this state or a cemetery, mortuary, corporation, partnership, joint venture, voluntary organization, or other entity that erects, maintains, or provides the necessary appliances and facilities for the cremation of human remains and that conducts cremations must be licensed by the board. The license must be displayed in a conspicuous place in the crematory facility.

(2) A crematory license expires on the date set by department rule and may be renewed upon payment of a fee set by the board. The fee must include the cost of annual inspection. If a

crematory facility is attached to a licensed mortuary, only one inspection fee may be charged for inspection of both a mortuary facility under 37-19-403 and a crematory facility.

(3) A person in charge of a licensed crematory facility must be licensed as a crematory operator by the board. A person employed by a licensed crematory facility must be licensed as a crematory technician by the board. The license must be displayed in a conspicuous place in the crematory facility.

(4) Crematory operator and crematory technician licenses expire on the date set by department rule and may be renewed upon payment of a fee set by the board. On-the-job training must be provided to a crematory technician at the time of employment.

History: En. Sec. 4, Ch. 38, L. 1993; amd. Sec. 72, Ch. 429, L. 1995; amd. Sec. 60, Ch. 467, L. 2005.

37-19-703. Application — power of board to set standards — inspection — fees. (1) Application for a crematory, crematory operator, or crematory technician license must be on forms prescribed by the board and must include the name of the applicant, name of the crematory facility, location of the crematory facility and its mailing address, and any further information the board requires. To be eligible for licensure:

(a) as a crematory facility, an application must include a description of the type of structure and equipment to be used in the operation of the crematory facility;

(b) as a crematory operator, an applicant must be at least 18 years of age, must be a high school graduate or have an equivalent degree, and must be of good moral character.

(2) The application must be accompanied by an application fee set by the board.

(3) The board must be notified of any change of ownership of a crematory within 30 days of the change.

(4) A license to operate a crematory in Montana may be issued only upon inspection of the crematory facility and upon a finding of compliance with standards for operation set by the board.

(5) A temporary permit may be issued to operate a crematory facility, as prescribed by board rule, that is effective until the initial inspection is completed to the board's satisfaction.

(6) A crematory facility may be inspected by a board member or the board's designated representative during business hours.

(7) The board shall adopt rules governing the cremation of human remains, the transportation of human remains, sanitation, equipment, fire protection, building construction, and recordkeeping.

(8) A crematory facility shall comply with all local building codes, environmental standards, and applicable state and local regulations.

(9) A new crematory facility shall pay an initial inspection fee, set by the board, that must accompany the application.

History: En. Sec. 5, Ch. 38, L. 1993.

37-19-704. Cremation authorization required — identification. (1) Except as otherwise provided in this chapter, a crematory may not cremate human remains until it has received a cremation authorization.

(2) A crematory may not accept unidentified human remains.

(3) Appropriate identification must be placed upon the exterior of the cremation container upon receipt of the human remains.

History: En. Sec. 6, Ch. 38, L. 1993.

37-19-705. Cremation procedures — cremation containers. (1) Human remains may not be cremated except in a licensed crematory.

(2) Human remains may not be cremated within 24 hours after the time of death.

(3) A body may not be cremated with a pacemaker or other potentially hazardous implant, as defined by the board, including any toxic or explosive-type sealed implants, in place. The authorizing agent is responsible for disclosing the existence of any pacemakers or other hazardous implants.

(4) A crematory shall hold human remains, prior to their cremation, under the following conditions:

(a) In the event the crematory is unable to perform cremation upon receipt of the human remains, it shall place the human remains in a holding facility.

(b) If the human remains are not embalmed, they may not be held longer than 48 hours after the time of death outside of a refrigerated facility.

(5) Human remains delivered to a crematory may not be removed from the cremation container, and the cremation container must be cremated with the human remains.

(6) Unauthorized persons may not be permitted in the retort area while any human remains are awaiting cremation, being cremated, or being removed from the cremation chamber.

(7) The unauthorized, simultaneous cremation of human remains of more than one person within the same cremation chamber is prohibited unless the crematory has received express written authorization from all appropriate authorizing agents for the human remains to be cremated simultaneously. A written authorization exempts the crematory from liability for commingling of the product of the cremation process provided the authorization is complied with.

(8) The identification of the human remains, as indicated on the cremation container, must be verified by the crematory operator or crematory technician immediately prior to the cremation container being placed within the cremation chamber. The identification must be removed from the cremation container and be placed near the cremation chamber control panel where it must remain until the cremation process is complete.

(9) Upon completion of the cremation process, all recoverable residue must be removed from the cremation chamber. All residue of the cremation process must be separated from material other than bone fragments, which must be processed so as to reduce the bone fragments to unidentifiable particles.

(10) Cremated remains, with proper identification, must be packed and placed in a temporary container or urn ordered by the authorizing agent.

(11) If the cremated remains will not fit within the dimensions of the temporary container or urn, the remainder of the cremated remains must be returned to the authorizing agent in a separate container.

(12) If the cremated remains are to be shipped, the temporary container or designated receptacle ordered by the authorizing agent must be packed securely in a suitable, sturdy, pressure resistant, and properly sealed container.

(13) Cremated remains may be shipped only by a method that has an internal tracing system available and that provides a receipt signed by the person accepting delivery.

History: En. Sec. 7, Ch. 38, L. 1993.

37-19-706. Disposition of cremated remains. (1) The person arranging the cremation shall require the authorizing agent to provide a signed statement that specifies the ultimate disposition of the cremated remains, if known.

(2) The authorizing agent is responsible for specifying the disposition of the cremated remains. If, after a period of 90 days from the date of cremation, the authorizing agent has not specified the ultimate disposition or claimed the cremated remains, the crematory or person in possession of the cremated remains is responsible for disposition of the cremated remains and may then dispose of the cremated remains in any manner permitted by law. A record of the disposition must be made and kept by the crematory operator. This subsection applies to all cremated remains in the possession of a crematory or other party.

(3) Except with the express written consent of the authorizing agent, a person may not:

(a) dispose of or scatter cremated remains in a manner or in a location that commingles the cremated remains with those of another person. The provisions of this subsection (3) do not apply to the scattering of cremated remains from individual containers over public waterways or by air or to the scattering of cremated remains in an area located in a dedicated cemetery and used exclusively for that purpose.

(b) place cremated remains of more than one person in the same closed container.

(4) Cremated remains must be delivered to the individual specified by the authorizing agent on the cremation authorization form.

(5) A representative of the crematory and the individual receiving the cremated remains shall sign a receipt indicating the name of the deceased and the date, time, and place of the delivery. The crematory shall retain a copy of the receipt, and the original must be given to the

authorizing agent. After this delivery, the cremated remains may be transported, in this state, without a permit and disposed of in accordance with this chapter.

History: En. Sec. 8, Ch. 38, L. 1993.

37-19-707. Limitation of liability. (1) A person signing a cremation authorization form shall warrant the truthfulness of any facts set forth in the form, including the identity of the deceased whose remains are to be cremated and the signer's authority to order cremation.

(2) A crematory, crematory operator, or crematory technician who properly cremates human remains, refuses to accept a body or perform a cremation, or refuses to release cremated remains due to an unresolved dispute is presumed to have acted properly and without negligence if the actions were performed in accordance with Title 37, chapter 19.

History: En. Sec. 9, Ch. 38, L. 1993.

37-19-708. Preneed cremation authorizations. (1) Preneed cremation authorizations may be made with a cemetery, funeral establishment, crematory, or any other party. Preneed authorizations must specify the ultimate disposition of the cremated remains, be signed by the authorizing agent, and meet other requirements established by board rule.

(2) A crematory operator or crematory technician shall comply with the terms of the preneed authorization in releasing or disposing of the cremated remains at the time of death.

(3) Upon payment for cremation and disposition, a crematory, crematory operator, or crematory technician in possession of a cremation authorization form and the deceased's human remains is not liable for the actual cremation and the disposition of the cremated remains if the terms of the preneed authorization have been complied with.

(3) As used in this section, the term "disposition directions" means:

(a) a video provided in a replayable format of the person who is the subject of the disposition directions in which the person describes the wishes for disposition and that is accompanied by a written attestation of the video accuracy by two witnesses who are at least 18 years of age; or

(b) a legible written instrument signed by the person who is the subject of the disposition directions and by two people who are at least 18 years of age who have witnessed the signing by the person. The written instrument may be but is not limited to a letter of instructions, a will, a trust document, or advance directives. A written instrument that does not name a person with the right to control the decedent's disposition must follow the priority of rights of disposition provided in 37-19-904.

History: En. Sec. 3, Ch. 208, L. 2009.

37-19-904. Priority of rights of disposition. (1) A person who is 18 years of age or older and of sound mind wishing to authorize another person to control the disposition of the person's remains may execute an affidavit or a written instrument before a notary public in substantially the following form:

"State of Montana] ss
County of ....]

I, ... [person designating another person to control the disposition of the person's remains] do hereby designate .... [person who is provided with the right to control the disposition] with the right to control the disposition of my remains upon my death. I .... have or .... have not attached specific directions concerning the disposition of my remains with which the designee shall substantially comply, provided the directions are

lawful and there are sufficient resources in my estate to carry out the directions. Subscribed and sworn to before me this .... day of the month of .... of the year ....
...."

(2) Except as provided in 37-19-903, 37-19-907, and subsection (1) of this section, the right to control the disposition of the remains of a deceased person, including the location, manner, and conditions of the disposition and arrangements for funeral goods and services, vests in the following persons in the order named if the named person is 18 years of age or older and is of sound mind:

(a) a person designated by the decedent as the person with the right to control the decedent's disposition in an affidavit or written instrument executed in accordance with subsection (1);

(b) the surviving spouse;

(c) the sole surviving child of the decedent or, if there is more than one child of the decedent, the majority of the surviving children. However, less than one-half of the surviving children may be vested with the rights and duties provided in this section if those surviving children have used reasonable efforts to notify all other surviving children of their instructions and they are not aware of opposition to their instructions on the part of more than one-half of all surviving children.

(d) the surviving parent or parents of the decedent. If one of the surviving parents is absent, the remaining parent may be vested with the rights and duties provided in this section if that parent's reasonable efforts have been unsuccessful in locating the absent surviving parent.

(e) the surviving sibling of the decedent or, if there is more than one sibling of the decedent, the majority of the surviving siblings. However, less than one-half of the surviving siblings may be vested with the rights and duties provided in this section if those siblings have used reasonable efforts to notify all other surviving siblings of their instructions and they are not aware of any opposition to their instructions on the part of more than one-half of all surviving siblings.

(f) the surviving grandparent of the decedent or, if there is more than one surviving grandparent, the majority of the grandparents. However, less than one-half of the surviving grandparents may be vested with the rights and duties provided in this section if those grandparents have used reasonable efforts to notify all other surviving grandparents of their instructions and are not aware of any opposition to their instructions on the part of more than one-half of all surviving grandparents.

(g) the guardian of the decedent at the time of the decedent's death, if a guardian had been appointed;

(h) the personal representative of the estate of the decedent;

(i) the person in classes of the next degree of kinship, in descending order, under the laws of descent and distribution to inherit the estate of the decedent. If there is more than one person of the same degree, any person of that degree may exercise the right of disposition.

(j) if the disposition of the remains of the decedent is the responsibility of the state or a local government, the public officer, administrator, or employee responsible for arranging the disposition of the decedent's remains; and

(k) in the absence of any person provided for in subsections (2)(a) through (2)(j), any other person, including the mortician with custody of the remains, who is willing to assume the responsibility to act and arrange the disposition of the decedent's remains after attesting in writing that a good faith effort has been made to contact the individuals provided for in subsections (2)(a) through (2)(j).

History: En. Sec. 4, Ch. 208, L. 2009.

37-19-905. Arrangements provided by survivors. The provisions of 37-19-903 and 37-19-904(1) do not prevent the decedent's survivors, in the order listed in 37-19-904, from pursuing, at their own expense, meaningful services and making arrangements for funeral services that do not conflict with the decedent's instructions for disposition made in accordance with 37-19-903 and 37-19-904(1).

History: En. Sec. 5, Ch. 208, L. 2009.

37-19-906. Loss of right of disposition. A person entitled to the right of disposition under 37-19-904 forfeits that right and the right is passed on to the next qualifying person listed in 37-19-904 under the following circumstances:

(1) the person is charged with deliberate or negligent homicide in connection with the decedent's death. However, if the charges against the person are dismissed or if the person is acquitted of the charges, the right of disposition is returned to the person.

(2) the person does not exercise the person's right of disposition within 2 days after notification of the death of the decedent or within 3 days of the decedent's death, whichever is earlier;

(3) the person and the decedent are spouses and a petition to dissolve the marriage was pending at the time of the decedent's death; or

(4) the district court, pursuant to 37-19-907, determines that the person entitled to the right of disposition and the decedent were estranged at the time of death. For purposes of this subsection, "estranged" means a physical and emotional separation from the decedent existing at the time of death and that existed for a period of time prior to death that clearly demonstrates an absence of affection, trust, and regard for the decedent.

History: En. Sec. 6, Ch. 208, L. 2009.

37-19-907. Disputes. (1) The district court for the county where the decedent resided may award the right of disposition to the person determined by the court to be the most fit and appropriate to carry out the right of disposition and make decisions regarding the decedent's remains if those sharing the right of disposition under 37-19-904 cannot agree.

(2) The following provisions apply to the court's determination under subsection (1):

(a) If the persons holding the right of disposition are two or more persons with the same relationship to the decedent and they cannot, by majority vote, make a decision regarding the disposition of the decedent's remains, any of the persons or a mortician with custody of the remains may file a petition asking the district court to make a determination in the matter.

(b) In making a determination, the district court shall consider the following:

(i) the reasonableness and practicality of any proposed funeral arrangements and disposition;

(ii) the degree of the personal relationship between the decedent and each of the persons claiming the right of disposition;

(iii) the desires of the person or persons who are able and willing to pay the cost of the funeral arrangements and disposition;

(iv) the convenience and needs of other family and friends wishing to pay respects;

(v) the desires of the decedent;

(vi) the degree to which the funeral arrangements would allow maximum participation by all those wishing to pay their respects.

(3) (a) In the event of a dispute regarding the right of disposition, a mortician may not be held liable for refusing to accept the remains or to inter or otherwise dispose of the remains of the decedent or complete the arrangements for final disposition of the remains until the mortician receives a court order or a written agreement signed by the parties to the disagreement that decides the final disposition of the remains.

(b) If the mortician retains the remains for final disposition while the parties are in disagreement, the mortician may embalm or refrigerate and shelter the body, or both, in order to preserve the body while awaiting the final decision of the district court and may add the cost of embalming or refrigeration and sheltering, or both, to the final disposition costs.

(c) If a mortician files a petition under this section for an order of disposition from the district court, the mortician may add the legal fees and court costs associated with the petition to the final disposition costs.

(d) This section may not be construed to require or to impose a duty upon a mortician to bring an action under this section. A mortician may not be held criminally or civilly liable for choosing not to bring an action under this section.

(4) Except to the extent that it may be considered by the district court under subsection (2)(b)(iii), the fact that a person has paid or agreed to pay for all or part of the funeral

arrangements and disposition does not give that person a greater right of disposition than the person would otherwise have.

(5) The personal representative of the estate of the decedent does not have, by virtue of being the personal representative, a greater claim to the right of disposition than the person would otherwise have under the provisions of this part.

History: En. Sec. 7, Ch. 208, L. 2009.

37-19-908. Right to rely. (1) A person who signs a funeral agreement, cremation authorization form, or other authorization for disposition must be considered as warranting the truthfulness of any facts set forth in the agreement, form, or authorization, including:

(a) the identity of the decedent whose remains are subject to the disposition; and

(b) the person's authority to order the disposition.

(2) A mortician may rely on the funeral service agreement, cremation authorization form, or other authorization and may carry out the instructions of the person or persons who the mortician reasonably believes hold the right of disposition.

(3) A mortician is not responsible to contact or to independently investigate the existence of any next of kin or relatives of the decedent.

(4) If a class includes two or more persons who are equal in priority, a mortician may rely on and act according to the instructions of the first person in the class to make funeral and disposition arrangements if another person in the class has not provided to the mortician written notice of the person's objections to the arrangements and the mortician does not have knowledge of any objections to the arrangements by other members of the class.

History: En. Sec. 8, Ch. 208, L. 2009.

37-19-909. Immunity. A mortuary or mortician who relies in good faith on the instructions of an individual claiming the right of disposition is not subject to criminal or civil liability or subject to disciplinary action for carrying out the disposition of the remains in accordance with the instructions.

History: En. Sec. 9, Ch. 208, L. 2009.

(1) A physician, office, firm, state institution, or professional service corporation may not employ or make use of the services of a physician assistant in the practice of medicine, as defined in 37-3-102, and as provided in this chapter and a physician assistant may not be employed or practice as a physician assistant unless the physician assistant:

(b) is licensed by the board;

(c) has submitted a physician assistant supervision agreement to the board on a form prescribed by the department; and

(d) has paid to the board the applicable fees required by the board.

(2) A supervising physician and the supervised physician assistant shall execute a duties and delegation agreement constituting a contract that defines the physician assistant's professional relationship with the supervising physician and the limitations on the physician assistant's practice under the supervision of the supervising physician. The agreement must be kept current, by amendment or substitution, to reflect changes in the duties of each party occurring over time. However, the department may make an independent investigation to determine whether the applicant possesses the required qualifications and whether the applicant has ever committed unprofessional conduct.

(2) In order to renew a license, a physician assistant shall pay to the department a renewal fee as prescribed by the board. The practice encompasses evaluation, assessment, treatment, consultation, remediation, and restoration of performance abilities that are limited due to impairment in biological, physiological, psychological, or neurological processes. Occupational therapy services may be provided individually, in groups, or through social systems. Occupational therapy interventions include but are not limited to:

History: En. Sec. 1, Ch. 306, L. 1991.

37-26-102. Legislative finding — purpose. (1) The legislature finds that a significant number of Montanans choose naturopathic medicine for their health care needs and declares that naturopathic medicine is a distinct health care profession that affects the public health, safety, and welfare and contributes to public freedom of choice in health care.

(2) The purpose of this chapter is to provide standards for the licensing and regulation of naturopathic physicians in order to protect the public health, safety, and welfare; to ensure that

naturopathic health care by qualified naturopathic physicians is available to the people of Montana; and to provide a means of identifying qualified naturopathic physicians.

History: En. Sec. 2, Ch. 306, L. 1991.

37-26-103. Definitions. As used in this chapter, the following definitions apply:

(1) "Approved naturopathic medical college" means a college and program granting the degree of doctor of naturopathy or naturopathic medicine that:

(b) has the status of candidate for accreditation with the accrediting agency; or

(c) has been approved by the board after an investigation that determines that the college or program meets education standards equivalent to those established by the accrediting agency and complies with the board's rules, which must require as a minimum a 4-year, full-time resident program of academic and clinical study.

(2) "Board" means the alternative health care board established in 2-15-1730.

(3) "Department" means the department of labor and industry provided for in 2-15-1701.

(7) "Naturopathic medicine", "naturopathic health care", or "naturopathy" means a system of primary health care practiced by naturopathic physicians for the prevention, diagnosis, and treatment of human health conditions, injury, and disease. Its purpose is to promote or restore health by the support and stimulation of the individual's inherent self-healing processes. This is accomplished through education of the patient by a naturopathic physician and through the use of natural therapies and therapeutic substances.

(b) administer ionizing radioactive substances for therapeutic purposes;

(c) perform surgical procedures except those minor surgery procedures authorized by this chapter; or

(d) claim to practice any licensed health care profession or system of treatment other than naturopathic medicine unless holding a separate license in that profession.

(2) Naturopathic physicians may prescribe and administer for preventive and therapeutic purposes the following natural therapeutic substances, drugs, and therapies, as well as drugs on the natural substance formulary list provided for in subsection (3):

(5) Except as provided by this subsection, it is unlawful for a naturopath to engage, directly or indirectly, in the dispensing of any drugs that a naturopath is authorized to prescribe by

subsection (2). If the place where a naturopath maintains an office for the practice of naturopathy is more than 10 miles from a place of business that sells and dispenses the drugs a naturopath may prescribe under subsection (2), then, to the extent the drugs are not available within 10 miles of the naturopath's office, the naturopath may sell the drugs that are unavailable.

History: En. Sec. 8, Ch. 306, L. 1991.

37-26-304. Naturopathic childbirth attendance — certification for specialty practice — requirements. Part 1
General

37-27-101. Short title. This chapter may be cited as the "Direct-Entry Midwifery Licensing Act".

History: En. Sec. 1, Ch. 550, L. 1991.

37-27-102. Purpose. The legislature finds and declares that because the practice of direct-entry midwifery affects the lives of the people of this state and because some Montanans may exercise their right to give birth where and with whom they choose, it is the purpose of this chapter to provide for the common good by regulating and ensuring the qualified and professional practice of direct-entry midwifery.

History: En. Sec. 2, Ch. 550, L. 1991.

37-27-103. Definitions. As used in this chapter, the following definitions apply:

(1) "Apprentice" means a person who is working under the supervision of a licensed direct-entry midwife and is seeking licensure as a direct-entry midwife under this chapter.

(2) "Board" means the alternative health care board established in 2-15-1730.

(3) "Continuous care" means care provided for one person from the initial history-taking interview through monthly prenatal, intrapartum, and postpartum periods.

(4) "Direct-entry midwife" means a person who advises, attends, or assists a woman during pregnancy, labor, natural childbirth, or the postpartum period.

(5) "Licensee" means a person authorized by this chapter to practice direct-entry midwifery.

(6) "Postpartum period" means the period up to 6 weeks following birth.

(7) "Practice of direct-entry midwifery" means the advising, attending, or assisting of a woman during pregnancy, labor, natural childbirth, or the postpartum period.

History: En. Sec. 3, Ch. 550, L. 1991; amd. Sec. 3, Ch. 524, L. 1991; amd. Sec. 59, Ch. 10, L. 1993.

37-27-104. Exemptions. This chapter does not limit or regulate the practice of a licensed physician, certified nurse-midwife, or licensed basic or advanced emergency medical technician. The practice of direct-entry midwifery does not constitute the practice of medicine, certified nurse-midwifery, or emergency medical care to the extent that a direct-entry midwife advises, attends, or assists a woman during pregnancy, labor, natural childbirth, or the postpartum period when the pregnancy is not a high-risk pregnancy.

History: En. Sec. 4, Ch. 550, L. 1991.

37-27-105. General powers and duties of board — rulemaking authority. (1) The board shall:

(a) meet at least once annually, and at other times as agreed upon, to elect officers and to perform the duties described in Title 37, chapter 1, and this section; and

(b) administer oaths, take affidavits, summon witnesses, and take testimony as to matters within the scope of the board's duties.

(2) The board has the authority to administer and enforce all the powers and duties granted statutorily or adopted administratively.

(3) The board shall adopt rules to administer this chapter. The rules may include but are not limited to:

(a) the establishment of criteria for minimum educational, apprenticeship, and clinical requirements that, at a minimum, meet the standards established in 37-27-201;

(b) the development of eligibility criteria for client screening by direct-entry midwives to achieve the goal of providing midwifery services to women during low-risk pregnancies;

(c) the development of standardized informed consent and reporting forms;

(d) the adoption of ethical standards for licensed direct-entry midwives;

(e) the adoption of supporting documentation requirements for primary birth attendants; and

(f) the establishment of criteria limiting an apprenticeship that, at a minimum, meets the standards established in 37-27-201.

History: En. Sec. 6, Ch. 550, L. 1991; amd. Sec. 84, Ch. 429, L. 1995; amd. Sec. 27, Ch. 224, L. 2003; amd. Sec. 35, Ch. 271, L. 2003; amd. Sec. 77, Ch. 467, L. 2005.

37-27-106 through 37-27-110 reserved.

37-27-111. Parents' rights regarding birth of baby. Except as otherwise provided by law, parents have a right to give birth where and with whom they choose.

(4) that if the client or the client's personal representative or guardian brings an action against a licensee for a claim arising out of the client's interaction with the direct-entry midwife, the client is considered to have waived any privilege;

(1) A licensed direct-entry midwife shall submit semiannually to the board, on forms supplied by the board, a summary report on each patient who was given care. The report must include vital statistics on each patient and information on the procedures and scope of care administered, including transport of the patient to a hospital and physician referrals, but may not include information disclosing the identity of the patient.

(2) A licensed direct-entry midwife shall report within 72 hours to the board and to the department of public health and human services any maternal, fetal, or neonatal mortality or morbidity in patients for whom care has been given.

(3) Failure of a direct-entry midwife to submit required reports constitutes grounds to deny renewal of a license.

History: En. Sec. 19, Ch. 550, L. 1991; amd. Sec. 63, Ch. 418, L. 1995; amd. Sec. 92, Ch. 546, L. 1995.

37-27-325. Violation — penalties — injunction — manner of charging violation. (1) A person who violates any provision of this chapter or any rule adopted pursuant to this chapter is guilty of a misdemeanor and is punishable by a fine not to exceed $500, by imprisonment in the county jail for a term of not more than 6 months, or both.

(2) Notwithstanding any other provisions of this chapter, the board may maintain an action to enjoin a person from engaging in the practice of direct-entry midwifery until a license to practice direct-entry midwifery is obtained. A person who has been enjoined and who violates the injunction is punishable for contempt of court. The injunction does not relieve the person practicing direct-entry midwifery without a license from criminal prosecution. The remedy by injunction is in addition to remedies provided for criminal prosecution of the offender. In charging a person in a complaint for injunction or in an affidavit, information, or indictment with a violation of law by practicing direct-entry midwifery without a license, it is sufficient to charge that the person did, on a certain day and in a certain county, engage in the practice of direct-entry midwifery while not having a license to do so, without averring further or more particular facts concerning the violation.

History: En. Sec. 23, Ch. 550, L. 1991.

Part 2
Certification

37-35-201. License required — exceptions. (1) Except as otherwise provided in this chapter, a person may not practice addiction counseling or represent to the public that the person is a licensed addiction counselor unless the person is licensed under the provisions of this chapter.

(2) This chapter does not prohibit an activity or service:

If a person is a qualified member of a profession that is not licensed or certified or for which there is no applicable code of ethics, this section does not prohibit an activity or service of the profession as long as the person does not represent by title that the person is a licensed addiction counselor.

(b) of, or use of an official title by, a person employed or acting as a volunteer for a federal, state, county, or municipal agency or an educational, research, or charitable institution if that activity or service or use of that title is a part of the duties of the office or position;

(c) of an employee of a business establishment performed solely for the benefit of the establishment's employees;

(d) of a student in addiction counseling who is pursuing a course of study at an accredited college or university or who is working in a generally recognized training center if the activity or service constitutes part of the course of study; or

(2) In granting the certificates, the department shall give due regard to the interest of this state in protecting the drinking water supplies and the quality of its water.

History: (1)En. Sec. 5, Ch. 239, L. 1967; amd. Sec. 111, Ch. 349, L. 1974; Sec. 69-5905, R.C.M. 1947; (2)En. Sec. 8, Ch. 239, L. 1967; amd. Sec. 2, Ch. 306, L. 1971; amd. Sec. 89, Ch. 349, L. 1974; Sec. 69-5908, R.C.M. 1947; R.C.M. 1947, 69-5905, 69-5908(part); amd. Sec. 8, Ch. 243, L. 1983.

37-42-302. Unlawful to operate plant or system without certified operator — department to issue temporary certificates — exception. (1) Except as provided in subsection (3), it is unlawful for a person, firm, or corporation, both municipal and private, operating a wastewater treatment plant, water treatment plant, or water distribution system to operate the plant or system unless the competency of the operator is certified to by the department under this chapter.

(2) Except as provided in subsection (3), it is unlawful for a person to perform the duties of an operator without being certified under this chapter.

(3) The prohibitions in subsections (1) and (2) do not pertain to a water distribution system that:

(a) does not contain a treatment facility;

(b) obtains all of its water from a public water supply system but is not owned or operated by the owner or operator of that public water supply system; and

(c) does not sell water.

(4) For good cause shown, the department may issue temporary certificates that are valid for up to 1 year.

History: En. Sec. 11, Ch. 239, L. 1967; amd. Sec. 92, Ch. 349, L. 1974; R.C.M. 1947, 69-5911; amd. Sec. 9, Ch. 243, L. 1983; amd. Sec. 2, Ch. 195, L. 1999.

37-42-303. Operator of treatment plant or distribution system to be certified — exemption. (1) Water and wastewater treatment plants and water distribution systems, whether publicly or privately owned, must be under the supervision of an operator whose competency is certified to by the department in a grade corresponding to the classification of that portion of the water or wastewater supply system to be supervised.

(2) However, this chapter does not prevent a governmental agency, corporation, or individual from continuing to employ in this capacity a person in responsible charge of the operation of such works on July 1, 1967. Certificates of proper classification may be issued without examination to the person or persons certified by the governing board or owner to have been in responsible charge of the water and wastewater plants and water distribution systems on July 1, 1967. A certificate so issued will be valid only in that plant.

History: En. Sec. 6, Ch. 239, L. 1967; amd. Sec. 87, Ch. 349, L. 1974; R.C.M. 1947, 69-5906(part).

37-42-304. Application for operator's certificate — fee. A person desiring to engage in the operation of a water treatment plant, water distribution system, or wastewater treatment plant shall first file an application with the department for a proper certificate. The department shall charge a fee of the same amount as the license cost, except that the department shall reduce the fee by the amount that the cost of processing the application is offset by federal funds received. The department may not act on an application until the fee has been paid.

(1) Operators who terminate employment may retain their certificate for 2 years, provided that all other requirements are met. After 2 years, a certificate is automatically invalidated. Operators whose certificates are invalidated under this chapter may be issued new certificates of like classification, provided appropriate proof of competency is presented to the department. 37-42-308. Annual renewal — fees — revocation for failure to renew — reinstatement — notice of suspension. (1) Certificates issued under this chapter must be renewed annually before July 1. A certificate issued after July 1 expires the following June 30. After the payment of the initial fee under 37-42-304, a certificate holder shall pay before July 1 of each certificate year a renewal fee according to the schedule adopted by the department, except that the department shall reduce the fee by the amount that the cost of administering the certificate is offset by federal funds received to fund the administration of the program.

(2) Subject to subsection (6), if a certificate holder does not apply for a renewal of the certificate before July 1 and remit to the department the necessary renewal fee, the department shall suspend the certificate. Subject to subsection (6), the department shall revoke any certificate that remains suspended for a period of more than 30 days. However, the department, before this revocation, shall notify the certificate holder by certified mail at the address on the issued certificate of the department's intention to revoke, at least 10 days before the time set for action to be taken by the department on the certificate.

(4) Notice of suspension must be given to the certificate holder when the suspension occurs and to the proper official or owner of the treatment works or distribution system.

(5) If a person whose certificate has been revoked through the person's own fault desires to continue as a water or wastewater plant operator, the person shall apply to the department under 37-42-304. Successful completion of an examination may be required at the discretion of the department.

Part 1
General

37-43-101. Purpose. It is the purpose of this chapter to reduce and minimize the waste and contamination of ground water resources within this state by reasonable regulation and licensing of drillers or makers of water wells and monitoring wells and to protect the health and general welfare by providing a means for the development of the natural resource of underground water in an orderly, sanitary, and reasonable manner. The reasonable regulation and licensing of drillers or makers of water wells and monitoring wells is in the best interest of the public, and the waste and contamination of ground water resources through inefficient or incompetent operations of drillers or makers of water wells and monitoring wells is prohibited. For the protection of the public and for the conservation of underground water resources, it is necessary that standards be set and maintained to insure that competency in the drilling and making of water wells and monitoring wells in this state is obtained.

37-43-202. Powers and duties. (1) The board may exercise the authority granted to it by this chapter.

(2) The board shall adopt rules and orders to effectuate this chapter.

(3) The board shall adopt rules to establish mandatory water well construction standards and enforcement procedures. The standards must address the protection of the drilling site; specifications for casing materials; materials and specifications for well screens; casing perforations; well development procedures; proper sealing and grouting; temporary capping; cleaning and disinfecting; bonds; guaranties; contractors' and drillers' qualifications; tests for yield and drawdown; reporting procedures and requirements for water quality, well logs, location of wells, and information relating to local conditions; well filters; access ports; gravel packing; sampling methods; plumbness and alignment of the hole and casing; well abandonment procedures; and other necessary and appropriate standards.

(4) The board shall adopt minimum standards regarding the construction, use, and abandonment of monitoring wells. The standards must be designed to protect the state's ground water resource from degradation by contamination and loss of hydrostatic pressure. A violation of the standards does not occur if it can be shown that noncompliance results in equal or greater protection of the ground water resource.

(5) The board may request the department to inspect water wells or monitoring wells drilled or being drilled, and the department has access to these wells at reasonable times.

(6) The board may establish a program for training apprentices and licensed or prospective water well contractors, water well drillers, and monitoring well constructors to more effectively carry out this chapter.

(7) The board shall set and enforce standards and rules governing the licensing, registration, and conduct of water well drillers, water well contractors, and monitoring well constructors.

(8) The board shall set fees commensurate with costs. The board may establish fees, including but not limited to fees for application, examination, renewal, reciprocity, late renewal, and continuing education. Board costs not related to specific programs may be equitably distributed as determined by the board. The board shall maintain records sufficient to support the fees charged for each program area.

(9) The rules of the board must be compiled in printed form for distribution to interested persons, for which the department may charge a fee. Sums realized from these sales must be deposited in the state special revenue fund for the use of the board.

(10) The board shall:

(a) authorize the department to issue licenses to qualified water well contractors, water well drillers, and monitoring well constructors in this state;

(b) cause examinations to be made of applicants for licenses;

(c) take disciplinary action and issue orders pursuant to this chapter; and

(d) generally perform duties that will carry out this chapter.

(11) The board shall pay to the department its share of the assessed costs of the department in administering this chapter.

(1) All money collected under this chapter must be deposited in the state special revenue fund and may be used only for the purpose of paying expenses of the board. Except for funds received from bonds in subsection (2), the money must be appropriated by the legislature before it may be expended by the board. Income and interest from investment of the money in the state special revenue fund that are collected under this chapter must be credited to the board.

(2) The board may accept and expend all funds received from bonds required by 37-43-306. The funds must be used to remedy defects in water wells, to compensate for damages caused by violations of this chapter or the rules of the board, or to pay any administrative costs incurred by the board under 37-43-309, 37-43-310, and 37-43-313. (i) the well is located on land that the applicant owns or leases and that the applicant uses for farming, ranching, or agricultural purposes or as the applicant's residence; and

(ii) the construction or installation method to be used meets the minimum standards for water wells or monitoring wells set by board rule.

2009 Amendment: Chapter 56 made section gender neutral. Amendment effective October 1, 2009.

37-43-307. Annual renewal — fee — revocation for nonrenewal. (1) The term for licenses issued under this chapter is from July 1 of each year through the following June 30.

After the payment of the initial fee under 37-43-303, a licensee shall pay, before the first day of each license year, a renewal fee as prescribed by the board.

(2) Subject to subsection (3), if a licensee does not apply for renewal of the license before the first day of a license year and remit to the department the renewal fee, the license must be suspended by the board. Subject to subsection (3), if the license remains suspended for a period of more than 30 days after the first day of a license year, it must be revoked by the board. However, the department, prior to this revocation, shall notify the licensee of the board's intention to revoke at least 10 days prior to the time set for action to be taken by the board on the license, by mailing notice to the licensee at the address appearing for the licensee in the records and files of the department. A license once revoked may not be reinstated unless it appears that an injustice has occurred indicating to the board that the licensee was not guilty of negligence or laches. If a person whose license has been revoked through the person's own fault desires to engage in the business of water well drilling or monitoring well construction in this state or contracting for those services, the person shall apply under 37-43-303. Notice of suspension must be given to a licensee when the suspension occurs.

(3) This section may not be interpreted to conflict with the provisions of 37-1-138.

History: En. Sec. 7, Ch. 176, L. 1961; amd. Sec. 256, Ch. 350, L. 1974; R.C.M. 1947, 66-2607; amd. Sec. 6, Ch. 642, L. 1983; amd. Sec. 11, Ch. 538, L. 1987; amd. Sec. 10, Ch. 769, L. 1991; amd. Sec. 44, Ch. 271, L. 2003.

37-43-308. Reciprocity. If a person holding a license entitling the person to drill water wells or monitoring wells in another state applies for a Montana water well contractor's, water well driller's, or monitoring well constructor's license, the board may waive the apprenticeship requirements and examination requirements if it finds that the standards and requirements of the state in which the applicant is licensed are equal to or exceed those of Montana. However, the board may require the applicant to successfully complete an examination based on Montana statutes and rules relating to the drilling of water wells or monitoring wells in this state.

History: En. Sec. 8, Ch. 642, L. 1983; amd. Sec. 12, Ch. 538, L. 1987; amd. Sec. 7, Ch. 516, L. 1989; amd. Sec. 1407, Ch. 56, L. 2009.

Copies of any documents, logs, or reports must be attached to the proposed order.

(2) The board shall mail or deliver a copy of the proposed order to the licensee, along with notice that the licensee may request a hearing to show cause why the order should be rejected or modified. If a hearing is not requested within 20 days, the board shall adopt the proposed order as a final order.

(3) A request for hearing must be in writing and specify which, if any, board witnesses the licensee wishes to cross-examine. If a timely request for hearing is received, the board shall schedule a hearing before the board or assign a hearings examiner to conduct the hearing at a later date to be set by the hearings examiner. The board shall make the specified witnesses available for cross-examination at the hearing.

(4) The licensee has the burden to show cause why the proposed order should be rejected or modified. The licensee may cross-examine the board's witnesses, present evidence, propose alternative discipline, argue issues of law and fact, or otherwise attempt to convince the board that the proposed order should be rejected or modified.

(5) After considering the evidence, proposals, and arguments presented at the hearing, the board shall issue its final order adopting, rejecting, or modifying the proposed order. The final order must state the reason for the adoption, rejection, or modification of the proposed order.

(2) In-field assistance includes but is not limited to:

(a) setting up a camp;

(b) field instruction for the activity to be conducted by the customer; or

(c) other services considered to be services of an outfitter, as defined in 37-47-101.

37-47-316. Request for net client hunter use expansion — operation — transfer of NCHU upon transfer of operations plan. (1) An outfitter who wishes to establish or expand NCHU shall present an expansion request to the board. A newly licensed outfitter licensed after April 28, 2001, has 5 ½ years from the date of first licensure to establish NCHU, unless the newly licensed outfitter is purchasing the business of an existing outfitter, in which case the provisions of subsection (5) apply. The board shall evaluate the request based on the criteria provided in 37-47-317.

(2) For any establishment or expansion of NCHU approved by the board after March 1, 1996, the outfitter has until December 31, 2004, to establish the new NCHU. After December 31, 2004, the outfitter's client base must be adjusted to reflect the highest number of clients actually served, up to but not exceeding the number of clients authorized by the NCHU expansion request. This subsection (2) does not apply to an outfitter newly licensed after April 28, 2001.

(3) An outfitter may exceed the NCHU in any given year by the following percentages without formally requesting an NCHU expansion:

(a) 10% for an outfitter with 1 to 50 clients;

(b) 8% for an outfitter with 51 to 100 clients; and

(c) 2% for an outfitter with 101 to 300 clients.

(4) When an expansion of NCHU is approved, the outfitter who is granted the expansion shall operate within the limits of the NCHU. The flexibility to exceed NCHU in any given year, as outlined in subsection (3), does not apply to an outfitter who has been previously granted an NCHU expansion.

(5) The NCHU of an existing outfitting business transfers with the operations plan for that business unless the business has not been in operation for at least 3 years. Upon the expiration of 5 ½ years after transfer, the client base must be adjusted to reflect the highest number of clients served in any category during the preceding 5 ½ years, not to exceed the total authorized by the NCHU.

History: **En. Sec. 5, Ch. 543, L. 1999; amd. Sec. 1, Ch. 393, L. 2001.**

37-47-317. Criteria for board evaluation of NCHU expansion request — public comments. (1) The criteria listed in subsection (2) must be applied by the board in evaluating and deciding whether to grant an NCHU expansion request. The criteria must be considered in light of the cumulative effect of the current expansion request and any previously approved expansion requests. The board may not approve an expansion request unless, by a preponderance of the evidence, a reasonable person would conclude that the criteria support an expansion request.

(2) An NCHU expansion request may not be granted if any of the following criteria are established:

(a) The request creates closure of a public right-of-way.

(b) The requestor has current license restrictions imposed by the board or is currently subject to a disciplinary action imposed by the board.

(c) The requestor has been convicted or pleaded guilty to a violation of Montana hunting or fishing statutes, rules, or regulations in the last 3 years.

(d) Any information in the request is inaccurate or untrue.

(e) The request does not cover adequate land to ensure the personal safety of hunters.

(f) Sufficient wildlife is not available to support the proposed number of hunters covered under the request.

(g) The proposed expansion would create or exacerbate a game damage situation.

(h) The proposed expansion would restrict the current efforts of the department of fish, wildlife, and parks to manage area wildlife through permits issued to public hunters.

(3) Failure by a requestor to provide all pertinent information and documentation will result in the expansion request being deferred without action until the subsequent meeting of the board. If the requestor fails to provide the pertinent information and documentation before the subsequent board meeting, the request must be denied.

(4) Public comments concerning an NCHU expansion must be solicited and compiled by the department of fish, wildlife, and parks from affected recreationists and recreationist organizations, public land management agencies, affected landowners and landowner organizations, affected outfitters and outfitter organizations, and the general public. Public comment must be solicited through the issuance of press releases and by identification of proposed leased private land by its popular description. The department of fish, wildlife, and parks shall incorporate the public comments into the analysis of the expansion request required under subsection (5). In addition, the board shall consider the public comments separately from the department of fish, wildlife, and parks' analysis.

(5) In considering an NCHU expansion request, the board shall also consider any analysis and comments submitted by the department of fish, wildlife, and parks. Departmental analysis may include but is not limited to the following criteria:

(a) whether historic hunting data, such as the past occurrence of outfitting or public hunting, supports the request;

(b) whether negative impacts to the wildlife population will occur, given documented wildlife trends in the geographical region encompassed by the expansion request;

(c) whether public access or public hunting trends in the geographic region affected by the request will be negatively impacted;

(d) whether there have been past substantiated conflicts between the hunting public and outfitters or between individual outfitters and their clients in the local geographic region affected by the request;

(e) if the expansion will create a negative effect on wildlife habitat;

(f) if the expansion will have negative implications on hunting on public land, hunting access, or outfitting;

(g) whether analysis of existing data regarding wildlife, hunting access, or other relevant information supports the expansion request; and

(h) whether there will be impacts on previously available hunting access in the local geographic region affected by the request, such as impact on the block management program.

(6) The outfitter making the expansion request shall address the criteria outlined in subsection (5) to the best of the outfitter's knowledge. The analysis required in subsection (5) must be compiled using information supplied by the applicant, through public comment, and through any other available data.

(7) In making its final decision regarding an expansion request, the board shall respond in the decision notice to comments received by outlining the comment and delineating how, if at all, the comment was incorporated into the final decision. The board shall also consider whether:

(a) the expansion will open private or public lands to public hunting that did not previously exist;

(b) the request addresses existing game damage by opening new public equivalent hunting opportunities for both outfitters and the public; and

(c) the expansion would directly restrict public access to public lands.

(8) For the purposes of this section, "right-of-way" means dedicated roads, such as county roads or forest service roads, or rights-of-way with historical use that have been established as legal public rights-of-way.

History: **En. Sec. 6, Ch. 543, L. 1999.**

37-47-318. Fees in addition to annual license fee — allocation. (1) In addition to the fees required in 37-47-306 for an outfitter providing hunting services, the following fees apply:

(a) An outfitter shall pay an annual fee of $2 for each client served.

(b) An outfitter who is granted a net client hunter use expansion shall pay a fee of $500 for each new client added to that outfitter's operations plan.

(c) (i) An outfitter who operates hunting camps in more than one department of fish, wildlife, and parks administrative region shall pay an annual fee of $5,000 for each camp that is located beyond a 100-mile radius of the outfitter's base of operations and that is in an administrative region other than the region containing the outfitter's base of operations.

(ii) A fee is not required for the following:

(A) an outfitter's base of operations camp;

(B) camps established before January 1, 1999;

(C) camps established on public land when use is directly regulated by public land use policies; or

Part 4
Relative Duties of Outfitters, Guides, and Participants

37-47-401. Purpose. It is recognized that some activities conducted by outfitters, guides, and professional guides within the scope of their authorized services are inherently hazardous to participants regardless of all feasible safety measures that may be taken. It is the purpose of this part to define those areas of responsibility and affirmative acts or omissions for which outfitters, guides, and professional guides are liable for loss, damage, or injury and those risks for which the participant expressly assumes or is considered to have voluntarily assumed the risk of loss or damage.

History: En. Sec. 2, Ch. 170, L. 1981; Sec. 87-4-161, MCA 1985; redes. 37-47-401 by Sec. 11, Ch. 528, L. 1987; amd. Sec. 15, Ch. 328, L. 1995.

37-47-402. Duties of outfitters, guides, and professional guides. An outfitter, guide, or professional guide offering professional services in this state shall:

(1) act as would a reasonably prudent member of the profession while engaging in providing the services authorized to be performed by a licensed member of the profession;

(2) comply with all standards adopted by board rule.

History: En. Sec. 3, Ch. 170, L. 1981; Sec. 87-4-162, MCA 1985; redes. 37-47-402 by Sec. 11, Ch. 528, L. 1987; amd. Sec. 15, Ch. 220, L. 1993; amd. Sec. 16, Ch. 328, L. 1995.

37-47-403. Duties of participants. (1) A participant shall:

(a) act as would a reasonably prudent person when engaging in the activities offered by a licensed outfitter, guide, or professional guide in this state;

(b) receive permission from the outfitter, guide, or professional guide prior to embarking on any self-initiated activity and inform the outfitter, guide, or professional guide of the participant's plans and intentions upon receiving permission to engage in the self-initiated activity.

(2) A participant may not:

(a) interfere with the running or operation of an outfitter's, guide's, or professional guide's activities when those activities conform to the standards of care set forth in 37-47-402;

(b) use the outfitter's, guide's, or professional guide's equipment, facilities, or services unless the participant has requested and received permission from the outfitter, guide, or professional guide;

(c) knowingly, purposely, or negligently engage in any type of conduct that contributes to or causes injury to the participant or any other person.

History: En. Sec. 4, Ch. 170, L. 1981; Sec. 87-4-163, MCA 1985; redes. 37-47-403 by Sec. 11, Ch. 528, L. 1987; amd. Sec. 17, Ch. 328, L. 1995.

37-47-404. Responsibility for violations of law. (1) A person accompanying a hunting or fishing party as an outfitter, guide, or professional guide is equally responsible with any person or party engaging the person as an outfitter for any violation of fish and game laws unless the violation is reported to a peace officer by the outfitter, guide, or professional guide and the outfitter, guide, or professional guide was not an active participant. An outfitter, guide, or professional guide who willfully fails or refuses to report any violation of fish and game laws is liable for the penalties provided in this chapter. If a guide or professional guide violates the laws or applicable regulations relating to fish and game, outfitting, or guiding with actual or implied knowledge of an outfitter engaging the guide or professional guide, the outfitter is legally responsible for the violation for all purposes under the laws or regulations if the outfitter fails to report the violation to the proper authority.

(2) An outfitter, guide, or professional guide shall report any violation or suspected violation of fish and game laws that the outfitter, guide, or professional guide knows or reasonably should have known has been committed by the employees, agents, representatives, clients, or participants in the outfitting or guiding activity. The violation or suspected violation must be reported to a peace officer at the earliest possible opportunity.

(3) A person may not hire or retain an outfitter unless the outfitter is currently licensed in accordance with the laws of the state of Montana. A person may not use the services of a guide or professional guide and a guide or professional guide may not offer services unless the services are obtained through an endorsing outfitter.

(i) subjects the individual to at least as rigorous a background investigation as required by this section; and

(ii) contains provisions disqualifying applicants for a professional or occupational license that are similar to the provisions in subsection (3) and that are specified by the board by rule as disqualifying an individual whose job requires direct access to a program participant.

(c) is consistent with the goals and objectives stated in the plan of operation.

(3) The board shall adopt rules by October 1, 2008, to begin licensing the programs, and the programs have 30 days from the effective date to apply for a license once the rules are effective.

(b) Instead of an onsite inspection of a licensed program, the department or board may consider verified proof of successful certification by a national or regional certifying organization approved by the board by rule.

The notice must inform the program management of the right to a hearing and whether injunctive action is being sought. The notice may also recommend corrective action to achieve voluntary compliance and a schedule for completing the corrective action if the program prefers to take corrective action rather than proceed to a contested case hearing.

(b) obey promptly and efficiently all lawful instructions of the seller;

(c) disclose all relevant and material information that concerns the real estate transaction and that is known to the seller agent and not known or discoverable by the seller, unless the information is subject to confidentiality arising from a prior or existing agency relationship on the part of the seller agent with a buyer or another seller;

(d) safeguard the seller's confidences;

(e) exercise reasonable care, skill, and diligence in pursuing the seller's objectives and in complying with the terms established in the listing agreement;

(f) fully account to the seller for any funds or property of the seller that comes into the seller agent's possession; and

(g) comply with all applicable federal and state laws, rules, and regulations.

(3) A seller agent is obligated to the buyer to:

(a) disclose to a buyer or the buyer agent any adverse material facts that concern the property and that are known to the seller agent, except that the seller agent is not required to inspect the property or verify any statements made by the seller;

(b) disclose to a buyer or the buyer agent when the seller agent has no personal knowledge of the veracity of information regarding adverse material facts that concern the property;

(c) act in good faith with a buyer and a buyer agent; and

(e) exercise reasonable care, skill, and diligence in pursuing the buyer's objectives and in complying with the terms established in the buyer broker agreement;

(6) A statutory broker is not the agent of the buyer or seller but nevertheless is obligated to them to:

(a) disclose to:

(i) a buyer or a buyer agent any adverse material facts that concern the property and that are known to the statutory broker, except that the statutory broker is not required to inspect the property or verify any statements made by the seller;

(ii) a seller or a seller agent any adverse material facts that are known to the statutory broker and that concern the ability of the buyer to perform on any purchase offer;

(b) exercise reasonable care, skill, and diligence in putting together a real estate transaction; and

(c) comply with all applicable federal and state laws, rules, and regulations.

(7) A dual agent is obligated to a seller in the same manner as a seller agent and is obligated to a buyer in the same manner as a buyer agent under this section except that a dual agent has a duty to disclose to a buyer or seller any adverse material facts that are known to the dual agent, regardless of any confidentiality considerations.

(8) A dual agent may not disclose the following information without the written consent of the person to whom the information is confidential:

(a) the fact that the buyer is willing to pay more than the offered purchase price;

(b) the fact that the seller is willing to accept less than the purchase price that the seller is asking for the property;

(c) factors motivating either party to buy or sell; and

(d) any information that a party indicates in writing to the dual agent is to be kept confidential.

(9) While managing properties for owners, a licensed real estate broker or licensed real estate salesperson is only required to meet the requirements of part 6 of this chapter, other than those requirements for the licensing of property managers, and the rules adopted by the board to govern licensed property managers.

(10) (a) The agency relationship of a buyer agent, seller agent, or dual agent continues until the earliest of the following dates:

(a) to account for all money and property of the principal;

(b) to keep confidential all information received during the course of the agency relationship that was made confidential at the principal's direction, except for:

(i) subsequent conduct by the principal that authorizes disclosure;

(ii) disclosure of any adverse material facts that concern the principal's property or the ability of the principal to perform on any purchase offer;

(iii) disclosure required by law or to prevent the commission of a crime;

(iv) the information being disclosed by someone other than the broker or salesperson; and

(v) the disclosure of the information being reasonably necessary to defend the conduct of the broker or salesperson, including employees, independent contractors, and subagents.

(12) Consistent with the licensee's duties as a buyer agent, a seller agent, a dual agent, or a statutory broker, a licensee shall endeavor to ascertain all pertinent facts concerning each property in any transaction in which the licensee acts so that the licensee may fulfill the obligation to avoid error, exaggeration, misrepresentation, or concealment of pertinent facts.

37-51-314. Relationship disclosure requirements. (1) A broker or salesperson shall disclose the existence and nature of relevant agency or other relationships to the parties to a real estate transaction as provided in this section.

(2) A seller agent shall make the required relationship disclosures as follows:

(a) The initial disclosure, as provided in subsection (6), must be made to the seller at the time the listing agreement is executed.

(b) If a broker or salesperson is acting as a seller subagent, a subsequent disclosure, as provided in subsection (7), must be made to the seller at the time negotiations commence.

(c) The subsequent disclosure established in subsection (7) must be made to the buyer or buyer agent at the time negotiations commence.

(3) A buyer agent shall make the required relationship disclosures as follows:

(a) The initial disclosure, as provided in subsection (6), must be made to the buyer at the time the buyer broker agreement is executed.

(b) If a broker or a salesperson is acting as a buyer subagent, a subsequent disclosure, as provided in subsection (7), must be made to the buyer at the time negotiations commence.

(c) The subsequent disclosure established in subsection (7) must be made to the seller or seller agent at the time negotiations commence.

(4) A statutory broker shall make the required relationship disclosures as follows:

(a) The initial disclosure, as provided in subsection (6), must be made to the buyer at the time the statutory broker first endeavors to locate property for the buyer.

(b) The subsequent disclosure, as provided in subsection (7), must be made to the seller or seller agent at the time negotiations commence.

(5) A buyer agent or seller agent who contemplates becoming or subsequently becomes a dual agent shall disclose the potential or actual relationship to the buyer and seller and receive their consent prior to the time or at the time that the dual agency arises. If the buyer agent or seller agent who contemplates becoming a dual agent has not previously given the buyer or seller the initial disclosure, as provided in subsection (6), the initial disclosure must be used, but if the initial disclosure has been given, any subsequent disclosures must take the form of the disclosure provided in subsection (7).

(6) The initial disclosure as required by subsections (2)(a), (3)(a), (4)(a), and (5) must be written and contain substantially the following information:

(b) a statement that reads as follows: "IF A SELLER AGENT IS ALSO REPRESENTING A BUYER OR A BUYER AGENT IS ALSO REPRESENTING A SELLER WITH REGARD TO A PROPERTY, THEN A DUAL AGENCY RELATIONSHIP MAY BE ESTABLISHED. IN A DUAL AGENCY RELATIONSHIP, THE DUAL AGENT IS EQUALLY OBLIGATED TO BOTH THE SELLER AND THE BUYER. THESE OBLIGATIONS MAY PROHIBIT THE DUAL AGENT FROM ADVOCATING EXCLUSIVELY ON BEHALF OF THE SELLER OR BUYER AND MAY LIMIT THE DEPTH AND DEGREE OF REPRESENTATION THAT YOU RECEIVE. A BROKER OR A SALESPERSON MAY NOT ACT AS A DUAL AGENT WITHOUT THE SIGNED, WRITTEN CONSENT OF BOTH THE SELLER AND THE BUYER".

(c) a definition of "adverse material fact";

(d) identification of the type of relationship disclosed;

(7) The subsequent disclosure required by subsections (2)(b), (2)(c), (3)(b), (3)(c), (4)(b), and (5) or otherwise necessitated by a change or prospective change in a relationship described in a previous disclosure must be written, must contain the information required in subsections (6)(d), (6)(e), and (6)(g), and may be included in other documents involved in the real estate transaction. If a seller or buyer has not previously consented to the entry of the broker or the salesperson into a dual agency relationship, a subsequent disclosure must include all the information required in subsection (6), including the seller's or buyer's written consent to the dual agency relationship.

(8) A broker or salesperson, while managing properties for owners, shall disclose to all customers and clients the contractual relationship of the broker or salesperson.

(9) When a broker or salesperson is acting only as a property manager, another relationship disclosure is not required and a disclosure that complies with subsection (8) must be construed as a sufficient disclosure of the contractual relationship.

(10) Any disclosure required by this section may contain the following information:

(a) a description of the other relationships and corresponding duties available under this part, as long as the disclosure clearly indicates the relationship being disclosed;

(b) a consent to the creation of a dual agency relationship;

(c) other definitions in or provisions of this chapter; and

(d) other information not inconsistent with the information required in the disclosure.

(11) A written disclosure that complies with the provisions of this section must be construed as a sufficient disclosure of the relationship between a broker or salesperson and a buyer or seller and must be construed as conclusively establishing the obligations owed by a broker or salesperson to a buyer or seller in a real estate transaction.

(j) inducing a party to a contract of sale or lease to break the contract for the purpose of substituting a new contract with another principal;

(k) accepting employment or compensation for appraising real property contingent on the reporting of a predetermined value or issuing an appraisal report on real property in which the broker or salesperson has an undisclosed interest;

The listing agreement must be valid as of the date of advertisement.

(b) The provisions of subsection (2)(a) do not prevent a broker or salesperson from including information on properties listed by other brokers or salespersons who will cooperate with the selling broker or salesperson in materials dispensed to prospective customers.

(c) The license of a broker or salesperson who violates this subsection (2) may be suspended or revoked as provided in subsection (1).

2009 Amendment: Chapter 56 made section gender neutral; and made minor changes in style. Amendment effective October 1, 2009.

37-51-505. Motion to dismiss application. The licensee may request the board at any time to dismiss the application if it appears that the application is without merit. The motion may be supported by the affidavit of any person having knowledge of the facts and may be made on the basis that the application and the judgment referred to therein do not form the basis for a payable claim under 37-51-503 and 37-51-504. The board shall give the applicant at least 10 days' written notice of any motion to dismiss.

History: En. Sec. 7, Ch. 688, L. 1985.

37-51-506. Hearing on application. (1) Within 30 days of the filing of the affidavit of service, the board shall conduct a hearing upon the application. Upon the motion of either party, the board may continue the hearing up to 60 days and upon a showing of good cause may continue the hearing such further period as the board considers appropriate.

(2) At the hearing the board shall determine by a preponderance of the evidence the truth of any allegations made in the application and supporting documents that are challenged by the licensee.

History: En. Sec. 8, Ch. 688, L. 1985.

37-51-507. Payment from account. If the board finds after the hearing that an applicant has proved a valid claim against the account, the board shall enter an order requiring payment from the account of whatever sum it finds to be due under the provisions of this part.

History: En. Sec. 9, Ch. 688, L. 1985.

37-51-508. Limitation of payment — pro rata distribution. (1) The liability of the account may not exceed $25,000 for any one licensee until that licensee has repaid the account. If the $25,000 liability of the account is insufficient to pay in full the valid claims of all applications that have been filed against any one licensee and ordered to be paid, the $25,000 must be distributed among those claimants in the ratio that the amount ordered to be paid to any one claimant bears to the total amounts ordered to be paid or in such other manner as the board considers equitable; and upon such a distribution, all claims are considered satisfied by the amount so distributed. Distribution of such money must, at any time, be among the persons ordered to receive the same, without regard to the order or priority in which their respective judgments were obtained or their applications filed.

(2) Upon petition of any person, the board may require all existing applications for payment of claims against one licensee to be joined in one proceeding for the purpose of a timely determination of their respective rights to the money in the account.

(3) An application for payment of a claim against a licensee filed after the distribution of the full amount for which the account is liable for that licensee must be denied by the board.

History: En. Sec. 10, Ch. 688, L. 1985.

37-51-509. Claims satisfied in order of filing. If account funds are insufficient to satisfy any claim or portion of a claim ordered to be paid on behalf of a licensee for whom the account liability of $25,000 has not been exceeded, the board shall, when sufficient money has been deposited in the account, satisfy such unpaid claims or portions of them in the order that the applications for such claims were originally filed pursuant to 37-51-503. The board shall pay accumulated interest beginning on the date of the order to pay at the judgment rate on each such unpaid claim.

History: En. Sec. 11, Ch. 688, L. 1985.

37-51-510. Deposits by board. Money received by the board under 37-51-511 must be deposited in the account and allocated exclusively for the purposes provided in this part.

History: En. Sec. 12, Ch. 688, L. 1985.

37-51-511. Subrogation rights of board. Upon payment of money from the account, the board is subrogated to all of the rights of the judgment creditor to the extent of the amount paid and the judgment creditor is considered to have assigned to the board all of the creditor's right, title, and interest in the judgment to the extent of the amount paid from the account. Any amount and interest recovered by the board on the judgment must be deposited in the account.

History: En. Sec. 13, Ch. 688, L. 1985; amd. Sec. 1413, Ch. 56, L. 2009.

37-51-512. Other disciplinary powers unimpaired — effect of repayment to fund. Nothing contained in this part limits the authority of the board to take disciplinary action against any licensee under other provisions of this chapter, nor does the repayment in full of all obligations to the account by any licensee nullify or modify the effect of any other disciplinary action taken by the board under the provisions of this chapter.

Part 6
Licensure of Property Managers

Part Cross-References

Landlord-tenant laws, Title 70, ch. 24 through 26.

37-51-601. License required to manage property. History: En. Sec. 2, Ch. 142, L. 1993.

37-51-602. Definition of property management — exemptions from application. (1) An act performed for compensation of any kind in the leasing, renting, subleasing, or other transfer of possession of real estate owned by another without transfer of the title to the real estate, except as specified in this section, constitutes the practice of property management. The provisions of this chapter do not apply to:

(a) a relative of the owner of the real estate, defined as follows:

(i) a son or daughter of the property owner or a descendant of either;

(ii) a stepson or stepdaughter of the property owner;

(b) a person who leases no more than four residential real estate units;

(c) a person acting as attorney-in-fact under a power of attorney from the owner of real estate who authorizes the final consummation of any contract for the renting or leasing of the real estate. This exemption is meant to exclude a single or irregular transaction and may not be routinely used to escape the necessity of obtaining a license.

(d) an attorney at law in the performance of duties as an attorney;

(e) a receiver, trustee in bankruptcy, personal representative, person acting in regard to real estate pursuant to a court order, or a trustee under a trust agreement, deed of trust, or will;

(f) an officer of the state or any of its political subdivisions in the conduct of official duties;

(g) a person acting as a manager of a housing complex for low-income individuals subsidized either directly or indirectly by the state, any agency or political subdivision of the state, or the government or an agency of the United States;

(h) a person who receives compensation from the owner of the real estate in the form of reduced rent or salary, unless that person holds signatory authority on the account in which revenue from the real estate is deposited or disbursed;

(i) a person employed by the owner of the real estate if that person's property management duties are incidental to the person's other employment-related duties; or

(j) a person employed on a salaried basis by only one person.

(2) A licensed real estate broker on active status or a licensed real estate salesperson on active status and acting under the supervision of a real estate broker may act as a property manager without meeting any qualifications in addition to those required for licensure as a real estate broker or real estate salesperson and without holding a separate property manager's license.

History: En. Sec. 3, Ch. 142, L. 1993; amd. Sec. 6, Ch. 565, L. 1995; amd. Sec. 4, Ch. 389, L. 2005.

37-51-603. Qualification of property manager applicants — examination — form of licenses. (1) The board by rule shall require an applicant for licensure to provide information that the board believes is necessary to ensure that a person granted a property manager license is of good repute and competent to transact the business of a property manager in a manner that safeguards the welfare and safety of the public.

(2) (a) The board shall require an applicant for a property manager license to:

(i) apply for licensure to the department;

(ii) furnish written evidence that the applicant has completed the number of classroom hours that the board determines appropriate in a course of study approved by the board and taught by instructors approved by the board; and

(iii) satisfactorily complete an examination dealing with the material taught in the course of study.

(b) The course of study must include the subjects of real estate leasing principles, real estate leasing law, and related topics.

(3) An applicant for licensure as a property manager must be at least 18 years of age and must have graduated from an accredited high school or completed an equivalent education as determined by the board.

(4) The license must bear the seal of the board. A property manager shall display the license conspicuously in the property manager's place of business.

(5) The department shall prepare and deliver to the licensee a pocket card in a form and at times prescribed by the board.

History: En. Sec. 4, Ch. 142, L. 1993; amd. Sec. 46, Ch. 492, L. 1997; amd. Sec. 104, Ch. 467, L. 2005.

History: En. Sec. 5, Ch. 142, L. 1993.

37-51-605. Property manager's office — notice of change of address. A property manager shall maintain a fixed office in this state at which the original license of the property manager must be prominently displayed. The office manager must be designated on the license. If the property manager changes the location of the office, the property manager shall notify the department of the new address within 10 days after the change of address.

History: En. Sec. 6, Ch. 142, L. 1993.

37-51-606. Repealed. Sec. 128, Ch. 429, L. 1995.

History: En. Sec. 7, Ch. 142, L. 1993.

37-51-607. Transactions with nonlicensed persons unlawful — action for compensation limited to licensees. (1) It is unlawful for a licensed property manager to employ or compensate, directly or indirectly, a person who is not a licensed property manager for performing the acts regulated by this part.

(2) An action may not be brought or maintained in the courts for the collection of compensation for the lease of real estate unless the plaintiff first alleges that the plaintiff was licensed or was authorized to act without a license at the time the alleged cause of action or claim arose.

History: En. Sec. 8, Ch. 142, L. 1993.

37-51-608. Penalties — criminal — civil. (1) A person who acts without a license or while a license is suspended or revoked or who violates any provision of this part is guilty of a misdemeanor. For a first conviction, the person shall be punished by a fine of not less than $100 or more than $500 or by imprisonment for a term not to exceed 90 days, or both. Upon conviction of a second or subsequent offense, the person shall be punished by a fine of not less than $500 or more than $2,000 or by imprisonment for a term not to exceed 6 months, or both.

(2) If a person is determined in a civil action to have received any money or the equivalent as a fee, commission, or other compensation while violating the provisions of this part, the person is also liable for a penalty of not less than the amount received and not more than three times the amount received, as the court may determine.

Recognition of out-of-state licenses during disaster or emergency, 10-3-204.

37-67-314. Issuance of licenses — seal of professional engineer or professional land surveyor — enrollment card for interns. (1) The department shall issue to an applicant who, in the opinion of the board, has met the requirements of this chapter a license giving the licensee proper authority to engage in the practice of engineering or the practice of land surveying and to assume responsible charge of engineering or land surveying projects in this state. The license for a professional engineer must carry the designation "professional engineer" and for a professional land surveyor, "professional land surveyor". It must give the full name and serial number of the licensee and must be signed by the presiding officer and the secretary under the seal of the board.

(2) A license is prima facie evidence that the named person is entitled to all rights, privileges, and responsibilities of a professional engineer or professional land surveyor while the license remains unrevoked or unexpired.

(3) Each licensee may, upon licensure, obtain a seal of a design authorized by the board, bearing the licensee's name, serial number, and the legend "professional engineer" or "professional land surveyor". Plans, specifications, plats, drawings, reports, design information, and calculations prepared by a licensee must be signed with a written signature, dated, and stamped with the seal or a seal facsimile when issued. After the expiration of a license, it is unlawful for the licensee whose license has lapsed to affix or permit the seal and signature or seal facsimile to be affixed to any:

(a) plans, specifications, plats, drawings, reports, design information, or calculations; or

(b) projects for which the licensee was not in responsible charge.

(4) The department shall issue to any applicant who, in the opinion of the board, has met the requirements of this chapter an enrollment card as an engineer intern or land surveyor

intern. The enrollment card must indicate that the applicant's name and status has been recorded with the board. The enrollment card does not authorize the holder to practice as a professional engineer or professional land surveyor.

2009 Amendment: Chapter 257 in (5) after "installations" deleted "and electrical products made and sold"; and made minor changes in style. Amendment effective October 1, 2009.

37-68-102. Definitions. Unless the context requires otherwise, in this chapter, the following definitions apply:

(1) "Board" means the state electrical board provided for in 2-15-1764.

(2) "Department" means the department of labor and industry provided for in Title 2, chapter 15, part 17.

(3) "Electrical construction" means work performed by an individual, firm, or corporation in which an electrical connection is made to a supply of electricity or in which electricity is supplied to any electric equipment installation for which a permit is required by the authority having jurisdiction.

(4) (a) "Electrical contractor" means a person, firm, partnership, corporation, association, or combination of these entities that undertakes or offers to undertake for another the planning, laying out, supervising, and installing or the making of additions, alterations, and repairs in the installation of wiring apparatus and equipment for electric light, heat, and power.

(b) The term does not include a person, firm, partnership, corporation, association, or combination of these entities that only plans or designs electrical installations.

(5) "Journeyman electrician" means a person having the necessary qualifications, training, experience, and technical knowledge to wire for, install, and repair electrical apparatus and equipment for light, heat, power, and other purposes under the rules governing this work.

(6) "Journeyman level experience" means being recognized as a journeyman electrician by a state or other legally authorized jurisdiction or having a minimum of 8,000 hours of practical experience.

(7) "Master electrician" means a person having the necessary qualifications, training, experience, and technical knowledge to properly plan, layout, and supervise the installation and repair of wiring apparatus and equipment for electric light, heat, power, and other purposes under the rules governing this work.

(8) "Practical experience" means experience gained in the electrical construction industry consisting of layout, assembly, repairs, connecting and testing electrical fixtures, apparatus, and control equipment, and wiring in residential and nonresidential settings pursuant to the provisions of the national electrical code or pursuant to the requirements of another authority having jurisdiction.

(9) "Public utility" has the meaning provided in 69-3-101.

(10) "Residential electrician" means a person having the necessary qualifications, training, experience, and technical knowledge to wire for, install, and repair electrical apparatus and equipment for light, heat, power, and other purposes in residential construction consisting of less than five living units in a single structure under the rules governing this work.

History: En. Sec. 3, Ch. 148, L. 1965; amd. Sec. 270, Ch. 350, L. 1974; R.C.M. 1947, 66-2803; amd. Sec. 4, Ch. 546, L. 1979; amd. Sec. 3, Ch. 274, L. 1981; amd. Sec. 151, Ch. 483, L. 2001; amd. Sec. 2, Ch. 257, L. 2009.

Compiler's Comments

2009 Amendment: Chapter 257 inserted definitions of electrical construction, journeyman level experience, practical experience, and public utility; in definition of electrical contractor substituted (b) establishing exemption from definition for former exemption that read: "A registered electrical engineer who plans or designs electrical installations is not an electrical contractor"; and made minor changes in style. Amendment effective October 1, 2009.

37-68-103. Exemptions. (1) This chapter does not apply to the installation, alteration, or repair of electrical signal or communications equipment owned or operated by a public utility or a city. For purposes of this exemption, "communications equipment" includes telephone wire inside a customer's premises. This chapter does not prohibit a public utility from doing inside wiring to install, alter, repair, or maintain electrical equipment, installations, or facilities in buildings owned by the public utility if the work is accomplished by an employee who is a licensed electrician. If the building owned by the public utility is open to the public and the inside wiring constitutes major renovation or construction, the installation, alteration, repair, or maintenance of electrical equipment, installations, or facilities is subject to the permits and inspections required by law.

(2) The licensing or inspection provisions of this chapter do not apply to regularly employed maintenance electricians doing maintenance work on the business premises of their employer or to line work on the business premises of the employer when ordinary and customary in-plant or onsite installations, modifications, additions, or repairs are performed.

(3) This chapter does not require an individual to hold a license to perform electrical work on the individual's own property or residence if the property or residence is maintained for the individual's own use.

(4) An individual, firm, partnership, or corporation may apply for licensure as an electrical contractor if all electrical work performed by the individual, firm, partnership, or corporation is under the direction, control, and supervision of a licensed master electrician or under the direction, control, and supervision of a licensed journeyman electrician for residential construction consisting of less than five living units in a single structure.

(5) A person who plugs in an electrical appliance where an approved electrical outlet is already installed may not be considered an installer.

(6) This chapter may not in any manner interfere with, hamper, preclude, or prohibit a vendor of any electrical appliance from selling, delivering, and connecting any electrical appliance if the connection does not necessitate the installation of electrical wiring of the structure in which the appliance is to be connected.

History: En. Sec. 12, Ch. 148, L. 1965; amd. Sec. 1, Ch. 423, L. 1973; amd. Sec. 1, Ch. 269, L. 1975; R.C.M. 1947, 66-2812; amd. Sec. 5, Ch. 546, L. 1979; amd. Sec. 1, Ch. 245, L. 1987; amd. Sec. 1450, Ch. 56, L. 2009; amd. Sec. 3, Ch. 257, L. 2009.

However, the department may refuse to renew a temporary license for any temporary licensee that the department determines has had an adequate opportunity to obtain a license under the provisions of 37-73-203 and 37-73-204.

History: En. Sec. 9, Ch. 303, L. 2005; amd. Sec. 44, Ch. 44, L. 2007.

39-2-207. Qualified testing program. A qualified testing program must comply with the following criteria:

(1) Testing must be conducted according to the terms of written policies and procedures that must be adopted by the employer and must be available for review by all employees 60 days before the terms are implemented or changed. Controlled substance and alcohol testing procedures for samples that are covered by 49 CFR, part 40, must conform to 49 CFR, part 40. For samples that are not covered by 49 CFR, part 40, the qualified testing program must contain chain-of-custody and other procedural requirements that are at least as stringent as those contained in 49 CFR, part 40, and the testing methodology must be cleared by the United States food and drug administration. At a minimum, the policies and procedures must require:

(a) a description of the applicable legal sanctions under federal, state, and local law for the unlawful manufacture, distribution, possession, or use of a controlled substance;

(b) the employer's program for regularly educating or providing information to employees on the health and workplace safety risks associated with the use of controlled substances and alcohol;

(c) the employer's standards of conduct that regulate the use of controlled substances and alcohol by employees;

(d) a description of available employee assistance programs, including drug and alcohol counseling, treatment, or rehabilitation programs that are available to employees;

(f) identification of the types of controlled substance and alcohol tests to be used from the types of tests listed in 39-2-208;

(g) a list of controlled substances for which the employer intends to test and a stated alcohol concentration level above which a tested employee must be sanctioned;

(h) a description of the employer's hiring policy with respect to prospective employees who test positive;

(i) a detailed description of the procedures that will be followed to conduct the testing program, including the resolution of a dispute concerning test results;

(j) a provision that all information, interviews, reports, statements, memoranda, and test results are confidential communications that may not be disclosed to anyone except:

(i) the tested employee;

(ii) the designated representative of the employer; or

(iii) in connection with any legal or administrative claim arising out of the employer's implementation of 39-2-205 through 39-2-211 or in response to inquiries relating to a workplace accident involving death, physical injury, or property damage in excess of $1,500, when there is reason to believe that the tested employee may have caused or contributed to the accident; and

(k) a provision that information obtained through testing that is unrelated to the use of a controlled substance or alcohol must be held in strict confidentiality by the medical review officer and may not be released to the employer.

(2) In addition to imposing appropriate sanctions on an employee for violation of the employer's standards of conduct, an employer may require an employee who tests positive on a test for controlled substances or alcohol to participate in an appropriate drug or alcohol counseling, treatment, or rehabilitation program as a condition of continued employment. An employer may require the employee to submit to periodic followup testing as a condition of the counseling, treatment, or rehabilitation program.

(3) Testing must be at the employer's expense, and all employees must be compensated at the employee's regular rate, including benefits, for time attributable to the testing program.

(4) The collection, transport, and confirmation testing of urine samples must be performed in accordance with 49 CFR, part 40, and the collection, transport, and confirmation testing of nonurine samples must be as stringent as the requirements of 49 CFR, part 40, in requiring split specimens as defined by the United States department of health and human services, requiring transport to a testing facility under the chain of custody, and requiring confirmation of all screened positive results using mass-spectrometry technology.

(5) Before an employer may take any action based on a positive test result, the employer shall have the results reviewed and certified by a medical review officer who is trained in the field of substance abuse. An employee or prospective employee must be given the opportunity to provide notification to the medical review officer of any medical information that is relevant to interpreting test results, including information concerning currently or recently used prescription or nonprescription drugs.

(6) Breath alcohol tests must be administered by a certified breath alcohol technician and may only be conducted using testing equipment that appears on the list of conforming products published in the Federal Register.

(b) An employer may manage or contract with a third party to establish and administer a random testing process that must include:

(i) an established calendar period for testing;

(ii) an established testing rate within the calendar period;

(iii) a random selection process that will determine who will be tested on any given date during the calendar period for testing;

(iv) all supervisory and managerial employees in the random selection and testing process; and

(v) a procedure that requires the employer to obtain a signed statement from each employee that confirms that the employee has received a written description of the random selection process and that requires the employer to maintain the statement in the employee's personnel file. The selection of employees in a random testing procedure must be made by a scientifically valid method, such as a random number table or a computer-based random number generator table.

(3) An employer may require an employee to submit to followup tests if the employee has had a verified positive test for a controlled substance or for alcohol. The followup tests must be described in the employer's controlled substance and alcohol policy and may be conducted for up to 1 year from the time that the employer first requires a followup test.

(4) An employer may require an employee to be tested for controlled substances or alcohol if the employer has reason to suspect that an employee's faculties are impaired on the job as a result of the use of a controlled substance or alcohol consumption. An employer shall comply with the supervisory training requirement in 49 CFR, part 382.603, whenever the employer requires a test on the basis of reasonable suspicion.

(5) An employer may require an employee to be tested for controlled substances or alcohol if the employer has reason to believe that the employee's act or failure to act is a direct or proximate cause of a work-related accident that has caused death or personal injury or property damage in excess of $1,500.

History: En. Sec. 4, Ch. 521, L. 1997.

39-2-209. Employee's right of rebuttal. The employer shall provide an employee who has been tested under any qualified testing program described in 39-2-208 with a copy of the test report. The employer is also required to obtain, at the employee's request, an additional test of the split sample by an independent laboratory selected by the person tested. The employer shall pay for the additional tests if the additional test results are negative, and the employee shall pay for the additional tests if the additional test results are positive. The employee must be provided the opportunity to rebut or explain the results of any test.

History: En. Sec. 5, Ch. 521, L. 1997; amd. Sec. 3, Ch. 177, L. 2005.

39-2-210. Limitation on adverse action. No adverse action, including followup testing, may be taken by the employer if the employee presents a reasonable explanation or medical opinion indicating that the original test results were not caused by illegal use of controlled substances or by alcohol consumption. If the employee presents a reasonable explanation or medical opinion, the test results must be removed from the employee's record and destroyed.

History: En. Sec. 6, Ch. 521, L. 1997.

39-2-211. Confidentiality of results. (1) Except as provided in subsection (2) and except for information that is required by law to be reported to a state or federal licensing authority, all information, interviews, reports, statements, memoranda, or test results received by an employer through a qualified testing program are confidential communications and may not be used or received in evidence, obtained in discovery, or disclosed in any public or private proceeding.

(2) Material that is confidential under subsection (1) may be used in a proceeding related to:

(a) legal action arising out of an employer's implementation of 39-2-205 through 39-2-211; or

(b) inquiries relating to a workplace accident involving death, physical injury, or property damage in excess of $1,500 when there is reason to believe that the tested employee may have caused or contributed to the accident.

The policy must state that employers shall support and encourage the practice of breastfeeding, accommodate the breastfeeding-related needs of employees, and ensure that employees are provided with adequate facilities for breastfeeding or the expression of milk for their children. At a minimum, the policy must identify the means by which an employer will make available a space suitable for breastfeeding and breast pumping for a lactating employee, including the provision of basic necessities of privacy, lighting, and electricity for the pump apparatus. The space does not need to be fully enclosed or permanent, but must be readily available during the term that the employee needs the space.

(2) It is an unlawful discriminatory practice for any public employer:

(a) to refuse to hire or employ or to bar or to discharge from employment an employee who expresses milk in the workplace; or

(2) All public employers are encouraged to establish policies to allow mothers who wish to continue to breastfeed after returning to work to have privacy in order to express milk and to provide facilities for milk storage.

History: **En. Sec. 2, Ch. 290, L. 2007.**

39-2-217. Break time for nursing mothers. All state and county governments, municipalities, and school districts and the university system shall provide reasonable unpaid break time each day to an employee who needs to express breast milk for the employee's child, as provided in 39-2-215 and 39-2-216, if breaks are currently allowed. If breaks are not currently allowed, the public employer shall consider each case and make accommodations as possible. The break time must, if possible, run concurrently with any break time already provided to the employee. A public employer is not required to provide break time under this section if to do so would unduly disrupt the public employer's operations.

Part 9
Wrongful Discharge From Employment

39-2-901. Short title. This part may be cited as the "Wrongful Discharge From Employment Act".

History: En. Sec. 1, Ch. 641, L. 1987.

39-2-902. Purpose. This part sets forth certain rights and remedies with respect to wrongful discharge. Except as provided in 39-2-912, this part provides the exclusive remedy for a wrongful discharge from employment.

History: En. Sec. 2, Ch. 641, L. 1987; amd. Sec. 1, Ch. 583, L. 2001.

39-2-903. Definitions. In this part, the following definitions apply:

(1) "Constructive discharge" means the voluntary termination of employment by an employee because of a situation created by an act or omission of the employer which an objective, reasonable person would find so intolerable that voluntary termination is the only reasonable alternative. Constructive discharge does not mean voluntary termination because of an employer's refusal to promote the employee or improve wages, responsibilities, or other terms and conditions of employment.

(2) "Discharge" includes a constructive discharge as defined in subsection (1) and any other termination of employment, including resignation, elimination of the job, layoff for lack of work, failure to recall or rehire, and any other cutback in the number of employees for a legitimate business reason.

(3) "Employee" means a person who works for another for hire. The term does not include a person who is an independent contractor.

(4) "Fringe benefits" means the value of any employer-paid vacation leave, sick leave, medical insurance plan, disability insurance plan, life insurance plan, and pension benefit plan in force on the date of the termination.

(5) "Good cause" means reasonable job-related grounds for dismissal based on a failure to satisfactorily perform job duties, disruption of the employer's operation, or other legitimate business reason. The legal use of a lawful product by an individual off the employer's premises during nonworking hours is not a legitimate business reason, unless the employer acts within the provisions of 39-2-313(3) or (4).

(6) "Lost wages" means the gross amount of wages that would have been reported to the internal revenue service as gross income on Form W-2 and includes additional compensation deferred at the option of the employee.

(7) "Public policy" means a policy in effect at the time of the discharge concerning the public health, safety, or welfare established by constitutional provision, statute, or administrative rule.

History: En. Sec. 3, Ch. 641, L. 1987; amd. Sec. 3, Ch. 193, L. 1993.

39-2-904. Elements of wrongful discharge — presumptive probationary period. (1) A discharge is wrongful only if:

(a) it was in retaliation for the employee's refusal to violate public policy or for reporting a violation of public policy;

(b) the discharge was not for good cause and the employee had completed the employer's probationary period of employment; or

(c) the employer violated the express provisions of its own written personnel policy.

(2) (a) During a probationary period of employment, the employment may be terminated at the will of either the employer or the employee on notice to the other for any reason or for no reason.

(b) If an employer does not establish a specific probationary period or provide that there is no probationary period prior to or at the time of hire, there is a probationary period of 6 months from the date of hire.

History: En. Sec. 4, Ch. 641, L. 1987; amd. Sec. 2, Ch. 583, L. 2001.

39-2-905. Remedies. (1) If an employer has committed a wrongful discharge, the employee may be awarded lost wages and fringe benefits for a period not to exceed 4 years from the date of discharge, together with interest on the lost wages and fringe benefits. Interim earnings, including amounts the employee could have earned with reasonable diligence, must be deducted from the amount awarded for lost wages. Before interim earnings are deducted from lost wages, there must be deducted from the interim earnings any reasonable amounts expended by the employee in searching for, obtaining, or relocating to new employment.

(2) The employee may recover punitive damages otherwise allowed by law if it is established by clear and convincing evidence that the employer engaged in actual fraud or actual malice in the discharge of the employee in violation of 39-2-904(1)(a).

(3) There is no right under any legal theory to damages for wrongful discharge under this part for pain and suffering, emotional distress, compensatory damages, punitive damages, or any other form of damages, except as provided for in subsections (1) and (2).

History: En. Sec. 5, Ch. 641, L. 1987; amd. Sec. 1, Ch. 442, L. 1993; amd. Sec. 3, Ch. 583, L. 2001.

39-2-906 through 39-2-910 reserved.

39-2-911. Limitation of actions. (1) An action under this part must be filed within 1 year after the date of discharge.

(2) If an employer maintains written internal procedures, other than those specified in 39-2-912, under which an employee may appeal a discharge within the organizational structure of the employer, the employee shall first exhaust those procedures prior to filing an action under this part. The employee's failure to initiate or exhaust available internal procedures is a defense to an action brought under this part. If the employer's internal procedures are not completed within 90 days from the date the employee initiates the internal procedures, the employee may file an action under this part and for purposes of this subsection the employer's internal procedures are considered exhausted. The limitation period in subsection (1) is tolled until the procedures are exhausted. In no case may the provisions of the employer's internal procedures extend the limitation period in subsection (1) more than 120 days.

(3) If the employer maintains written internal procedures under which an employee may appeal a discharge within the organizational structure of the employer, the employer shall within 7 days of the date of the discharge notify the discharged employee of the existence of such procedures and shall supply the discharged employee with a copy of them. If the employer fails to comply with this subsection, the discharged employee need not comply with subsection (2).

History: En. Sec. 6, Ch. 641, L. 1987.

39-2-912. Exemptions. This part does not apply to a discharge:

(1) that is subject to any other state or federal statute that provides a procedure or remedy for contesting the dispute. The statutes include those that prohibit discharge for filing complaints, charges, or claims with administrative bodies or that prohibit unlawful discrimination based on race, national origin, sex, age, disability, creed, religion, political belief, color, marital status, and other similar grounds.

(2) of an employee covered by a written collective bargaining agreement or a written contract of employment for a specific term.

History: En. Sec. 7, Ch. 641, L. 1987; amd. Sec. 30, Ch. 472, L. 1997.

39-2-913. Preemption of common-law remedies. Except as provided in this part, no claim for discharge may arise from tort or express or implied contract.

History: En. Sec. 8, Ch. 641, L. 1987.

39-2-914. Arbitration. (1) A party may make a written offer to arbitrate a dispute that otherwise could be adjudicated under this part.

(2) An offer to arbitrate must be in writing and contain the following provisions:

(a) A neutral arbitrator must be selected by mutual agreement or, in the absence of agreement, as provided in 27-5-211.

(b) The arbitration must be governed by the Uniform Arbitration Act, Title 27, chapter 5. If there is a conflict between the Uniform Arbitration Act and this part, this part applies.

(c) The arbitrator is bound by this part.

(3) If a complaint is filed under this part, the offer to arbitrate must be made within 60 days after service of the complaint and must be accepted in writing within 30 days after the date the offer is made.

(4) A discharged employee who makes a valid offer to arbitrate that is accepted by the employer and who prevails in such arbitration is entitled to have the arbitrator's fee and all costs of arbitration paid by the employer.

(5) If a valid offer to arbitrate is made and accepted, arbitration is the exclusive remedy for the wrongful discharge dispute and there is no right to bring or continue a lawsuit under this part. The arbitrator's award is final and binding, subject to review of the arbitrator's decision under the provisions of the Uniform Arbitration Act.

History: En. Sec. 9, Ch. 641, L. 1987; amd. Sec. 2, Ch. 442, L. 1993.

39-2-915. Effect of rejection of offer to arbitrate. A party who makes a valid offer to arbitrate that is not accepted by the other party and who prevails in an action under this part is entitled as an element of costs to reasonable attorney fees incurred subsequent to the date of the offer.

(3) A license issued under this chapter remains the property of the department and may not be transferred.

(4) The department may adopt rules to implement the provisions of this chapter.

History: En. Sec. 3, Ch. 344, L. 1995.

39-8-202. Initial license application — application fee — standards — provisional license. (1) An applicant for initial licensure as a professional employer organization or group shall file with the department a completed application on a form provided by the department.

(2) The application must be accompanied by a nonrefundable application fee and any material or information required by the department that demonstrates compliance with the requirements of this chapter. The application fee is:

(a) $750 for a resident or nonresident unrestricted license; and

(b) $500 for a restricted license.

(3) As a condition of licensure under this chapter, an applicant who is not a resident or who is domiciled outside the state must first be licensed as a professional employer organization or group in the state in which the applicant is a resident or is domiciled if licensing is required by that state.

(4) An applicant for licensure as a professional employer organization or group must meet one of the following applicable standards:

(a) An individual must be 18 years of age or older.

(b) A partnership or a limited partnership shall provide the names and home addresses of all partners, indicate whether each partner is a general or a limited partner, and include a copy of the partnership agreement or an affidavit signed by all partners acknowledging that a written partnership agreement does not exist.

(c) A corporation shall state the names and home addresses of all officers, directors, and shareholders who own a 5% or greater interest in the corporation. A domestic or foreign corporation must have filed any required documents with the secretary of state and shall remain in good standing to conduct business pursuant to this chapter.

(i) must be authorized to act on behalf of the group;

(ii) shall include for each professional employer organization within the group the information required in subsection (4); and

(iii) shall guarantee, on a form provided by the department and executed by each professional employer organization within the group, payment of all financial obligations with respect to wages, payroll-related taxes, insurance premiums, and employee benefits of each other member within the group.

(5) (a) An applicant shall also provide:

(i) the trade name or names under which the applicant conducts business, the business's taxpayer or employer identification number, the address of the business's principal place of business in the state, and the addresses of any other offices within the state through which the applicant intends to conduct business as a professional employer organization or group. If the applicant's principal place of business is located in another state, the address must be provided.

(ii) a list by jurisdiction of each name under which the applicant has operated in the preceding 5 years, including any alternative names, names of predecessors, and names of related business entities with common majority ownership, and detailed information on the background of each controlling person to the extent required by the department; and

The security deposit may not be used in determining the net worth of an applicant.

(c) (i) Documents submitted to establish net worth must reflect net worth as of a date not more than 6 months prior to the date on which the application is submitted.

(ii) Financial statements submitted must be attested by the president, chief financial officer, and at least one controlling person of the professional employer organization or group.

(iii) If an applicant is unable to meet the $50,000 net worth requirement, the applicant shall provide to the department a surety bond, a letter of credit, or marketable securities acceptable to the department in an amount of not less than $50,000 to cover the deficiency. If, after licensure, an applicant defaults in paying wages or payroll-related taxes or in meeting any liability arising pursuant to Title 39, chapter 71, or this chapter, the surety bond, letter of credit, or marketable securities provided to the department may be used to meet those obligations.

(9) The department may issue a restricted license for limited operation within this state to a professional employer organization or group that is a resident of or domiciled in another state if:

(a) the applicant's state of residence or domicile provides for licensing of professional employer organizations or groups and the applicant is licensed and in good standing in that state and that state grants a similar privilege for restricted licensing to professional employer organizations or groups that are residents of or domiciled in this state and that are licensed under this chapter;

(b) the applicant does not maintain an office, a sales force, or a sales representative in this state and does not solicit clients who are residents of or domiciled in this state; and

(c) the applicant does not have more than 100 leased employees working in this state.

(10) An applicant for a license shall appoint a recognized and approved entity as its registered agent to receive service of legal process issued against it in this state if a registered agent has not already been appointed.

(11) The department may issue a provisional license to an applicant that allows the applicant to operate in this state while the applicant's application is being processed by the department. The department may not charge a fee for a provisional license. The department may adopt rules to implement the provisions of this subsection.

(12) A license issued under 39-8-204 or this section may not be transferred.

Compiler's Comments

2009 Amendment: Chapter 112 in (5)(b)(i) through (5)(b)(iv) in five places and in (5)(c) in four places inserted reference to controlling person; and made minor changes in style. Amendment effective July 1, 2009.

Retroactive Applicability: Section 30, Ch. 112, L. 2009, provided: "[This act] applies retroactively, within the meaning of 1-2-109, to liens filed by the department of labor and industry on judgments issued against uninsured employers prior to [the effective date of this act] [April 1, 2009] and to actions pending within the department of labor and industry or the workers' compensation court on [the effective date of this act] [April 1, 2009] regarding benefit disputes and penalty disputes as provided in [sections 3, 12, and 24] [39-71-541, 39-71-506, and 39-71-2905]."

39-8-203. Denial of license application or renewal — hearing. (1) The department shall deny a license application or an application to renew a license if:

(a) the application is not fully completed or properly executed;

(b) documents required to supplement the application are not included in the application packet or are inadequate;

(c) the nonrefundable application or license fee is not submitted or is incorrectly submitted with the application packet;

(d) the applicant or any person named in the application misrepresents material in the application;

(e) the applicant is determined by the department to lack good moral character, business integrity, or financial responsibility; or

(f) the department determines that the applicant has failed to meet or maintain any requirement of this chapter.

(2) Conviction of a crime within the last 7 years does not automatically bar an applicant from obtaining a license or bar a licensee from renewing a license. The department shall consider the type of crime committed, the crime's relevancy to the employee leasing industry, the length of time since the conviction, and any other factor considered relevant by the department.

(3) The department or its agent shall furnish the applicant with a written statement of the reason or reasons for denying the license or license renewal application.

(4) An applicant or licensee may request a hearing before the department within 30 days after receiving the written denial statement. The hearing and appeal must follow the procedures provided in Title 2, chapter 4, parts 6 and 7.

(5) During the hearing and appeal process, a licensee may continue to operate unless the circumstances warrant the ordering of immediate cessation of operations. If the renewal application is rejected, the licensee shall cease operations within this state 30 days after receiving written notification. A licensee who does not comply with the department's order to cease is subject to the penalties provided in 39-8-302.

(6) The department may institute and maintain in the name of the state, through the attorney general or the county attorney of the county in which the violation of an order to cease occurs, an action for an injunction, order, or other civil remedy in district court to enforce its order.

(7) An applicant or licensee is ineligible to reapply for a license for 1 year following final department action denying the issuance of or renewal of a license. The 1-year restriction does not apply to an administrative denial or nonrenewal if the denial or nonrenewal was caused:

(a) by an inadvertent error or omission on the application;

(b) by experience that was insufficiently documented to the department at the time of the previous application;

(c) by a failure to submit the required fees; or

(d) when the applicant or licensee was determined to be ineligible because an individual no longer associated with the professional employer organization or group was determined to lack good moral character, business integrity, or financial responsibility.

History: En. Sec. 5, Ch. 344, L. 1995.

39-8-204. License renewal. (1) A license issued under this chapter is valid for 1 year from the date of issuance unless suspended or revoked.

(2) An applicant for license renewal is subject to the requirements of 39-8-202(3) through (11).

(3) At least 30 days prior to the expiration of the license, the licensee shall submit an application for renewal of a license on a form prescribed by the department and accompanied by the license fee, as provided in 39-8-205.

(4) A late renewal application may not be processed prior to the expiration of the licensee's current license. A person engaged in an unlicensed activity is subject to the penalty established in 39-8-302.

(5) Denial of a renewal license is subject to review under the provisions of 39-8-203.

History: En. Sec. 6, Ch. 344, L. 1995; amd. Sec. 3, Ch. 260, L. 2005.

39-8-205. Renewal fees. (1) The fee for the renewal of a resident or nonresident unrestricted license is $750.

(2) The fee for the renewal of a restricted license is $500.

(3) The application fee required in 39-8-202 does not apply to the renewal of an unrestricted license.

History: En. Sec. 7, Ch. 344, L. 1995; amd. Sec. 2, Ch. 15, L. 2007.

39-8-206. License suspension, revocation, or nonrenewal. (1) In addition to the penalty provided in 39-8-302, the department may suspend for up to 1 year, may permanently revoke, or may refuse to renew a license issued under this chapter if, after notice to the licensee, the department finds that any of the following exists:

(a) a cause for which issuance of the license could have been refused had it been known to the department at the time of issuance;

(b) a violation of an order of the department or noncompliance with any provision of this chapter;

(c) procurement of or attempting to procure a license through misrepresentation or fraud;

(d) failure to provide a written response to a written inquiry from the department or its agent within 30 days after receiving an inquiry; or

(e) failure to meet or maintain any other requirement of this chapter.

(2) If a license is suspended, revoked, or not renewed, the department shall:

(a) immediately notify by certified mail the licensee and the licensee's workers' compensation carrier; and

(b) require the licensee to:

(i) notify each client by certified mail, return receipt requested, of the suspension, revocation, or nonrenewal using language furnished by the department;

(ii) notify each client in writing that the client shares joint and several liability, retroactive to the date of the client's entering into a contract with the licensee, for any wages, workers' compensation premiums, payroll-related taxes, and any benefits left unpaid by the professional employer organization or group; and

(iii) provide the department with evidence of client notification.

(3) Upon notification, the licensee may appeal the decision of the department pursuant to the procedure provided in 39-8-203.

History: En. Sec. 8, Ch. 344, L. 1995; amd. Sec. 4, Ch. 260, L. 2005.

39-8-207. Requirements of licensee. (1) A professional employer organization or group shall, by written contract with the client, establish the responsibilities and duties of each party. The contract must disclose to the client:

(a) the services provided, the administrative fee, and the respective rights and obligations of the parties;

(b) a statement providing that the professional employer organization or group:

(i) reserves a right of direction and control over employees assigned to the client's location. The client may retain sufficient direction and control over employees necessary to conduct business and without which the client would be unable to conduct business, discharge fiduciary responsibilities, or comply with state licensing laws.

(ii) assumes responsibility for the payment of wages of employees, workers' compensation premiums, payroll-related taxes, and employee benefits from its own accounts without regard to payments by the client; and

(iii) retains authority to hire, terminate, discipline, and reassign employees. The client has the right to accept or cancel the assignment of an employee.

(c) a statement that, with respect to a worker supplied to a client by a professional employer organization or group, the client shares joint and several liability for any wages, workers' compensation premiums, and payroll-related taxes and for any benefits left unpaid by the professional employer organization or group and that, in the event that the licensee's license is suspended or revoked, this liability is retroactive to the client's entering into a contract with the licensee; and

(d) a statement that the client is responsible for compliance with the Montana Safety Culture Act, Title 39, chapter 71, part 15.

(2) The professional employer organization or group shall:

(a) give written notice of the general nature of the relationship between the professional employer organization or group and the client to each employee assigned to perform services at the client's place of work. The disclosure must provide that the professional employer organization:

(i) reserves a right of direction and control over employees assigned to the client's location. The client may retain sufficient direction and control over employees necessary to conduct business and without which the client would be unable to conduct business, discharge fiduciary responsibilities, or comply with state licensing laws.

(ii) retains authority to hire, terminate, discipline, and reassign employees. The client has the right to accept or cancel the assignment of an employee.

(b) submit to the department, within 90 days of the end of each calendar quarter, information certified by an independent certified public accountant demonstrating that all payroll-related taxes for the quarter have been paid. Upon a showing of reasonable cause, one 30-day extension may be granted for each quarter. The department, by rule, may waive the requirements of this subsection (2)(b) if the licensee provides to the department an affidavit from an organization of the type specified in 39-8-202(8).

(c) maintain and make available for the department or its agent all records relating to the licensee's business conduct. Records must be maintained for 5 years after terminating a professional employer arrangement or employee leasing arrangement.

(d) notify the department in writing within 20 days of a change of business address or a change in partners, directors, officers, members, or controlling persons designated in the license;

(e) notify the department in writing within 20 days after a client either commences or terminates a professional employer arrangement or an employee leasing arrangement with that professional employer organization or group; and

(f) post the license issued in a conspicuous place in the principal place of business and display, in clear public view in each licensee's office, a notice stating that the professional employer organization or group is licensed and regulated by the department.

(3) (a) When a professional employer organization or group uses a professional employer arrangement with the client, both the professional employer organization or group and the client are the immediate employers of the workers subject to the arrangement for the purposes of the workers' compensation laws of this state.

(b) When a professional employer organization or group uses an employee leasing arrangement with the client, the professional employer organization or group is the immediate employer of the workers subject to the arrangement for the purposes of the workers' compensation laws of this state.

(4) A professional employer organization or group shall:

(a) pay wages and collect, report, and pay payroll-related taxes from its own accounts;

(b) pay unemployment taxes, pursuant to 39-51-1103, and provide, maintain, and secure all records and documents required of employers under the unemployment insurance laws of this state. For unemployment reporting purposes, each professional employer organization is the employing unit, as defined in 39-51-201, and shall keep separate records and submit quarterly wage lists for each of its clients.

(c) provide workers' compensation coverage for all employees and provide, maintain, and secure all records and documents required of employers under the workers' compensation laws of this state. A license may not be issued to a professional employer organization or group until the department receives proof of Montana workers' compensation coverage for the professional employer organization or group.

(5) A professional employer organization or group is an employer for sponsoring and maintaining employee benefit and welfare plans. The plans, if limited to employees of the professional employer organization or group, are not multiple employer welfare arrangements. This section does not preclude the client from providing benefits to employees coemployed by a professional organization or group.

(6) A professional employer organization or group shall disclose to the department, to each client, and to its employees information on any health or life fringe benefit program provided for its employees. The information must include:

(a) the type of benefits;

(b) the identity of each insurer providing each type of coverage;

(c) the amount of benefits for each type of coverage and to whom or on whose behalf the benefits will be paid;

(d) the policy limits on each insurance policy; and

(e) whether coverage is fully insured, partially insured, or fully self-funded.

(7) Disclosure required by this section may be made by any written means reasonably calculated to adequately inform the employees, including a summary plan description that meets the requirements of the Employee Retirement Income Security Act of 1974, 29 U.S.C. 1001, et seq., as amended.

(8) (a) Subject to any contrary provisions of the contract between the client and the professional employer organization or group, the professional employer arrangement that exists between the parties must be interpreted for purposes of insurance, bonding, and employer liability pursuant to subsection (8)(b).

(b) The professional employer organization or group:

(i) is entitled, along with the client, to the exclusivity of the remedy under both the workers' compensation and employers' liability provisions of a workers' compensation policy or plan of either party; and

(ii) is not liable for the acts, errors, or omissions of a client or of an employee acting under the direction and control of a client, subject to the provisions of this chapter. Subject to the provisions of this chapter, a client is not liable for the acts, errors, or omissions of a professional employer organization or group or of any employee of a professional employer organization or group acting under the direction and control of the professional employer organization or group.

(9) A professional employer organization or group that applies for workers' compensation coverage shall also maintain and furnish to the insurer sufficient information to permit the calculation of an experience modification factor for each client employer, including but not limited to:

(a) the client employer's corporate or business name;

(b) the client employer's taxpayer or employer identification number;

(c) the client employer's risk identification number;

(d) a listing of all employees assigned to each client employer and the applicable classification code and payroll; and

(e) the client employer's first report of injury identifying the client employer and any other information necessary to permit the calculation of an experience modification factor for each client employer.

(10) An employee assigned to a client by a professional employer organization or group is considered the employee of the client for purposes of general liability insurance, motor vehicle insurance, fidelity bonds, surety bonds, and liquor liability insurance carried by the client. An employee assigned to a client by a professional employer organization or group is not an employee of the professional employer organization or group for purposes of general liability insurance, motor vehicle insurance, fidelity bonds, surety bonds, or liquor liability insurance carried by the professional employer organization or group unless the employee is included by reference in an employment arrangement contract, insurance contract, or bond.

(11) The sale of professional employer services pursuant to this chapter does not constitute the sale of insurance under Title 33 unless the professional employer organization or group:

(a) undertakes to indemnify another or pay or provide a specified or determinable amount of benefit based on determinable contingencies unless done through a licensed insurer or an employee welfare benefit plan as defined in 29 U.S.C. 1002(1);

(b) solicits, negotiates, effects, procures, delivers, renews, continues, or binds an insurance policy unless done through a licensed insurance producer; or

(c) is not exempt under 33-17-103(4).

(12) A sole proprietor or a working member of a partnership working under a professional employer arrangement may not receive unemployment insurance benefits unless the individual would otherwise be entitled to benefits if the professional employer arrangement did not exist.

(13) If the professional employer organization or group or the client complies with the provisions of 39-71-401 with respect to a worker under the professional employer arrangement, the professional employer organization or group and the client, with respect to those workers, are not uninsured employers, as defined in 39-71-501, and are not subject to the provisions of 39-71-508 or 39-71-515.

Workforce Training Grants

39-11-201. Grant review committee — appointment — powers and duties — rulemaking authority. (1) There is a seven-member grant review committee, as follows:

(a) two representatives from the private sector representing economic development, appointed by the governor;

(b) two representatives from the commercial banking community, one appointed by the president of the senate and one appointed by the speaker of the house, one of whom serves on a local workforce investment board;

(c) one representative from a 2-year postsecondary institution, as defined in 20-9-706, appointed by the governor;

(d) one representative from the department, appointed by the governor; and

(e) one representative from the department of labor and industry, appointed by the governor.

(2) Subject to appropriation by the legislature and 39-11-202(4)(d), the committee shall award training grants to a primary sector business qualified under 39-11-202 after a determination that the primary sector business:

(a) has prospects for achieving commercial success and for creating new jobs in the state;

(b) has prospects for collaboration between the public and private sectors of the state's economy;

(c) has potential for commercial success related to the specific product, process, or business development methodology proposed; and

(d) can provide matching funds.

(3) A committee member may not personally apply for or receive a primary sector business workforce training grant. If an organization with which a member is affiliated applies for a grant, the member shall disclose the nature of the affiliation and, if the committee member is a board member or officer of the organization, may not participate in the decision of the committee regarding the grant application.

(4) The committee shall adopt rules to:

(a) provide for grant application procedures;

(b) develop procedures for awarding grants pursuant to the criteria provided in 39-11-202; and

(c) develop independent review and audit procedures to ensure that grants have been used for the purposes identified in the grant contracts.

(5) All decisions of the committee are final and are not subject to the contested case provisions of Title 2, chapter 4.

(6) The committee is allocated to the department for administrative purposes only as provided in 2-15-121.

History: En. Sec. 4, Ch. 567, L. 2003; amd. Sec. 47, Ch. 130, L. 2005; amd. Sec. 2, Ch. 169, L. 2005.

39-11-202. Primary sector business workforce training grants — eligibility. (1) Subject to appropriation by the legislature, the grant review committee provided for in 39-11-201 may award workforce training grants to primary sector businesses that provide education or skills-based training, through eligible training providers from the eligible training provider list, for employees in new jobs.

(2) To be eligible for a grant, an applicant shall demonstrate that at least 50% of the applicant's sales will be from outside of Montana or that the applicant is a manufacturing company with 50% of its sales from companies that have 50% of their sales outside of Montana and must meet at least one of the following criteria:

(a) be a value-adding business as defined by the Montana board of investments;

(b) demonstrate a significant positive economic impact to the region and state beyond the job creation involved;

(c) provide a service or function that is essential to the locality or the state; or

(d) be a for-profit or a nonprofit hospital or medical center providing a variety of medical services for the community or region.

(3) An applicant shall also provide a match of at least $1 for every $3 requested. The match:

(a) must be from new, unexpended funds available at the time of application;

(b) may include new loans and investments and expenditures for direct project-related costs such as new equipment and buildings. The committee may consider recent purchases of fixed assets directly related to the proposal on a case-by-case basis. A purchase of fixed assets directly related to the proposed training activities that have been made within 90 days after submission of the application may be considered eligible by the committee.

(4) (a) Except as provided in subsection (4)(c), a grant provided under this section may not exceed $5,000 for each full-time position for which an employee is being trained. A grant may be provided only for a new job that has an average weekly wage that meets or exceeds the lesser of Montana's current average weekly wage or the current average weekly wage of the county in which the employees are to be principally employed.

(b) The department may consider the value of employee benefits in calculating the expected annual wage.

(c) The committee may, in exceptional circumstances, consider a higher grant ceiling for jobs that will pay significantly higher wages and benefits if the need for higher training costs is documented in the application.

(d) A grant provided under this section must be proportional to the number of jobs provided, the expected average annual wage of all jobs provided, and the underlying economic indicators of the region where the majority of the jobs will be created.

(5) Funding ceilings must be determined by the availability of funding, the cost for each job, the quality of the primary sector business proposal, and whether training will be provided in Montana.

(6) The grant application, at a minimum, must contain:

(a) a business plan containing information that is sufficient for the committee to obtain an adequate understanding of the business to be assisted, including the products or services offered, estimated market potential, management experience of principals, current financial position, and details of the proposed venture. In lieu of a business plan, the committee may consider a copy of the current loan application to entities such as the Montana board of investments, the federal business and industry guarantee program, or the small business administration.

(b) financial statements and projections for the 2 most recent years of operation and projections for each of the 2 years following the grant, including but not limited to balance sheets, profit and loss statements, and cash flow statements. A business operating for less than 2 years shall provide all available financial statements.

(c) a hiring and training plan, which must include:

(i) a breakdown of the jobs to be created or retained, including the number and type of jobs that are full-time, part-time, skilled, semiskilled, or unskilled positions;

(ii) a timetable for creating the positions and the total number of employees to be hired;

(iii) an assurance that the business will comply with the equal opportunity and nondiscrimination laws;

(iv) procedures for outreach, recruitment, screening, training, and placement of employees;

(v) a description of the training curriculum and resources;

(vi) written commitments from any agency or organization participating in the implementation of the hiring plan; and

(vii) a description of the type and method of training to be provided to employees, the starting wage and wage to be paid after training for each position, the job benefits to be paid or provided, and any payment to eligible training providers.

(7) If the committee determines that an applicant meets the criteria established in this section and has complied with the applicable procedures and review processes established by the committee, the committee may award a primary sector business workforce development grant to the employer and authorize the disbursement of funds under contract to the primary sector business.

(8) (a) A contract with a grant recipient must contain provisions:

(i) certifying that the amount of the grant already expended will be reimbursed in the event that the primary sector business ceases operation in the state of Montana within the grant contract period, which may be up to 2 years;

(ii) specifying that the employer may receive grant funds over the contract period only upon documenting the creation of eligible jobs, the hiring of employees for the jobs, or the incurring of eligible training expenses; and

(iii) providing the department with annual reports and a final closeout report that documents the higher wages paid to an employee upon completion of the training.

(b) The contract must be signed by the person in the primary sector business who is assigned the duties and responsibilities for training and the overall success of the program and by the primary sector business's chief executive.

39-29-102. Point preference or alternative preference in initial hiring for certain applicants — substantially equivalent selection procedure. (1) Subject to the restrictions in subsections (2) and (3), whenever a public employer uses a scored procedure, an applicant for an initial hiring, as defined in 39-30-103, must have added to the applicant's score the following percentage points of the total possible points that may be granted in the scored procedure:

(a) 5 percentage points if the applicant is a veteran; and

(b) 10 percentage points if the applicant is a disabled veteran or an eligible relative.

(2) A veteran, disabled veteran, or eligible relative may not receive the percentage points provided for in subsection (1) unless the person:

(a) is a United States citizen; and

(b) meets the minimum qualifications required for the position. If no applicant meets the minimum qualifications and the public employer fills a training position, veterans' preference must be applied.

(3) A disabled veteran who receives 10 percentage points under subsection (1)(b) may not receive an additional 5 percentage points under subsection (1)(a).

(4) Whenever a public employer uses a selection procedure other than a scored procedure, the public employer shall give preference to a disabled veteran, eligible relative, or veteran, in that order, over any nonpreferred applicant holding substantially equal qualifications, as defined in 39-30-103.

History: En. Sec. 2, Ch. 646, L. 1989; amd. Sec. 1, Ch. 168, L. 1999.

39-29-103. Notice and claim of preference. (1) A public employer shall, by posting or on the application form, give notice of the preference provided in 39-29-102.

(2) A job applicant who believes that the applicant is eligible to receive a preference shall claim the preference in writing before the time for filing applications for the position involved has passed. Failure to make a timely preference claim for a position is a complete defense to an action instituted by an applicant under 39-29-104 with regard to that position.

(3) If an applicant for a position makes a timely written preference claim, the public employer shall give written notice of its hiring decision to the applicant claiming preference.

History: En. Sec. 3, Ch. 646, L. 1989; amd. Sec. 2, Ch. 168, L. 1999.

39-29-104. Enforcement of preference. (1) An applicant who believes that the applicant is entitled to but has not been given the preference provided in 39-29-102 may, within 30 days of receipt of the notice of the hiring decision provided for in 39-29-103, submit to the public employer a written request for an explanation of the public employer's hiring decision. Within 15 days of receipt of the request, the public employer shall give the applicant a written explanation.

(2) After following the procedure described in subsection (1), the applicant may, within 90 days after receipt of notice of the hiring decision, file a petition in the district court in the county in which the application was received by the public employer. The petition must state facts that on their face entitle the applicant to a preference.

(3) (a) Upon filing of the petition, the court shall order the public employer to appear in court at a specified time not less than 5 or more than 10 days after the day the petition was filed and show cause why the applicant was not hired for the position. At the hearing, the public

employer has the burden of proving by a preponderance of the evidence that the public employer applied the preference under 39-29-102 and made a reasonable hiring decision. The applicant has the burden of proving by a preponderance of the evidence that the applicant is a preference-eligible applicant.

(b) The time to appear provided in subsection (3)(a) may be waived by stipulation of the parties. If a time to appear has been specified pursuant to subsection (3)(a), the court may, on motion of one of the parties or on stipulation of all of the parties, grant a continuance.

(c) If the public employer does not carry its burden of proof under subsection (3)(a) and the court finds that the applicant is a preference-eligible applicant, the court shall order the public employer to comply with the provisions of 39-29-102. In addition, the court shall, upon proper proof, grant an award of backpay, reasonable attorney fees, and costs.

(4) Failure of an applicant to file a petition under subsection (2) within 90 days bars the filing of a petition. If a public employer fails to provide an explanation under subsection (1) within 15 days and a petition is filed under subsection (2), the court shall order the public employer to comply with the provisions of 39-29-102.

(5) The Montana Rules of Civil Procedure apply to a proceeding under this section to the extent that they do not conflict with this section.

History: En. Sec. 4, Ch. 646, L. 1989; amd. Sec. 3, Ch. 168, L. 1999.

39-29-105 through 39-29-110 reserved.

39-29-111. Retention during reduction in force. (1) Subject to the restrictions in subsections (2) and (3), during a reduction in force, a public employer shall retain in a position:

(a) a veteran, disabled veteran, or eligible relative whose performance has not been rated unacceptable under a performance appraisal system over other employees with similar job duties and qualifications and same length of service; and

(b) a disabled veteran with a service-connected disability of 30% or more whose performance has not been rated unacceptable under a performance appraisal system over other veterans, disabled veterans, and eligible relatives with similar job duties and qualifications and same length of service.

(2) An employee is not entitled to preference in retention under subsection (1) unless the employee is a United States citizen.

(3) The preference in retention under subsection (1) does not apply to a position covered by a collective bargaining agreement.

History: En. Sec. 5, Ch. 646, L. 1989; amd. Sec. 1508, Ch. 56, L. 2009.

39-30-206. Notice and claim of preference. (1) A public employer shall, by posting or on the application form, give notice of the preferences that this chapter provides in public employment.

(2) A job applicant who believes that the applicant has an employment preference shall claim the preference in writing before the time for filing applications for the position involved has passed. Failure to make a timely employment preference claim for a position is a complete defense to an action in regard to that position under 39-30-207.

(3) If an applicant for a position makes a timely written employment preference claim, the public employer shall give written notice of its hiring decision to each applicant claiming preference.

39-30-207. Enforcement of preference. (1) An applicant who believes that the applicant has not been accorded the applicant's rights under this chapter may, within 30 days of receipt of the notice of the hiring decision provided for in 39-30-206, submit to the public employer a written request for an explanation of the public employer's hiring decision. Within 15 days of receipt of the request, the public employer shall give the applicant a written explanation.

(2) The applicant may, within 90 days after receipt of notice of the hiring decision, file a petition in the district court in the county in which the applicant's application was received by the public employer. The petition must state facts that on their face entitle the applicant to an employment preference.

(3) (a) Upon filing of the petition, the court shall order the public employer to appear in court at a specified time not less than 10 or more than 30 days after the day the petition was filed and show cause why the applicant was not hired for the position. At the hearing, the public employer has the burden of proving by a preponderance of the evidence that the employer made a reasonable determination pursuant to 39-30-103(7), and the applicant has the burden of proving by a preponderance of the evidence that the applicant is a preference-eligible applicant.

(b) The time to appear provided in subsection (3)(a) may be waived by stipulation of the parties. If a time to appear has been specified pursuant to subsection (3)(a), the court may, on motion of one of the parties or on stipulation of all of the parties, grant a continuance.

(c) If the public employer does not carry its burden of proof under subsection (3)(a) and the court finds that the applicant is a preference-eligible applicant, the court shall order the public employer to reopen the selection process for the position involved and shall grant the applicant reasonable attorney fees and court costs. The remedy provided by this section is the only remedy for a violation of this chapter, and a court may not grant any other relief in an action for violation of this chapter.

(4) Failure of an applicant to file a petition under subsection (2) within 90 days bars the filing of a petition. If a public employer fails to provide an explanation under subsection (1) within 15 days and a petition is filed under subsection (2), the court shall order the public employer to reopen the selection process.

(5) The Montana Rules of Civil Procedure apply to a proceeding under this section to the extent that they do not conflict with this section.

Public employees shall have and shall be protected in the exercise of the right of self-organization, to form, join, or assist any labor organization, to bargain collectively through representatives of their own choosing on questions of wages, hours, fringe benefits, and other conditions of employment, and to engage in other concerted activities for the purpose of collective bargaining or other mutual aid or protection free from interference, restraint, or coercion.

History: **En. Sec. 3, Ch. 441, L. 1973; amd. Sec. 1, Ch. 244, L. 1974; R.C.M. 1947, 59-1603(1).**

39-31-202. Board to determine appropriate bargaining unit — factors to be considered. (1) In order to ensure employees the fullest freedom in exercising the rights guaranteed by this chapter, the board or an agent of the board shall decide the unit appropriate for the purpose of collective bargaining and shall consider such factors as community of interest, wages, hours, fringe benefits, and other working conditions of the employees involved, the history of collective bargaining, common supervision, common personnel policies, extent of integration of work functions and interchange among employees affected, and the desires of the employees.

(2) If a state agency or facility of a state agency is reorganized to the extent that the reorganization results in substantial changes to the factors listed in subsection (1), the public employer representative, as provided in 39-31-301, may petition the board to make a new determination of the appropriate unit for the purpose of collective bargaining. In making this determination, the board shall take into account the consequences of the reorganization on each position in the affected agency or facility.

(3) Unless the board has received a petition, as provided in 39-31-207, to consider a collective bargaining unit that was not designated as an appropriate unit prior to the reorganization described in subsection (2), the board may not consider any labor organization that was not designated to represent employees of the affected agency or facility at the time that the reorganization became effective.

(1) A public employee who is a member of a bona fide religious sect or division of a sect, the established and traditional tenets or teachings of which oppose a requirement that a member of the sect or division join or financially support a particular or any labor organization, may not be required to join or financially support that particular labor organization or any labor organization if the tenets or teachings oppose a requirement that any labor organization be joined or supported as a condition of employment. However, the public employee shall pay in lieu of periodic union dues, initiation fees, and assessments, at the same time or times the periodic union dues, initiation fees, and assessments would otherwise be payable, a sum of money equivalent to the periodic union dues, initiation fees, and assessments to a nonreligious, nonunion charity designated by the labor organization. The public employee shall furnish to the labor organization written receipts evidencing the payments, and failure to make the payments or furnish the receipts subjects the employee to the same sanctions as would nonpayment of dues, initiation fees, or assessments under the applicable collective bargaining agreement.

(2) A public employee desiring to exercise the right of nonassociation with a labor organization as provided in this section shall make written application to the presiding officer of the board of personnel appeals. Within 10 days of the date of receipt of an application, the presiding officer shall appoint a committee of three consisting of a member of the clergy not connected with the sect in question, a labor union official not directly connected with the labor organization in question, and a member of the public at large who is the presiding officer. The committee shall within 10 days of the date of its appointment meet at the locale of either the employee's residence or place of employment and, after receiving written or oral presentations from all interested parties, determine by a majority vote whether or not the public employee qualifies for the right of nonassociation with the labor organization. (1) If the board or an agent of the board, in the hearing provided for in 39-31-207, finds that there is a question of representation, it shall direct an election by secret ballot to determine whether and by which labor organization the employees desire to be represented or whether they desire to have no labor organization represent them and shall certify the results thereof.

(2) Only those labor organizations which have been designated by more than 10% of the employees in the unit found to be appropriate shall be placed on the ballot.

(3) The board or an agent of the board shall determine who is eligible to vote in the election and shall establish rules governing the election.

(4) Unless the majority vote is for no representation by a labor organization and in any election where none of the choices for a representative on the ballot receives a majority, a runoff election shall be conducted, the ballot providing for selection between the two choices receiving the largest and the second largest number of valid votes cast in the election.

(5) A labor organization which receives the majority of the votes cast in an election shall be certified by the board as the exclusive representative.

39-31-305. Duty to bargain collectively — good faith. (1) The public employer and the exclusive representative, through appropriate officials or their representatives, have the authority and the duty to bargain collectively. This duty extends to the obligation to bargain collectively in good faith as set forth in subsection (2).

(2) For the purpose of this chapter, to bargain collectively is the performance of the mutual obligation of the public employer or the public employer's designated representatives and the representatives of the exclusive representative to meet at reasonable times and negotiate in good faith with respect to wages, hours, fringe benefits, and other conditions of employment or the negotiation of an agreement or any question arising under an agreement and the execution of a written contract incorporating any agreement reached. The obligation does not compel either party to agree to a proposal or require the making of a concession.

(3) For purposes of state government only, the requirement of negotiating in good faith may be met by the submission of a negotiated settlement to the legislature in the executive budget or by bill or joint resolution. The failure to reach a negotiated settlement for submission is not, by itself, prima facie evidence of a failure to negotiate in good faith.

39-31-306. Collective bargaining agreements. (1) An agreement reached by the public employer and the exclusive representative must be reduced to writing and must be executed by both parties.

(2) Except as provided in subsection (5), an agreement may contain a grievance procedure culminating in final and binding arbitration of unresolved grievances and disputed interpretations of agreements.

(3) An agreement between the public employer and a labor organization must be valid and enforced under its terms when entered into in accordance with the provisions of this chapter and signed by the chief executive officer of the state or political subdivision or commissioner of higher education or by a representative. A publication of the agreement is not required to make it effective.

(4) The procedure for the making of an agreement between the state or political subdivision and a labor organization provided by this chapter is the exclusive method of making a valid agreement for public employees represented by a labor organization.

(5) An agreement to which a school is a party must contain a grievance procedure culminating in final and binding arbitration of unresolved and disputed interpretations of agreements. The aggrieved party may have the grievance or disputed interpretation of the agreement resolved either by final and binding arbitration or by any other available legal method and forum, but not by both. After a grievance has been submitted to arbitration, the grievant and the exclusive representative waive any right to pursue against the school an action or complaint that seeks the same remedy. If a grievant or the exclusive representative files a complaint or other action against the school, arbitration seeking the same remedy may not be filed or pursued under this section.

39-31-307. Mediation of disputes. If, after a reasonable period of negotiation over the terms of an agreement or upon expiration of an existing collective bargaining agreement, a dispute concerning the collective bargaining agreement exists between the public employer and a labor organization, the parties shall request mediation.

History: **En. Sec. 14, Ch. 441, L. 1973; amd. Sec. 1, Ch. 18, L. 1975; R.C.M. 1947, 59-1614(1).**

39-31-308. Initiation of factfinding — designation of fact finder. (1) If, upon expiration of an existing collective bargaining agreement or 30 days following certification or recognition of an exclusive representative, a dispute concerning the collective bargaining agreement exists between the employer and the exclusive representative, either party may petition the board to initiate factfinding.

(2) Within 3 days of receipt of such petition, the board shall submit to the parties a list of five qualified, disinterested persons from which the parties shall alternate in striking two names. The remaining person shall be designated fact finder. This process shall be completed within 5 days of receipt of the list. The parties shall notify the board of the designated fact finder.

(3) If no request for factfinding is made by either party before the expiration of the agreement or 30 days following certification or recognition of an exclusive representative, the board may initiate factfinding as provided for in subsection (2) above.

History: **En. Sec. 14, Ch. 441, L. 1973; amd. Sec. 1, Ch. 18, L. 1975; R.C.M. 1947, 59-1614(2) thru (4).**

39-31-309. Factfinding proceedings. (1) The fact finder shall immediately establish dates and place of hearings.

(2) The public employer and the exclusive representative are the only proper parties to factfinding proceedings.

(3) Upon request of either party or the fact finder, the board shall issue subpoenas for hearings conducted by the fact finder. The fact finder may administer oaths.

(4) Upon completion of the hearings, but no later than 20 days from the date of appointment, the fact finder shall make written findings of facts and recommendations for resolution of the dispute and shall serve the findings on the public employer and the exclusive representative. The fact finder may make this report public 5 days after it is submitted to the parties. If the dispute is not resolved 15 days after the report is submitted to the parties, the report must be made public.

(5) When a party petitions the board to initiate factfinding, the cost of factfinding proceedings must be equally borne by the parties. When the board initiates factfinding, the cost of factfinding proceedings must be equally borne by the board and the parties.

(6) Nothing in 39-31-307 through 39-31-310 prohibits the fact finder from endeavoring to mediate the dispute in which the fact finder has been selected or appointed.

History: En. Sec. 14, Ch. 441, L. 1973; amd. Sec. 1, Ch. 18, L. 1975; R.C.M. 1947, 59-1614(5) thru (8); amd. Sec. 33, Ch. 397, L. 1979; amd. Sec. 10, Ch. 90, L. 1995.

39-31-310. Submission of issues to arbitration. Nothing in 39-31-307 through 39-31-310 prohibits the parties from voluntarily agreeing to submit any or all of the issues to final and binding arbitration, and if such agreement is reached, the arbitration shall supersede the factfinding procedures set forth in those sections. An agreement to arbitrate and the award issued in accordance with such agreement shall be enforceable in the same manner as is provided in this chapter for enforcement of collective bargaining agreements.

History: En. Sec. 14, Ch. 441, L. 1973; amd. Sec. 1, Ch. 18, L. 1975; R.C.M. 1947, 59-1614(9).

39-31-401. Unfair labor practices of public employer. It is an unfair labor practice for a public employer to:

(1) interfere with, restrain, or coerce employees in the exercise of the rights guaranteed in 39-31-201;

(2) dominate, interfere, or assist in the formation or administration of any labor organization. However, subject to rules adopted by the board under 39-31-104, an employer is not prohibited from permitting employees to confer with the employer during working hours without loss of time or pay.

(3) discriminate in regard to hire or tenure of employment or any term or condition of employment in order to encourage or discourage membership in any labor organization. However, nothing in this chapter or in any other statute of this state precludes a public employer from making an agreement with an exclusive representative to require, as a condition of employment, that an employee who is not or does not become a union member must have an amount equal to the union initiation fee and monthly dues deducted from the employee's wages in the same manner as checkoff of union dues.

(4) discharge or otherwise discriminate against an employee because the employee has signed or filed an affidavit, petition, or complaint or given any information or testimony under this chapter; or

(5) refuse to bargain collectively in good faith with an exclusive representative.

(a) employees in the exercise of the right guaranteed in 39-31-201; or

(b) a public employer in the selection of a representative for the purpose of collective bargaining or the adjustment of grievances;

39-31-405. Unfair labor practice complaint — investigation — notice of hearing — service — answer. (1) Whenever a complaint is filed alleging that any person has engaged in or is engaging in any such unfair labor practice, the board shall issue and cause to be served upon the person a copy of the complaint and provide the person with an opportunity to respond to all charges. After receipt of responses from the charged party, an agent designated by the board for such purposes shall investigate the alleged unfair labor practice.

(2) If, after the investigation, the agent designated by the board determines that the charge is without probable merit, the board shall issue and cause to be served upon the complaining party and the person being charged notice of its intention to dismiss the complaint. The dismissal becomes a final order of the board unless either party requests a review of the decision to dismiss the complaint. The request for a review must be made in writing within 10 days of receipt of the notice of intention to dismiss. If a review is requested, the board may uphold its decision to dismiss the complaint or, pursuant to subsection (3), schedule a hearing on the merits. If the board upholds its decision to dismiss the complaint, the dismissal becomes a final order of the board.

(3) If after the investigation or after the review provided for in subsection (2), the board determines that there is probable merit for the charge, the board shall issue and cause to be served upon the complaining party and the party charged a notice of hearing before the board, a member thereof, or before a designated agent at a time and place therein fixed, not less than 5 working days after the date of service.

(4) If a hearing is to be held, the person against whom the charge is filed shall file an answer to the complaint.

(5) Each party to an unfair labor practice proceeding has the right to disqualify, without cause, the hearing examiner designated by the board to hear the complaint. The right may be

exercised only once by each party and must be exercised within 5 days from the time a party is notified by the board of the hearing examiner designated to hear the matter. The exercise of this right is in addition to any rights a party has to disqualify a hearing examiner under 2-4-611.

39-31-406. Hearing on complaint — findings — order. (1) The complainant and the person charged must be parties and shall appear in person or otherwise give testimony at the place and time fixed in the notice of hearing. In the discretion of the board or its agent conducting the hearing, any other person may be allowed to intervene in the proceeding and present testimony.

(2) In a hearing, the board is not bound by the rules of evidence prevailing in the courts.

(3) The testimony taken by the board or its agent must be reduced to writing and filed with the board. Thereafter, in its discretion, the board upon notice may take further testimony or hear argument.

(4) If, upon the preponderance of the testimony taken, the board is of the opinion that any person named in the complaint has engaged in or is engaging in an unfair labor practice, it shall state its findings of fact and shall issue and cause to be served on the person an order requiring the person to cease and desist from the unfair labor practice and to take affirmative action, including reinstatement of employees with or without backpay, that will effectuate the policies of this chapter. The order may further require the person to make reports from time to time showing the extent to which the person has complied with the order. An order of the board may not require the reinstatement of an individual as an employee who has been suspended or discharged or the payment to the employee of any backpay if it is found that the individual was suspended or discharged for cause.

(5) If, upon the preponderance of the testimony taken, the board is not of the opinion that the person named in the complaint has engaged in or is engaging in the unfair labor practice, then the board shall state its findings of fact and shall issue an order dismissing the complaint.

(6) If the evidence is presented before a member of the board or before an examiner, the member or the examiner shall issue and cause to be served on the parties to the proceeding a proposed decision, together with a recommended order, which must be filed with the board, and if exceptions are not filed within 20 days after service of the proposed decision and recommended order upon the parties or within a further period that the board may authorize, the recommended order becomes the order of the board. The board shall issue a final order within 5 months after final briefs are submitted to the hearings officer. If briefs are to be submitted but either or both of the parties fail to submit their brief on the date set by the hearings examiner at the close of the hearing on the matter, then the board shall issue a final order within 5 months after the date the last brief was ordered to be submitted. If no briefs are to be submitted, the board shall issue a final order within 5 months after the hearing.

39-31-409. Court enforcement and review of board order. (1) The board or the complaining party may petition for the enforcement of the order of the board and for appropriate temporary relief or a restraining order and shall file in the district court at its own expense the record in the proceedings.

(2) Upon the filing of the petition, the district court shall have jurisdiction of the proceeding. Thereafter, the district court shall set the matter for hearing and shall order the party charged to be served with notice of hearing at least 20 days before the date set for hearing.

(3) No objection that has not been raised before the board shall be considered by the court unless the failure or neglect to raise the objection is excused because of extraordinary circumstances.

(4) The findings of the board with respect to questions of fact, if supported by substantial evidence on the record considered as a whole, shall be conclusive.

(5) If either party applies to the court for leave to present additional evidence and shows to the satisfaction of the court that the additional evidence is material and that there were reasonable grounds for the failure to present it in the hearing before the board, the court may order the additional evidence to be taken before the board and to be made part of the record. The board may modify its findings as to the facts or make new findings by reason of additional evidence so taken and filed, and it shall file the modifying or new findings with the district court.

(6) After the hearing, the district court shall issue its order granting such temporary or permanent relief or restraining order as it considers just and proper, enforcing as so modified or setting aside, in whole or in part, the order of the board. Any order of the district court shall be subject to review by the supreme court in accordance with rules of civil procedure.

(7) The commencement of proceedings under subsections (1) through (6) of this section shall not, unless specifically ordered by the court, operate as a stay of the board's order.

Police Officers — Strikes Prohibited — Binding Arbitration

39-31-501. Strikes by police officers prohibited. (1) It is unlawful for a police officer to strike or recognize a picket line of a labor organization while in the performance of official duties.

(2) (a) As used in this section, "strike" means an action listed in subsection (2)(b), in concerted action with others, for the purpose of inducing, influencing, or coercing a change in the conditions of employment, compensation, rights, privileges, or obligations of employment of a police officer.

(b) A police officer may not engage in the following actions in concert with others:
(i) refusal to report for duty;
(ii) willful absence from the police officer's position;
(iii) stoppage of work; or
(iv) departure from the full, faithful, or proper performance of duties of employment.

History: En. Sec. 1, Ch. 225, L. 2005.

39-31-502. Mediation of disputes. (1) If after a 150-calendar-day period of good faith negotiation over the terms of an agreement or 150 days after certification or recognition of an exclusive representative an agreement has not been signed, either or both of the parties may notify the board of personnel appeals of the status of the negotiations and of the need for a mediator. The parties may agree to request a mediator before the end of the 150-day period. The 150-day period begins when the parties meet for the first bargaining session and each party has received the other party's initial proposal. Upon receipt of the notification, the board of personnel appeals shall appoint a mediator and notify the parties of the appointment.

(2) (a) After 15 days of mediation, either party may declare an impasse. The mediator may declare an impasse at any time during the mediation process. Written notification of an impasse must be filed with the board of personnel appeals.

(b) Within 7 days of the declaration of an impasse, each party shall submit to the mediator the final written offer of the party, including a cost summary of the offer. Within 7 days of receipt of the final offers, the mediator shall make public the final offers, including any proposed contract language and each party's cost summary addressing those issues on which the parties have failed to reach an agreement. Each party's proposed contract language must be titled "Final Offer".

(c) Within 30 days after the mediator makes public the parties' final offers, the parties may agree to and, upon agreement, shall jointly petition the board of personnel appeals to appoint a fact finder. The fact finder must be appointed as provided in 39-31-308(2).

(d) If an agreement is not reached within 30 days after the mediator makes the final offers public or, if the parties participated in fact finding, within 30 days after the receipt of the fact finder's report, either party may petition the board of personnel appeals for binding arbitration. The petition must include a copy of each party's final offer, as provided in subsection (2)(b).

History: En. Sec. 2, Ch. 225, L. 2005.

39-31-503. Binding arbitration — policy. (1) It is the policy of the state that because the right of police officers to strike is prohibited by 39-31-501, it is necessary to the high morale of police officers and to the efficient operation of police departments to provide an alternative, expeditious, and effective procedure for the resolution of labor disputes through binding arbitration.

(2) Binding arbitration must be scheduled by mutual agreement no earlier than 30 days following the submission of the petition seeking binding arbitration under 39-31-502(2)(d).

History: En. Sec. 3, Ch. 225, L. 2005.

39-31-504. Selection of arbitrator — procedure — cost-sharing. (1) (a) After receipt of the petition to arbitrate under 39-31-502(2)(d), the board of personnel appeals shall submit a list of five qualified, disinterested, and unbiased individuals to the parties. Each party shall alternately strike two names from the list. The order of striking names must be determined by a coin toss. The remaining individual is the arbitrator.

(b) If the parties have not designated the arbitrator and notified the board of personnel appeals of their choice within 5 days of receipt of the list, the board of personnel appeals shall appoint the arbitrator from the names on the list. However, if one of the parties strikes names from the list, as provided in subsection (1)(a), the board of personnel appeals shall appoint the arbitrator from the names remaining on the list.

(2) The arbitrator shall establish the dates, times, and places of hearings. The arbitrator may issue subpoenas. Within 14 calendar days prior to the date of a hearing, each party shall submit to the other party a written last best offer package on all unresolved mandatory subjects. The last best offer package may not be changed. The arbitrator may administer oaths and shall afford the parties the opportunity to examine and cross-examine all witnesses and to present evidence relevant to the dispute.

(3) The arbitrator shall decide the unresolved mandatory subjects contained in the last best offer package. The arbitrator shall base findings and opinions on the criteria listed in subsections (3)(a) through (3)(h). Primary consideration must be given to the criteria in subsection (3)(a). The criteria are:

(a) the interest and welfare of the public;

(b) the reasonable financial ability of the unit of government to meet the costs of the proposed contract, giving consideration and weight to the other services provided by the unit of government, as determined by the governing body of the unit of government;

(c) the ability of the unit of government to attract and retain qualified personnel at the wage and benefit levels provided;

(d) the overall compensation presently received by the police officers, including direct wage compensation, holiday pay, other paid excused time, insurance, and all other direct or indirect monetary benefits;

(e) comparison of the overall compensation of other police officers in comparable communities with similar populations in Montana and contiguous states;

(f) inflation as measured by the consumer price index, U.S. city average, commonly known as the cost of living;

(g) the stipulations of the parties; and

(h) other factors, consistent with subsections (3)(a) through (3)(g), that are traditionally taken into consideration in the determination of wages, hours, and other terms and conditions of employment. However, the arbitrator may not use other factors if, in the judgment of the arbitrator, the factors listed in subsections (3)(a) through (3)(g) provide a sufficient basis for an award.

(4) Within 30 days after the conclusion of the hearings or an additional period agreed upon by the parties, the arbitrator shall select only one of the last best offer packages submitted by the parties and shall make written findings along with an opinion and order. The opinion and order must be served on the parties and the board of personnel appeals. Service may be made by personal delivery or by certified mail. The findings, opinion, and order must be based upon the criteria listed in subsection (3).

(5) The cost of arbitration must be borne equally by the parties.

History: En. Sec. 4, Ch. 225, L. 2005.

39-31-505. Arbitration decision final. Subject to Title 27, chapter 5, part 3, the decision of the arbitrator is final and is binding on the parties, and the board of personnel appeals shall issue an order containing the decision. Refusal or failure to comply with any provision of a final and binding arbitration award is an unfair labor practice. An order issued by the board of personnel appeals pursuant to this section may be enforced by either party or the board of personnel appeals in the district court for any county in which the dispute arose.

Part 1
General Provisions

39-51-101. Short title. This chapter shall be known and may be cited as the "Unemployment Insurance Law".

History: **En. Sec. 1, Ch. 137, L. 1937; R.C.M. 1947, 87-101; amd. Sec. 1, Ch. 57, L. 1979.**

39-51-102. Declaration of state public policy. As a guide to the interpretation and application of this chapter, the public policy of this state is declared to be as follows:

(1) Economic insecurity because of unemployment is a serious menace to the health, morals, and welfare of the people of this state.

(2) Involuntary unemployment is, therefore, a subject of general interest and concern that requires appropriate action by the legislature to prevent its spread and to lighten its burden that now so often falls with crushing force upon the unemployed worker and the worker's family. The achievement of social security requires protection against this greatest hazard of our economic life. This can be provided by encouraging employers to provide more stable employment and by the systematic accumulation of funds during periods of employment to provide benefits for periods of unemployment, thus maintaining purchasing power and limiting the serious social consequences of poor relief assistance.

(3) The legislature, therefore, declares that in its considered judgment the public good and the general welfare of the citizens of this state require the enactment of this chapter under the police powers of the state for the compulsory setting aside of unemployment reserves to be used for the benefit of persons unemployed through no fault of their own.

History: En. Sec. 2, Ch. 137, L. 1937; R.C.M. 1947, 87-102; amd. Sec. 1525, Ch. 56, L. 2009.

(1) Benefits shall be deemed to be due and payable under this chapter only to the extent provided in this chapter and to the extent that moneys are available therefor to the credit of the unemployment insurance fund, and neither the state nor the department shall be liable for any amount in excess of such sums.

(2) The legislature reserves the right to amend or repeal all or any part of this chapter at any time and there shall be no vested private right of any kind against such amendment or repeal. All the rights, privileges, or immunities conferred by this chapter or by acts done pursuant thereto shall exist subject to the power of the legislature to amend or repeal this chapter at any time.

Amendment effective July 1, 2009.

39-51-1122. Treatment of minor irregularities in determination of eligible employer status. For the purpose of determining if a covered employer is an eligible employer, delinquencies of a minor nature may be disregarded if it is shown to the satisfaction of the department that the covered employer acted in good faith and that forfeiture of a reduced contribution rate because of such minor delinquency would be inequitable.

History: En. Sec. 3, Ch. 685, L. 1979; amd. Sec. 1, Ch. 349, L. 1981.

39-51-1123. Rates of contributions. All covered employers, except governmental entities and those qualified and electing to make payments in lieu of contributions, shall pay contributions at rates assigned annually by the department.

History: En. Sec. 4, Ch. 685, L. 1979; amd. Sec. 1, Ch. 349, L. 1981.

39-51-1124. Procedure for election to make payments in lieu of contributions. (1) Any nonprofit organization defined in 39-51-1103, tribal unit, or governmental entity electing to become liable for payments in lieu of contributions shall file a written notice of its election with the department not later than 30 days immediately following the date of the determination of subjectivity to this chapter. This election must be for a period of not less than 2 years.

(2) Any nonprofit organization defined in 39-51-1103, tribal unit, or governmental entity that has been paying contributions for at least 2 tax years may change to payments in lieu of contributions by filing a written notice to that effect with the department within 30 days before the beginning of the tax year for which the change is effective.

History: En. Sec. 5, Ch. 685, L. 1979; amd. Sec. 1, Ch. 349, L. 1981; amd. Sec. 5, Ch. 200, L. 2001.

39-51-1125. Computation of payments in lieu of contributions. (1) Employers electing to make payments in lieu of contributions under 39-51-1103 shall pay into the fund an amount equivalent to the full amount of regular benefits plus the state's share of extended benefits paid to individuals based on wages paid by the employing unit. Governmental entities shall pay the full amount of extended benefits.

(2) When the base period wages of an individual include wages from more than one employer, the amount to be paid into the fund with respect to the benefits paid to the individual must be prorated among the liable employers in proportion to the wages paid to the individual by each employer during the base period.

(3) The amount of payment required from employers must be ascertained by the department monthly and becomes due and payable by the employer quarterly as directed in this chapter. Penalty and interest for delinquency must be assessed to employers as specified in 39-51-1301.

(4) A payment may not be required under this section with respect to benefits paid to an individual if the qualified employer continues to provide employment to the individual without a reduction in hours or wages.

History: En. Sec. 6, Ch. 685, L. 1979; amd. Sec. 1, Ch. 349, L. 1981; amd. Sec. 8, Ch. 234, L. 1987; amd. Sec. 21, Ch. 373, L. 1991; amd. Sec. 13, Ch. 25, L. 2009.

2009 Amendment: Chapter 25 in (1) at beginning of first sentence deleted "After June 30, 1987, qualified", after "contributions" inserted "under 39-51-1103", and at beginning of second sentence deleted "After December 31, 1978"; deleted former (2) that read: "If benefits paid an individual are based on wages paid by both the employer and one or more other employers, the amount payable by any one employer to the fund bears the same ratio to total benefits paid to the individual as the base period wages paid to the individual by such employer bear to the total amount of base period wages paid to the individual by all the individual's base period employers"; and made minor changes in style. Amendment effective July 1, 2009.

39-51-1126. Termination of election to make payments in lieu of contributions. (1) Any nonprofit organization, tribal unit, or governmental entity may terminate its election to make payments in lieu of contributions after 2 years from the effective date of an election by filing a written notice with the department not later than 30 days prior to the beginning of the tax year for which the termination is effective.

39-51-1132. Liability of tribal units — cancellation for failure to make payments. (1) Each tribal unit of an Indian tribe is jointly and severally liable for all contributions or payments in lieu of contributions, including those under subsection (2), owed by any other tribal unit of the same Indian tribe.

(2) (a) An Indian tribe and its tribal units that make contributions are liable for reimbursing the department for 50% of any extended benefits paid pursuant to Title 39, chapter 51, part 25, that are chargeable to the account of the Indian tribe or one of its tribal units.

(b) An Indian tribe and its tribal units that elect to make payments in lieu of contributions are liable for reimbursing the department for 100% of any extended benefits paid pursuant to Title 39, chapter 51, part 25, that are chargeable to the account of the Indian tribe or one of its tribal units.

(3) (a) The failure of an Indian tribe or any of its tribal units to make the required payments under this chapter within 90 days of being given notice that the Indian tribe or tribal unit is delinquent in payment cancels the participation of the Indian tribe and all of its tribal units in the unemployment insurance program provided by this chapter and removes service provided to the Indian tribe and all of its tribal units from being considered as employment, within the meaning of 39-51-203.

(b) Payment in full of amounts that have been delinquent for more than 90 days reinstate the participation of the Indian tribe and its tribal units in Montana's unemployment insurance system, and service to the Indian tribe and its tribal units once again is considered to be employment within the meaning of 39-51-203. However, upon reinstatement, the Indian tribe and all of its tribal units no longer have the option of electing to make payments in lieu of contributions and, pursuant to 39-51-1126, are required to make contributions as provided in this chapter.

39-51-1206. Department to provide for notification of employers of their classification and contribution rate. (1) The department shall by rule provide for the proper notification of employers of the classification and rate of contribution applicable to their accounts. Except as provided in subsection (2), the notification is final for all purposes unless the employer files a written request with the department for a redetermination or hearing on the classification and rate of contribution within 30 days after the mailing date of the notice. The department may extend the 30-day period for good cause.

(2) The department may make changes in classification and rate of contribution upon an oral request for redetermination from the employer if the department finds that the department has made an error.

History: En. 39-51-1211 by Code Commissioner, 1979.

39-51-1212. Experience rating for governmental entities. (1) The rates of governmental entities who have accumulated experience rating credits must be adjusted annually as follows with each governmental entity assigned a rate based upon:

(a) its benefit cost experience, to be arrived at by dividing the total sum of benefits charged to the employer's account for all past periods that are completed transactions by December 31 by total wages from date of subjectivity of the employing unit through December 31; and

(b) the benefit cost for all past years of governmental entities electing to pay contributions compared with total payrolls reported for all past years by these governmental entities used as a median, with the rates fixed using the median so that the rates will, when applied to the total annual payroll for subject governmental entities, yield total paid contributions equaling approximately the total benefit costs.

(2) New governmental entities electing to pay contributions must be assigned the median rate for the year in which they become subject.

(3) The minimum rate may not be less than 0.06% and the maximum rate may not be greater than 1.5%. The rates are to be graduated at one-tenth intervals.

(4) If benefit charges exceed contributions paid in the last 2 completed state fiscal years, governmental entities' rates must be adjusted by increasing all rates to the next higher schedule.

(5) The computed rate is effective July 1 of each year.

(6) Governmental entities must be charged for their share of the total benefits paid to a claimant if the governmental entity contributed wages during the claimant's base period. The benefit charged must be based on the percentage of wages paid by the governmental entity as compared to the total wages paid by all employers in the claimant's base period.

(7) A payment may not be required under this section with respect to benefits paid to an individual if the governmental employer continues to provide employment to the individual without a reduction in hours or wages.

2009 Amendment: Chapter 25 deleted former (1) that read: "Governmental entities covered under this chapter shall make payments at the median rate"; in (4) near middle after "completed" inserted "state"; and made minor changes in style. Amendment effective July 1, 2009.

39-51-1213. Classification of employers for experience rating purposes. (1) The department shall for each calendar year classify employers in accordance with their actual experience in the payment of contributions and with respect to benefits charged against their accounts, with contribution rates reflecting benefit experience. Each employer's rate for a calendar year must be determined on the basis of the employer's record as of October 1 of the preceding calendar year.

(2) In making the classification, each eligible and deficit employer's contribution rate is determined in the manner set forth below:

(a) Each employer is given an "experience factor", which is contributions paid since October 1, 1981, minus benefits charged on each employer's account since October 1, 1981, divided by the employer's average annual taxable payroll rounded to the next lower dollar amount for the 3 federal fiscal years immediately preceding the computation date. The computation of the "experience factor" must be to six decimal places.

(b) Schedules must be prepared listing all eligible and deficit employers in inverse numerical order of their experience factors. There must be listed on the schedules for each employer in addition to the experience factor:

(i) the amount of the employer's taxable payroll for the federal fiscal year ending on the computation date; and

(ii) the cumulative total consisting of the sum of the employer's taxable payroll for the federal fiscal year ending on the computation date and the corresponding taxable payrolls for all other employers preceding that employer on the schedules.

(3) The cumulative taxable payroll amounts listed on the schedules provided for in 39-51-1218 must be segregated into groups that will yield approximately the average tax rate according to the tax schedule assigned for that particular taxable year. Each group must be identified by the rate class number listed in the table that represents the percentage limits of each group. Each employer on the schedules is assigned that contribution rate opposite that employer's rate class for the tax schedule in effect for the taxable year.

(4) (a) If the grouping of rate classes requires the inclusion of exactly one-half of an employer's taxable payroll, the employer is assigned the lower of the two rates designated for the two classes in which the halves of that employer's taxable payroll are required.

(b) If the group of rate classes requires the inclusion of a portion other than exactly one-half of an employer's taxable payroll, the employer is assigned the rate designated for the class in which the greater part of that employer's taxable payroll is required.

(c) If one or more employers on the schedules have experience factors identical to that of the last employer included in a particular rate class, those employers are included in and assigned the contribution rate specified for the class, notwithstanding the provisions of 39-51-1214.

(5) If the taxable payroll amount, the experience factor, or both of any eligible or deficit employer listed on the schedules is changed, the employer is placed in that position on the schedules that the employer would have occupied had that employer's taxable payroll amount or experience factor as changed been used in determining that employer's position in the first instance. However, the change does not affect the position or rate classification of any other employer listed on the schedules and does not affect the rate determination for previous years.

(6) An employer who has not filed all required payroll reports or paid all taxes, penalties, and interest due by the cutoff date must be assigned a contribution rate in effect for the taxable year for the employer's classification as an eligible, deficit, or new employer, plus an additional assessment of 50% of the employer's assigned contribution rate, rounded to the nearest 1/100 of 1%.

2009 Amendment: Chapter 25 in (2)(a) near middle substituted "3 federal fiscal years" for "3 fiscal years"; in (2)(b)(i) and (2)(b)(ii) substituted "federal fiscal year" for "fiscal year"; and made minor changes in style. Amendment effective July 1, 2009.

39-51-1214. Benefit payments chargeable to employer experience rating accounts. (1) Except for cost reimbursement, benefits paid must be charged to the account of each of the claimant's base period employers. The benefit charged must be based on the percentage of wages paid by the employer as compared to the total wages paid by all employers in the claimant's base period.

(2) A charge may not be made to the account of a covered employer with respect to benefits paid under the following situations:

(a) if paid to a worker who terminated services voluntarily without good cause attributable to a covered employer or who had been discharged for misconduct in connection with services;

(b) if paid in accordance with the extended benefit program triggered by either national or state indicators;

(c) if the base period employer continues to provide employment with no reduction in hours or wages;

(d) if benefits are paid to claimants who are in training approved under 39-51-2307;

(e) if the base period employer is ordered to military service, as defined in 10-1-1003; or

(f) if benefits are paid to an employee laid off as the result of the return to work of a permanent employee who:

(i) was called to military service, as defined in 10-1-1003; and

(ii) had completed 4 or more weeks of military service and exercised reemployment rights under Title 10, chapter 1, part 10.

39-51-1215. Maintenance of experience rating records. An experience rating record must be maintained for each covered employer. The record is credited with all contributions that the covered employer has paid since October 1, 1981. The record must also be charged with the amount of benefits paid that are chargeable to the covered employer's account since October 1, 1981. This section does not grant any covered employer or individual in the covered employer's service a priority with respect to any claim or right because of amounts paid by the covered employer into the employment security fund.

2009 Amendment: Chapter 56 made section gender neutral; and made minor changes in style. Amendment effective October 1, 2009.

39-51-1216. Experience rating record voided when account inactive. An employer who has not had covered employment or whose coverage has been terminated because the employer has ceased to do business for 5 consecutive years is considered a new employer and may not be credited with the employer's previous experience for the purpose of computing any future "experience factor".

History: **En. Sec. 13, Ch. 685, L. 1979; amd. Sec. 1531, Ch. 56, L. 2009; amd. Sec. 9, Ch. 88, L. 2009.**

2009 Amendments — Composite Section: Chapter 56 made section gender neutral; and made minor changes in style. Amendment effective October 1, 2009.

Chapter 88 near beginning after "employer" inserted "who has not had covered employment or", near middle after "business" substituted "for 5 consecutive years" for "or because he has not covered employment for a period of 3 years becomes a covered employer"; and made minor changes in style. Amendment effective July 1, 2009.

39-51-1217. Schedule of rates assigned based on trust fund reserve. (1) The rate schedule for each calendar year is assigned based upon the ratio of the trust fund balance as of October 31 prior to the rate year to total wages in covered employment for the 12-month period ending June 30 prior to the computation date.

(2) The ratio at the top of each tax schedule in the tax table shown in 39-51-1218 represents the minimum fund level required for a specific tax schedule to be in effect.

(3) Employer rates are assigned in accord with the rates provided in each schedule for eligible and deficit employers, based upon their experience as defined in this section.

(4) For the calendar year 1990 and each year thereafter, any employer classified as a new employer must be assigned a rate equal to the average rate of contributions paid by employers in the same major industrial classification for the calendar year preceding the computation date, plus an adjustment for the difference between the average tax rate assigned for the previous calendar year and the average rate in effect for the current calendar year. At no time may a new employer be assigned a rate lower than 1%. The computation of the average rate of contributions in a major industrial classification must exclude those employer accounts that are not eligible for the computation of an experience rating solely by reason of insufficient experience. The department shall develop the major industrial classifications for the state and shall annually determine the contribution rate for each classification.

39-51-1219. Procedures for substitution, merger, transfer, or acquisition of employer account by successor employing unit — prohibitions and penalties — definitions. (1) (a) If an employer in any manner succeeds to or acquires all or a portion of the trade or business of another employer or transfers all or a portion of the employer's trade or business to another employer and both employers are under substantially common ownership, management, or control at the time of the succession, acquisition, or transfer, the experience rating record attributable to the predecessor employer must be transferred to and combined with the experience rating record of the successor employer.

(b) In the case of a partial transfer of a trade or business, the portion of the experience rating record transferred from the predecessor employer to the successor employer must be based on the portion of the trade or business transferred. The portion must be determined in the same ratio as the payroll transferred to the successor employer in the 4 reported calendar quarters immediately preceding the date of the transfer.

(c) Whenever a transfer involves only a portion of the experience rating record and the predecessor employer or successor employer fails to supply the required payroll information to the department within 10 days after notification, the transfer must be based on estimates of the applicable payrolls.

(d) Any successor employer who was not an employer on the date of acquisition becomes a covered employer as of that date.

(e) A successor employer must be notified by the department in writing of the transfer of the experience rating record, and unless the successor employer appeals the transfer within 30 days of the date on which the notice was mailed, the successor employer's right to appeal the transfer is waived.

(2) (a) If an employer transfers, succeeds to, or acquires all or a portion of the trade or business of a covered employer and the employers are not under substantially common ownership, management, or control, the predecessor employer and the successor employer have the option to transfer the applicable portion of the experience rating record from the predecessor employer to the successor employer if that portion of the trade or business is continued by the successor employer.

(b) In order to make the transfer, a joint application for the transfer of the experience rating record must be made by the predecessor employer and the successor employer within 90 days of the acquisition and approval by the department.

(c) In the case of a complete transfer of the trade or business, all of the experience rating record of the predecessor employer is transferred to the successor employer.

(d) In the case of a partial transfer of the trade or business, the portion of the experience rating record transferred from the predecessor employer to the successor employer must be based on the portion of the trade or business transferred. This portion must be determined in the same ratio as the payroll transferred to the successor employer in the 4 reported calendar quarters immediately preceding the date of transfer.

(e) A successor employer who was not an employer on the date of acquisition becomes a covered employer as of that date.

(f) The 90-day period for filing the joint application may be extended at the discretion of the department.

(3) (a) If the successor employer was a covered employer prior to the date of the acquisition of all or a portion of the predecessor employer's trade or business and if:

(i) the employers are not under substantially common ownership, management, or control at the time of acquisition, the successor employer's rate of contribution, effective the first day of the calendar year immediately following the date of acquisition, is based on the combined experience of the predecessor employer and successor employer; or

(ii) the employers were under substantially common ownership, management, or control at the time of acquisition, the successor employer's experience rate must be combined with the predecessor employer's experience rate and must be recalculated and become effective at the beginning of the calendar quarter in which the acquisition occurred.

(b) If the successor employer was not a covered employer prior to the date of the acquisition of all or a portion of the predecessor employer's trade or business and the employers are not under substantially common ownership, management, or control, upon joint application by the employers, the successor employer's rate is the rate assigned to the predecessor employer as of the date of acquisition. If there was more than one predecessor employer, the successor employer's rate must be computed based on the combined experience of the predecessor employers and becomes effective immediately after the date of acquisition and remains in effect for the balance of the rate year.

(4) The transfer of all or part of an employer's workforce to another employer must be considered a transfer of a trade or business if, as a result of the workforce transfer, the transferring employer is not any longer performing the trade or business with respect to the transferred workforce and the trade or business is performed by the employer to which the workforce is transferred.

(5) (a) The experience rating record of a predecessor trade or business may not be transferred to a person acquiring the trade or business if:

(i) the person is not otherwise an employer at the time of the acquisition; and

(ii) the department finds that the person acquired the trade or business solely or primarily for the purpose of obtaining a lower rate of contributions.

(2) The department may assess penalties and interest under this section as follows:

(a) a penalty of $25 for the failure to file reports or make payments in a timely manner;

(b) in addition to the late penalty provided in subsection (2)(a), a penalty of $50 if the department issues a subpoena or makes a summary or jeopardy assessment, as provided in 39-51-1302, as the result of an employer's refusal or failure to provide requested information;

(c) in addition to the penalties in subsections (2)(a) and (2)(b), a penalty of $100 for failure to comply with a subpoena; and

39-51-1302. Summary or jeopardy assessment of unpaid taxes. (1) If an employer fails to file a report or return as required under this chapter or the rules adopted by the department within the time specified or if the employer's records are inaccurate or are incomplete when an employer has filed a quarterly wage report for the period in question, the department may make a summary or jeopardy assessment of the amount due by estimating the report and determining the amount of taxes due and owing to the fund upon the basis of any information that the department may be able to obtain. The tax must be collected the same as other reports and taxes due, with penalty and interest as provided in this chapter.

(2) Upon making a summary or jeopardy assessment, the department shall immediately notify the employer in writing by personal service or by certified mail sent to the last-known mailing address or place of business operated by the employer. The assessment is final unless:

(a) the employer protests the assessment in writing within 15 days after service of the notice;

(b) the employer files within 15 days after service of the notice a correct, signed, and sworn report and statement as provided for by this chapter and the rules of the department; or

(c) the department has good cause to amend the summary or jeopardy assessment, in which case the department shall notify the employer in the manner provided for in this subsection (2).

(3) Upon written protest being filed by an employer, the department may reconsider the summary or jeopardy assessment, and if the department redetermines the assessment, it shall notify the employer of its redetermination and the reasons for the redetermination. A summary or jeopardy assessment or redetermination by the department under this subsection is final unless the employer submits a written appeal within 10 days in the same manner as provided in 39-51-1109.

2009 Amendments — Composite Section: Chapter 25 in (1) in first sentence substituted "rules adopted by" for "regulations of" and near end after "due by" substituted "estimating the" for "making up such"; in (2) in first sentence after "mail" substituted "sent to the last-known mailing address or" for "in the usual course at the last known principal"; inserted (2)(c) requiring employer notification if good cause exists; in (3) near beginning substituted language regarding written protest by employer and regarding department reconsideration of summary or jeopardy assessment and notification of redetermination and the reasons for redetermination for former text that read: "as above set forth, a day certain for the hearing thereof shall be fixed by the department and notice thereof mailed to the employer. At such hearing, the facts ascertained by the department shall be conclusive and the department may upon the basis of such facts ascertained assess the amount due, modify, set aside, or revise the prior assessment and require the employer to pay the amount due with penalty and interest as provided for in this chapter. A copy of the decision of the department and the assessment of the amount due shall be mailed to the employer at his last known principal place of business and thereupon become final"; and made minor changes in style. Amendment effective July 1, 2009.

Chapter 56 made section gender neutral; and made minor changes in style. Amendment effective October 1, 2009.

39-51-1303. Collection of unpaid taxes. (1) The department may enter into payment agreements with an employer to resolve unpaid taxes, penalty, and interest. Penalty or interest, or both penalty and interest, may be abated if an acceptable payment agreement is entered into and followed. Failure to meet the terms of the payment agreement voids the penalty and interest abatement, and the penalty and interest must be recomputed from the due date of the unpaid tax.

(2) If, after due notice, any employer, liable corporate officer, liable member or manager of a limited liability company referred to in 39-51-1105, or partner in a limited liability partnership defaults in any payment of taxes, penalties, or interest on the taxes and penalties, the department may initiate a civil action in the name of the state to collect the amount due, and the employer, liable corporate officer, liable member or manager of a limited liability company, or partner in a limited liability partnership adjudged in default shall pay the costs of the action.

(3) An action for the collection of taxes due must be brought within 5 years from the date the original or amended report was filed or the assessment became due, whichever is later, or the action is barred.

(4) The department may pursue its remedy under 39-51-1304 or this section, or both.

39-51-1304. Lien for payment of unpaid taxes — levy and execution. (1) Unpaid taxes, including penalties and interest assessed on unpaid taxes, have the effect of a judgment against the employer, against the liable corporate officer or liable member or manager of a limited liability company referred to in 39-51-1105, or against a partner in a limited liability partnership. The judgment arises at the time that the payments are due. The department may issue a certificate stating the amount of payments due and directing the clerk of the district court of any county of the state to enter the certificate as a judgment in the docket pursuant to 25-9-301. From the time that the judgment is docketed, it becomes a lien upon all real and personal property of the employer. After the due process requirements of 39-51-1109 and 39-51-2403 have been satisfied, the department may enforce the judgment through the sheriff or agent authorized to collect the tax in the same manner as prescribed for execution upon a judgment. When issued, a notice of levy has the same force and effect as a writ of execution. A levy upon earnings continues in effect for 120 days or until the judgment is satisfied, whichever occurs first. The levy applies to all pay periods beginning during the 120-day period. A notice of levy may be made by means of a certified letter by an agent authorized to collect the tax. The department may enforce the judgment at any time within 10 years of the creation of the lien or the effective date of the lien, whichever is later.

(2) A judgment lien filed pursuant to this section may be renewed for another 10-year period, upon motion, or by judgment for that purpose founded upon supplemental pleadings.

(3) The lien provided for in subsection (1) is not valid against any third party owning an interest in real or personal property against which the judgment is enforced if:

(a) the third party's interest is recorded prior to the entrance of the certificate as a judgment; and

(b) the third party receives from the most recent grantor of the interest a signed affidavit stating that all taxes, penalties, and interest due from the grantor have been paid.

(4) A grantor who signs and delivers an affidavit is subject to the penalties imposed by 39-51-3204 if any part of it is untrue. Notwithstanding the provisions of 39-51-3204, the department may proceed under 39-51-1303, this section, or both, to collect the delinquent taxes, penalties, and interest from the:

(a) employer;

(b) liable corporate officer;

(c) liable member or manager of a limited liability company referred to in 39-51-1105; or

(d) partner in a limited liability partnership.

(5) The lien provided for in subsection (1) must be released upon payment in full of the unpaid taxes, penalties, and accumulated interest. The department may release or may partially release the lien upon partial payment or whenever the department determines that the release or partial release of the lien will facilitate the collection of unpaid taxes, penalties, or interest. The department may release the lien if it determines that the lien is unenforceable.

(2) The department may sue in the courts of any other jurisdiction that extends comity to collect unemployment taxes, penalties, and interest due this state. The officials of other states that by statute or otherwise extend a like comity to this state may sue in the courts of this state to collect the taxes and any other special assessments and interest and penalties, if any, due that state. In any case brought for another state, the administrator may through the administrator's attorney institute and conduct the suit for the other state.

(3) Venue of proceedings under this section must be the same as for actions to collect delinquent taxes, penalties, and interest due under this chapter.

(4) A certificate by the secretary of any state under the great seal of that state attesting the authority of the official to collect unemployment insurance taxes and any other special assessments, penalties, and interest is conclusive evidence of that authority.

39-51-1307. Collection of unpaid taxes, penalties, and interest by offset. (1) To collect delinquent taxes, penalties, and interest, the department may direct the offset of any funds due the debtor from the state, except wages subject to the provisions of 25-13-614 and retirement benefits. The department, through the department of revenue, shall provide the debtor with notice of the right to request a hearing on the offset action. A request for hearing must be made within 30 days of the date of the notice.

(2) Subject to approval by the department, reasonable fees or costs of collection incurred by the department of revenue may be added to the amount of the debt, including added fees or costs. The debtor is liable for repayment of the amount of the debt plus fees or costs added pursuant to this subsection. All money collected must be returned to the department to be applied to the debt, except that all fees or costs collected must be retained by the department of revenue. If less than the full amount of the debt is collected, the department of revenue shall retain only a proportionate share of the collection fees or costs.

(3) The department may file a claim for state funds on behalf of the employer if a claim is required before funds are available for offset.

39-51-2104. General benefit eligibility conditions. (1) An unemployed individual, including an alien entitled to benefits under the provisions of 39-51-2110, is eligible to receive benefits for any week of total unemployment within the individual's benefit year only if the department finds that the individual:

(a) has filed a claim and has filed continued claims in accordance with rules that the department may prescribe;

(b) is able to work, is available for work, and is seeking work. An individual may not place limitations on the individual's availability that would constitute a withdrawal from the labor market. A claimant is not considered ineligible in any week of unemployment for failure to comply with the provisions of this subsection if the failure is because of an illness or disability that occurs after the claimant has filed or reopened a claim for unemployment insurance benefits and suitable work has not been offered to the claimant after the beginning of the illness or disability.

(c) prior to the first week for which the individual is paid benefits, has been totally unemployed for a waiting period of 1 week. A week is not counted as a week of total unemployment for the purposes of this subsection:

(i) if benefits have been paid for that week;

(ii) unless the individual was eligible for benefits during the week;

(iii) unless it occurs within the benefit year of the claimant;

(iv) unless it occurs after benefits first could become payable to any individual under this chapter.

(d) has registered for work with the individual's local job service office unless the individual is excused by department rule from registering for work.

(2) (a) Except as provided in subsection (2)(b), if an individual is unavailable for work for less than 3 days within a week for which work is available, the individual must be paid the weekly benefit amount reduced by one-fifth of that amount for each day or part of a day that the individual is unavailable for work.

(b) If the individual is unavailable for work for 3 days or more, or part of each of 3 days or more, within a week for which work is available, the individual must be considered unavailable for work for the entire week and is not eligible to receive benefits for the week.

(3) (a) The department shall establish a profiling system to identify individuals who are likely to exhaust their regular benefits and who are in need of reemployment services.

(b) In addition to the requirements listed in subsection (1), an individual identified pursuant to subsection (3)(a) may be required to participate in reemployment services in order to be eligible for unemployment benefits.

(c) The requirement for participation in reemployment services may be waived if the department determines that:

(i) the individual has completed reemployment services; or

(ii) the individual's failure to participate in reemployment services is justifiable.

Part 22
Amount and Duration of Benefits

Part Cross-References

General definitions, 39-51-201.

39-51-2201. Weekly benefit amount — determination of average weekly wage. (1) An individual's weekly benefit amount must be an amount equal to 1% of the total base period wages or equal to 1.9% of the total wages paid in the 2 calendar quarters in which wages were the highest during the base period. The weekly benefit amount, if not a multiple of $1, must be rounded to the nearest lower full dollar amount. However, the amount may not be less than the minimum or more than the maximum weekly benefit amount.

(2) On or before May 31 of each year, the total wages paid by all employers as reported on contribution reports submitted on or before that date for the preceding calendar year must be divided by the average monthly number of individuals employed during the same preceding calendar year as reported on the contribution reports. The amount obtained is the average annual wage. The average annual wage divided by 52, rounded to the nearest cent, is the average weekly wage.

(3) The maximum and minimum weekly benefit amounts are computed in the following manner:

(a) (i) If the unemployment insurance contributions schedule provided for in 39-51-1218 is Schedule II or higher, the maximum weekly benefit amount is 66.5% of the average weekly wage and must be applied to all maximum weekly benefit amount claims for benefits filed to establish a benefit year commencing on or after July 1 of the same year.

(ii) The minimum weekly benefit amount must be 19% of the average weekly wage.

(b) (i) If the unemployment insurance contributions schedule provided for in 39-51-1218 is Schedule I, the maximum weekly benefit amount is 67.5% of the average weekly wage and must be applied to all maximum weekly benefit amount claims for benefits filed to establish a benefit year commencing on or after July 1 of the same year.

(ii) The minimum weekly benefit amount must be 20% of the average weekly wage.

(a) the payment is made under a plan maintained or contributed to by a base-period or chargeable employer; and

(a) "State food stamp agency" means any agency of a state or a political subdivision of a state that is responsible for enforcing the repayment of an obligation for overissuance of food stamp benefits.

(b) "Unemployment benefits" means benefits payable under the Montana unemployment insurance law, including amounts payable by the department pursuant to an agreement under any federal law that provides for benefits, assistance, or allowances with respect to unemployment.

(2) An individual filing a new claim for unemployment benefits shall disclose at the time of filing the claim whether or not the individual owes for an uncollected overissuance of food stamp benefits as defined in section 13(c)(1) of the Food Stamp Act of 1977, 7 U.S.C. 2022(c)(1). (5) Deductions may be made pursuant to this section only if appropriate arrangements have been made for reimbursement by the state food stamp agency for the administrative costs incurred by the department under this section.

(6) Any amount deducted and withheld under subsection (3) must be treated as if it were paid to the individual as unemployment benefits and then paid by the individual to the state food stamp agency in satisfaction of the individual's uncollected overissuance of food stamp benefits.

39-51-2305. Disqualification when unemployment because of strike. (1) An individual must be disqualified for benefits for any week with respect to which the department finds that the individual's total unemployment is due to a strike that exists because of a labor dispute at the factory, establishment, or other premises at which the individual is or was last employed. However, this subsection does not apply if it is shown to the satisfaction of the department that the individual:

(a) is not participating in or financing or directly interested in the labor dispute that caused the strike; and

(b) does not belong to a grade or class of workers of which, immediately before the commencement of the strike, there were members employed at the premises at which the strike occurs, any of whom are participating in or financing or directly interested in the dispute.

(2) If in any case separate branches of work that are commonly conducted as separate businesses in separate premises are conducted in separate departments of the same premises, each department must, for the purpose of this section, be considered to be a separate factory, establishment, or other premises.

(3) If the department, upon investigation, finds that the labor dispute is caused by the failure or refusal of any employer to conform to the provisions of any law of the state in which the labor dispute occurs or of the United States pertaining to collective bargaining, hours, wages, or other conditions of work, the labor dispute may not render the workers ineligible for benefits.

2009 Amendment: Chapter 56 made section gender neutral; and made minor changes in style. Amendment effective October 1, 2009.

39-51-2306. Disqualification because of receipt of certain other wages, compensation, or benefits. (1) An individual is disqualified for benefits for any week with respect to which the individual receives payment for the week or part of the week in the form of:

(a) compensation for disability under the workers' compensation law or the occupational disease law of this or any other state or under a similar law of the United States. However, when an injured claimant ceases to draw compensation benefits and returns to the labor market, the claimant is entitled to receive unemployment compensation benefits under this chapter if the claimant is otherwise qualified. Compensation received as a payment for a permanent partial disability may not be computed to be spread over a period of weeks in advance so as to bar the recipient from receiving unemployment compensation benefits under this chapter if the recipient has returned to the labor market and is otherwise qualified.

(b) benefits under the Railroad Unemployment Insurance Act, 45 U.S.C. 351, et seq., or any state unemployment compensation act or similar laws of any state or of the United States. This disqualification does not apply to any week with respect to which an individual receives benefits under an unemployment compensation law of another state or of the United States if the benefits are paid pursuant to 39-51-504.

(2) If an individual receives wages, compensation, or benefits as set forth in subsection (1) after payment of unemployment benefits with respect to the same week for which unemployment benefits were received, the individual shall repay the unemployment benefits, and the department may collect the unemployment benefits in the same manner as provided for collection of benefits under 39-51-3206.

Part Cross-References

General definitions, 39-51-201, 39-51-2501.

39-51-2501. Definitions. As used in this part, unless the context clearly requires otherwise, the following definitions apply:

(1) "Eligibility period", relating to extended benefits, means the period consisting of the weeks in the individual's benefit year that begin in an extended benefit period and, if the individual's benefit year ends within the extended benefit period, any weeks thereafter that begin in the period.

(2) "Exhaustee" means an individual who, with respect to any week of unemployment in the eligibility period:

(a) has received, prior to that week, all of the regular benefits that were available under this chapter or any other state law, including dependents' allowances and benefits payable to federal civilian employees and ex-service personnel under 5 U.S.C. chapter 85, in the current benefit year that includes that week. However, for the purposes of this subsection, an individual is considered to have received all of the regular benefits that were available although, as a result of a pending appeal with respect to wages that were not considered in the original monetary determination of the benefit year, the individual may subsequently be determined to be entitled to added regular benefits.

(b) if the benefit year has expired prior to that week, has no wages or insufficient wages on the basis of which the individual could establish a new benefit year that would include that week;

(c) has no right to unemployment benefits or allowances, as the case may be, under the Railroad Unemployment Insurance Act and other federal laws that are specified in regulations issued by the U.S. secretary of labor; and

(d) has not received and is not seeking unemployment benefits under the unemployment compensation law of Canada, but if the individual is seeking those benefits and the appropriate agency finally determines that the individual is not entitled to benefits under law, the individual is considered an exhaustee.

(3) "Extended benefit period" means a period that:

(a) begins with the third week after a week for which there is a state "on" indicator, provided that no extended benefit period may begin by reason of a state "on" indicator before the 14th week following the end of a prior extended benefit period that was in effect with respect to this state; and

(b) ends with the third week after the first week for which there is a state "off" indicator or the 13th consecutive week of the period.

(4) "Extended benefits" means benefits, including benefits payable to federal civilian employees and to ex-service personnel pursuant to 5 U.S.C. chapter 85, payable to an individual under the provisions of this part for weeks of unemployment in the individual's eligibility period.

(5) (a) "Rate of insured unemployment", for purposes of 39-51-2504 and 39-51-2505, means the percentage derived by dividing the average weekly number of individuals filing claims for regular benefits in this state for weeks of unemployment with respect to the most recent 13-consecutive-week period, as determined by the department on the basis of its reports to the U.S. secretary of labor, by the average monthly employment covered under this chapter for the first 4 of the most recent 6 completed calendar quarters ending before the end of the 13-week period.

(b) Computations required by the provisions of subsection (5)(a) must be made by the department in accordance with regulations prescribed by the U.S. secretary of labor.

(6) "Regular benefits" means benefits payable to an individual under this chapter or under any other state law, including benefits payable to federal civilian employees and to ex-service personnel pursuant to 5 U.S.C. chapter 85, other than extended benefits.

(7) "State law" means the unemployment insurance law of any state approved by the U.S. secretary of labor under section 3304 of the Internal Revenue Code, 26 U.S.C. 3304, as amended.

39-51-3206. Collection of benefit overpayments. (1) A person who receives benefits not authorized by this chapter shall repay to the department either directly or, as authorized by the department, by offset of future benefits to which the claimant may be entitled, or by a combination of both methods, a sum equal to the amount of the overpayment.

(2) The department may collect a benefit overpayment and any penalty:

(a) by having the claimant pay the amount owed directly to the department by check, money order, credit card, debit card, or electronic funds transfer; or

(b) by offsetting the amount of the overpaid benefits owed against future unemployment benefits to be received by the claimant.

(3) The claimant is responsible for any:

(a) penalty established in accordance with 39-51-3201; and

(b) costs or processing fees associated with using the repayment methods set out in subsection (2)(a).

(4) The department may enter into an agreement with a claimant for the repayment of any benefit overpayment and penalty provided that repayment in full is made within 5 years of the date that it was established that an overpayment occurred.

(5) A benefit offset may not exceed 50% of the weekly benefits to which a claimant is entitled unless the claimant gives written consent, except in cases of theft or fraud, when benefits may be offset by as much as 100% of the weekly benefits to which a claimant is entitled.

(6) (a) The department may collect any benefit overpayment and penalty by directing the offset of any funds due the claimant from the state, except future unemployment benefits as provided in subsection (1) and retirement benefits. The department, through the department of revenue, shall provide the claimant with notice of the right to request a hearing on the offset action. A request for hearing must be made within 30 days of the date of the notice.

(b) The debt does not have to be determined to be uncollectible before being transferred for offset.

(7) (a) The department may direct the offset of funds owed to a person under 26 U.S.C. 6402 if the person owes a covered unemployment compensation debt.

(b) For the purposes of this subsection (7), "covered unemployment compensation debt" means:

(i) a benefit overpayment and penalty owed because of the erroneous payment of unemployment compensation resulting from fraud, which has been adjudicated as a debt under Montana law and has remained uncollected for not more than 10 years; or

(ii) employer contributions, penalty, and interest owed to the unemployment trust fund that the department determines are attributable to fraud and that have remained uncollected for not more than 10 years.

(8) If, upon demand of the department, the claimant fails to make the payments provided for in this section, the unpaid benefit overpayment and associated penalty may be treated as a judgment against the claimant at the time the payments become due. The department may issue a certificate setting forth the amount of payment due and direct the clerk of the district court of any county in the state to enter the certificate as a judgment on the docket pursuant to 25-9-301. From the time the judgment is docketed, it becomes a lien upon all real property of the claimant. The department may enforce the judgment at any time within 10 years of creation of the lien.

(9) The department may waive the benefit overpayment if the department finds that:

(a) the claimant did not conceal or misrepresent material facts to obtain the overpaid benefits and that recovery of the benefit overpayment would cause a long-term financial hardship on the claimant; or

(b) the overpayment was the result of department error.

(10) An action for collection of overpaid benefits must be brought within 5 years after the date of the overpayment.

(11) Notwithstanding any other provision of this chapter, the department may recover an overpayment of benefits paid to any individual under the laws of this state or another state or under an unemployment benefit program of the United States.

(1) After making all reasonable efforts to collect unpaid contributions, assessments under 39-51-404, and penalties and interest, or overpaid benefits and penalties under 39-51-3206, the department may determine a debt to be uncollectible. Upon determining that a debt is uncollectible, the department may transfer the debt to the department of revenue for collection as provided in 17-4-104.

39-71-105. Declaration of public policy. For the purposes of interpreting and applying this chapter, the following is the public policy of this state:

(1) An objective of the Montana workers' compensation system is to provide, without regard to fault, wage-loss and medical benefits to a worker suffering from a work-related injury or disease. Wage-loss benefits are not intended to make an injured worker whole but are intended to assist a worker at a reasonable cost to the employer. Within that limitation, the wage-loss benefit should bear a reasonable relationship to actual wages lost as a result of a work-related injury or disease.

(2) It is the intent of the legislature to assert that a conclusive presumption exists that recognizes that a holder of a current, valid independent contractor exemption certificate issued by the department is an independent contractor if the person is working under the independent contractor exemption certificate. The holder of an independent contractor exemption certificate waives the rights, benefits, and obligations of this chapter unless the person has elected to be bound personally and individually by the provisions of compensation plan No. 1, 2, or 3.

(3) A worker's removal from the workforce because of a work-related injury or disease has a negative impact on the worker, the worker's family, the employer, and the general public. Therefore, an objective of the workers' compensation system is to return a worker to work as soon as possible after the worker has suffered a work-related injury or disease.

(4) Montana's workers' compensation and occupational disease insurance systems are intended to be primarily self-administering. Claimants should be able to speedily obtain benefits, and employers should be able to provide coverage at reasonably constant rates. To meet these objectives, the system must be designed to minimize reliance upon lawyers and the courts to obtain benefits and interpret liabilities.

(5) This chapter must be construed according to its terms and not liberally in favor of any party.

(6) It is the intent of the legislature that:

(a) stress claims, often referred to as "mental-mental claims" and "mental-physical claims", are not compensable under Montana's workers' compensation and occupational disease laws.

The legislature recognizes that these claims are difficult to objectively verify and that the claims have a potential to place an economic burden on the workers' compensation and occupational disease system. The legislature also recognizes that there are other states that do not provide compensation for various categories of stress claims and that stress claims have presented economic problems for certain other jurisdictions. In addition, not all injuries are compensable under the present system, and it is within the legislature's authority to define the limits of the workers' compensation and occupational disease system.

(b) for occupational disease claims, because of the nature of exposure, workers should not be required to provide notice to employers of the disease as required of injuries and that the requirements for filing of claims reflect consideration of when the worker knew or should have known that the worker's condition resulted from an occupational disease. The legislature recognizes that occupational diseases in the workplace are caused by events occurring on more than a single day or work shift and that it is within the legislature's authority to define an occupational disease and establish the causal connection to the workplace.

History: En. Sec. 1, Ch. 464, L. 1987; amd. Sec. 1, Ch. 630, L. 1993; amd. Sec. 1, Ch. 103, L. 2005; amd. Sec. 9, Ch. 416, L. 2005; amd. Sec. 7, Ch. 448, L. 2005.

39-71-106. No liability for reporting violation. A person, including but not limited to an insurer or an employer, may not be held liable for civil damages as a result of reporting in good faith information that the person believes proves a violation of the provisions of this chapter.

History: En. Sec. 17, Ch. 619, L. 1993; amd. Sec. 10, Ch. 416, L. 2005.

39-71-107. Insurers to act promptly on claims — in-state claims examiners. (1) Pursuant to the public policy stated in 39-71-105, prompt claims handling practices are necessary to provide appropriate service to injured workers, to employers, and to providers who are the customers of the workers' compensation system.

(2) All workers' compensation and occupational disease claims filed pursuant to the Workers' Compensation Act must be examined by a claims examiner in Montana. For a claim to be considered as examined by a claims examiner in Montana, the claims examiner examining the claim is required to determine the entitlement to benefits, authorize payment of all benefits due, manage the claim, have authority to settle the claim, maintain an office located in Montana, and examine Montana claims from that office. Use of a mailbox or maildrop in Montana does not constitute maintaining an office in Montana.

(3) An insurer shall maintain the documents related to each claim filed with the insurer under the Workers' Compensation Act at the Montana office of the claims examiner examining the claim in Montana until the claim is settled. The documents may be either original documents or duplicates of the original documents and must be maintained in a manner that allows the documents to be retrieved from that office and copied at the request of the claimant or the department. Settled claim files stored outside of the claims examiner's office must be made available within 48 hours of a request for the file. Electronic or optically imaged documents are permitted.

(4) (a) An insurer that uses a third-party agent to provide the insurer with claim examination services shall notify the department in writing of a change of a third-party agent at least 14 days in advance of the change.

(b) The department may assess a penalty not to exceed $200 against an insurer that does not comply with the advance notice provision in subsection (4)(a). The penalty may be assessed for each failure by an insurer to give the required advance notice.

(5) An insurer shall provide to the claimant:

(a) a written statement of the reasons that a claim is being denied at the time of denial;

(b) whenever benefits are denied to a claimant, a written explanation of how the claimant may appeal an insurer's decision; and

(c) a written explanation of the amount of wage-loss benefits being paid to the claimant, along with an explanation of the calculation used to compute those benefits. The explanation must be sent within 7 days of the initial payment of the benefit.

(6) An insurer shall:

(a) begin making payments that are due on a claim within 14 days of acceptance of the claim, unless the insurer promptly notifies the claimant that the insurer needs additional information in order to begin paying benefits and specifies the information needed; and

(b) pay settlements within 30 days of the date the department issues an order approving the settlement.

(7) The department may adopt rules to implement this section.

(8) (a) For purposes of this section, "settled claim" means a department-approved or court-ordered compromise of benefits between a claimant and an insurer or a claim that was paid in full.

(b) The term does not include a claim in which there has been only a lump-sum advance of benefits.

History: En. Sec. 4, Ch. 243, L. 1995; amd. Sec. 3, Ch. 214, L. 2001; amd. Sec. 2, Ch. 103, L. 2005; amd. Sec. 2, Ch. 140, L. 2005; amd. Sec. 11, Ch. 416, L. 2005; amd. Sec. 1, Ch. 117, L. 2007; amd. Sec. 5, Ch. 112, L. 2009.

For premium ratemaking and for the determination of the weekly wage for weekly compensation benefits, the electing employer may elect an amount of not less than $900 a month and not more than 1 ½ times the state's average weekly wage.

(6) (a) If the employer is a quasi-public or a private corporation or a manager-managed limited liability company, the employer may elect to include as an employee within the provisions of this chapter any corporate officer or manager exempted under 39-71-401(2).

(b) In the event of an election, the employer shall serve upon the employer's insurer written notice naming the corporate officer or manager to be covered and stating the level of compensation coverage desired by electing the amount of wages to be reported, subject to the limitations in subsection (5)(d). A corporate officer or manager is not considered an employee within this chapter until notice has been given.

(c) A change in elected wages must be in writing and is effective at the start of the next quarter following notification.

(d) All weekly compensation benefits must be based on the amount of elected wages, subject to the minimum and maximum limitations of this subsection (6)(d). For premium ratemaking and for the determination of the weekly wage for weekly compensation benefits, the electing employer may elect an amount of not less than $200 a week and not more than 1 ½ times the state's average weekly wage.

(7) (a) The trustees of a rural fire district, a county governing body providing rural fire protection, or the county commissioners or trustees for a fire service area may elect to include as an employee within the provisions of this chapter any volunteer firefighter. A volunteer firefighter who receives workers' compensation coverage under this section may not receive disability benefits under Title 19, chapter 17.

(b) In the event of an election, the employer shall report payroll for all volunteer firefighters for premium and weekly benefit purposes based on the number of volunteer hours of each firefighter times the average weekly wage divided by 40 hours, subject to a maximum of 1 ½ times the state's average weekly wage.

(c) A self-employed sole proprietor or partner who has elected not to be covered under this chapter, but who is covered as a volunteer firefighter pursuant to subsection (7)(a) and when injured in the course and scope of employment as a volunteer firefighter, may in addition to the benefits described in subsection (7)(b) be eligible for benefits at an assumed wage of the minimum wage established under Title 39, chapter 3, part 4, for 2,080 hours a year. The trustees of a rural fire district, a county governing body providing rural fire protection, or the county commissioners or trustees for a fire service area may make an election for benefits. If an election is made, payrolls must be reported and premiums must be assessed on the assumed wage.

(8) Except as provided in chapter 8 of this title, an employee or worker in this state whose services are furnished by a person, association, contractor, firm, limited liability company, limited liability partnership, or corporation, other than a temporary service contractor, to an employer, as defined in 39-71-117, is presumed to be under the control and employment of the employer. This presumption may be rebutted as provided in 39-71-117(3).

(9) A student currently enrolled in an elementary, secondary, or postsecondary educational institution who is participating in work-based learning activities and who is paid wages by the educational institution or business partner is the employee of the entity that pays the student's wages for all purposes under this chapter. A student who is not paid wages by the business partner or the educational institution is a volunteer and is subject to the provisions of this chapter.

(10) For purposes of this section, an "employee or worker in this state" means:

(a) a resident of Montana who is employed by an employer and whose employment duties are primarily carried out or controlled within this state;

(b) a nonresident of Montana whose principal employment duties are conducted within this state on a regular basis for an employer;

(c) a nonresident employee of an employer from another state engaged in the construction industry, as defined in 39-71-116, within this state; or

(d) a nonresident of Montana who does not meet the requirements of subsection (10)(b) and whose employer elects coverage with an insurer that allows an election for an employer whose:

(i) nonresident employees are hired in Montana;

(ii) nonresident employees' wages are paid in Montana;

(iii) nonresident employees are supervised in Montana; and

(iv) business records are maintained in Montana.

(11) An insurer may require coverage for all nonresident employees of a Montana employer who do not meet the requirements of subsection (10)(b) or (10)(d) as a condition of approving the election under subsection (10)(d).

39-71-123. Wages defined. (1) "Wages" means all remuneration paid for services performed by an employee for an employer, or income provided for in subsection (1)(d). Wages include the cash value of all remuneration paid in any medium other than cash. The term includes but is not limited to:

(a) commissions, bonuses, and remuneration at the regular hourly rate for overtime work, holidays, vacations, and periods of sickness;

(b) backpay or any similar pay made for or in regard to previous service by the employee for the employer, other than retirement or pension benefits from a qualified plan;

(c) tips or other gratuities received by the employee, to the extent that tips or gratuities are documented by the employee to the employer for tax purposes;

(d) income or payment in the form of a draw, wage, net profit, or substitute for money received or taken by a sole proprietor or partner, regardless of whether the sole proprietor or partner has performed work or provided services for that remuneration;

(e) board, lodging, rent, or housing if it constitutes a part of the employee's remuneration and is based on its actual value; and

(f) payments made to an employee on any basis other than time worked, including but not limited to piecework, an incentive plan, or profit-sharing arrangement.

(2) The term "wages" does not include any of the following:

(a) employee expense reimbursements or allowances for meals, lodging, travel, subsistence, and other expenses, as set forth in department rules;

(b) the amount of the payment made by the employer for employees, if the payment was made for:

(i) retirement or pension pursuant to a qualified plan as defined under the provisions of the Internal Revenue Code;

(ii) sickness or accident disability under a workers' compensation policy;

(iii) medical or hospitalization expenses in connection with sickness or accident disability, including health insurance for the employee or the employee's immediate family;

(iv) death, including life insurance for the employee or the employee's immediate family;

(c) vacation or sick leave benefits accrued but not paid;

(d) special rewards for individual invention or discovery; or

(e) monetary and other benefits paid to a person as part of public assistance, as defined in 53-4-201.

(3) (a) Except as provided in subsection (3)(b), for compensation benefit purposes, the average actual earnings for the four pay periods immediately preceding the injury are the employee's wages, except that if the term of employment for the same employer is less than four pay periods, the employee's wages are the hourly rate times the number of hours in a week for which the employee was hired to work.

(b) For good cause shown, if the use of the last four pay periods does not accurately reflect the claimant's employment history with the employer, the wage may be calculated by dividing the total earnings for an additional period of time, not to exceed 1 year prior to the date of injury, by the number of weeks in that period, including periods of idleness or seasonal fluctuations.

(4) (a) For the purpose of calculating compensation benefits for an employee working concurrent employments, the average actual wages must be calculated as provided in subsection (3). As used in this subsection, "concurrent employment" means employment in which the employee was actually employed at the time of the injury and would have continued to be employed without a break in the term of employment if not for the injury.

(b) Except as provided in 39-71-118(7)(c), the compensation benefits for a covered volunteer must be based on the average actual wages in the volunteer's regular employment, except self-employment as a sole proprietor or partner who elected not to be covered, from which the volunteer is disabled by the injury incurred.

(c) The compensation benefits for an employee working at two or more concurrent remunerated employments must be based on the aggregate of average actual wages of all employments, except for the wages earned by individuals while engaged in the employments outlined in 39-71-401(3)(a) who elected not to be covered, from which the employee is disabled by the injury incurred.

(5) For the purposes of calculating compensation benefits for an employee working for an employer, as provided in 39-71-117(1)(d), and for calculating premiums to be paid by that employer, the wages must be based upon all hours worked multiplied by the mean hourly wage by area, as published by the department in the edition of Montana Informational Wage Rates by Occupation, adopted annually by the department, that is in effect as of the date of injury or for the period in which the premium is due.

39-71-201. Administration fund. (1) A workers' compensation administration fund is established out of which are to be paid upon lawful appropriation all costs of administering the Workers' Compensation Act and the statutory occupational safety and health acts that the department is required to administer, with the exception of the certification of independent contractors provided for in Title 39, chapter 71, part 4, the subsequent injury fund provided for in 39-71-907, and the uninsured employers' fund provided for in 39-71-503. The department shall collect and deposit in the state treasury to the credit of the workers' compensation administration fund:

(a) all fees and penalties provided in 39-71-107, 39-71-205, 39-71-223, 39-71-304, 39-71-307, 39-71-315, 39-71-316, 39-71-401(6), 39-71-2204, 39-71-2205, and 39-71-2337;

(b) all penalties assessed under 50-71-119; and

(c) all fees paid by an assessment on paid losses, plus administrative fines and interest provided by this section.

(2) For the purposes of this section, paid losses include the following benefits paid during the preceding calendar year for injuries covered by the Workers' Compensation Act without regard to the application of any deductible whether the employer or the insurer pays the losses:

(a) total compensation benefits paid; and

(b) except for medical benefits in excess of $200,000 for each occurrence that are exempt from assessment, total medical benefits paid for medical treatment rendered to an injured worker, including hospital treatment and prescription drugs.

(3) Each plan No. 1 employer, plan No. 2 insurer subject to the provisions of this section, and plan No. 3, the state fund, shall file annually on March 1 in the form and containing the information required by the department a report of paid losses pursuant to subsection (2).

(4) Each employer enrolled under compensation plan No. 1, compensation plan No. 2, or compensation plan No. 3, the state fund, shall pay its proportionate share determined by the paid losses in the preceding calendar year of all costs of administering and regulating the Workers' Compensation Act and the statutory occupational safety acts that the department is required to administer, with the exception of the certification of independent contractors provided for in Title 39, chapter 71, part 4, the subsequent injury fund provided for in 39-71-907, and the uninsured employers' fund provided for in 39-71-503. In addition, compensation plan No. 3, the state fund, shall pay a proportionate share of these costs based upon paid losses for claims arising before July 1, 1990.

(5) (a) Each employer enrolled under compensation plan No. 1 shall pay an assessment to fund administrative and regulatory costs. The assessment may be up to 3% of the paid losses paid in the preceding calendar year by or on behalf of the plan No. 1 employer. Any entity, other than the department, that assumes the obligations of an employer enrolled under compensation plan No. 1 is considered to be the employer for the purposes of this section.

(b) An employer formerly enrolled under compensation plan No. 1 shall pay an assessment to fund administrative and regulatory costs. The assessment may be up to 3% of the paid losses paid in the preceding calendar year by or on behalf of the employer for claims arising out of the time when the employer was enrolled under compensation plan No. 1.

(c) By April 30 of each year, the department shall notify employers described in subsections (5)(a) and (5)(b) of the percentage of the assessment that comprises the compensation plan No. 1 proportionate share of administrative and regulatory costs. Payment of the assessment provided for by this subsection (5) must be paid by the employer in:

(i) one installment due on July 1; or

(ii) two equal installments due on July 1 and December 31 of each year.

(d) If an employer fails to timely pay to the department the assessment under this section, the department may impose on the employer an administrative fine of $500 plus interest on the delinquent amount at the annual interest rate of 12%. Administrative fines and interest must be deposited in the workers' compensation administration fund.

(6) (a) Compensation plan No. 3, the state fund, shall pay an assessment to fund administrative and regulatory costs attributable to claims arising before July 1, 1990. The assessment may be up to 3% of the paid losses paid in the preceding calendar year for claims arising before July 1, 1990. As required by 39-71-2352, the state fund may not pass along to insured employers the cost of the assessment for administrative and regulatory costs that is attributable to claims arising before July 1, 1990.

(b) Payment of the assessment must be paid in:

(i) one installment due on July 1; or

(ii) two equal installments due on July 1 and December 31 of each year.

(c) If the state fund fails to timely pay to the department the assessment under this section, the department may impose on the state fund an administrative fine of $500 plus interest on the delinquent amount at the annual interest rate of 12%. Administrative fines and interest must be deposited in the workers' compensation administration fund.

(7) (a) Each employer insured under compensation plan No. 2 or plan No. 3, the state fund, shall pay a premium surcharge to fund administrative and regulatory costs. The premium surcharge must be collected by each plan No. 2 insurer and by plan No. 3, the state fund, from each employer that it insures. The premium surcharge must be stated as a separate cost on an insured employer's policy or on a separate document submitted to the insured employer and must be identified as "workers' compensation regulatory assessment surcharge". The premium surcharge must be excluded from the definition of premiums for all purposes, including computation of insurance producers' commissions or premium taxes. However, an insurer may cancel a workers' compensation policy for nonpayment of the premium surcharge. When collected, assessments may not constitute an element of loss for the purpose of establishing rates for workers' compensation insurance but, for the purpose of collection, must be treated as a separate cost imposed upon insured employers.

(b) The amount to be funded by the premium surcharge may be up to 3% of the paid losses paid in the preceding calendar year by or on behalf of all plan No. 2 insurers and may be up to 3% of paid losses for claims arising on or after July 1, 1990, for plan No. 3, the state fund, plus or minus any adjustments as provided by subsection (7)(f). The amount to be funded must be divided by the total premium paid by all employers enrolled under compensation plan No. 2 or plan No. 3 during the preceding calendar year. A single premium surcharge rate, applicable to all employers enrolled in compensation plan No. 2 or plan No. 3, must be calculated annually by the department by not later than April 30. The resulting rate, expressed as a percentage, is levied against the premium paid by each employer enrolled under compensation plan No. 2 or plan No. 3 in the next fiscal year.

(c) On or before April 30 of each year, the department, in consultation with the advisory organization designated pursuant to 33-16-1023, shall notify plan No. 2 insurers and plan No. 3, the state fund, of the premium surcharge percentage to be effective for policies written or renewed annually on and after July 1 of that year.

(d) The premium surcharge must be paid whenever the employer pays a premium to the insurer. Each insurer shall collect the premium surcharge levied against every employer that it insures. Each insurer shall pay to the department all money collected as a premium surcharge within 20 days of the end of the calendar quarter in which the money was collected. If an insurer fails to timely pay to the department the premium surcharge collected under this section, the department may impose on the insurer an administrative fine of $500 plus interest on the delinquent amount at the annual interest rate of 12%. Administrative fines and interest must be deposited in the workers' compensation administration fund.

(e) If an employer fails to remit to an insurer the total amount due for the premium and premium surcharge, the amount received by the insurer must be applied to the premium surcharge first and the remaining amount applied to the premium due.

(f) The amount actually collected as a premium surcharge in a given year must be compared to the assessment on the paid losses paid in the preceding year. Any excess amount collected must be deducted from the amount to be collected as a premium surcharge in the following year. The amount collected that is less than the assessed amount must be added to the amount to be collected as a premium surcharge in the following year.

(8) By July 1, an insurer under compensation plan No. 2 that pays benefits in the preceding calendar year but that will not collect any premium for coverage in the following fiscal year shall pay an assessment of up to 3% of paid losses paid in the preceding calendar year. The department shall determine and notify the insurer by April 30 of each year of the amount that is due by July 1.

(9) An employer that makes a first-time application for permission to enroll under compensation plan No. 1 shall pay an assessment of $500 within 15 days of being granted permission by the department to enroll under compensation plan No. 1.

(10) The department shall deposit all funds received pursuant to this section in the state treasury, as provided in this section.

(11) The administration fund must be debited with expenses incurred by the department in the general administration of the provisions of this chapter, including the salaries of its members, officers, and employees and the travel expenses of the members, officers, and employees, as provided for in 2-18-501 through 2-18-503, incurred while on the business of the department either within or without the state.

(12) Disbursements from the administration fund must be made after being approved by the department upon claim for disbursement.

(13) The department may assess and collect the workers' compensation regulatory assessment surcharge from uninsured employers, as defined in 39-71-501, that fail to properly comply with the coverage requirements of the Workers' Compensation Act. Any amounts collected by the department pursuant to this subsection must be deposited in the workers' compensation administration fund.

(a) failing to certify the provision of the services or treatment for which compensation is claimed under this chapter; or

(b) referring a worker for treatment or diagnosis of an injury or illness that is compensable under this chapter to a facility owned wholly or in part by the provider, unless the provider informs the worker of the ownership interest and provides the name and address of alternate facilities, if any exist.

(2) A person who violates this section may be assessed a penalty of not less than $200 or more than $500 for each offense. The department shall assess and collect the penalty. Penalties collected pursuant to this section must be paid into the state general fund. The workers' compensation court has jurisdiction over actions brought to collect the penalty and over disputes concerning the penalty assessment. A county attorney or the attorney general may initiate criminal proceedings against the person. This subsection includes but is not limited to a person who is receiving temporary total disability benefits, permanent total disability benefits, or rehabilitation benefits while working without the knowledge and concurrence of the insurer.

(b) As used in subsection (2)(a), "person" includes but is not limited to an employee, employer, insurer, or medical service provider.

(3) (a) The department may require a person convicted of theft under 45-6-301(5) to pay to the department an amount equal to 10 times the amount paid by an insurer on the false claim, provided that the amount does not exceed $50,000. If upon demand of the department the person refuses to pay the fine, the department may petition the workers' compensation court to collect the money owed.

(b) The department shall:

(i) use the money collected pursuant to subsection (3)(a) to administer and enforce the provisions of this section; and

The district court has exclusive jurisdiction over disputes concerning the grounds for termination under this section.

(2) When an injured worker is capable of returning to work within 2 years from the date of injury and has received a medical release to return to work, the worker must be given a preference over other applicants for a comparable position that becomes vacant if the position is consistent with the worker's physical condition and vocational abilities.

(3) This preference applies only to employment with the employer for whom the employee was working at the time the injury occurred.

39-71-320. Voluntary certification program for claims examiners — purpose — rulemaking — advisory committee — continuing education. (1) Pursuant to the public policy stated in 39-71-105, accurate and prompt claims handling practices are necessary to provide appropriate service to injured workers, employers, and medical providers. In order to further that public policy, the purpose of this section is to authorize the department to establish a voluntary certification program for claims examiners. The department shall administer the voluntary certification program.

(2) The voluntary certification program is intended to improve the handling of workers' compensation claims by:

(a) establishing minimum qualifications and procedures for certifying claims examiners;

(b) requiring continuing education for certified claims examiners;

(c) better educating certified claims examiners about changes in the law; and

(d) providing standards for the qualifications of instructors, courses, and materials.

(3) The department shall adopt rules for the certification of workers' compensation claims examiners, providing for:

(a) minimum qualifications;

(b) examination;

(c) 2-year certification and renewal;

(d) continuing education requirements; and

(iii) continuing education records.

(6) The training curriculum and continuing education used by insurers, self-insured employers, and third-party administrators for claims examiners must relate to the state workers' compensation system or to interactions among injured workers, medical providers, and employers. The training curriculum, course content, instructors, materials, instructional format, and the sponsoring organization must be approved by the department as qualifying for use in certification of claims examiners. The department may offer specialized training for continuing education purposes that is exempt from the approval requirements of this subsection.

(7) The department shall determine the number of credit hours to be awarded for completion of an approved training curriculum or department-approved specialized training. The department may accept continuing education credits approved by the insurance commissioner's office as provided in Title 33, chapter 17, the office of public instruction, or the state bar of Montana to satisfy the continuing education requirements for renewal of the claims examiner certification. The department, in its discretion, may accept continuing education credits from other accrediting sources.

(8) The department shall by rule adopt fees commensurate with the costs of administering the voluntary certification program. All fees collected by the department as provided in this section must be deposited in the workers' compensation administration fund provided for in 39-71-201. The department may charge a fee for the certification program, including but not limited to fees for:

(2) Except as provided in subsection (5), if a worker from another state and the worker's employer from another state are temporarily engaged in work within this state, this chapter does not apply to them:

(1) (a) Except as provided in subsection (5), if a state agency is the employer, the terms, conditions, and provisions of compensation plan No. 3, state fund, are exclusive, compulsory, and obligatory upon both employer and employee. Any sums necessary to be paid under the provisions of this chapter by a state agency are considered to be ordinary and necessary expenses of the agency. The agency shall pay the sums into the state fund at the time and in the manner provided for in this chapter, notwithstanding that the state agency may have failed to anticipate the ordinary and necessary expense in a budget, estimate of expenses, appropriations, ordinances, or otherwise.

(b) (i) Subject to subsection (5), the department of administration, provided for in 2-15-1001, shall manage workers' compensation insurance coverage for all state agencies.

(ii) The state fund shall provide the department of administration with all information regarding the state agencies' coverage.

(iii) Notwithstanding the status of a state agency as employer in subsection (1)(a) and contingent upon mutual agreement between the department of administration and the state fund, the state fund shall issue one or more policies for all state agencies.

(2) A public corporation, other than a state agency, may elect coverage under compensation plan No. 1, plan No. 2, or plan No. 3, separately or jointly with any other public corporation, other than a state agency. A public corporation electing compensation plan No. 1 may purchase reinsurance or issue bonds or notes pursuant to subsection (3)(b). A public corporation electing compensation plan No. 1 is subject to the same provisions as a private employer electing compensation plan No. 1.

(3) (a) A public corporation, other than a state agency, that elects plan No. 1 may establish a fund sufficient to pay the compensation and benefits provided for in this chapter and to discharge all liabilities that are reasonably incurred during the fiscal year for which the election is effective. Proceeds from the fund must be used only to pay claims covered by this chapter and for actual and necessary expenses required for the efficient administration of the fund, including debt service on any bonds and notes issued pursuant to subsection (3)(b).

(b) (i) A public corporation, other than a state agency, separately or jointly with another public corporation, other than a state agency, may issue and sell its bonds and notes for the purpose of establishing, in whole or in part, the self-insurance workers' compensation fund provided for in subsection (3)(a) and to pay the costs associated with the sale and issuance of the bonds. Bonds and notes may be issued in an amount not exceeding 0.18% of the total assessed value of taxable property, determined as provided in 15-8-111, of the public corporation as of the date of issue. The bonds and notes must be authorized by resolution of the governing body of the public corporation and are payable from an annual property tax levied in the amount necessary to pay principal and interest on the bonds or notes. This authority to levy an annual property tax exists despite any provision of law or maximum levy limitation, including 15-10-420, to the contrary. The revenue derived from the sale of the bonds and notes may not be used for any other purpose.

(ii) The bonds and notes:

(A) may be sold at public or private sale;

(B) do not constitute debt within the meaning of any statutory debt limitation; and

(C) may contain other terms and provisions that the governing body determines.

(iii) Two or more public corporations, other than state agencies, may agree to exercise their respective borrowing powers jointly under this subsection (3)(b) or may authorize a joint board to exercise the powers on their behalf.

(iv) The fund established from the proceeds of bonds and notes issued and sold under this subsection (3)(b) may, if sufficient, be used in lieu of a surety bond, reinsurance, specific and aggregate excess insurance, or any other form of additional security necessary to demonstrate the public corporation's ability to discharge all liabilities as provided in subsection (3)(a). Subject to the total assessed value limitation in subsection (3)(b)(i), a public corporation may issue bonds and notes to establish a fund sufficient to discharge liabilities for periods greater than 1 year.

(4) All money in the fund established under subsection (3)(a) not needed to meet immediate expenditures must be invested by the governing body of the public corporation or the joint board created by two or more public corporations as provided in subsection (3)(b)(iii), and all proceeds of the investment must be credited to the fund.

(5) For the purposes of subsection (1)(b), the judicial branch or the legislative branch may choose not to have the department of administration manage its workers' compensation policy.

(6) The department of administration may adopt rules to implement subsection (1)(b)(i).

(7) As used in this section, the following definitions apply:

(a) "Public corporation" includes the Montana university system.

(b) (i) "State agency" means:

(A) the executive branch and its departments and all boards, commissions, committees, bureaus, and offices;

(B) the judicial branch; and

(C) the legislative branch.

(ii) The term does not include the Montana university system.

39-71-405. Liability of employer who contracts work out. (1) An employer who contracts with an independent contractor to have work performed of a kind which is a regular or a recurrent part of the work of the trade, business, occupation, or profession of such employer is liable for the payment of benefits under this chapter to the employees of the contractor if the contractor has not properly complied with the coverage requirements of the Worker's Compensation Act. Any insurer who becomes liable for payment of benefits may recover the amount of benefits paid and to be paid and necessary expenses from the contractor primarily liable therein.

(2) Where an employer contracts to have any work to be done by a contractor other than an independent contractor, and the work so contracted to be done is a part or process in the trade or business of the employer, then the employer is liable to pay all benefits under this chapter to the same extent as if the work were done without the intervention of the contractor, and the work so contracted to be done shall not be construed to be casual employment. Where an employer contracts work to be done as specified in this subsection, the contractor and the contractor's employees shall come under that plan of compensation adopted by the employer.

(3) Where an employer contracts any work to be done, wholly or in part for the employer, by an independent contractor, where the work so contracted to be done is casual employment as to such employer, then the contractor shall become the employer for the purposes of this chapter.

39-71-407. Liability of insurers — limitations. (1) For workers' compensation injuries, each insurer is liable for the payment of compensation, in the manner and to the extent provided in this section, to an employee of an employer covered under plan No. 1, plan No. 2, and the state fund under plan No. 3 that it insures who receives an injury arising out of and in the course of employment or, in the case of death from the injury, to the employee's beneficiaries, if any.

(2) (a) An insurer is liable for an injury, as defined in 39-71-119, if the injury is established by objective medical findings and if the claimant establishes that it is more probable than not that:

(i) a claimed injury has occurred; or

(ii) a claimed injury aggravated a preexisting condition.

(b) Proof that it was medically possible that a claimed injury occurred or that the claimed injury aggravated a preexisting condition is not sufficient to establish liability.

(3) (a) An employee who suffers an injury or dies while traveling is not covered by this chapter unless:

(i) the employer furnishes the transportation or the employee receives reimbursement from the employer for costs of travel, gas, oil, or lodging as a part of the employee's benefits or employment agreement and the travel is necessitated by and on behalf of the employer as an integral part or condition of the employment; or

(ii) the travel is required by the employer as part of the employee's job duties.

(b) A payment made to an employee under a collective bargaining agreement, personnel policy manual, or employee handbook or any other document provided to the employee that is not wages but is designated as an incentive to work at a particular jobsite is not a reimbursement for the costs of travel, gas, oil, or lodging, and the employee is not covered under this chapter while traveling.

(4) An employee is not eligible for benefits otherwise payable under this chapter if the employee's use of alcohol or drugs not prescribed by a physician is the major contributing cause of the accident. However, if the employer had knowledge of and failed to attempt to stop the employee's use of alcohol or drugs, this subsection does not apply.

(5) If there is no dispute that an insurer is liable for an injury but there is a liability dispute between two or more insurers, the insurer for the most recently filed claim shall pay benefits

until that insurer proves that another insurer is responsible for paying benefits or until another insurer agrees to pay benefits. If it is later proven that the insurer for the most recently filed claim is not responsible for paying benefits, that insurer must receive reimbursement for benefits paid to the claimant from the insurer proven to be responsible.

(6) If a claimant who has reached maximum healing suffers a subsequent nonwork-related injury to the same part of the body, the workers' compensation insurer is not liable for any compensation or medical benefits caused by the subsequent nonwork-related injury.

(7) An employee is not eligible for benefits payable under this chapter unless the entitlement to benefits is established by objective medical findings that contain sufficient factual and historical information concerning the relationship of the worker's condition to the original injury.

(8) For occupational diseases, every employer enrolled under plan No. 1, every insurer under plan No. 2, or the state fund under plan No. 3 is liable for the payment of compensation, in the manner and to the extent provided in this chapter, to an employee of an employer covered under plan No. 1, plan No. 2, or the state fund under plan No. 3 with an occupational disease that arises out of or is contracted in the course and scope of employment.

(9) Occupational diseases are considered to arise out of employment or be contracted in the course and scope of employment if:

(a) the occupational disease is established by objective medical findings; and

(b) the events occurring on more than a single day or work shift are the major contributing cause of the occupational disease in relation to other factors contributing to the occupational disease.

(10) When compensation is payable for an occupational disease, the only employer liable is the employer in whose employment the employee was last injuriously exposed to the hazard of the disease.

(11) When there is more than one insurer and only one employer at the time that the employee was injuriously exposed to the hazard of the disease, the liability rests with the insurer providing coverage at the earlier of:

(a) the time that the occupational disease was first diagnosed by a treating physician or medical panel; or

(b) the time that the employee knew or should have known that the condition was the result of an occupational disease.

(12) In the case of pneumoconiosis, any coal mine operator who has acquired a mine in the state or substantially all of the assets of a mine from a person who was an operator of the mine on or after December 30, 1969, is liable for and shall secure the payment of all benefits that would have been payable by that person with respect to miners previously employed in the mine if acquisition had not occurred and that person had continued to operate the mine, and the prior operator of the mine is not relieved of any liability under this section.

(13) As used in this section, "major contributing cause" means a cause that is the leading cause contributing to the result when compared to all other contributing causes.

39-71-408. Liability as first lien in case of bankruptcy or failure. In case of bankruptcy, insolvency, liquidation, or the failure of an employer or insurer to meet any obligations imposed by this chapter, every liability which may be due under this chapter shall constitute a first lien upon any deposit made by such employer or insurer, and if such deposit shall not be sufficient to secure the payment of such liability in the manner and at the times provided for in this chapter, the deficiency shall be a lien upon all the property of such employer or insurer within this state and shall be prorated with other lienable claims and shall have preference over the claim of any creditor or creditors of such employer or insurer except the claims of other lienors.

39-71-411. Provisions of chapter exclusive remedy — nonliability of insured employer. For all employments covered under the Workers' Compensation Act or for which an election has been made for coverage under this chapter, the provisions of this chapter are exclusive. Except as provided in part 5 of this chapter for uninsured employers and except as otherwise provided in the Workers' Compensation Act, an employer is not subject to any liability whatever for the death of or personal injury to an employee covered by the Workers' Compensation Act or for any claims for contribution or indemnity asserted by a third person from whom damages are sought on account of the injuries or death. The Workers' Compensation Act binds the employee and, in case of death, binds the employee's personal representative and all persons having any right or claim to compensation for the employee's injury or death, as well as the employer and the servants and employees of the employer and those conducting the employer's business during liquidation, bankruptcy, or insolvency.

The right to compensation and medical benefits as provided by this chapter is not affected by the fact that the injury, occupational disease, or death is caused by the negligence of a third party other than the employer or the servants or employees of the employer. 39-71-413. Liability of employer or fellow employee for intentional and deliberate acts — additional cause of action — intentional injury defined. (1) If an employee is intentionally injured by an intentional and deliberate act of the employee's employer or by the intentional and deliberate act of a fellow employee while performing the duties of employment, the employee or in case of death the employee's heirs or personal representatives, in addition to the right to receive compensation under the Workers' Compensation Act, have a cause of action for damages against the person whose intentional and deliberate act caused the intentional injury.

(2) An employer is not vicariously liable under this section for the intentional and deliberate acts of an employee.

(3) As used in this section, "intentional injury" means an injury caused by an intentional and deliberate act that is specifically and actually intended to cause injury to the employee injured and there is actual knowledge that an injury is certain to occur.

39-71-414. Subrogation. (1) If an action is prosecuted as provided for in 39-71-412 or 39-71-413 and except as otherwise provided in this section, the insurer is entitled to subrogation for all compensation and benefits paid or to be paid under the Workers' Compensation Act. The insurer's right of subrogation is a first lien on the claim, judgment, or recovery.

(2) (a) If the injured employee intends to institute the third-party action, the employee shall give the insurer reasonable notice of the intention to institute the action.

(b) The injured employee may request that the insurer pay a proportionate share of the reasonable cost of the action, including attorney fees.

(c) The insurer may elect not to participate in the cost of the action. If this election is made, the insurer waives 50% of its subrogation rights granted by this section.

(d) If the injured employee or the employee's personal representative institutes the action, the employee is entitled to at least one-third of the amount recovered by judgment or settlement less a proportionate share of reasonable costs, including attorney fees, if the amount of recovery is insufficient to provide the employee with that amount after payment of subrogation.

(3) If an injured employee refuses or fails to institute the third-party action within 1 year from the date of injury, the insurer may institute the action in the name of the employee and for the employee's benefit or that of the employee's personal representative. If the insurer institutes the action, it shall pay to the employee any amount received by judgment or settlement that is in excess of the amounts paid or to be paid under the Workers' Compensation Act after the insurer's reasonable costs, including attorney fees for prosecuting the action, have been deducted from the recovery.

(4) An insurer may enter into compromise agreements in settlement of subrogation rights.

(5) Regardless of whether the amount of compensation and other benefits payable under the Workers' Compensation Act have been fully determined, the insurer and the claimant's heirs or personal representative may stipulate the proportion of the third-party settlement to be allocated under subrogation. Upon review and approval by the department, the agreement constitutes a compromise settlement of the issue of subrogation. A dispute between the insurer and claimant concerning subrogation is a dispute subject to the mediation requirements of 39-71-2401.

(6) (a) The insurer is entitled to full subrogation rights under this section, unless the claimant is able to demonstrate damages in excess of the workers' compensation benefits and the third-party recovery combined. If the insurer is entitled to subrogation under this section, the insurer may subrogate against the entire settlement or award of a third-party claim brought by the claimant or the claimant's personal representative without regard to the nature of the damages.

(b) If a survival action does not exist and the parties reach a settlement of a wrongful death claim without apportionment of damages by a court or jury, the insurer may subrogate against the entire settlement amount, without regard to the parties' apportionment of the damages, unless the insurer is a party to the settlement agreement.

(7) Regardless of whether the amount of compensation and other benefits payable have been fully determined, the insurer and the claimant may stipulate the proportion of the third-party settlement to be allocated under subrogation. Upon review and approval by the department, the agreement constitutes a compromise settlement of the issue of subrogation. A dispute between the insurer and claimant concerning subrogation is a dispute subject to the mediation requirements of 39-71-2401.

39-71-415. Procedure for resolving disputes regarding independent contractor status.

(1) If a claimant and insurer have a dispute over benefits and the dispute involves an issue of whether the claimant is an independent contractor or employee, either party may, after mediation pursuant to department rules, petition the workers' compensation judge for resolution of the dispute in accordance with 39-71-2905.

(2) (a) A dispute involving an employer, a worker, or the department and involving the issue of whether a worker is an independent contractor or an employee, but not involving workers' compensation benefits, must be brought before the independent contractor central unit of the department for resolution.

(b) (i) A decision of the independent contractor central unit is final unless a party dissatisfied with the decision requests mediation pursuant to department rules within 15 days of the mailing of the decision by the independent contractor central unit.

(ii) At the conclusion of the mediation process, the mediator shall issue a report summarizing the status of the proceeding and shall mail a copy of the report to the parties.

(c) If after mediation the parties have not resolved their dispute concerning a worker's status as an independent contractor or an employee, a party may appeal the decision of the independent contractor central unit by filing a petition with the workers' compensation court within 30 days of the mailing of the mediator's report.

(iii) a working member of a limited liability partnership; or

(iv) a working member of a member-managed limited liability company.

(2) The department shall adopt rules relating to an original application for or renewal of an independent contractor exemption certificate. The department shall adopt by rule the amount of the fee for an application or certificate renewal. The application or renewal must be accompanied by the fee.

(3) The department shall deposit the application or renewal fee in an account in the state special revenue fund to pay the costs of administering the program.

(4) (a) To obtain an independent contractor exemption certificate, the applicant shall swear to and acknowledge the following:

(i) that the applicant has been and will continue to be free from control or direction over the performance of the person's own services, both under contract and in fact; and

(ii) that the applicant is engaged in an independently established trade, occupation, profession, or business and will provide sufficient documentation of that fact to the department.

(b) For the purposes of subsection (4)(a)(i), an endorsement required for licensure, as provided in 37-47-303, does not imply or constitute control.

(5) (a) An applicant for an independent contractor exemption certificate shall submit an application under oath on a form prescribed by the department and containing the following:

(i) the applicant's name and address;

(ii) the applicant's social security number;

(iii) each occupation for which the applicant is seeking independent contractor certification; and

(iv) other documentation as provided by department rule to assist in determining if the applicant has an independently established business.

(b) The department shall adopt a retention schedule that maintains copies of documents submitted in support of an initial application or renewal application for an independent contractor exemption certificate for a minimum of 3 years after an application has been received by the department. The department shall, to the extent feasible, produce renewal applications that reduce the burden on renewal applicants to supply information that has been previously provided to the department as part of the application process.

(c) An applicant who applies on or after July 1, 2011, to renew an independent contractor exemption certificate is not required to submit documents that have been previously submitted to the department if:

(i) the applicant certifies under oath that the previously submitted documents are still valid and current; and

(ii) the department, if it considers it necessary, independently verifies a specific document or decides that a document has not expired pursuant to the document's own terms and is therefore still valid and current.

(6) The department shall issue an independent contractor exemption certificate to an applicant if the department determines that an applicant meets the requirements of this section.

(7) (a) When the department approves an application for an independent contractor exemption certificate and the person is working under the independent contractor exemption certificate, the person's status is conclusively presumed to be that of an independent contractor.

(b) A person working under an approved independent contractor exemption certificate has waived all rights and benefits under the Workers' Compensation Act and is precluded from obtaining benefits unless the person has elected to be bound personally and individually by the provisions of compensation plan No. 1, 2, or 3.

(c) For the purposes of the Workers' Compensation Act, a person is working under an independent contractor exemption certificate if:

(i) the person is performing work in the trade, business, occupation, or profession listed on the person's independent contractor exemption certificate; and

(ii) the hiring agent and the person holding the independent contractor exemption certificate do not have a written or an oral agreement that the independent contractor exemption certificate holder's status with respect to that hiring agent is that of an employee.

(8) Once issued, an independent contractor exemption certificate remains in effect for 2 years unless:

(a) suspended or revoked pursuant to 39-71-418; or

(b) canceled by the independent contractor.

(9) If the department's independent contractor central unit denies an application for an independent contractor exemption certificate, the applicant may contest that decision as provided in 39-71-415(2).

2009 Amendment: Chapter 120 inserted (5)(b) concerning retention schedule for documents; inserted (5)(c) concerning previously submitted documents; and made minor changes in style. Amendment effective October 1, 2009.

39-71-418. Suspension or revocation of independent contractor exemption certificate. (1) The department may suspend an independent contractor exemption certificate for a specific business relationship if the department determines that the employing unit exerts or retains a right of control to a degree that causes a certificate holder to violate the provisions of 39-71-417(4).

(2) The department may revoke an independent contractor exemption certificate after determining that the certificate holder:

(a) provided misrepresentations in the application affidavit or certificate renewal form;

(b) altered or amended the application form, the renewal application form, other supporting documentation required by the department, or the independent contractor exemption certificate; or

(c) failed to cooperate with the department in providing information relevant to the continued validity of the holder's certificate.

(3) A decision by the department to suspend or revoke an independent contractor exemption certificate takes effect upon issuance of the decision. Suspension or revocation of the independent contractor exemption certificate does not invalidate the certificate holder's waiver of the rights and benefits of the Workers' Compensation Act for the period prior to notice to the hiring agent by the department of the department's decision to suspend or revoke the independent contractor exemption certificate.

(4) A decision by the department's independent contractor central unit to suspend or revoke an independent contractor exemption certificate may be contested in the same manner as provided in 39-71-415(2).

39-71-419. Independent contractor violations — penalty. (1) A person may not:

(a) perform work as an independent contractor without first:

(i) obtaining from the department an independent contractor exemption certificate unless the individual is not required to obtain an independent contractor exemption certificate pursuant to 39-71-417(1)(a); or

(ii) electing to be bound personally and individually by the provisions of compensation plan No. 1, 2, or 3;

(b) perform work as an independent contractor when the department has revoked or denied the independent contractor's exemption certificate;

(c) transfer to another person or allow another person to use an independent contractor exemption certificate that was not issued to that person;

(d) alter or falsify an independent contractor exemption certificate; or

(e) misrepresent the person's status as an independent contractor.

(2) An employer may not:

(a) require an employee through coercion, misrepresentation, or fraudulent means to adopt independent contractor status to avoid the employer's obligations to provide workers' compensation coverage; or

(b) exert control to a degree that causes the independent contractor to violate the provisions of 39-71-417(4).

(3) In addition to any other penalty or sanction provided in this chapter, a person or employer who violates a provision of this section is subject to a fine to be assessed by the department of up to $1,000 for each violation. The department shall deposit the fines in the uninsured employers' fund. The lien provisions of 39-71-506 apply to any assessed fines.

(4) A person or employer who disputes a fine assessed by the department pursuant to this section may file an appeal with the department within 30 days of the date on which the fine was assessed. If, after mediation, the issue is not resolved, the issue must be transferred to the workers' compensation court for resolution.

39-71-432. Definitions. As used in 39-71-433, the following definitions apply:

(1) "Business entity" means a business enterprise owned by a single person, corporation, organization, business trust, trust, partnership, limited liability company, limited liability partnership, joint venture, association, or other business entity.

(2) "Group" means two or more business entities that join together to purchase individual workers' compensation insurance policies covering each business entity that is part of a group.

History: En. Sec. 20, Ch. 619, L. 1993; amd. Sec. 7, Ch. 516, L. 1995; amd. Sec. 6, Ch. 172, L. 1997; amd. Sec. 6, Ch. 377, L. 1999.

39-71-433. Group purchase of workers' compensation insurance. (1) Two or more business entities may join together to form a group to purchase individual workers' compensation insurance policies covering each member of the group.

(2) A group formed under this section may purchase individual workers' compensation insurance policies covering each member of the group from any insurer authorized to write workers' compensation insurance in this state, except that the state fund, as defined in 39-71-2312, has the right to refuse coverage of a group and its plan of operation but may not refuse coverage to an individual employer. Under an individual policy, the group is entitled to a premium or volume discount that would be applicable to a policy of the combined premium amount of the individual policies.

(3) A group shall apportion any discount or policyholder dividend received on workers' compensation insurance coverage among the members of the group according to a formula adopted in the plan of operation for the group.

(4) A group shall adopt a plan of operation that must include the composition and selection of a governing board, the methods for administering the group, the eligibility requirements to join the group, and guidelines for the workers' compensation insurance coverage obtained by the group, including the payment of premiums, the distribution of discounts, and the method for providing risk management.

History: En. Sec. 21, Ch. 619, L. 1993; amd. Sec. 8, Ch. 516, L. 1995; amd. Sec. 5, Ch. 310, L. 1997.

39-71-434. Deductible insurance policy provision for medical benefits. (1) In order to lower the amount an employer is required to pay to obtain workers' compensation insurance coverage under this chapter, a workers' compensation policy issued by the state compensation insurance fund under plan No. 3 or by a private insurer under plan No. 2 must offer a deductible for the medical, hospital, and related services allowed under 39-71-704. The medical deductible must be offered in amounts of at least $500.

(2) If the insured employer chooses to accept a medical deductible, the insured employer is liable for the amount of the deductible for the medical benefits paid for each otherwise compensable claim of work injury suffered by an employee.

(3) The insured employer shall contract with the insurer to have the insurer pay the entire cost of the covered medical benefits directly to the provider of medical or related services and then seek reimbursement from the insured employer for the deductible amount. The insurer is entitled to reimbursement only for medical, hospital, and related services allowed under 39-71-704, up to the amount of the deductible.

(4) If an insured employer who has contracted with an insurer for a medical deductible does not pay the medical deductible amount to the insurer through reimbursement, the amount paid by the insurer on the claim may be included as benefits paid in a determination of the insured employer's rate.

(5) If an insured employer chooses to accept a medical deductible, then for purposes of computing rates and rating plans, all medical losses incurred must be reported to the insurer without regard to the application of any medical deductible regardless of whether the employer or the insurer pays the losses.

History: En. Sec. 1, Ch. 641, L. 1989; amd. Sec. 1, Ch. 666, L. 1991; amd. Sec. 1, Ch. 248, L. 1993.

39-71-435. Workers' compensation and employers' liability insurance — optional deductibles. (1) An insurer issuing a workers' compensation or an employer's liability insurance policy may offer to the policyholder, as part of the policy or by endorsement, optional deductibles for benefits payable under the policy consistent with the standards contained in subsection (3).

(2) The advisory organization designated under 33-16-1023 may develop and file a deductible plan or plans on behalf of its members consistent with the standards contained in subsection (3).

(3) The commissioner of insurance shall approve a deductible plan that is in accordance with the following standards:

(a) Claimants' rights are properly protected and claimants' benefits are paid without regard to the deductible.

(b) Premium reductions reflect the type and level of the deductible, consistent with accepted actuarial standards.

(c) Premium reductions for deductibles are determined before application of any experience modification, premium surcharge, or premium discount.

(d) Recognition is given to policyholder characteristics, including but not limited to size, financial capabilities, nature of activities, and number of employees.

(e) The policyholder is liable to the insurer for the deductible amount in regard to benefits paid for compensable claims.

(f) The insurer pays all of the deductible amount applicable to a compensable claim to the person or provider entitled to benefits and then seeks reimbursement from the policyholder for the applicable deductible amount.

(g) Failure by the policyholder to reimburse deductible amounts to the insurer is treated under the policy as nonpayment of premium.

(h) Losses subject to the deductible must be reported and recorded as losses for purposes of calculating rates for a policyholder on the same basis as losses under policies providing first dollar coverage.

(4) The state compensation insurance fund, plan No. 3, may adopt the plan filed by the designated advisory organization or adopt an optional deductible plan that meets the requirements of this section.

(5) For purposes of 39-71-201 and 39-71-915, liability for assessments must be ascertained without regard to application of any deductible, whether the employer or the insurer pays the losses. For all other taxes and assessments based on premium, the amount of premium or assessment must be determined after application of the deductible.

39-71-436 through 39-71-440 reserved.

39-71-441. Tribal employment coverage. The department may, as provided in Title 18, chapter 11, enter into an agreement with a tribal government to recognize, with the same effect as the exclusive remedy and benefits under plans No. 1, 2, and 3, tribal workers' compensation plans or self-insured plans that the department determines provide adequate coverage to persons who are:

(1) employed by an enrolled tribal member or by an association, business, corporation, or other entity at least 51% of which is owned by one or more enrolled tribal members; and

(2) working outside the exterior boundaries of an Indian reservation.

39-71-503. Uninsured employers' fund — purpose and administration of fund — maintaining balance for administrative costs — appropriation. (1) There is created an uninsured employers' fund in the state special revenue account to pay:

(a) to an injured employee of an uninsured employer the same benefits the employee would have received if the employer had been properly enrolled under compensation plan No. 1, 2, or 3, except as provided in subsection (3);

(b) the costs of investigating and prosecuting workers' compensation fraud under 2-15-2015; and

The board of investments shall invest the money of the fund, and the investment income must be deposited in the fund.

(b) The department shall maintain at least a 3-month balance based on projected budget costs for administration of the fund. The balance for administrative costs may be used by the department only in administering the fund.

(c) The maximum aggregate medical benefits expenditure that may be made from the fund may not exceed $100,000 for any single claim regardless of whether the claim arises from an injury or an occupational disease.

(4) The amounts necessary for the payment of benefits from the fund are statutorily appropriated, as provided in 17-7-502, from the fund.

(1) (a) The department may require that the uninsured employer pay to the fund a penalty of either up to double the premium amount the employer would have paid on the payroll of the employer's workers in this state if the employer had been enrolled with compensation plan No. 3 or $200, whichever is greater. In determining the premium amount for the calculation of the penalty under this subsection, the department shall make an assessment based on how much premium would have been paid on the employer's past 3-year payroll for periods within the 3 years when the employer was uninsured.

(b) The fund shall collect from an uninsured employer an amount equal to all benefits paid or to be paid from the fund to or on behalf of an injured employee of the uninsured employer.

(c) In addition to any amounts recovered under subsections (1)(a) and (1)(b), the fund shall collect a penalty of $200 from an employer that fails to obtain Montana workers' compensation insurance within 30 days of notice of the requirement.

(c) Late fees and interest assessed pursuant to this subsection (2) must be deposited into the fund for payment of administrative expenses and benefits.

(3) The department may enter into an agreement with the injured employee or the employee's beneficiaries to assign to the employee or the beneficiaries all or part of the funds collected by the department from the uninsured employer pursuant to subsection (1)(b).

(1) (a) If, upon demand of the department, an uninsured employer refuses to make the payments to the fund that are provided for in 39-71-504(1)(a), (1)(c), and (2), the unpaid penalties, fees, and interest have the effect of a judgment against the employer at the time the payments become due. After issuing an order to the uninsured employer requiring payment of penalties, fees, and interest and after the due process requirements of 39-71-2401(2) and (3) are satisfied, the department may issue a certificate setting forth the amount of payment due and direct the clerk of the district court of any county in the state to enter the certificate as a judgment on the docket pursuant to 25-9-301. From the time the judgment is entered on the docket, it becomes a lien upon all real property of the uninsured employer. The department may enforce the judgment at any time within 10 years of creation of the lien.

2009 Amendment: Chapter 112 in (1)(a) in first sentence inserted references to subsections (1)(a), (1)(c), and (2) of 39-71-504 and after "interest" deleted "and claims", in second sentence near beginning inserted reference to order requiring payment of penalties, fees, and interest, in third sentence near end inserted "uninsured", and in fourth sentence at beginning deleted "After satisfying any due process requirements"; inserted (1)(b) allowing renewal of judgment lien; at end of (2) substituted "subsection (1)" for "39-71-504"; and made minor changes in style. Amendment effective April 1, 2009.

Retroactive Applicability: Section 30, Ch. 112, L. 2009, provided: "[This act] applies retroactively, within the meaning of 1-2-109, to liens filed by the department of labor and industry on judgments issued against uninsured employers prior to [the effective date of this act] [April 1, 2009] and to actions pending within the department of labor and industry or the workers' compensation court on [the effective date of this act] [April 1, 2009] regarding benefit disputes and penalty disputes as provided in [sections 3, 12, and 24] [39-71-541, 39-71-506, and 39-71-2905]."

39-71-507. Department to order uninsured employer to cease operations — noncompliance with order a misdemeanor — coordination of remedies. (1) When the department discovers an uninsured employer, it shall order the employer to cease operations until the employer has elected to be bound by a compensation plan.

(2) When the department discovers a person, business, or other entity functioning as a prime contractor that has subcontracted for the services of an uninsured employer, it may order the person, business, or other entity functioning as a prime contractor to cause all operations performed by the uninsured employer to cease at worksites controlled by the prime contractor until the uninsured employer has elected to be bound by a compensation plan. If after 3 business days following the order by the department the person, business, or other entity functioning as a prime contractor has not complied with the order, the department may order the prime contractor to cease all operations at the affected worksites.

(3) An employer who does not comply with the department's order to cease operations is guilty of a misdemeanor. Each day of violation is a separate offense. The county attorney may prosecute a criminal action under this subsection in the county in which the violation occurs. Prosecution under this subsection does not bar the department from enforcing its order by a civil action.

(4) A person, business, or other entity functioning as a prime contractor that does not comply with the department's order to cease all operations is guilty of a misdemeanor. Each day of violation is a separate offense. The county attorney may prosecute a criminal action under this subsection in the county in which the violation occurs. Prosecution under this subsection does not bar the department from enforcing its order by a civil action. In addition, the department may assess a penalty against the person, business, or other entity functioning as a prime contractor of not more than $1,000 per day for each day of violation.

(5) The department may institute and maintain in the name of the state, through the attorney general or the county attorney of the county in which the violation occurs, an action for an injunction order or other civil remedy in district court to enforce its order to cease operations.

(6) The remedies provided in 39-71-506 and subsections (3) through (5) of this section are not mutually exclusive and may be pursued concurrently.

(1) employee was negligent unless the negligence was willful;

39-71-510. Limitation on benefit entitlement under fund. (1) Notwithstanding the provisions of 39-71-407, 39-71-503, and subsection (2) of this section, injured employees or an employee's beneficiaries who pursue a claim for benefits from the uninsured employers' fund are not granted an entitlement by this state for full workers' compensation benefits from the fund. Benefits from the fund must be paid in accordance with the money in the fund. If the department determines at any time that the money in the fund is not adequate to fully pay all claims, the department may make appropriate proportionate reductions in benefits to all claimants. The reductions do not entitle claimants to retroactive reimbursements in the future.

(2) The maximum medical benefits entitlement for any single claim against the fund is limited to an aggregate amount of $100,000.

(2) In an action described in subsection (1), prima facie liability of the uninsured employer exists if the claimant proves, by a preponderance of the evidence, that:

(a) the employer was required by law to be enrolled under compensation plan No. 1, 2, or 3 with respect to the claimant; and

(b) the employer was not enrolled on the date of the injury or death.

(3) It is not a defense to an action that the employee had knowledge of or consented to the employer's failure to carry insurance or that the employee was negligent in permitting the failure to exist.

(4) The amount of recoverable damages in an action is the amount of compensation that the employee would have received had the employer been properly enrolled under compensation plan No. 1, 2, or 3.

(b) A party's petition must be filed within 60 days of the mailing of the mediator's report provided for in 39-71-2411 unless the parties stipulate in writing to a longer time period for filing the petition.

(c) If a settlement is not reached through mediation and a petition is not filed within 60 days of the mailing of the mediator's report, the determination by the department is final.

2009 Amendment: Chapter 112 in (1) inserted reference to department and after "or" deleted "the date that"; in (2)(a) after "party" inserted reference to disagreement with department's determination; and inserted (2)(d) clarifying finality of department determination. Amendment effective July 1, 2009.

Retroactive Applicability: Section 30, Ch. 112, L. 2009, provided: "[This act] applies retroactively, within the meaning of 1-2-109, to liens filed by the department of labor and industry on judgments issued against uninsured employers prior to [the effective date of this act] [April 1, 2009] and to actions pending within the department of labor and industry or the workers' compensation court on [the effective date of this act] [April 1, 2009] regarding benefit disputes and penalty disputes as provided in [sections 3, 12, and 24] [39-71-541, 39-71-506, and 39-71-2905]."

39-71-521. Burden of proof — insurance coverage. (1) In a proceeding brought by the department or an employer to resolve the issue of the existence of workers' compensation insurance coverage for that employer, the initial burden of proof is on the department to demonstrate that:

(a) the employer is required to have workers' compensation insurance coverage; and

(b) either:

(i) the database of the recognized agent providing proof of coverage indicates that no coverage is reported by an insurer to cover the employer's Montana operations; or

(ii) the department confirms with the insurer that reported coverage for the employer that the policy previously covering the employer's Montana operations has been canceled by that insurer.

(2) The burden then shifts to the employer to demonstrate that the employer is not required either to have workers' compensation insurance coverage or to produce a valid workers' compensation insurance policy covering the employer's Montana operations during the period of time in question. A valid workers' compensation insurance policy is one acknowledged by the insurer to be valid or adjudged to be valid by a court of competent jurisdiction.

History: En. Sec. 1, Ch. 214, L. 2001.

39-71-522. Inspection of construction sites — public policy — penalty. (1) In recognition of the benefit of fair competition among business competitors and the public policy of this state providing for enforcement of workers' compensation insurance coverage requirements, the legislature finds that it is reasonable to allow access by authorized employees of the department onto construction sites for the purpose of determining whether workers are appropriately covered by workers' compensation insurance or a valid exemption from insurance coverage.

(2) In order to determine if proper workers' compensation insurance coverage is in place or if a valid exemption is held by a worker present on a construction site, authorized employees of the department may enter onto any construction site for which a construction permit is required or has been issued.

(3) Upon presentation of proper credentials, department employees must be admitted to a construction site to:

(a) gather information relating to compliance with the coverage requirements of this chapter; and

(b) when appropriate, issue a notice of violation to a person who is in violation of 39-71-419.

(4) This section does not authorize the department's employees to engage in a breach of the peace. The department may request the assistance of appropriate local law enforcement agencies to peaceably enter a construction site.

(5) A person who purposely or knowingly restricts the access to a construction site by a credentialed department employee or who obstructs the employee in the performance of the employee's duties under this section commits the offense of obstruction of a public servant as provided in 45-7-302.

(6) As used in this section, the following definitions apply:

(a) "Construction permit" means any permit that can be issued pursuant to Title 50, chapter 60, and includes:

(i) a boiler permit;

(ii) a building permit;

(iii) an electrical permit;

(iv) an elevator permit;

(v) a mechanical permit; or

(vi) a plumbing permit.

(b) "Construction site" means any parcel of real property where work is being performed for which a construction permit is required or has been issued.

39-71-535. Collection of penalties, claim costs, late fees, and interest — liability for payment of collection costs. (1) If the department is unable to collect penalties, claim costs, late fees, or interest assessed pursuant to the provisions of this part, the department may assign the debt to a collection service or transfer the debt to the department of revenue pursuant to Title 17, chapter 4, part 1.

(2) (a) The reasonable collection costs of a collection service, if approved by the department, or assistance costs charged the department by the department of revenue pursuant to 17-4-103(3) may be added to the debt for which collection is being sought.

(b) (i) All money collected by the department of revenue is subject to the provisions of 17-4-106.

(ii) All money collected by a collection service must be paid to the department, except that the collection service may retain those collection costs or, if the total debt is not collected, that portion of collection costs that are approved by the department.

(1) An uninsured employer or an employer alleged to be uninsured is a party to all disputes concerning any benefits for which the employer may become obligated to indemnify the department pursuant to 39-71-504(1)(b).

(2) (a) After mediation pursuant to department rules, an uninsured employer or an employer alleged to be uninsured is joined as a party when a dispute over benefits is brought before the workers' compensation judge pursuant to 39-71-2905.

(b) The workers' compensation judge may enter a judgment, including a default judgment, requiring an uninsured employer to indemnify the department with respect to any benefits paid or ordered payable by the department in relation to the claim.

(c) If a judgment ordered under subsection (2)(b) includes a specific amount paid or ordered payable, the department may issue to the uninsured employer a certificate listing the amount of payment due and directing the clerk of the district court of any county in the state to enter the certificate as a judgment on the docket pursuant to 25-9-301. The judgment becomes a lien on all real property of the uninsured employer from the time of being entered on the docket.

(3) (a) An uninsured employer is obligated to make claim reimbursements as provided in 39-71-504(1)(b), plus the interest and other charges assessed on the claim reimbursement as provided in 39-71-504(2), when demand for those payments is made to the uninsured employer.

(b) If the uninsured employer does not make the payments and does not dispute the obligation in the manner provided by 39-71-520, the department may issue a certificate listing the amount of payment due and directing the clerk of the district court of any county in the state to enter the certificate as a judgment on the docket pursuant to 25-9-301. The judgment becomes a lien on all real property of the uninsured employer from the time of being entered on the docket.

(4) A judgment lien filed pursuant to this section may be renewed for another 10-year period upon motion of the lienholder or by a judgment for that purpose.

39-71-604. Application for compensation — disclosure and communication without prior notice of health care information. (1) If a worker is entitled to benefits under this chapter, the worker shall file with the insurer all reasonable information needed by the insurer to determine compensability. It is the duty of the worker's attending physician to lend all necessary assistance in making application for compensation and proof of other matters that may be required by the rules of the department without charge to the worker. The filing of forms or other documentation by the attending physician does not constitute a claim for compensation.

(2) A signed claim for workers' compensation or occupational disease benefits authorizes disclosure to the workers' compensation insurer, as defined in 39-71-116, or to the agent of a workers' compensation insurer by the health care provider. The disclosure authorized by this subsection authorizes the physician or other health care provider to disclose or release only information relevant to the claimant's condition. Health care information relevant to the claimant's condition may include past history of the complaints of or the treatment of a condition that is similar to that presented in the claim, conditions for which benefits are subsequently claimed, other conditions related to the same body part, or conditions that may affect recovery. A release of information related to workers' compensation must be consistent with the provisions of this subsection. Authorization under this section is effective only as long as the claimant is claiming benefits. This subsection may not be construed to restrict the scope of discovery or disclosure of health care information, as allowed under the Montana Rules of Civil Procedure, by the workers' compensation court or as otherwise provided by law.

(3) A signed claim for workers' compensation or occupational disease benefits or a signed release authorizes a workers' compensation insurer, as defined in 39-71-116, or the agent of the workers' compensation insurer to communicate with a physician or other health care provider about relevant health care information, as authorized in subsection (2), by telephone, letter,

electronic communication, in person, or by other means, about a claim and to receive from the physician or health care provider the information authorized in subsection (2) without prior notice to the injured employee, to the employee's authorized representative or agent, or in the case of death, to the employee's personal representative or any person with a right or claim to compensation for the injury or death.

(4) If death results from an injury, the parties entitled to compensation or someone in their behalf shall file a claim with the insurer. The claim must be accompanied with proof of death and proof of relationship, showing the parties entitled to compensation, certificate of the attending physician, if any, and such other proof as may be required by the department.

39-71-605. Examination of employee by physician — effect of refusal to submit to examination — report and testimony of physician — cost. (1) (a) Whenever in case of injury the right to compensation under this chapter would exist in favor of any employee, the employee shall, upon the written request of the insurer, submit from time to time to examination by a physician, psychologist, or panel that must be provided and paid for by the insurer and shall likewise submit to examination from time to time by any physician, psychologist, or panel selected by the department or as ordered by the workers' compensation judge.

(b) The request or order for an examination must fix a time and place for the examination, with regard for the employee's convenience, physical condition, and ability to attend at the time and place that is as close to the employee's residence as is practical. An examination that is conducted by a physician, psychologist, or panel licensed in another state is not precluded under this section. The employee is entitled to have a physician present at any examination. If the employee, after written request, fails or refuses to submit to the examination or in any way obstructs the examination, the employee's right to compensation must be suspended and is subject to the provisions of 39-71-607. Any physician, psychologist, or panel employed by the insurer or the department who makes or is present at any examination may be required to testify as to the results of the examination.

(2) In the event of a dispute concerning the physical condition of a claimant or the cause or causes of the injury or disability, if any, the department or the workers' compensation judge, at the request of the claimant or insurer, as the case may be, shall require the claimant to submit to an examination as it considers desirable by a physician, psychologist, or panel within the state or elsewhere that has had adequate and substantial experience in the particular field of medicine concerned with the matters presented by the dispute. The physician, psychologist, or panel making the examination shall file a written report of findings with the claimant and insurer for their use in the determination of the controversy involved. The requesting party shall pay the physician, psychologist, or panel for the examination.

(3) As used in this section, a panel includes a practitioner having substantial experience in the field of medicine concerned with the matters presented by the dispute and whose licensure would qualify the practitioner to act as a treating physician, as defined in 39-71-116, and may include a psychologist.

(4) A claimant is required, upon a written request of an insurer, to submit to a functional capacities evaluation conducted by a licensed physical or occupational therapist.

39-71-606. Insurer to accept or deny claim within thirty days of receipt — notice of benefits and entitlements to claimants — notice of denial — notice of reopening — notice to employer. (1) Each insurer under any plan for the payment of workers' compensation benefits shall, within 30 days of receipt of a claim for compensation signed by the claimant or the claimant's representative, either accept or deny the claim and, if denied, shall inform the claimant and the department in writing of the denial.

(2) The department shall make available to insurers for distribution to claimants sufficient copies of a document describing current benefits and entitlements available under Title 39, chapter 71. Upon receipt of a claim, each insurer shall promptly notify the claimant in writing of potential benefits and entitlements available by providing the claimant a copy of the document prepared by the department.

(3) Each insurer under plan No. 2 or No. 3 for the payment of workers' compensation benefits shall notify the employer of the reopening of the claim within 14 days of the reopening of a claim for the purpose of paying compensation benefits.

(4) Upon the request of an employer that it insures, an insurer shall notify the employer of all compensation benefits that are ongoing and are being charged against that employer's account.

(5) Failure of an insurer to comply with the time limitations required in this section does not constitute an acceptance of a claim as a matter of law. However, an insurer who fails to comply with 39-71-608 or this section may be assessed a penalty under 39-71-2907 if a claim is determined to be compensable by the workers' compensation court.

39-71-607. Suspension of payments by insurer pending receipt of medical information. Under rules adopted by the department, an insurer may suspend compensation payments pending the receipt of medical information when an injured worker unreasonably fails to keep scheduled medical appointments. If, after a medical examination, the injured worker is released to return to work, the worker forfeits the right to any suspended benefits.

39-71-608. Payments within thirty days by insurer without admission of liability or waiver of defense authorized — notice — limitations on payments over ninety days. (1) An insurer may, after written notice to the claimant and the department, make payment of compensation benefits within 30 days of receipt of a claim for compensation without the payments being construed as an admission of liability or a waiver of any right of defense.

(2) An insurer may not make payments pursuant to this section for more than 90 days without:

(a) written consent of the claimant; or

(b) approval of the department.

History: En. Sec. 1, Ch. 477, L. 1973; amd. Sec. 1, Ch. 173, L. 1974; R.C.M. 1947, 92-615(part); amd. Sec. 64, Ch. 613, L. 1989; amd. Sec. 7, Ch. 103, L. 2005.

39-71-609. Denial of claim after payments made or termination of all benefits or reduction to partial benefits by insurer — fourteen days' notice required — criteria for conversion of benefits. (1) Except as provided in subsection (2), if an insurer determines to deny a claim on which payments have been made under 39-71-608 during a time of further investigation or, after a claim has been accepted, terminates all biweekly compensation benefits, it may do so only after 14 days' written notice to the claimant, the claimant's authorized representative, if any, and the department. For injuries occurring prior to July 1, 1987, an insurer shall give 14 days' written notice to the claimant before reducing benefits from total to partial. However, if an insurer has knowledge that a claimant has returned to work, compensation benefits may be terminated as of the time the claimant returned to work.

(2) Temporary total disability benefits may be terminated on the date that the worker has been released to return to work in some capacity. Unless the claimant is found, at maximum healing, to be without a permanent physical impairment from the injury, the insurer, prior to converting temporary total disability benefits or temporary partial disability benefits to permanent partial disability benefits:

(a) must have a physician's determination that the claimant has reached medical stability;

(b) must have a physician's determination of the claimant's physical restrictions resulting from the industrial injury;

(c) must have a physician's determination, based on the physician's knowledge of the claimant's job analysis prepared by a rehabilitation provider, that the claimant can return to work, with or without restrictions, on the job on which the claimant was injured or on another job for which the claimant is suited by age, education, work experience, and physical condition;

(d) shall give notice to the claimant of the insurer's receipt of the report of the physician's determinations required pursuant to subsections (2)(a) through (2)(c). The notice must be attached to a copy of the report.

History: En. Sec. 1, Ch. 477, L. 1973; amd. Sec. 1, Ch. 173, L. 1974; R.C.M. 1947, 92-615(part); amd. Sec. 8, Ch. 103, L. 1979; amd. Sec. 5, Ch. 333, L. 1989; amd. Sec. 64, Ch. 613, L. 1989; amd. Sec. 10, Ch. 243, L. 1995; amd. Sec. 1, Ch. 174, L. 2001.

39-71-610. Termination of benefits by insurer — department order to pay disputed benefits prior to hearing or mediation — limitation on order — right of reimbursement. If an insurer terminates biweekly compensation benefits and the termination of compensation benefits is disputed by the claimant, the department may, upon written request, order an insurer to pay additional biweekly compensation benefits prior to a hearing before the workers' compensation court or prior to mediation, but the biweekly compensation benefits may not be ordered to be paid under this section for a period exceeding 49 days or for any period subsequent to the date of the hearing or mediation. A party may appeal this order to the workers' compensation court. A proceeding in the workers' compensation court brought pursuant to this section is a new proceeding and is not subject to mediation. If after a hearing before the workers' compensation court it is held that the insurer was not liable for the compensation payments ordered by the department, the insurer has the right to be reimbursed for the payments by the claimant.

39-71-611. Costs and attorney fees payable on denial of claim or termination of benefits later found compensable — barring of attorney fees under common fund and other doctrines. (1) The insurer shall pay reasonable costs and attorney fees as established by the workers' compensation court if:

(a) the insurer denies liability for a claim for compensation or terminates compensation benefits;

(b) the claim is later adjudged compensable by the workers' compensation court; and

(c) in the case of attorney fees, the workers' compensation court determines that the insurer's actions in denying liability or terminating benefits were unreasonable.

(2) A finding of unreasonableness against an insurer made under this section does not constitute a finding that the insurer acted in bad faith or violated the unfair trade practices provisions of Title 33, chapter 18.

(3) Attorney fees may be awarded only under the provisions of subsection (1) and may not be awarded under the common fund doctrine or any other action or doctrine in law or equity.

(1) If an insurer pays or submits a written offer of payment of compensation under this chapter but controversy relates to the amount of compensation due, the case is brought before the workers' compensation judge for adjudication of the controversy, and the award granted by the judge is greater than the amount paid or offered by the insurer, reasonable attorney fees and costs as established by the workers' compensation judge if the case has gone to a hearing may be awarded by the judge in addition to the amount of compensation.

(2) An award of attorney fees under subsection (1) may be made only if it is determined that the actions of the insurer were unreasonable. Any written offer of payment made 30 days or more before the date of hearing must be considered a valid offer of payment for the purposes of this section.

(3) A finding of unreasonableness against an insurer made under this section does not constitute a finding that the insurer acted in bad faith or violated the unfair trade practices provisions of Title 33, chapter 18.

(2) The department may regulate the amount of the attorney fees in any workers' compensation case. In regulating the amount of the fees, the department shall consider:

(a) the benefits the claimant gained due to the efforts of the attorney;

(b) the time the attorney was required to spend on the case;

(c) the complexity of the case; and

(d) any other relevant matter the department may consider appropriate.

(3) An attorney who violates a provision of this section, a rule adopted under this section, or an order fixing attorney fees under this section forfeits the right to any fees that the attorney collected or was entitled to collect.

(4) If, after an attorney receives attorney fees and costs assessed against an insurer, the claimant is convicted of having obtained benefits through fraud or deception, the attorney fees and costs for obtaining the benefits must be returned to the insurer by the attorney.

(5) (a) A dispute concerning the forfeiture or return of attorney fees is considered a dispute for which the workers' compensation court has original jurisdiction and is not subject to mediation or a contested case hearing.

(b) The parties to a dispute referred to in subsection (5)(a) may voluntarily request a mediator appointed by the department and proceed to nonbinding mediation.

39-71-614. Calculation of attorney fees — limitation. (1) The amount of an attorney's fee assessed against an insurer under 39-71-611 or 39-71-612 must be based exclusively on the time spent by the attorney in representing the claimant on the issues brought to hearing. The attorney must document the time spent, but the judge is not bound by the documentation submitted.

(2) The judge shall determine a reasonable attorney fee and assess costs. The hourly rate applied to the time spent must be based on the attorney's customary and current hourly rate for legal work performed in this state, subject to a maximum established by the department.

(3) This section does not restrict a claimant and an attorney from entering into a contingency fee arrangement under which the attorney receives a percentage of the amount of compensation payments received by the claimant because of the efforts of the attorney. However, an amount equal to any fee and costs assessed against an insurer under 39-71-611 or

39-71-701. Compensation for temporary total disability — exception. (1) Subject to the limitation in 39-71-736 and subsection (4) of this section, a worker is eligible for temporary total disability benefits:

(a) when the worker suffers a total loss of wages as a result of an injury and until the worker reaches maximum healing; or

(b) until the worker has been released to return to the employment in which the worker was engaged at the time of the injury or to employment with similar physical requirements.

(2) The determination of temporary total disability must be supported by a preponderance of objective medical findings.

(3) Weekly compensation benefits for injury producing temporary total disability are 66 $\frac{2}{3}$% of the wages received at the time of the injury. The maximum weekly compensation benefits may not exceed the state's average weekly wage at the time of injury. Temporary total disability benefits must be paid for the duration of the worker's temporary disability. The weekly benefit amount may not be adjusted for cost of living as provided in 39-71-702(5).

(4) If the treating physician releases a worker to return to the same, a modified, or an alternative position that the individual is able and qualified to perform with the same employer at an equivalent or higher wage than the individual received at the time of injury, the worker is no longer eligible for temporary total disability benefits even though the worker has not reached maximum healing. A worker requalifies for temporary total disability benefits if the modified or alternative position is no longer available to the worker for any reason except for the worker's incarceration as provided for in 39-71-744, resignation, or termination for disciplinary reasons caused by a violation of the employer's policies that provide for termination of employment and if the worker continues to be temporarily totally disabled, as defined in 39-71-116.

(5) In cases in which it is determined that periodic disability benefits granted by the Social Security Act are payable because of the injury, the weekly benefits payable under this section are reduced, but not below zero, by an amount equal, as nearly as practical, to one-half the federal periodic benefits for the week, which amount is to be calculated from the date of the disability social security entitlement.

(6) If the claimant is awarded social security benefits, the insurer may, upon notification of the claimant's receipt of social security benefits, suspend biweekly compensation benefits for a period sufficient to recover any resulting overpayment of benefits. This subsection does not prevent a claimant and insurer from agreeing to a repayment plan.

(7) A worker may not receive both wages and temporary total disability benefits without the written consent of the insurer. A worker who receives both wages and temporary total

disability benefits without written consent of the insurer is guilty of theft and may be prosecuted under 45-6-301.

39-71-702. Compensation for permanent total disability. (1) If a worker is no longer temporarily totally disabled and is permanently totally disabled, as defined in 39-71-116, the worker is eligible for permanent total disability benefits. Permanent total disability benefits must be paid for the duration of the worker's permanent total disability, subject to 39-71-710.

(2) The determination of permanent total disability must be supported by a preponderance of objective medical findings.

(3) Weekly compensation benefits for an injury resulting in permanent total disability are 66 ⅔% of the wages received at the time of the injury. The maximum weekly compensation benefits may not exceed the state's average weekly wage at the time of injury.

(4) In cases in which it is determined that periodic disability benefits granted by the Social Security Act are payable because of the injury, the weekly benefits payable under this section are reduced, but not below zero, by an amount equal, as nearly as practical, to one-half the federal periodic benefits for the week, which amount is to be calculated from the date of the disability social security entitlement.

(5) A worker's benefit amount must be adjusted for a cost-of-living increase on the next July 1 after 104 weeks of permanent total disability benefits have been paid and on each succeeding July 1. The adjustment must be the percentage increase, if any, in the state's average weekly wage as adopted by the department over the state's average weekly wage adopted for the previous year.

(6) A worker may not receive both wages and permanent total disability benefits without the written consent of the insurer. A worker who receives both wages and permanent total disability benefits without written consent of the insurer is guilty of theft and may be prosecuted under 45-6-301.

(7) If the claimant is awarded social security benefits, the insurer may, upon notification of the claimant's receipt of social security benefits, suspend biweekly compensation benefits for a period sufficient to recover any resulting overpayment of benefits. This subsection does not prevent a claimant and insurer from agreeing to a repayment plan.

39-71-703. Compensation for permanent partial disability. (1) If an injured worker suffers a permanent partial disability and is no longer entitled to temporary total or permanent total disability benefits, the worker is entitled to a permanent partial disability award if that worker:

(a) has an actual wage loss as a result of the injury; and

(b) has a permanent impairment rating that:

(i) is not based exclusively on complaints of pain;

(ii) is established by objective medical findings; and

(iii) is more than zero as determined by the latest edition of the American medical association Guides to the Evaluation of Permanent Impairment.

(2) When a worker receives an impairment rating as the result of a compensable injury and has no actual wage loss as a result of the injury, the worker is eligible for an impairment award only.

(3) The permanent partial disability award must be arrived at by multiplying the percentage arrived at through the calculation provided in subsection (5) by 375 weeks.

(4) A permanent partial disability award granted an injured worker may not exceed a permanent partial disability rating of 100%.

(5) The percentage to be used in subsection (4) must be determined by adding all of the following applicable percentages to the impairment rating:

(a) if the claimant is 40 years of age or younger at the time of injury, 0%; if the claimant is over 40 years of age at the time of injury, 1%;

(b) for a worker who has completed less than 12 years of education, 1%; for a worker who has completed 12 years or more of education or who has received a graduate equivalency diploma, 0%;

(c) if a worker has no actual wage loss as a result of the industrial injury, 0%; if a worker has an actual wage loss of $2 or less an hour as a result of the industrial injury, 10%; if a worker has an actual wage loss of more than $2 an hour as a result of the industrial injury, 20%. Wage loss benefits must be based on the difference between the actual wages received at the time of injury and the wages that the worker earns or is qualified to earn after the worker reaches maximum healing.

(d) if a worker, at the time of the injury, was performing heavy labor activity and after the injury the worker can perform only light or sedentary labor activity, 5%; if a worker, at the time of injury, was performing heavy labor activity and after the injury the worker can perform only medium labor activity, 3%; if a worker was performing medium labor activity at the time of the injury and after the injury the worker can perform only light or sedentary labor activity, 2%.

(6) The weekly benefit rate for permanent partial disability is 66 ⅔% of the wages received at the time of injury, but the rate may not exceed one-half the state's average weekly wage. The weekly benefit amount established for an injured worker may not be changed by a subsequent adjustment in the state's average weekly wage for future fiscal years.

(7) An undisputed impairment award may be paid biweekly or in a lump sum at the discretion of the worker. Lump sums paid for impairments are not subject to the requirements of 39-71-741, except that lump-sum conversions for benefits not accrued may be reduced to present value at the rate established by the department pursuant to 39-71-741(3).

(8) If a worker suffers a subsequent compensable injury or injuries to the same part of the body, the award payable for the subsequent injury may not duplicate any amounts paid for the previous injury or injuries.

(9) If a worker is eligible for a rehabilitation plan, permanent partial disability benefits payable under this section must be calculated based on the wages that the worker earns or would be qualified to earn following the completion of the rehabilitation plan.

(10) As used in this section:

(a) "heavy labor activity" means the ability to lift over 50 pounds occasionally or up to 50 pounds frequently;

(b) "medium labor activity" means the ability to lift up to 50 pounds occasionally or up to 25 pounds frequently;

(c) "light labor activity" means the ability to lift up to 20 pounds occasionally or up to 10 pounds frequently; and

(d) "sedentary labor activity" means the ability to lift up to 10 pounds occasionally or up to 5 pounds frequently.

39-71-704. Payment of medical, hospital, and related services — fee schedules and hospital rates — fee limitation. (1) In addition to the compensation provided under this chapter and as an additional benefit separate and apart from compensation benefits actually provided, the following must be furnished:

(a) After the happening of a compensable injury and subject to other provisions of this chapter, the insurer shall furnish reasonable primary medical services for conditions resulting from the injury for those periods as the nature of the injury or the process of recovery requires.

(b) The insurer shall furnish secondary medical services only upon a clear demonstration of cost-effectiveness of the services in returning the injured worker to actual employment.

(c) The insurer shall replace or repair prescription eyeglasses, prescription contact lenses, prescription hearing aids, and dentures that are damaged or lost as a result of an injury, as defined in 39-71-119, arising out of and in the course of employment.

(d) (i) The insurer shall reimburse a worker for reasonable travel, lodging, meals, and miscellaneous expenses incurred in travel to a medical provider for treatment of an injury pursuant to rules adopted by the department. Reimbursement must be at the rates allowed for reimbursement for state employees.

(ii) Rules adopted under subsection (1)(d)(i) must provide for submission of claims, within 90 days from the date of travel, following notification to the claimant of reimbursement rules, must provide procedures for reimbursement receipts, and must require the use of the least costly form of travel unless the travel is not suitable for the worker's medical condition. The rules must exclude from reimbursement:

(A) 100 miles of automobile travel for each calendar month unless the travel is requested or required by the insurer pursuant to 39-71-605;

(B) travel to a medical provider within the community in which the worker resides;

(C) travel outside the community in which the worker resides if comparable medical treatment is available within the community in which the worker resides, unless the travel is requested by the insurer; and

(D) travel for unauthorized treatment or disallowed procedures.

(iii) An insurer is not liable for injuries or conditions that result from an accident that occurs during travel or treatment, except that the insurer retains liability for the compensable injuries and conditions for which the travel and treatment were required.

(e) Pursuant to rules adopted by the department, an insurer shall reimburse a catastrophically injured worker's family or, if a family member is unavailable, a person designated by the injured worker or approved by the insurer for travel assistance expenditures in an amount not to exceed $2,500 to be used as a match to those funds raised by community service organizations to help defray the costs of travel and lodging expenses incurred by the family member or designated person when traveling to be with the injured worker. These funds must be paid in addition to any travel expenses paid by an insurer for a travel companion when it is medically necessary for a travel companion to accompany the catastrophically injured worker.

(f) Except for the repair or replacement of a prosthesis furnished as a result of an industrial injury, the benefits provided for in this section terminate when they are not used for a period of 60 consecutive months.

(g) Notwithstanding subsection (1)(a), the insurer may not be required to furnish, after the worker has achieved medical stability, palliative or maintenance care except:

(i) when provided to a worker who has been determined to be permanently totally disabled and for whom it is medically necessary to monitor administration of prescription medication to maintain the worker in a medically stationary condition;

(ii) when necessary to monitor the status of a prosthetic device; or

(iii) when the worker's treating physician believes that the care that would otherwise not be compensable under subsection (1)(g) is appropriate to enable the worker to continue current employment or that there is a clear probability of returning the worker to employment. A dispute regarding the compensability of palliative or maintenance care is considered a dispute over which, after mediation pursuant to department rule, the workers' compensation court has jurisdiction.

(h) Notwithstanding any other provisions of this chapter, the department, by rule and upon the advice of the professional licensing boards of practitioners affected by the rule, may exclude from compensability any medical treatment that the department finds to be unscientific, unproved, outmoded, or experimental.

(2) (a) The department shall annually establish a schedule of fees for medical services that are necessary for the treatment of injured workers. Charges submitted by providers must be the usual and customary charges for nonworkers' compensation patients. The department may require insurers to submit information to be used in establishing the schedule.

(b) (i) The department may not set the rate for medical services at a rate greater than 10% above the average of the conversion factors used by up to the top five insurers or third-party administrators providing group health insurance coverage within this state who use the resource-based relative value scale to determine fees for covered services. To be included in the rate determination, the insurer or third-party administrator must occupy at least 1% of the market share for group health insurance policies as reported annually to the state auditor.

(ii) The insurers or third-party administrators included under subsection (2)(b)(i) shall provide their standard conversion rates to the department.

(iii) The department may use the conversion rates only for the purpose of determining average conversion rates under this subsection (2).

(iv) The department shall maintain the confidentiality of the conversion rates.

(c) The fee schedule rates established in subsection (2)(b) must be based on the following standards as adopted by the centers for medicare and medicaid services in effect at the time the services are provided, regardless of where services are provided:

(i) the American medical association current procedural terminology codes;

(ii) the healthcare common procedure coding system;

(iii) the medicare severity diagnosis-related groups;

(iv) the ambulatory payment classifications;

(v) the ratio of costs to charges for each hospital;

(vi) the national correct coding initiative edits; and

(vii) the relative value units as adjusted annually using the most recently published resource-based relative value scale.

(d) The department may establish additional coding standards for use by providers when billing for medical services under this section.

(3) (a) The department may establish by rule evidence-based utilization and treatment guidelines for primary and secondary medical services. There is a rebuttable presumption that the utilization and treatment guidelines established by the department are correct medical treatment for the injured worker.

(b) An insurer is not responsible for treatment or services that do not fall within the utilization and treatment guidelines adopted by the department unless the provider obtains prior authorization from the insurer. If prior authorization is not requested or obtained from the insurer, an injured worker is not responsible for payment of the medical treatment or services.

(c) The department may establish by rule an independent medical review process for treatment or services denied by an insurer pursuant to this subsection (3) prior to mediation under 39-71-2401.

(4) For services available in Montana, insurers may pay facilities located outside Montana according to the workers' compensation fee schedule of the state where the medical service is performed.

(5) (a) An insurer shall make payments at the fee schedule rate within 30 days of receipt of medical bills for which a claim has been accepted and for which no other disputes exist. Disputes must be defined by the department by rule.

(b) Any unpaid balance under this subsection (5) accrues interest at 12% a year or 1% a month or a fraction of a month. If the charge is not paid within 30 days, interest on the unpaid balance accrues from the date of receipt of the original billing.

(6) Once a determination has been made regarding the correct reimbursement amount, any overpayment made to a medical provider must be reimbursed to the insurer within 30 days of the determination. Any reimbursement amount remaining unpaid after 30 days accrues interest at 12% a year or 1% a month or a fraction of a month. Interest on the reimbursement amount remaining unpaid accrues from the date of receipt of the determination of the correct reimbursement amount.

(7) For a critical access hospital licensed pursuant to Title 50, chapter 5, the rate for services is the usual and customary charge.

(8) Payment pursuant to reimbursement agreements between managed care organizations or preferred provider organizations and insurers is not bound by the provisions of this section.

(9) After mediation pursuant to department rules, an unresolved dispute between an insurer and a medical service provider regarding the amount of a fee for medical services may be brought before the workers' compensation court.

(10) (a) After the initial visit, the worker is responsible for $25 of the cost of each subsequent visit to a hospital emergency department for treatment relating to a compensable injury or occupational disease.

(b) "Visit", as used in this subsection (10), means each time that the worker obtains services relating to a compensable injury or occupational disease from:

(i) a treating physician;

(ii) a physical therapist;

(iii) a psychologist; or

(iv) hospital outpatient services available in a nonhospital setting.

(c) A worker is not responsible for the cost of a subsequent visit pursuant to subsection (10)(a) if the visit is for treatment requested by an insurer.

39-71-710. Termination of benefits upon retirement. (1) If a claimant is receiving disability or rehabilitation compensation benefits and the claimant receives social security retirement benefits or is eligible to receive or is receiving full social security retirement benefits or retirement benefits from a system that is an alternative to social security retirement, the claimant is considered to be retired. When the claimant is retired, the liability of the insurer is ended for payment of permanent partial disability benefits other than the impairment award, payment of permanent total disability benefits, and payment of rehabilitation compensation benefits. However, the insurer remains liable for temporary total disability benefits, any impairment award, and medical benefits.

(2) If a claimant who is eligible under subsection (1) to receive retirement benefits and while gainfully employed suffers a work-related injury, the insurer retains liability for temporary total disability benefits, any impairment award, and medical benefits.

39-71-711. Impairment evaluation — ratings. (1) An impairment rating:

(a) is a purely medical determination and must be determined by an impairment evaluator after a claimant has reached maximum healing;

(b) must be based on the current edition of the Guides to Evaluation of Permanent Impairment published by the American medical association;

(c) must be expressed as a percentage of the whole person; and

(d) must be established by objective medical findings.

(2) A claimant or insurer, or both, may obtain an impairment rating from an evaluator if the injury falls within the scope of the evaluator's practice and if the evaluator is one of the following:

(a) a physician or an osteopath licensed under Title 37, chapter 3, with admitting privileges to practice in one or more hospitals, if any, in the area where the physician or osteopath is located;

(b) a chiropractor licensed under Title 37, chapter 12;

(c) a physician assistant licensed under Title 37, chapter 20, if there is not a physician as provided for in subsection (2)(a) in the area where the physician assistant is located;

(d) a dentist licensed under Title 37, chapter 4;

(e) an advanced practice registered nurse licensed under Title 37, chapter 8; or

(f) for a claimant residing out of state or upon approval of the insurer, an evaluator referred to in subsections (2)(a) through (2)(e) who is licensed or certified in another state.

(3) If the claimant and insurer cannot agree upon the rating, the mediation procedure in Title 39, chapter 71, part 24, must be followed.

(4) Disputes over impairment ratings are subject to the provisions of 39-71-605.

2009 Amendment: Chapter 112 in (2) near beginning after "evaluator" deleted "who is a medical doctor or from an evaluator who is a chiropractor if the injury falls within the scope of chiropractic practice", inserted reference to scope of evaluator's practice and type of evaluator, and inserted subsections (2)(a) through (2)(f) listing types of evaluators; deleted former (3) that read: "(3) An evaluator must be a physician licensed under Title 37, chapter 3, except if the claimant's treating physician is a chiropractor, the evaluator may be a chiropractor who is certified as an evaluator under chapter 12"; and made minor changes in style. Amendment effective July 1, 2009.

Retroactive Applicability: Section 30, Ch. 112, L. 2009, provided: "[This act] applies retroactively, within the meaning of 1-2-109, to liens filed by the department of labor and industry on judgments issued against uninsured employers prior to [the effective date of this act] [April 1, 2009] and to actions pending within the department of labor and industry or the workers' compensation court on [the effective date of this act] [April 1, 2009] regarding benefit disputes and penalty disputes as provided in [sections 3, 12, and 24] [39-71-541, 39-71-506, and 39-71-2905]."

39-71-712. Temporary partial disability benefits. (1) Subject to the provisions of subsection (5), if prior to maximum healing an injured worker has a physical restriction and is approved to return to a modified or alternative employment that the worker is able and qualified to perform and the worker suffers an actual wage loss as a result of a temporary work restriction, the worker qualifies for temporary partial disability benefits.

(2) An insurer's liability for temporary partial disability must be the difference between the injured worker's average weekly wage received at the time of the injury, subject to a maximum of 40 hours a week, and the actual weekly wages earned during the period that the claimant is temporarily partially disabled, not to exceed the injured worker's temporary total disability benefit rate.

(3) Except as provided in subsection (5), a worker is not eligible for temporary partial disability benefits or temporary total disability benefits if:

(a) the worker has been released by the treating physician to return to a modified or alternative position that the individual is able and qualified to perform with the same employer;

(b) the wages payable in the modified or alternative position, when combined with the temporary partial disability benefits, would result in an equivalent or higher wage than the worker received at the time of injury; and

(c) the worker refuses to accept the modified or alternative position. A worker requalifies for temporary total disability benefits if the modified or alternative position is no longer available to the worker for any reason except for the worker's incarceration as provided for in 39-71-744, resignation, or termination for disciplinary reasons caused by a violation of the employer's policies that provide for termination of employment and if the worker continues to be temporarily totally disabled as defined in 39-71-116.

(4) Temporary partial disability may not be credited against any permanent partial disability award or settlement under 39-71-703.

(5) Unless a collective bargaining agreement precludes an injured worker from working in a modified or alternative position with a different employer or includes criteria different from those outlined in this subsection (5), an injured worker who has not reached maximum healing and who has a physical restriction may return to a modified or alternative position with a different employer at the same or a lower rate of wages as the rate paid by the employer at the time of injury if:

(a) a modified or alternative employment with the employer at the time of injury is not provided and the injured worker and that employer agree to the modified or alternative position with a different employer;

(b) a written description and all required duties of the modified or alternative position with a different employer are approved by the treating physician;

(c) both the employer at the time of injury and the injured worker agree to the type of alternative work, the alternative employer, and the terms and conditions of employment, including payment of benefits and employment taxes for the modified or alternative position with a different employer;

(d) an employee is not displaced as a result of the injured worker's placement in the modified or alternative position with a different employer; and

(e) the employer at the time of injury, the different employer, and the injured worker agree in writing to the terms and conditions, including payment of benefits, covering the injured worker for subsequent injury, unemployment insurance, employment taxes, and liability and provide a copy of the agreement to the injured employee.

(6) Any additional expenses related to the modified or alternative position, including travel, equipment, or training, must be paid by either the employer at the time of injury or the different employer and may not be charged to or deducted from the wages or benefits of the injured employee.

(7) Notwithstanding a written agreement between the employer at the time of injury and a different employer, the employer at the time of injury is the primary employer if a dispute over wages, benefits, employment taxes, workers' compensation insurance, or other terms or conditions of employment occurs.

(8) The injured worker may refuse to accept a modified or alternative position with an employer other than the employer at the time of injury without penalty. If the injured worker is offered a modified or alternative position with a different employer, the injured worker must be given written notice of the right of refusal from the employer at the time of injury and the insurer prior to beginning work with the different employer.

39-71-713. Compensation for occupational diseases and medical benefits — diminution of compensation. (1) Compensation for occupational diseases must be equal to the compensation and medical benefits provided for injuries in this chapter.

(2) When the same medical condition may be claimed as an injury and an occupational disease, compensation payable to the claimant, the claimant's beneficiaries, or the claimant's dependents may not be duplicated for the same conditions over the same time period.

History: En. Sec. 2, Ch. 416, L. 2005.

39-71-714. Autopsy. Upon the filing of a claim for compensation for death caused by an occupational disease, if an autopsy is necessary to determine the cause of death, an autopsy may be requested by an insurer. The autopsy must be made under the supervision of the county coroner or a medical examiner. The expense of the autopsy must be paid by the insurer.

History: En. Sec. 3, Ch. 416, L. 2005.

39-71-715. Benefits for pneumoconiosis — definition. (1) Pneumoconiosis is an occupational disease that is compensable under this part. However, any benefits granted a claimant under this chapter for pneumoconiosis must be reduced, but not below zero, by an amount equal to the benefits granted the claimant under any program under federal law that pays benefits for a claimant suffering disability from pneumoconiosis.

(2) "Pneumoconiosis" means a chronic dust disease of the lungs arising out of employment in coal mines and includes anthracosis, coal workers' pneumoconiosis, silicosis, or anthracosilicosis arising out of employment.

History: En. Sec. 4, Ch. 416, L. 2005.

39-71-716. Prohibiting supplementing of benefits. A person receiving compensation or benefits under chapter 73 of this title is not entitled to compensation or benefits under this chapter.

History: En. Sec. 5, Ch. 416, L. 2005.

39-71-717 through 39-71-720 reserved.

39-71-721. Compensation for injury causing death — limitation. (1) (a) If an injured employee dies and the injury was the proximate cause of the death, the beneficiary of the deceased is entitled to the same compensation as though the death occurred immediately following the injury. A beneficiary's eligibility for benefits commences after the date of death, and the benefit level is established as set forth in subsection (2).

(b) The insurer is entitled to recover any overpayments or compensation paid in a lump sum to a worker prior to death but not yet recouped. The insurer shall recover the payments from the beneficiary's biweekly payments as provided in 39-71-741(3).

(2) To beneficiaries as defined in 39-71-116(4)(a) through (4)(d), weekly compensation benefits for an injury causing death are 66 ⅔% of the decedent's wages. The maximum weekly compensation benefit may not exceed the state's average weekly wage at the time of injury. The minimum weekly compensation benefit is 50% of the state's average weekly wage, but in no event may it exceed the decedent's actual wages at the time of death.

(3) To beneficiaries as defined in 39-71-116(4)(e) and (4)(f), weekly benefits must be paid to the extent of the dependency at the time of the injury, subject to a maximum of 66 ⅔% of the decedent's wages. The maximum weekly compensation may not exceed the state's average weekly wage at the time of injury.

(4) If the decedent leaves no beneficiary, a lump-sum payment of $3,000 must be paid to the decedent's surviving parent or parents.

(5) If any beneficiary of a deceased employee dies, the right of the beneficiary to compensation under this chapter ceases. Death benefits must be paid to a surviving spouse for 500 weeks subsequent to the date of the deceased employee's death or until the spouse's remarriage, whichever occurs first. After benefit payments cease to a surviving spouse, death benefits must be paid to beneficiaries, if any, as defined in 39-71-116(4)(b) through (4)(d).

(6) In all cases, benefits must be paid to beneficiaries.

(7) Benefits paid under this section may not be adjusted for cost of living as provided in 39-71-702.

The proof is conclusive as to the identity of the beneficiary, and any other claim of any other person to any compensation is barred from and after the filing of the proof.

(2) Payment of compensation to a beneficiary not residing within the United States may be made to any plenipotentiary, consul, or consular agent within the United States representing the country in which the nonresident beneficiary resides, and the written receipt of the plenipotentiary, consul, or consular agent acquits the employer or the insurer.

(2) If an injured worker prefers a brand-name drug, the worker may pay directly to the pharmacist the difference in the reimbursement rate between the brand-name drug and the generic-name product, and the pharmacist may bill the insurer only for the reimbursement rate of the generic-name drug.

(3) The pharmacist may bill only for the cost of the generic-name product on a signed itemized billing, except if purchase of the brand-name drug is allowed as provided in subsection (1).

39-71-741. Compromise settlements and lump-sum payments. (1) By written agreement, benefits under this chapter may be converted in whole or in part into a lump sum. An agreement that settles a claim for any type of benefit is subject to department approval. Lump-sum advances and payment of accrued benefits in a lump sum, except permanent total disability benefits under subsection (1)(c), are not subject to department approval. If the department fails to approve or disapprove the agreement in writing within 14 days of the filing with the department, the agreement is approved. The department shall directly notify a claimant of a department order approving or disapproving a claimant's compromise or lump-sum payment. Upon approval, the agreement constitutes a compromise and release settlement and may not be reopened by the department. The department may approve an agreement to convert the following benefits to a lump sum only under the following conditions:

(a) all benefits if a claimant and an insurer dispute the initial compensability of an injury and there is a reasonable dispute over compensability;

(b) permanent partial disability benefits if an insurer has accepted initial liability for an injury. The total of any permanent partial lump-sum conversion in part that is awarded to a claimant prior to the claimant's final award may not exceed the anticipated award under 39-71-703. The department may disapprove an agreement under this subsection (1)(b) only if the department determines that the lump-sum conversion amount is inadequate.

(c) permanent total disability benefits if the total of all lump-sum conversions in part that are awarded to a claimant do not exceed $20,000. The approval or award of a lump-sum permanent total disability payment in whole or in part by the department or court must be the exception. It may be given only if the worker has demonstrated financial need that:

(i) relates to:

(A) the necessities of life;

(B) an accumulation of debt incurred prior to the injury; or

(C) a self-employment venture that is considered feasible under criteria set forth by the department; or

(ii) arises subsequent to the date of injury or arises because of reduced income as a result of the injury;

(d) except as otherwise provided in this chapter, all other compromise settlements and lump-sum payments agreed to by a claimant and insurer; or

(e) medical benefits on an accepted claim if an insurer disputes the insurer's continued liability for medical benefits and there is a reasonable dispute over the medical treatment or medical compensability.

(2) Any lump-sum conversion of benefits under this section must be converted to present value using the rate prescribed under subsection (3)(b).

(3) (a) An insurer may recoup any lump-sum payment amortized at the rate established by the department, prorated biweekly over the projected duration of the compensation period.

(b) The rate adopted by the department must be based on the average rate for United States 10-year treasury bills in the previous calendar year.

(c) If the projected compensation period is the claimant's lifetime, the life expectancy must be determined by using the most recent table of life expectancy as published by the United States national center for health statistics.

(4) A dispute between a claimant and an insurer regarding the conversion of biweekly payments into a lump sum is considered a dispute for which a mediator and the workers' compensation court have jurisdiction to make a determination. If an insurer and a claimant agree to a compromise and release settlement or a lump-sum payment but the department disapproves the agreement, the parties may request the workers' compensation court to review the department's decision.

39-71-742. Who may receive payment. (1) A payment due to a child under 18 years of age or to a person adjudged incompetent must be made to the parent or the appointed guardian, and the written receipt for the payment must acquit the employer, the insurer, or the department of further liability.

(2) A payment due to a member of the highway patrol receiving the salary benefit provided in 44-1-511 must be made to the department of justice to offset the salary benefit until the member is no longer eligible to receive the salary benefit.

(a) as provided in 71-3-1118;

(b) a portion of any lump-sum award or periodic payment to pay a monetary obligation for current or past-due child support, subject to the limitations in subsection (2), whenever the support obligation is established by order of a court of competent jurisdiction or by order rendered in an administrative process authorized by state law;

(d) as provided in 39-71-742; or

(e) for workers' compensation benefits payable to an injured worker to pay restitution to an insurer whenever the injured worker is subject to court-ordered restitution for theft of workers' compensation benefits. The insurer shall notify the injured worker in writing of the withholding of any court-ordered restitution from the injured worker's benefits.

(2) Payments under this chapter are subject to assignment, attachment, or garnishment for child support as follows:

(a) for any periodic payment, an amount up to the percentage amount established in the guidelines promulgated by the department of public health and human services pursuant to 40-5-209; or

(b) for any lump-sum award, an amount up to that portion of the award that is necessary to pay current child support and a past-due child support obligation.

(3) After determination that the claim is covered under the Workers' Compensation Act, the liability for payment of the claim is the responsibility of the appropriate workers' compensation insurer. Except as provided in 39-71-704(10), a fee or charge is not payable by the injured worker for treatment of injuries sustained if liability is accepted by the insurer.

2009 Amendment: Chapter 112 in (1) in third sentence after "certification" deleted "before employment or within 60 days after the person becomes employed or reemployed and" and in fourth sentence after "effective" substituted "retroactively to the date the department received the application" for "on the date of employment or reemployment. Certification is effective on the date the application is approved for a person who applies for certification more than 60 days after employment or reemployment, but before an injury occurs". Amendment effective July 1, 2009.

39-71-907. Certified person with a disability to be compensated for injury as provided by chapter — insurer liability for compensation limited. (1) A person certified as having a physical or mental disability that constitutes or results in a substantial impediment to employment who receives an injury, as defined in 39-71-119, that results in death or disability must be paid compensation in the manner and to the extent provided in this chapter or, in case of death resulting from the injury, the compensation must be paid to the person's beneficiaries or dependents. The liability of the insurer for payment of medical and burial benefits as provided in this chapter is limited to those benefits arising from services rendered during the period of 104 weeks after the date of injury. The liability of the insurer for payment of benefits as provided in this chapter is limited to 104 weeks of compensation benefits actually paid. Thereafter, all compensation and the cost of all medical care and burial are the liability of the fund.

(2) The liability of the fund for reimbursement under this section is limited to the amount currently in the fund at the time the reimbursement request is received by the fund and the amount collectible in the next assessment period pursuant to 39-71-915.

39-71-908. Notification of fund of its potential liability under part — review by fund. Not less than 90 or more than 150 days before the expiration of 104 weeks after the date of injury, the insurer shall notify the fund whether it is likely that compensation may be payable beyond a period of 104 weeks after the date of the injury. The fund thereafter may review, at reasonable times, such information as the insurer has regarding the accident and the nature and extent of the injury and disability.

39-71-909. Effect of fund's failure to give notification of its intent to dispute liability — subsequent notification by fund authorized. If the fund does not notify the insurer of its intent to dispute the payment of compensation, medical, and burial benefits, the insurer shall continue to make payments on behalf of the fund and shall be reimbursed by the fund for all benefits paid in excess of the insurer's liability. However, at any time subsequent to 104 weeks after the date of injury, the fund may notify the insurer of a dispute as to payment of benefits. The liability of the fund to reimburse the insurer shall be suspended 30 days thereafter until the controversy is determined.

39-71-915. Assessment of insurer — employers — definition — collection. (1) As used in this section, "paid losses" means the following benefits paid during the preceding calendar year for injuries covered by the Workers' Compensation Act without regard to the application of any deductible, regardless of whether the employer or the insurer pays the losses:

(a) total compensation benefits paid; and

(b) except for medical benefits in excess of $200,000 for each occurrence that are exempt from assessment, total medical benefits paid for medical treatment rendered to an injured worker, including hospital treatment and prescription drugs.

(2) The fund must be maintained by assessing each plan No. 1 employer, each employer insured by a plan No. 2 insurer, plan No. 3, the state fund, with respect to claims arising before July 1, 1990, and each employer insured by plan No. 3, the state fund. The assessment amount is the total amount paid by the fund in the preceding fiscal year and the expenses of administration less other realized income that is deposited in the fund. The total assessment amount to be collected must be allocated among plan No. 1 employers, plan No. 2 employers, plan No. 3, the state fund, and plan No. 3 employers, based on a proportionate share of paid losses for the calendar year preceding the year in which the assessment is collected. The board of investments shall invest the money of the fund, and the investment income must be deposited in the fund.

(3) On or before May 31 each year, the department shall notify each plan No. 1 employer, plan No. 2 insurer, and plan No. 3, the state fund, of the amount to be assessed for the ensuing fiscal year. The amount to be assessed against the state fund must separately identify the amount attributed to claims arising before July 1, 1990, and the amount attributable to state fund claims arising on or after July 1, 1990. On or before April 30 each year, the department, in consultation with the advisory organization designated under 33-16-1023, shall notify plan No. 2 insurers and plan No. 3 of the premium surcharge rate to be effective for policies written or renewed on and after July 1 in that year.

(4) The portion of the plan No. 1 assessment assessed against an individual plan No. 1 employer is a proportionate amount of total plan No. 1 paid losses during the preceding calendar year that is equal to the percentage that the total paid losses of the individual plan No. 1

employer bore to the total paid losses of all plan No. 1 employers during the preceding calendar year.

(5) The portion of the assessment attributable to state fund claims arising before July 1, 1990, is the proportionate amount that is equal to the percentage that total paid losses for those claims during the preceding calendar year bore to the total paid losses for all plans in the preceding calendar year. As required by 39-71-2352, the state fund may not pass along to insured employers the cost of the subsequent injury fund assessment that is attributable to claims arising before July 1, 1990.

(6) The remaining portion of the assessment must be paid by way of a surcharge on premiums paid by employers being insured by a plan No. 2 insurer or plan No. 3, the state fund, for policies written or renewed annually on or after July 1. The surcharge rate must be computed by dividing the remaining portion of the assessment by the total amount of premiums paid by employers insured under plan No. 2 or plan No. 3 in the previous calendar year. The numerator for the calculation must be adjusted as provided by subsection (9).

(7) Each plan No. 2 insurer providing workers' compensation insurance and plan No. 3, the state fund, shall collect from its policyholders the assessment premium surcharge provided for in subsection (6). When collected, the assessment premium surcharge may not constitute an element of loss for the purpose of establishing rates for workers' compensation insurance but, for the purpose of collection, must be treated as separate costs imposed upon insured employers. The total of this assessment premium surcharge must be stated as a separate cost on an insured employer's policy or on a separate document submitted by the insured employer and must be identified as "workers' compensation subsequent injury fund surcharge". Each assessment premium surcharge must be shown as a percentage of the total workers' compensation policyholder premium. This assessment premium surcharge must be collected at the same time and in the same manner that the premium for the coverage is collected. The assessment premium surcharge must be excluded from the definition of premiums for all purposes, including computation of insurance producers' commissions or premium taxes, except that an insurer may cancel a workers' compensation policy for nonpayment of the assessment premium surcharge. Cancellation must be in accordance with the procedures applicable to the nonpayment of premium. If an employer fails to remit to an insurer the total amount due for the premium and assessment premium surcharge, the amount received by the insurer must be applied to the assessment premium surcharge first and the remaining amount applied to the premium due.

(8) (a) All assessments paid to the department must be deposited in the fund.

(b) Each plan No. 1 employer shall pay its assessment by July 1.

(c) Each plan No. 2 insurer and plan No. 3, the state fund, shall remit to the department all assessment premium surcharges collected during a calendar quarter by not later than 20 days following the end of the quarter.

(d) The state fund shall pay the portion of the assessment attributable to claims arising before July 1, 1990, by July 1.

(e) If a plan No. 1 employer, a plan No. 2 insurer, or plan No. 3, the state fund, fails to timely pay to the department the assessment or assessment premium surcharge under this section, the department may impose on the plan No. 1 employer, the plan No. 2 insurer, or plan No. 3, the state fund, an administrative fine of $100 plus interest on the delinquent amount at the annual interest rate of 12%. Administrative fines and interest must be deposited in the fund.

(9) The amount of the assessment premium surcharge actually collected pursuant to subsection (7) must be compared each year to the amount assessed and upon which the premium surcharge was calculated. The amount undercollected or overcollected in any given year must be used as an adjustment to the numerator provided for by subsection (6) for the following year's assessment premium surcharge.

(10) If the total assessment is less than $1 million for any year, the department may defer the assessment amount for that year and add that amount to the assessment amount for the subsequent year.

39-71-916. Reimbursement of subsequent injury fund — effect on claims experience rating. An insurer that uses an employer's claims costs experience as a factor that influences the amount of premium charged to that particular employer by using an experience modification factor or similar rating technique may not base that factor on those claims costs that are reimbursed by the subsequent injury fund.

(2) The failure to receive written concurrence from the fund's representative relieves the fund of any liability for payment of benefits for a compromise settlement, and the obligation to pay remains with the insurer.

(a) by each employer operating under the provisions of plan No. 1 of the Workers' Compensation Act, an amount to be assessed by the department, not exceeding 1% of the compensation paid to the employer's injured employees in Montana for the preceding calendar year;

(b) by each insurer insuring employers under the provisions of plan No. 2 of the Workers' Compensation Act, an amount to be assessed by the department, not exceeding 1% of the compensation paid to injured employees of its insured in Montana during the preceding calendar year;

39-71-1006. Rehabilitation benefits. (1) A worker is eligible for rehabilitation benefits if:

(a) (i) the worker meets the definition of a disabled worker as provided in 39-71-1011; or

(ii) the worker has, as a result of the work-related injury, a whole person impairment rating of 15% or greater, as established by objective medical findings, and has no actual wage loss;

(b) a rehabilitation provider, as designated by the insurer, certifies that the worker has reasonable vocational goals and reasonable reemployment opportunity. If eligible because of an impairment rating of 15% or more, with rehabilitation the worker will have a reasonable increase in the worker's wage compared to the wage that the worker received at the time of injury. If eligible because of a wage loss, the worker will have a reasonable reduction in the worker's actual wage loss with rehabilitation.

(c) a rehabilitation plan is agreed upon by the worker and the insurer and a written copy of the plan is provided to the worker. The plan must take into consideration the worker's age, education, training, work history, residual physical capacities, and vocational interests. The plan must specify a beginning date and a completion date. The plan must specify the cost of tuition, fees, books, and other reasonable and necessary retraining expenses required to complete the plan.

(2) A disabled worker is entitled to receive biweekly rehabilitation benefits at the worker's temporary total disability rate. The benefits must be paid for the period specified in the rehabilitation plan, not to exceed 104 weeks. The rehabilitation plan must be completed within 26 weeks of the completion date specified in the plan. Rehabilitation benefits must be paid biweekly while the worker is satisfactorily progressing in the agreed-upon rehabilitation plan. Rehabilitation benefits payable pursuant to a retraining rehabilitation plan under this section are not payable in a lump sum. Rehabilitation benefits may be paid in a lump sum for job placement services.

(3) In addition to rehabilitation benefits payable under subsection (2), a disabled worker who was injured on or after July 1, 1997, is entitled to receive payment for tuition, fees, books, and other reasonable and necessary retraining expenses, excluding travel and living expenses paid pursuant to the provisions of 39-71-1025, as set forth in department rules and as specified in the rehabilitation plan. Expenses must be paid directly by the insurer.

(4) A worker may not receive temporary total benefits and the benefits under subsection (2) during the same period of time.

(5) A rehabilitation provider authorized by the insurer shall continue to assist the injured worker until the rehabilitation plan is completed.

(6) To be eligible for benefits under this section, a worker is required to begin the rehabilitation plan within 78 weeks of reaching maximum medical healing.

(7) A worker may not receive both wages and rehabilitation benefits without the written consent of the insurer. A worker who receives both wages and rehabilitation benefits without written consent of the insurer is guilty of theft and may be prosecuted under 45-6-301.

Part 11

Managed Care and Preferred Provider Organizations

39-71-1101. Choice of physician by worker — change of physician — receipt of care from managed care organization. (1) Subject to subsection (3), a worker may choose the initial treating physician within the state of Montana.

(2) Authorization by the insurer is required to change treating physicians. If authorization is not granted, the insurer shall direct the worker to a managed care organization, if any, or to a medical service provider who qualifies as a treating physician, who shall then serve as the worker's treating physician.

(3) A medical service provider who otherwise qualifies as a treating physician but who is not a member of a managed care organization may not provide treatment unless authorized by the insurer, if:

(a) the injury results in a total loss of wages for any duration;

(b) the injury will result in permanent impairment;

(c) the injury results in the need for a referral to another medical provider for specialized evaluation or treatment; or

(d) specialized diagnostic tests, including but not limited to magnetic resonance imaging, computerized axial tomography, or electromyography, are required.

(4) After the date that a worker whose injury is subject to the provisions of subsection (3) receives individual written notice of a referral to a managed care organization, the worker must,

unless otherwise authorized by the insurer, receive medical services from the managed care organization designated by the insurer, in accordance with 39-71-1104. The designated treating physician in the managed care organization then becomes the worker's treating physician. The insurer is not liable for medical services obtained otherwise, except that a worker may receive immediate emergency medical treatment for a compensable injury from a medical service provider who is not a member of a managed care organization.

(5) Posting of managed care requirements in the workplace on bulletin boards, in personnel policies, in company manuals, or by other general or broadcast means does not constitute individual written notice. To constitute individual written notice under this section, information regarding referral to a managed care organization must be provided to the worker in written form by mail or in person after the date that the injury meets the provisions of subsection (3). The notice must advise the worker of the worker's right to choose the initial treating physician under subsection (1).

(6) Any postings or other information regarding referral to a managed care organization on bulletin boards, in personnel policies, in company manuals, or by other general or broadcast means and any individual notice of referral to a managed care organization, whether before or after the occurrence of an injury, must include in prominent type advice of the worker's right to choose the initial treating physician pursuant to subsection (1).

History: En. Sec. 5, Ch. 628, L. 1993; amd. Sec. 1, Ch. 468, L. 1999.

39-71-1102. Preferred provider organizations — establishment — limitations. (1) In order to promote cost containment of medical care provided for in 39-71-704, development of preferred provider organizations by insurers is encouraged. Insurers may establish arrangements with suppliers of soft and durable medical goods and medical providers in addition to or in conjunction with managed care organizations. Workers' compensation insurers may contract with other entities to use the other entities' preferred provider organizations. After the date that an injured worker is given an individual written notice by the insurer of a preferred provider, the insurer is not liable for charges from nonpreferred providers. This section does not prohibit the worker from choosing the initial treating physician under 39-71-1101(1).

(2) Posting of preferred provider requirements in the workplace on bulletin boards, in personnel policies, in company manuals, or by other general or broadcast means does not constitute individual written notice. To constitute individual written notice under this section, information regarding referral to preferred providers must be provided to the worker in written form by mail or in person after the date of injury. The notice must advise the worker of the worker's right to choose the initial treating physician under 39-71-1101(1).

(3) Any postings or other information regarding referral to preferred providers on bulletin boards, in personnel policies, in company manuals, or by other general or broadcast means and any individual notice of referral to preferred providers, whether before or after the occurrence of an injury, must include in prominent type advice of the worker's right to choose the initial treating physician pursuant to subsection 39-71-1101(1).

History: En. Sec. 6, Ch. 628, L. 1993; amd. Sec. 2, Ch. 468, L. 1999.

39-71-1103. Workers' compensation managed care. (1) A managed care system is a program organized to serve the medical needs of injured workers in an efficient and cost-effective manner by managing the delivery of medical services for a defined population of injured workers, pursuant to 39-71-1101, through appropriate health care professionals.

(2) The department shall develop criteria pursuant to 39-71-1105 for certification of managed care organizations. The department may adopt rules for certification of managed care organizations.

(3) Insurers may contract with certified managed care organizations for medical services for injured workers. A worker who is subject to managed care may choose from managed care organizations in the worker's community that have a contract with the insurer responsible for the worker's medical services.

History: En. Sec. 7, Ch. 628, L. 1993.

39-71-1104. Managed care organizations — notification. Workers who are subject to managed care must receive medical services in the manner prescribed in the contract. Each contract must comply with the certification requirements provided in 39-71-1105. Insurers who contract with a managed care organization for medical services shall give written notice to workers of eligible service providers and shall give notice of the manner of receiving medical services.

History: **En. Sec. 8, Ch. 628, L. 1993.**

39-71-1105. Managed care organizations — application — certification. (1) A health care provider, a group of medical service providers, or an entity with a managed care organization may make written application to the department to become certified under this section to provide managed care to workers for injuries or occupational diseases that are covered under this chapter. However, this section does not authorize an organization that is formed, owned, or operated by a workers' compensation insurer or self-insured employer other than a health care provider to become certified to provide managed care. When a health care provider, a group of medical service providers, or an entity with a managed care organization is establishing a managed care organization and independent physical therapy practices exist in the community, the managed care organization is encouraged to utilize independent physical therapists as part of the managed care organization if the independent physical therapists agree to abide by all the applicable requirements for a managed care organization set forth in this section, in rules established by the department, and in the provisions of a managed care plan for which certification is being sought.

(2) Each application for certification must be accompanied by an application fee if prescribed by the department. A certificate is valid for the period prescribed by the department, unless it is revoked or suspended at an earlier date.

(3) The department shall establish by rule the form for the application for certification and the required information regarding the proposed plan for providing medical services. The information includes but is not limited to:

(a) a list of names of each individual who will provide services under the managed care plan, together with appropriate evidence of compliance with any licensing or certification requirements for that individual to practice in the state;

(b) names of the individuals who will be designated as treating physicians and who will be responsible for the coordination of medical services;

(c) a description of the times, places, and manner of providing primary medical services under the plan;

(d) a description of the times, places, and manner of providing secondary medical services, if any, that the applicants wish to provide; and

(e) satisfactory evidence of the ability to comply with any financial requirements to ensure delivery of service in accordance with the plan that the department may require.

(4) The department shall certify a group of medical service providers or an entity with a managed care organization to provide managed care under a plan if the department finds that the plan:

(a) proposes to provide coordination of services that meet quality, continuity, and other treatment standards prescribed by the department and will provide all primary medical services that may be required by this chapter in a manner that is timely and effective for the worker;

(b) provides appropriate financial incentives to reduce service costs and utilization without sacrificing the quality of services;

(c) provides adequate methods of peer review and service utilization review to prevent excessive or inappropriate treatment, to exclude from participation in the plan those individuals who violate these treatment standards, and to provide for the resolution of any medical disputes that may arise;

(d) provides for cooperative efforts by the worker, the employer, the rehabilitation providers, and the managed care organization to promote an early return to work for the injured worker;

(e) provides a timely and accurate method of reporting to the department necessary information regarding medical and health care service cost and utilization to enable the department to determine the effectiveness of the plan;

(f) authorizes workers to receive medical treatment from a primary care physician who is not a member of the managed care organization but who maintains the worker's medical records and with whom the worker has a documented history of treatment, if that primary care physician agrees to refer the worker to the managed care organization for any specialized treatment, including physical therapy, that the worker may require and if that primary care physician agrees to comply with all the rules, terms, and conditions regarding services performed by the managed care organization. As used in this subsection (4)(f), "primary care physician" means a physician who is qualified to be a treating physician and who is a family practitioner, a general practitioner, an internal medicine practitioner, or a chiropractor.

(g) complies with any other requirements determined by department rule to be necessary to provide quality medical services and health care to injured workers.

(5) The department shall refuse to certify or may revoke or suspend the certification of a health care provider, a group of medical service providers, or an entity with a managed care organization to provide managed care if the department finds that:

(a) the plan for providing medical care services fails to meet the requirements of this section; and

(b) service under the plan is not being provided in accordance with the terms of a certified plan.

39-71-1106. Compliance with medical treatment required — termination of compensation benefits for noncompliance. An insurer that provides 14 days' notice to the worker and the department may terminate any compensation benefits that the worker is receiving until the worker cooperates, if the insurer believes that the worker is unreasonably refusing:

(1) to cooperate with a managed care organization or treating physician;

(2) to submit to medical treatment recommended by the treating physician, except for invasive procedures; or

(3) to provide access to health care information to medical providers, the insurer, or an agent of the insurer.

History: En. Sec. 10, Ch. 628, L. 1993.

39-71-1107. Domiciliary care — requirements — evaluation. (1) Reasonable domiciliary care must be provided by the insurer:

(a) from the date the insurer knows of the employee's need for home medical services that results from an industrial injury;

(b) when the preponderance of credible medical evidence demonstrates that nursing care is necessary as a result of the accident and describes with a reasonable degree of particularity the nature and extent of duties to be performed;

(c) when the services are performed under the direction of the treating physician who, following a nursing analysis, prescribes the care on a form provided by the department;

(d) when the services rendered are of the type beyond the scope of normal household duties; and

(e) when subject to subsections (3) and (4), there is a means to determine with reasonable certainty the value of the services performed.

(2) When a worker suffers from a condition that requires domiciliary care, which results from the accident, and requires nursing care as provided for in Title 37, chapter 8, a licensed nurse shall provide the services.

(3) When a worker suffers from a condition that requires 24-hour care and that results from the accident but that requires domiciliary care other than as provided in Title 37, chapter 8, the care may be provided by a family member. The insurer's responsibility for reimbursement for the care is limited to no more than the daily statewide average medicaid reimbursement rate for the current fiscal year for care in a nursing home. The insurer is not responsible for respite care.

(4) Domiciliary care by a family member that is necessary for a period of less than 24 hours a day may not exceed the hourly mean wage by area for home health aides, as published by the department in the most recent edition of the Montana Informational Wage Rates by Occupation and adopted annually by the department prior to January 1. The insurer is not liable for more than 8 hours of care each day at the rate in effect at the time that the services are rendered.

History: En. Sec. 11, Ch. 628, L. 1993; amd. Sec. 8, Ch. 117, L. 2007.

39-71-1108. Physician self-referral prohibition. (1) Unless authorized by the insurer, a treating physician may not refer a claimant to a health care facility at which the physician does not directly provide care or services when the physician has an investment interest in the facility, unless there is a demonstrated need in the community for the facility and alternative financing is not available. The insurer or the claimant is not liable for charges incurred in violation of this section.

(2) Subsection (1) does not apply to care or services provided directly to an injured worker by a treating physician with an ownership interest in a managed care organization that has been certified by the department.

Part 15
Montana Safety Culture Act

39-71-1501. Short title. This part may be cited as the "Montana Safety Culture Act".

History: En. Sec. 1, Ch. 295, L. 1993; amd. Sec. 1, Ch. 170, L. 2003.

39-71-1502. Purpose. The purpose of this part is to reduce the incidence of occupational injury and illness by promoting safety in the workplace in order to control the costs of claims for workers' compensation insurance. The creation of a safety culture requires employers to provide training and education to make safety awareness part of the requirement for each worker's satisfactory job performance and requires the department to promote safety awareness for the public through the education and preparation of each student for entrance into the labor market. A reduction in workplace injuries, illnesses, and deaths through enhanced safety on the job benefits the public as well as the employers and the employees by lowering both financial and physical costs. Ensuring immunity to insurers in the provision of safety consultation services encourages and promotes safety in the workplace and improves the relationship between employers and employees.

History: En. Sec. 2, Ch. 295, L. 1993; amd. Sec. 2, Ch. 170, L. 2003.

39-71-1503. Safety consultation. (1) As used in this part, "safety consultation services" means assistance rendered by an insurer or the department to advise and aid an employer in the identification, evaluation, and control of existing and potential accidental and occupational health problems. The services may be delivered in person, by mail, electronically, or by telephone, based upon need.

(2) Safety consultation services include but are not limited to:

(a) surveys consisting of onsite identification and subsequent evaluation of exposures relative to employees, materials, equipment, work methods, processes, and facilities;

(b) recommendations expressed in the form of communications to an employer, with reference to control of exposures to occupational accident, injury, or illness and to improvement of safety programs and systems;

(c) education and training programs, including aids, programs, and materials made available to assist in the control of exposures;

(d) consultations to advise employers relative to risk, exposure, and experience in the employer's business;

(e) accident analysis consisting of review of reported accidents to determine cause and trends; and

(f) industrial hygiene services, including recognition, evaluation, and control of chemical, physical, and biological exposures.

History: En. Sec. 3, Ch. 295, L. 1993; amd. Sec. 3, Ch. 170, L. 2003; amd. Sec. 16, Ch. 27, L. 2009.

(2) An employer who employs temporary workers shall include those workers in the employer's safety program. A temporary services contractor shall provide a safety program for employees not employed by other employers.

(3) The department may issue a safety recommendation to an employer who fails to comply with the requirements of this section or with rules adopted by the department pursuant to 39-71-1505.

History: En. Sec. 4, Ch. 295, L. 1993; amd. Sec. 1, Ch. 58, L. 2001.

39-71-1505. Rulemaking authority. The department shall adopt rules, including but not limited to rules that require:

(1) each employer to conduct an educational-based safety program, including but not limited to:

(a) a safety training program to provide:

(i) new employee general safety orientation;

(ii) job- or task-specific safety training; and

(iii) continuous refresher safety training, including periodic safety meetings;

(b) periodic hazard assessment, with corrective actions identified; and

(c) policies and procedures that assign specific safety responsibilities and safety performance accountability.

(3) The department may adopt rules authorizing :

(a) a plan No. 2 or plan No. 3 insurer to waive the requirement in subsection (2)(a) for a safety committee if the employer presents sufficient evidence of an effective written safety plan and has a satisfactory modification factor, if applicable, or has a low incident record of injuries; or

(b) the department to waive the requirement in subsection (2)(a) for a safety committee if a plan No. 1 insurer approved by the department presents sufficient evidence of an effective safety program, including a written safety plan. A waiver granted under this subsection (3)(b) to a member of the self-insurers guaranty fund must be made with the concurrence of the fund.

History: En. Sec. 5, Ch. 295, L. 1993; amd. Sec. 1, Ch. 238, L. 1995.

39-71-1506. Notification of safety consultation services available by insurer. To implement safety requirements, each insurer shall notify each insured employer of the type of safety consultation services available and the location where the safety consultation services may be requested.

History: En. Sec. 6, Ch. 295, L. 1993.

39-71-1507. Safety consultation services — safety program as provision of insurance contract or agreement. (1) Each insurer shall provide safety consultation services to each of its insured employers who request the assistance.

(2) The safety consultation services to be provided are within the discretion of the insurer but must include consideration of the hazard, experience, and size of the insured employer's operations.

(3) The insurer shall establish a system of priorities to use in responding to worksite safety consultation service requests, giving first priority to insured employers that have an unreasonably high actual or potential loss experience.

(4) Each insurer's insurance contract or agreement must require each insured employer to implement a safety program as part of the contract or agreement to provide workers' compensation coverage.

(1) The furnishing of or the failure to furnish safety consultation services related to, in connection with, or incidental to a workers' compensation insurance contract or agreement to provide workers' compensation coverage does not subject the insurer or its agents, employees, or service contractors to liability for damages from injury, loss, or death, whether direct or consequential, occurring as a result of any act or omission by any person in the course of providing safety consultation services.

(2) Subsection (1) does not apply:

(a) if the injury, loss, or death occurred during the actual performance of safety consultation services and was directly and proximately caused by the negligence of the insurer or its agents, employees, or service contractors;

(b) to any safety consultation services required to be performed under the provisions of a written service contract for which a specific charge is made and not incidental to a policy of insurance; or

39-71-2103. Employer permitted to carry on business and settle directly with employee — individual liability. (1) If the employer making the election is found by the department and the Montana self-insurers guaranty fund to have the requisite financial ability to pay the compensation and benefits in this chapter, then the department, with the concurrence of the guaranty fund, shall grant to the employer permission to carry on business for the year within which the election is made and proof filed, or the remaining portion of the year, and to make payments directly to the employees as they may become entitled to receive the payments.

(2) Each individual employer in an association, corporation, limited liability company, or organization of employers given permission by the department to operate as self-insured under plan No. 1 of this chapter is jointly and severally liable for all obligations incurred by the association, corporation, limited liability company, or organization under this chapter. An association, corporation, limited liability company, or organization of employers given permission to operate as self-insured shall maintain excess liability coverage in amounts and under conditions as provided by rules of the department.

39-71-2104. Renewal of application. An employer, so long as that employer continues to employ and continues to be bound by compensation plan No. 1, shall annually renew the application to be permitted to continue to make payments directly to employees for the next year. The department may, with the concurrence of the Montana self-insurers guaranty fund, renew the application from year to year. The annual renewal application must be in the form, for the period, and subject to the time limits prescribed by the department.

39-71-2105. Additional proof of solvency — revocation of order. (1) The department, with the concurrence of the Montana self-insurers guaranty fund, may at any time require from any employer acting under compensation plan No. 1 additional proof of solvency and financial ability to pay the benefits provided by this chapter.

(2) The department may, after providing an opportunity for an administrative review conference to consider information submitted by a plan No. 1 employer, revoke any order of approval upon 20 days' notice to the employer. A decision to revoke approval involving a plan No. 1 employer who is a member of the Montana self-insurers guaranty fund requires the concurrence of the guaranty fund. A plan No. 1 employer that is dissatisfied with the decision following the administrative review conference may appeal the decision and request a contested case hearing pursuant to 39-71-2401(2).

(3) A decision revoking an order of approval is final unless the employer files an appeal with the department within 20 days of the issuance of the notice. An employer may not continue to self insure after the 20-day period provided for in subsection (2) has expired unless the department is satisfied that the employer has provided sufficient security and financial ability to pay the

benefits provided by this chapter. A decision issued pursuant to this subsection involving a plan No. 1 employer who is a member of the Montana self-insurers guaranty fund requires the concurrence of the guaranty fund.

39-71-2106. Requiring security of employer. (1) (a) The department, with the concurrence of the Montana self-insurers guaranty fund, may require any employer who elects to be bound by compensation plan No. 1 to provide a security deposit in accordance with rules adopted by the department. All securities of the United States treasury must be in book-entry form. The security deposit may be a surety bond, government bond, certificate of deposit, or letter of credit approved by the department and the Montana self-insurers guaranty fund. For the first 3 years of operating as a self-insured employer, the employer's security deposit must be the greater of:

(i) $250,000; or

(ii) an average of the workers' compensation liabilities incurred by the employer in Montana for the first 3 of the last 4 completed calendar years.

(b) The department, with the concurrence of the Montana self-insurers guaranty fund, may, in accordance with rules adopted by the department, require a larger deposit as additional evidence of ability to pay the benefits provided by this chapter.

(c) The department may, with the concurrence of the Montana self-insurers guaranty fund, reduce the amount of the security deposit if the evidence indicates that the full amount of the deposit is unnecessary.

(2) (a) The department, with the concurrence of the Montana self-insurers guaranty fund, may require an employer to give security in addition to the security deposit described in subsection (1) if:

(i) the department, with the concurrence of the Montana self-insurers guaranty fund, determines that the employer lacks the ability to pay the benefits that are expected to be paid by the employer under the terms and conditions of this chapter that are chargeable to the employer during the year to be covered by the permission provided for in 39-71-2103; or

(ii) the employer is a group of individual employers seeking permission to operate under compensation plan No. 1.

(b) The additional security required in subsection (2)(a) must be an amount that the department, with the concurrence of the Montana self-insurers guaranty fund, finds reasonable and necessary to pay the benefits provided under the terms and conditions of this chapter that the employer may accrue during the year.

(3) (a) The security deposit provided for in subsection (1) must be deposited with the department. The security deposit may consist of:

(i) a bond executed to the department with a surety. The security deposit must state that the employer will pay or cause to be paid to employees the amount for which the employer was given permission under 39-71-2103 and for which the employer is liable under the terms and conditions of this chapter during the year.

(ii) any Montana state, county, municipal, or school district bonds that the department and the Montana self-insurers guaranty fund consider solvent; or

(iii) other security deposits allowed in subsection (1)(a).

(b) Each security deposit and the character and amount of the security deposit are subject to approval, revision, or change considered necessary by the department and the Montana self-insurers guaranty fund.

(c) Upon proof of the final payment of the liability for which the security deposit is given, the security deposit or any remainder of the security deposit must be returned to the depositor.

(d) Payment must be made from the security deposit within 30 days of a demand by the department for payment. If payment is not made within 30 days by the obligor on the security deposit, the obligor is liable to the department for interest at the annual rate of 10% on the amount unpaid.

(4) The department is liable for the value and safekeeping of all security deposits and shall, at any time, upon demand of the depositor, account for the security deposits.

39-71-2107. When employer to make deposit or security to guarantee payment of compensation. Within 30 days after the happening of an accident where death or the nature of the injury renders the amount of future payments certain or reasonably certain, the employer shall make a deposit or give security, as herein defined, with the department for the protection and guaranty of the payment of such liability in such sum as the department may direct. However, if sufficient securities are already on deposit with the department or if the department determines that the employer has sufficient financial responsibility to meet the liability of the employer, together with other liabilities already accrued, no such additional deposit or security shall be demanded.

39-71-2108. Failure of employer to pay benefits — duty of department. Upon the failure of the employer to pay any benefits provided for in this chapter upon the terms, in the amounts, and at the times when the benefits become due and payable, the department shall, upon demand of the person to whom benefits are due, apply any deposits made with the department to the payment of the benefits, and the department shall take the proper steps to convert any securities on deposit with the department or sufficient deposits to pay the liabilities of the employer accruing under the terms of this chapter. The department shall, when necessary, collect and enforce the collection of the liability of all sureties upon any bonds that may be given by the employer to ensure the payment of the employer's liability. The department is considered the owner of the deposit and security and the obligee in the bond in trust for the purposes and may proceed in its own name to recover upon the bonds or foreclose and liquidate the securities. All interest earnings on liquidated security deposits must be retained by the department for payment of benefits pursuant to this section.

(a) submitting an application on a form designated by the department;

(b) completing an agreement of assumption and guarantee of workers' compensation liabilities;

(1) Any employer except those specified in 39-71-403 may, by filing an election to become bound by compensation plan No. 2, insure the employer's liability to pay the compensation and benefits provided by this chapter with any insurance company authorized to transact such business in this state.

(2) Any employer electing to become bound by compensation plan No. 2 shall make the election on the form and in the manner prescribed by the department.

(3) A captive reciprocal insurer established by or on behalf of an employer or a group of employers is considered to be a compensation plan No. 2 insurer. Pursuant to 33-28-205, a captive reciprocal insurer may not be a member of an insurance guaranty association or guaranty fund.

39-71-2203. Content of policies — policies subject to approval, change, or revision by department. (1) All policies insuring the payment of compensation under this chapter must contain a clause to the effect that, as between the employee and the insurer:

(a) the notice to or knowledge of the occurrence of the injury on the part of the insured constitutes notice or knowledge, as the case may be, on the part of the insurer;

(b) jurisdiction of the insured for the purpose of this chapter is the jurisdiction of the insurer; and

(c) the insurer is in all things bound by and subject to the awards, orders, judgments, or decrees rendered against the insured.

(2) A policy may not be issued unless it contains the agreement of the insurer that it will promptly pay to the person entitled to compensation all the installments of compensation or other payments provided for in this chapter and that the obligation is not affected by any default of the insured after the injury or by any default in the giving of any notice required by the policy or by this chapter or otherwise. The agreement must be construed to be a direct promise by the insured to the person entitled to compensation.

(3) Every policy or contract insuring against liability for compensation under compensation plan No. 2 must contain a clause to the effect that the insurer is directly and primarily liable to and will pay directly to the employee or in case of death to the employee's beneficiaries or major or minor dependents the compensation, if any, for which the employer is liable.

(4) Every policy must at all times be subject to approval, change, or revision by the department and must contain the clauses, agreements, and promises required by this chapter.

(5) All Montana operations of an employer, as defined in 39-71-117, covered under plan No. 2 must be insured by the same insurer.

(2) The commissioner shall accept a filing under subsection (1) that includes a reasonable method of recognizing differences in rates of pay. This method must use a credit scale with the starting point set at 1.168 times the state's average weekly wage as reported by the department.

(3) The advisory organization shall file a revenue neutral plan for new and renewed policies for prompt and orderly transition to a method of computing premiums that is in compliance with the requirements of this section.

(1) Except as provided in subsection (7), a plan No. 2 insurer issuing or renewing a policy on or after January 1, 2008, shall post a security deposit with the department as provided by this section. The purpose of the security deposit is to provide a ready source of funds to pay claims arising under this chapter if the plan No. 2 insurer:

(a) becomes insolvent;

(b) is placed in receivership;

(c) declares bankruptcy;

(d) seeks protection from its creditors; or

(e) is otherwise unwilling or unable to pay its liabilities arising under this chapter.

(2) The amount of the security deposit, which is subject to the discretion of the department, must be in an amount from $25,000 to $250,000. The security deposit must be posted in the form of:

(a) a certificate of deposit;

(b) a United States treasury note; or

(c) an irrevocable letter of credit.

(3) If a plan No. 2 insurer fails to discharge any determined liability within the time set by the department, the department may convert the security deposit to cash and use the proceeds to pay the liability. Upon the conversion, the plan No. 2 insurer shall immediately furnish additional security to the department in an amount determined by the department to provide reasonable assurance that all current and future liabilities incurred by the plan No. 2 insurer as a result of the coverage provided under this chapter can be fully paid.

(4) (a) The security deposit required by this section is the property of the department and is held in trust by the department for the payment of the liabilities of the plan No. 2 insurer incurred under this chapter.

(b) Any earnings made by the security deposit accrue to the security deposit.

(c) Upon proof of final payment of all liabilities incurred under this chapter, the unexpended portion of the security deposit must be discharged and any proceeds remaining are payable to the plan No. 2 insurer.

(5) In the event of the insolvency of a plan No. 2 insurer, the department may, in its discretion, release part or all of the security deposit to the Montana insurance guaranty association, provided for in 33-10-103, for payment of the plan No. 2 insurer's Montana workers' compensation claims if:

(b) the plan No. 2 insurer is unable to pay its workers' compensation claims; and

(c) the plan No. 2 insurer's Montana workers' compensation liabilities have become the responsibility of the Montana insurance guaranty association.

(6) The department is authorized to share information and coordinate its actions with the Montana insurance commissioner and other appropriate regulatory agencies with respect to actions taken pursuant to this section.

39-71-2311. Intent and purpose of plan — expense constant defined. (1) It is the intent and purpose of the state fund to allow employers an option to insure their liability for workers' compensation and occupational disease coverage with the state fund. The state fund must be neither more nor less than self-supporting. Premium rates must be set at least annually at a level sufficient to ensure the adequate funding of the insurance program, including the costs of administration, benefits, and adequate reserves, during and at the end of the period for which the rates will be in effect. In determining premium rates, the state fund shall make every effort to adequately predict future costs. When the costs of a factor influencing rates are unclear and difficult to predict, the state fund shall use a prediction calculated to be more than likely to cover those costs rather than less than likely to cover those costs. The prediction must take into account the goal of pooling risk and may not place an undue burden on employers that are not eligible for the tier with the lowest-rated premium for workers' compensation purposes.

(2) Unnecessary surpluses that are created by the imposition of premiums found to have been set higher than necessary because of a high estimate of the cost of a factor or factors may be refunded by the declaration of a dividend as provided in this part. For the purpose of keeping the state fund solvent, the board of directors may implement multiple rating tiers as provided in 39-71-2330 and may assess an expense constant, a minimum premium, or both.

(3) As used in this section, "expense constant" means a premium charge applied to each workers' compensation policy to pay expenses related to issuing, servicing, maintaining, recording, and auditing the policy.

Effective Date — Applicability: Section 5, Ch. 218, L. 2009, provided: "[This act] is effective July 1, 2009, and applies to groups formed on or after July 1, 2010."

39-71-2312. Definitions. Unless the context requires otherwise, in this part the following definitions apply:

(1) "Board" means the board of directors of the state compensation insurance fund provided for in 2-15-1019.

(2) "Executive director" means the chief executive officer of the state compensation insurance fund.

(3) "State fund" means the state compensation insurance fund provided for in 39-71-2313. It is also known as compensation plan No. 3 or plan No. 3.

39-71-2313. State compensation insurance fund created — obligation to insure. (1) There is a state compensation insurance fund known as the state fund that is a nonprofit, independent public corporation established for the purpose of allowing an option for employers to insure their liability for workers' compensation and occupational disease coverage under this chapter.

(2) The state fund is required to insure any employer in this state who requests coverage, and it may not refuse to provide coverage unless an employer or the employer's principals have defaulted on a state fund obligation and the default remains unsatisfied.

History: En. Sec. 4, Ch. 613, L. 1989; amd. Sec. 8, Ch. 4, Sp. L. May 1990; amd. Sec. 14, Ch. 630, L. 1993; amd. Sec. 2, Ch. 305, L. 1995.

39-71-2314. State fund subject to laws applying to state agencies. The state fund is subject to laws that generally apply to state agencies, including but not limited to Title 2, chapters 2, 3, 4 (only as provided in 39-71-2316), and 6, and Title 5, chapter 13. The state fund is not exempt from a law that applies to state agencies unless that law specifically exempts the state fund by name and clearly states that it is exempt from that law.

History: En. Sec. 10, Ch. 613, L. 1989; amd. Sec. 9, Ch. 4, Sp. L. May 1990; amd. Sec. 3, Ch. 630, L. 1993; amd. Sec. 11, Ch. 310, L. 1997.

39-71-2315. Management of state fund — powers and duties of the board — business plan required. (1) The management and control of the state fund is vested solely in the board.

(2) The board is vested with full power, authority, and jurisdiction over the state fund. The board may perform all acts necessary or convenient in the exercise of any power, authority, or jurisdiction over the state fund, either in the administration of the state fund or in connection with the insurance business to be carried on under the provisions of this part, as fully and completely as the governing body of a private mutual insurance carrier, in order to fulfill the objectives and intent of this part. Bonds may not be issued by the board, the state fund, or the executive director.

(3) The board shall adopt a business plan no later than June 30 for the next fiscal year. At a minimum, the plan must include:

(a) specific goals for the fiscal year for financial performance. The standard for measurement of financial performances must include an evaluation of premium to surplus.

(b) specific goals for the fiscal year for operating performance. Goals must include but not be limited to specific performance standards for staff in the area of senior management, underwriting, and claims administration. Goals must, in general, maximize efficiency, economy, and equity as allowed by law.

(4) The business plan must be available upon request to the general public for a fee not to exceed the actual cost of publication. However, performance goals relating to a specific employment position are confidential and not available to the public.

(5) No sooner than July 1 or later than October 31, the board shall convene a public meeting to review the performance of the state fund, using the business plan for comparison of all the established goals and targets. The board shall publish, by November 30 of each year, a report of the state fund's actual performance as compared to the business plan.

(6) The state fund board of directors shall establish in-house guidelines for procurement of insurance-related services and shall include guidelines for the solicitation of submissions of information regarding insurance-related services from more than one vendor. The board may include guidelines for the circumstances when business necessity or expedience may preclude the solicitation of submissions from more than one vendor. The board may also include in the guidelines the exemptions to the procurement process in 18-4-132.

39-71-2316. Powers of state fund. (1) For the purposes of carrying out its functions, the state fund may:

(a) insure any employer for workers' compensation and occupational disease liability as the coverage is required by the laws of this state and, as part of the coverage, provide related employers' liability insurance upon approval of the board;

(b) sue and be sued;

(c) enter into contracts relating to the administration of the state fund, including claims management, servicing, and payment;

(d) collect and disburse money received;

(e) adopt classifications and charge premiums for the classifications so that the state fund will be neither more nor less than self-supporting. Premium rates for classifications may be adopted and changed only by using a process, a procedure, formulas, and factors set forth in rules adopted under Title 2, chapter 4, parts 2 through 4. After the rules have been adopted, the state fund need not follow the rulemaking provisions of Title 2, chapter 4, when changing classifications and premium rates. The contested case rights and provisions of Title 2, chapter 4, do not apply to an employer's classification or premium rate. The state fund is required to belong to a licensed workers' compensation advisory organization or a licensed workers' compensation rating organization under Title 33, chapter 16, part 4, and may use the classifications of employment adopted by the designated workers' compensation advisory organization, as provided in Title 33, chapter 16, part 10, and corresponding rates as a basis for setting its own rates. Except as provided in Title 33, chapter 16, part 10, a workers' compensation advisory organization or a licensed workers' compensation rating organization under Title 33, chapter 16, part 4, or other person may not, without first obtaining the written permission of the employer, use, sell, or distribute an employer's specific payroll or loss information, including but not limited to experience modification factors.

(f) pay the amounts determined to be due under a policy of insurance issued by the state fund;

(g) hire personnel;

(h) declare dividends if there is an excess of assets over liabilities. However, dividends may not be paid until adequate actuarially determined reserves are set aside.

(i) adopt and implement one or more alternative personal leave plans pursuant to 39-71-2328;

(j) upon approval of the board, contract with licensed resident insurance producers;

(k) upon approval of the board, enter into agreements with licensed workers' compensation insurers, insurance associations, or insurance producers to provide workers' compensation coverage in other states to Montana-domiciled employers insured with the state fund;

(l) upon approval of the board, expend funds for scholarship, educational, or charitable purposes;

(m) upon approval of the board, including terms and conditions, provide employers coverage under the federal Longshore and Harbor Workers' Compensation Act, 33 U.S.C. 901, et seq., the federal Merchant Marine Act, 1920 (Jones Act), 46 U.S.C. 688, and the federal Employers' Liability Act, 45 U.S.C. 51, et seq.;

(n) perform all functions and exercise all powers of a private insurance carrier that are necessary, appropriate, or convenient for the administration of the state fund.

(2) The state fund shall include a provision in every policy of insurance issued pursuant to this part that incorporates the restriction on the use and transfer of money collected by the state fund as provided for in 39-71-2320.

39-71-2328. State fund alternative personal leave plan — exception — collective bargaining negotiation — personal leave definition. (1) Except as provided in subsection

(2), the state fund, after consultation with the department of administration, may develop an alternative personal leave plan for all state compensation insurance fund employees. The number of days and the rate at which the number of days are earned for the alternative personal leave plan must be the same as the combined total of days provided for in 2-18-612 and 2-18-618. Prior to implementation, the alternative personal leave plan must be adopted by the board and the board may adopt changes to the plan.

(2) The state fund, after consultation with the department of administration, may develop one or more alternative personal leave plans for some or all of its employees or may choose to develop an alternative personal leave plan for a particular class of employees or work unit.

(3) To the extent that an alternative personal leave plan applies to an employee who is a member of a collective bargaining unit, the implementation of the personal leave plan is subject to negotiation under 39-31-305.

(4) As used in this section, "personal leave" means all leave provided to an employee under the provisions of Title 2, chapter 18, part 6.

History: En. Sec. 1, Ch. 314, L. 2001.

39-71-2329 reserved.

39-71-2330. Rate setting — surplus — multiple rating tiers. (1) The board has the authority to establish the rates to be charged by the state fund for insurance. The board shall engage the services of an independent actuary who is a member in good standing with the American academy of actuaries to develop and recommend actuarially sound rates. Rates must be set at amounts sufficient, when invested, to carry the estimated cost of all claims to maturity, to meet the reasonable expenses of conducting the business of the state fund, and to amass and maintain an excess of surplus over the amount produced by the national association of insurance commissioners' risk-based capital requirements for a casualty insurer.

(2) Because surplus is desirable in the insurance business, the board shall annually determine the level of surplus that must be maintained by the state fund pursuant to this section, but shall maintain a minimum surplus of 25% of annual earned premium. The state fund shall use the amount of the surplus above the risk-based capital requirements to secure the state fund against various risks inherent in or affecting the business of insurance and not accounted for or only partially measured by the risk-based capital requirements.

(3) The board may implement multiple rating tiers for classifications that take into consideration losses, premium size, and other factors relevant in placing an employer within a rating tier.

History: En. Sec. 7, Ch. 630, L. 1993; amd. Sec. 4, Ch. 407, L. 1999; amd. Sec. 9, Ch. 314, L. 2001.

Notice to the department under this section must be provided electronically.

(2) The department:

39-71-2339. Cancellation of coverage — twenty days' notice required. (1) The state fund may cancel an employer's coverage under this part for failure to report payroll or pay the premiums due or for another cause provided in the insurance policy. Cancellation may take effect only by written notice to the named insured and the department at least 20 days prior to the date of cancellation or, in cases of nonreporting of payroll or nonpayment of a premium, by failure of the employer to submit payroll reports or pay a premium within 20 days after the due date. The state fund shall notify the department of the names and effective dates of all policies canceled. However, the policy terminates on the effective date of a replacement or succeeding insurance policy issued to the insured. This section does not prevent the state fund from canceling an insurance policy before a replacement policy is issued to the insured. After the cancellation date, the employer has the same status as an employer who is not enrolled under the Workers' Compensation Act unless a replacement or succeeding insurance policy has been issued. Notice to the department under this section must be provided electronically.

39-71-2340. Collection in case of default. (1) If an employer under plan No. 3 defaults in any payment to the state fund, the state fund may collect the sum due in a civil action in the name of the state. The right of action is cumulative.

(2) If an employer's right to operate has been canceled by the state fund for failure to pay premiums and the state fund finds that the property and assets of the employer are not sufficient to pay the premiums, the state fund may compromise the claim for premiums and accept a payment of an amount less than the total amount due.

39-71-2342 through 39-71-2350 reserved.

39-71-2351. Purpose of separation of state fund liability as of July 1, 1990, and of separate funding of claims before and on or after that date. (1) An unfunded liability exists in the state fund. It has existed since at least the mid-1980s and has grown each year. There have been numerous attempts to solve the problem by legislation and other methods. These attempts have alleviated the problem somewhat, but the problem has not been solved.

(2) The legislature has determined that it is necessary to the public welfare to make workers' compensation insurance available to all employers through the state fund as the insurer of last resort. In making this insurance available, the state fund has incurred the unfunded liability. The legislature has determined that the most cost-effective and efficient way to provide a source of funding for and to ensure payment of the unfunded liability and the best

way to administer the unfunded liability is to separate the liability of the state fund on the basis of whether a claim is for an injury resulting from an accident that occurred before July 1, 1990, or an accident that occurs on or after that date.

(3) The legislature further determines that in order to prevent the creation of a new unfunded liability with respect to claims for injuries for accidents that occur on or after July 1, 1990, certain duties of the state fund should be clarified and legislative oversight of the state fund should be increased.

History: En. Sec. 1, Ch. 4, Sp. L. May 1990; amd. Sec. 5, Ch. 797, L. 1991; amd. Sec. 1, Ch. 637, L. 1993; amd. Sec. 22, Ch. 276, L. 1997.

39-71-2352. Separate payment structure and sources for claims for injuries resulting from accidents that occurred before July 1, 1990, and on or after July 1, 1990 — spending limit — authorizing transfer of money. (1) Premiums paid to the state fund based upon wages payable before July 1, 1990, may be used only to administer and pay claims for injuries resulting from accidents that occurred before July 1, 1990. Premiums paid to the state fund based upon wages payable on or after July 1, 1990, may be used only to administer and pay claims for injuries resulting from accidents that occur on or after July 1, 1990.

(2) The state fund shall:

(a) determine the cost of administering and paying claims for injuries resulting from accidents that occurred before July 1, 1990, and separately determine the cost of administering and paying claims for injuries resulting from accidents that occur on or after July 1, 1990;

(b) keep adequate and separate accounts of the costs determined under subsection (2)(a); and

(c) fund administrative expenses and benefit payments for claims for injuries resulting from accidents that occurred before July 1, 1990, and claims for injuries resulting from accidents that occur on or after July 1, 1990, separately from the sources provided by law.

(3) The state fund may not spend more than $1.25 million a year to administer claims for injuries resulting from accidents that occurred before July 1, 1990.

(4) As used in this section, "adequately funded" means the present value of:

(a) the total cost of future benefits remaining to be paid; and

(b) the cost of administering the claims.

(5) An amount of funds in excess of the adequate funding amount established in subsection (4), based on audited financial statements adjusted for unrealized gains and losses, must be transferred to the general fund.

(6) If in any fiscal year after the old fund liability tax is terminated claims for injuries resulting from accidents that occurred before July 1, 1990, are not adequately funded, any amount necessary to pay claims for injuries resulting from accidents that occurred before July 1, 1990, must be transferred from the general fund to the account provided for in 39-71-2321.

(7) The independent actuary engaged by the state fund pursuant to 39-71-2330 shall project the unpaid claims liability for claims for injuries resulting from accidents that occurred before July 1, 1990, each fiscal year until all claims are paid.

The legislative auditor shall annually conduct or have conducted a financial and compliance audit of the state fund, including its operations relating to claims for injuries resulting from accidents that occurred before July 1, 1990. The audit must include evaluations of the claims reservation process, the amounts reserved, and the current report of the state fund's actuary. The evaluations may be conducted by persons appointed under 5-13-305. Audit and evaluation costs are an expense of and must be paid by the state fund and must be allocated between those claims for injuries resulting from accidents that occurred before July 1, 1990, and those claims for injuries resulting from accidents that occur on or after that date.

Mediation

Part Cross-References

Uniform Arbitration Act, Title 27, ch. 5.

39-71-2401. Disputes — jurisdiction — settlement requirements — mediation. (1) A dispute concerning benefits arising under this chapter, other than the disputes described in subsection (2), must be brought before a department mediator as provided in this part. If a dispute still exists after the parties satisfy the mediation requirements in this part, either party may petition the workers' compensation court for a resolution.

(2) A dispute arising under this chapter that does not concern benefits or a dispute for which a specific provision of this chapter gives the department jurisdiction must be brought before the department.

(3) An appeal from a department order may be made to the workers' compensation court.

(4) Except as otherwise provided in this chapter, before a party may bring a dispute concerning benefits before a mediator, the parties shall attempt to settle as follows:

(a) The party making a demand shall present the other party with a specific written demand that contains sufficient explanation and documentary evidence to enable the other party to thoroughly evaluate the demand.

(b) The party receiving the demand shall respond in writing within 15 working days of receipt. If the demand is denied in whole or in part, the response must state the basis of the denial.

(c) Upon motion of a party or upon the mediator's own motion, the mediator has the authority to dismiss a petition if the mediator finds that either party did not comply with this subsection (4). A decision dismissing a petition under this subsection (4)(c) must be in writing and must state in detail the grounds for dismissal. The mediator's decision may be reviewed by the workers' compensation court upon motion of a party.

(d) This subsection (4) does not relieve a party of an obligation otherwise contained in this chapter.

2009 Amendment: Chapter 56 made section gender neutral; and made minor changes in style. Amendment effective October 1, 2009.

39-71-2402 through 39-71-2405 reserved.

39-71-2406. Purpose. The purpose of this part is to prevent when possible the filing in the workers' compensation court of actions by claimants or insurers relating to claims under this chapter if an equitable and reasonable resolution of the dispute may be effected at an earlier stage. To achieve this purpose, this part provides for a procedure for mandatory, nonbinding mediation. It is the intent of this part that the mediation process be used to resolve cases on an informal basis at minimal cost to the parties, and to this end, the parties are required to fully present their cases at the mediation level. However, if a cause proceeds to the workers' compensation court, the parties are not precluded from presenting additional evidence before the court. If a new issue is raised at the workers' compensation court that was not raised at mediation, the court shall remand the issue to the mediator for consideration.

History: En. Sec. 52, Ch. 464, L. 1987; amd. Sec. 2, Ch. 427, L. 1989; amd. Sec. 30, Ch. 416, L. 2005.

39-71-2407. Department authority — rules. (1) The department shall designate mediators and shall implement the provisions of this part.

(2) The department may adopt the rules necessary to implement this part. The rules may prescribe:

(a) the qualifications of mediators; and

(b) a procedure for the conduct of mediation proceedings.

(3) The cost to the department of implementing this part must be paid out of the workers' compensation administration fund.

History: **En. Sec. 53, Ch. 464, L. 1987.**

39-71-2408. Mandatory, nonbinding mediation. (1) Except as otherwise provided, in a dispute arising under this chapter, the insurer and claimant shall mediate any issue concerning benefits and the mediator shall issue a report following the mediation process recommending a solution to the dispute before either party may file a petition in the workers' compensation court.

(2) The resolution recommended by the mediator is without administrative or judicial authority and is not binding on the parties.

History: **En. Sec. 54, Ch. 464, L. 1987; amd. Sec. 31, Ch. 416, L. 2005.**

39-71-2409. Duties of mediator. A mediator shall assist the parties in negotiating a resolution to their dispute by:

(1) facilitating an exchange of information between the parties;

(2) assuring that all relevant information is brought forth during the mediation process;

(3) suggesting possible solutions to issues of dispute between the parties;

(4) recommending a solution; and

(5) assisting the parties to voluntarily resolve their dispute.

History: **En. Sec. 55, Ch. 464, L. 1987; amd. Sec. 3, Ch. 427, L. 1989.**

39-71-2410. Limitations on mediation proceedings. (1) Except as may be necessary for the workers' compensation court to rule on issues arising under 39-71-2401(4)(c) or 39-71-2411(8)(c), mediation proceedings must be:

(a) held in private;

(b) informal and held without a verbatim record; and

(c) confidential.

(2) All communications, verbal or written, from the parties to the mediator and any information and evidence presented to the mediator during the proceeding are confidential.

(3) A mediator's files and records are closed to all persons but the parties.

(4) (a) A mediator may not be called to testify in any proceeding concerning the issues discussed in the mediation process.

(b) The mediator's report and any of the information or recommendations contained in the report are not admissible as evidence in any action subsequently brought in any court of law.

(5) Subsections (1) through (4) do not prohibit a mediator from issuing a report and the parties and the mediator may be required to attend a conference before the workers' compensation court as set forth in 39-71-2411.

History: **En. Sec. 56, Ch. 464, L. 1987; amd. Sec. 4, Ch. 427, L. 1989; amd. Sec. 11, Ch. 558, L. 1991; amd. Sec. 1, Ch. 39, L. 2005.**

39-71-2411. Mediation procedure. (1) Except as otherwise provided, a claimant or an insurer having a dispute relating to benefits under this chapter may petition the department for mediation of the dispute.

(2) A party may take part in mediation proceedings with or without representation.

(3) The mediator shall review the department file for the case and may receive any additional documentation or argument either party submits.

(4) The claimant and an employee of the insurer or an authorized third-party examiner with settlement authority shall attend any scheduled mediation conference in person or shall participate by telephone conference call.

(5) The mediator shall request that each party offer an argument summarizing the party's position. A party's argument must fully present the party's case. The argument is not limited by the rules of evidence.

(6) After the parties have presented all their information and arguments to the mediator, the mediator shall recommend a solution to the parties within a reasonable time to be established by rule.

(7) A party shall notify the mediator within 25 days of the mailing of the mediator's report as to whether the party accepts the mediator's recommendation. If either party does not accept

the mediator's recommendation, the party may petition the workers' compensation court for resolution of the dispute.

(8) (a) If a mediator determines that either party failed to cooperate in the mediation process, the mediator shall prepare a written report setting forth the determination and the grounds for the determination. The report must be mailed to the parties and to the workers' compensation court. Unless a party disputes the determination as set forth in subsection (8)(c), the parties shall repeat the mediation process, but only one time.

(b) A mediator may determine that a party has failed to cooperate in the mediation process only if the party failed to:

(i) supply information or offer a summary of the party's position as reasonably requested by the mediator;

(ii) attend scheduled mediation conferences unless excused by the mediator; or

(iii) listen to and review the information and position offered by the opposing party.

(c) If a party disputes a mediator's determination that the party failed to cooperate in the mediation process, the party may file a petition with the workers' compensation court. Upon receipt of a petition, the court shall summon the parties and the mediator to determine by oral discussion whether the mediator's determination of noncooperation is supportable. If the court finds that the mediator's determination is supportable, the court may order the parties to attempt a second time to mediate their dispute.

Part Compiler's Comments

Effective Date: Section 7, Ch. 238, L. 2009, provided: "[This act] is effective on passage and approval." Approved April 16, 2009.

39-74-101. Short title. This chapter may be cited as the "Critical Incident Stress Management Act".

History: En. Sec. 1, Ch. 238, L. 2009.

39-74-102. Policy. In order to promote the resiliency and well-being of Montana emergency service providers, it is the policy of the state of Montana to encourage the practice of critical incident stress management.

History: En. Sec. 2, Ch. 238, L. 2009.

39-74-103. Purpose. (1) It is the purpose of this chapter to recognize the importance of critical incident stress management and to protect the integrity of the critical incident stress management process.

(2) The legislature finds that, in some cases of dealing with extreme psychological stress or trauma that has resulted from a response to a critical incident, the privacy of the emergency service provider exceeds the merits of public disclosure.

History: En. Sec. 3, Ch. 238, L. 2009.

39-74-104. Definitions. As used in this chapter, the following definitions apply:

(1) "Critical incident" means an event that results in acute or cumulative psychological stress or trauma to an emergency service provider as a result of response to the incident.

(2) "Critical incident stress" means an unusually strong emotional, cognitive, or physical reaction that has the potential to interfere with normal functioning and that results from the

response to a critical incident. This may include but is not limited to physical and emotional illness, failure of usual coping mechanisms, loss of interest in the job, personality changes, or loss of ability to function.

(3) "Critical incident stress management" means a process of crisis intervention designed to assist emergency service personnel in coping with the psychological trauma resulting from response to a critical incident.

(4) "Critical incident stress management and response services" means consultation, counseling, debriefing, defusing, intervention services, management, prevention, and referral provided by a critical incident stress management team member to emergency service personnel.

(5) "Critical incident stress management team" means the group of one or more trained volunteers or paid professionals who offer critical incident stress management and response services following a critical incident.

(6) "Critical incident stress management team member" or "team member" means an individual specially trained to provide critical incident stress management and response services as a member of an organized team or emergency services provider agency.

(7) "Emergency service provider" or "emergency service personnel" means a law enforcement officer, firefighter, emergency medical service provider, dispatcher, rescue service provider, or other personnel who provide emergency response services.

History: En. Sec. 4, Ch. 238, L. 2009.

39-74-105. Critical incident meetings closed — confidentiality — exceptions. (1) To protect the privacy rights of an emergency service provider in receiving critical incident stress management and response services, critical incident stress management debriefing meetings and other critical incident stress management and response services meetings are closed to the general public and may be closed to anyone who was not directly involved in the critical incident that is the subject of the meeting.

(2) Any information divulged to the team during the provision of critical incident stress management and response services must be kept confidential and may not be disclosed to a third party or in a criminal, civil, or administrative proceeding unless the merits of disclosure exceed the demands of an individual's privacy. Records kept by critical incident stress management team members are not subject to subpoena, discovery, or introduction into evidence in a criminal, civil, or administrative action.

(3) The confidentiality privilege provided in subsections (1) and (2) does not apply:

(a) for the appropriate referral to or consultation with other critical incident stress management team members or related qualified professionals;

(b) if the emergency service provider conveys that the provider is an imminent threat to the provider or anyone else or if the provider appears to be an imminent threat to the provider or anyone else;

(c) if the emergency services provider divulges information regarding a past, present, or future criminal act that does not involve the critical incident;

(d) if the emergency service provider or the provider's legal guardian gives consent;

(e) if the emergency service provider is deceased; or

(f) to the facts divulged by the emergency service provider concerning a person injured in a critical incident and the services and care provided to or withheld from that person by an emergency service provider.
